A. Introduction

Corporate Social Responsibility (CSR) is the commitment of companies to provide resources and support activities focused on enhancing economic and social development. It is the effort made by companies to improve the living conditions of the local area in which they operate and the society at large. The activities taken up as part of corporate social responsibility reflect the intent to create a positive impact on society without seeking any commensurate monetary benefits.

CSR has been a long-standing commitment at ICICI Securities and the ICICI Group and forms an integral part of our activities. ICICI Group’s contribution to social sector development includes several pioneering interventions, and is implemented through the involvement of stakeholders within the Group and the broader community. ICICI Bank established the ICICI Foundation for Inclusive Growth (ICICI Foundation) in 2008 with a view to significantly expand the ICICI Group’s activities in the area of CSR. Over the last few years, ICICI Foundation has developed significant projects in specific areas, and has built capabilities for direct project implementation as opposed to extending financial support to other organizations.

Our Company’s objective is to pro-actively support meaningful socio-economic development in India and enable a larger number of people to participate in and benefit from India’s economic progress. This is based on the belief that growth and development are effective only when they result in wider access to opportunities and benefit a broader section of society. The Company aims to identify critical areas of development that require investments and intervention, and which can help to realize India’s potential for growth and prosperity.

The Corporate Social Responsibility Policy (CSR Policy) sets out the framework guiding the Company’s CSR activities. The Policy also sets out the rules that need to be adhered to while taking up and implementing CSR activities.

G. Corporate Social Responsibility Activities

The CSR Committee of the Company would consider and approve the projects or programmes that the Company should undertake as CSR in India. Any project or programme that is exclusively for the benefit of the Company’s employees would not be considered as CSR.

The Company’s primary focus areas for CSR activities are:

[Below content includes paragraph set in **bold or italic** type and plain type, which have equal importance in understanding of the Company’s CSR activities. Paragraph in **bold or italic** type indicate the wordings as outlined in the Schedule VII of the Companies Act 2013, while plain type is internal explanation covering one or more outlined items by Companies Act, 2013]

1. Education

   *Schedule VII (iii) promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects*

   Education represents a critical area of action to realise India’s growth potential as also make it inclusive, by enabling children from all sections of society to have access to quality basic education that equips them for taking up higher education or job-oriented
skill training. At the same time, India’s institutions of higher learning also require investment in capacity building to support India’s growing and evolving needs and become global centres of excellence.

The Company shall work with not-for-profit organizations to improve the quality of education in government and municipal schools, which account for the vast majority of school-going children in the country. The Company will work with institutes of higher education for focused capacity-building in specified disciplines, particularly finance & management.

With the growth and rising complexity of financial needs and available products & services, financial education and counselling along with financial and retirement planning is a key area requiring attention. The Company will continue to work on initiatives that guide individuals in understanding financial products including increasing awareness of investment, insurance and pension products as a long term tool for protection and wealth creation.

2. Health care

Schedule VII (i) eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation including contribution to Swach Bharat Kosh set-up by the Central Government for the promotion of sanitation and making available safe drinking water; (iii) promoting gender equality, empowering women, setting up homes and hostels for women and orphans, setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups; (x) rural development projects

The healthcare challenge in India spans a number of dimensions, including access to affordable healthcare for the poor; awareness of health issues & available facilities/benefits among the less privileged segments of society and specific vulnerable sections of the population; and child malnutrition, which impairs the capacity of a child to lead a healthy and productive life. Addressing this challenge is essential to achieve the objective of inclusive growth.

The Company shall focus on developing innovative models with the potential to scale up and bring about improvements in the delivery of healthcare to the marginalised segments of society. These will seek to enhance the availability of affordable healthcare to low income households, improve health seeking behavior among low – income and vulnerable groups through higher awareness and improve child nutrition. Initiatives to promote access to healthcare is backed by insurance will continue to be a focus area.
3. Skill development and sustainable livelihoods

Schedule VII (ii) promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects; (iii) promoting gender equality, empowering women, setting up homes and hostels for women and orphans, setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups

Enabling India’s youth to gain skills that can provide employment is key to realizing the potential of India’s demographic dividend and driving inclusive growth. Improving employability of the youth from lower-income sections of society is hence an important focus area.

The Company shall partner with various organizations who provide job-oriented skill training.

The ICICI Academy for Skills has been set up across the country to provide job-oriented skill training to youth. Several centers have been set up across the country. In this initiative, ICICI Foundation is also leveraging the skills and training capabilities of large corporates in developing training modules in their respective domains. ICICI Foundation is also liaising with corporates and businesses to get the trained youth employed, through a job portal.

4. Financial inclusion

Schedule VII (iii) promoting gender equality, empowering women, setting up homes and hostels for women and orphans, setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups; (x) rural development projects

The Company strongly believes that to improve the overall economic condition of the low income population and to empower them with means to overcome adversities or inequalities, access to financial services is an important factor. Increasing the participation of the rural population as well as the urban poor and migrant workers in the economic mainstream and the formal financial system is imperative for India to leverage its growth potential. The Company recognizes the need for critical interventions in promoting rural development and will initiate programs that would empower the rural people.

5. Support employee engagement in CSR activities

The Company supports the involvement of its employees in CSR activities. The Company will encourage employees to participate in CSR activities of the Company. Further the Company will endeavour to involve employees in social initiatives such as organizing annual blood donation camp, donation and services to locations hit by natural disaster, etc.
6. Capacity building for corporate social responsibility

The Company shall promote incubation of expertise for implementing corporate social responsibility initiatives. It shall work towards providing a platform for organizations engaged in social initiatives, and discussion & thought leadership on critical challenges to inclusive growth. The Company shall support initiatives that promote individual and corporate philanthropy.

7. Contributions or funds provided to technology incubators for Start-ups

Schedule VII (ix) contributions or funds provided to technology incubators located within academic institutions which are approved by the Central Government.

The Company intends to promote entrepreneurship, innovative ideas for technological development- to achieve sustainability and create employment opportunities.

8. Other areas

The Company shall provide support to specific needs such as natural disasters, through financial as well as logistical support.

Apart from the activities undertaken in the above focus areas, the CSR Committee may choose to select activities in areas or subjects, as prescribed in Schedule VII of the Companies Act, 2013.
