Dear Sir/Madam,

**Sub: Application under Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the proposed Scheme of Arrangement for delisting of Equity Shares of ICICI Securities Limited**

**Ref:** NSE Scrip Code – ISEC

This is with reference to the captioned application and the queries received from National Stock Exchange of India Limited ("NSE") on *vide* letter ref: NSE/LIST/36526 dated July 20, 2023. In this regard, we hereby submit the response to respective queries raised by NSE as under:

1. It has been observed that in the valuation report provided by both the valuers, the standalone profit after tax of ICICI Bank is considered to value shares under the DCF method. Kindly provide a detailed rationale for considering the standalone figures rather than the consolidated figures and how the same is not impacting the fair value of shares.

**Response:**

ICICI Bank Limited ('ICICI Bank') is a diversified financial services group offering a wide range of banking and financial services to corporate and retail customers. Apart from banking products and services, the Bank offers insurance, asset management, securities broking and other services through its subsidiaries and affiliates. For computing value of the ICICI Group under the DCF methodology, the valuer considered Sum of the Parts approach, including the following:

- The banking operations were valued on the basis of standalone financials; and
- The key subsidiaries were valued using Market Price/Comparable Companies' Multiple method.

Given that ICICI Bank derives significant value from its banking business, the valuers considered an adaptation of DCF method for valuing the banking operations on the basis of standalone financials. The value of its investments in the key subsidiaries and ICICI Securities Limited has been added separately to standalone DCF value of ICICI Bank to determine the per share value of ICICI Bank on a consolidated basis.

2. Kindly provide the working for computing the sixty days volume weighted average price ended 28 June 2023 as per Regulation 37 of SEBI (Delisting of Equity Shares) Regulations, 2021. Also, the reference date has been taken as June 28, 2023, whereas the date on which the recognized stock exchange(s) was notified about the board meeting in which the delisting proposal of the subsidiary was considered and approved was June 29, 2023. Kindly clarify.

**Response:**

Please find below the workings for computing the sixty days' volume weighted average price ending June 28, 2023. It may be noted that as the Board meeting was scheduled on June 29, 2023, for computation of volume weighted average price, the closing price of the previous trading day *i.e.* June 28, 2023 was considered. Hence, for the purpose of calculations, we have considered the sixty days period ending on June 28, 2023. From the calculations below, the sixty days' volume weighted average price for ICICI Securities comes out to INR 583.6 per share and for ICICI Bank comes out to INR 937.9 per share.

## A. PREAMBLE

This Scheme (*as defined hereinafter*) is presented under Section 230 and other applicable provisions of the Act (*as defined hereinafter*), for the delisting of the shares of the Subsidiary Company (*as defined hereinafter*) from the Stock Exchanges (*as defined hereinafter*) pursuant to Regulation 37 of the SEBI Delisting Regulations (*as defined hereinafter*) involving cancellation of the entire shareholding of the Public Shareholders (*as defined hereinafter*) and issuance of New Shares (*as defined hereinafter*) as per the Swap Ratio (*as defined hereinafter*) to the Public Shareholders (*as defined hereinafter*); and for matters consequential, incidental, supplementary and or otherwise integrally connected therewith.

## B. DESCRIPTION OF THE COMPANIES

### 1. ICICI BANK LIMITED

ICICI Bank Limited is a public limited company incorporated under the provisions of the Companies Act, 1956 having its registered office at ICICI Bank Tower, Near Chakli Circle, Old Padra Road, Vadodara 390007, Gujarat (hereinafter referred to as "**Holding Company**"). The Corporate Identification Number of the Holding Company is L65190GJ1994PLC021012. The equity shares of the Holding Company are listed on the BSE and NSE and the American Depository Receipts (ADRs) are listed on the New York stock exchange. The NCDs issued by the Holding Company are listed on BSE and NSE, SIX Swiss Exchange Limited, Singapore Stock Exchange and India Inx-India International Exchange IFSC Limited. The Holding Company, a scheduled commercial bank, is engaged in the business of providing a wide range of banking and financial services including commercial banking and treasury operations.

### 2. ICICI SECURITIES LIMITED

ICICI Securities Limited is a public limited company incorporated under the provisions of the Companies Act, 1956, having its registered office at ICICI Venture House, Appasaheb Marathe Marg, Prabhadevi, Mumbai 400025, Maharashtra ("**Subsidiary Company**"). The Corporate Identification Number of the Subsidiary Company is L67120MH1995PLC086241. The equity shares of the Subsidiary Company are listed on the BSE and NSE. The Holding Company is a promoter of the Subsidiary Company and holds ~74.85% equity shareholding in the Subsidiary Company as on the date of approval of the Scheme by the Boards of the Companies (*as defined hereinafter*). The Subsidiary Company is engaged in the business of broking (institutional and retail) including allied services of extending margin trade finance and ESOP finance, distribution of financial products, merchant banking and advisory services.

### 3. RATIONALE FOR THE SCHEME

- (a) The Holding Company is part of a financial services group offering a wide range of banking services, life and general insurance, asset management, securities broking, and private equity products and services through its specialised subsidiaries and affiliates. The insurance and securities broking subsidiaries and insurance affiliate of the Holding Company are publicly listed companies on the Stock Exchanges.
- (b) The Holding Company is a promoter of the Subsidiary Company and holds ~74.85% of its equity shareholding. The market capitalization of the Holding Company as on March 31, 2023,

is INR 6,125,325,959,233 whereas the market capitalization of the Subsidiary Company as on March 31, 2023 is INR 138,042,096,251.

- (c) While there are business synergies between the Holding Company and the Subsidiary Company, a consolidation by way of merger of the Subsidiary Company with the Holding Company is not permissible on account of regulatory restrictions on the Holding Company from undertaking securities broking business departmentally.
- (d) Thus, the Companies have proposed a delisting of the equity shares of the Subsidiary Company from BSE and NSE pursuant to this Scheme in accordance with Regulation 37 of the SEBI Delisting Regulations, which will result in the Subsidiary Company becoming a wholly owned subsidiary of the Holding Company.
- (e) The Holding Company offers a comprehensive suite of banking services and the Subsidiary Company offers a comprehensive suite of investment and personal finance services. Both the companies would be able to leverage the strong composite proposition to provide holistic financial services to existing and new customers. With the Company as a 100% subsidiary, it is expected that both entities would be able to better capitalize on the synergies in line with the Customer 360 focus of the Bank.
- (f) Such delisting would provide significant benefits for the Public Shareholders as they will get equity shares in the Holding Company thereby providing them access to a much larger and more diversified business with greater stability in revenue unlike the securities business which is inherently cyclical as it is significantly dependent on the macro-economic environment and buoyancy in equities market, resulting in volatility in financial performance and share price. The Public Shareholders would also be part of a more liquid stock of the Holding Company.
- (g) Given the Holding Company's strong financial position, the volatility in the Subsidiary Company's share price, market opportunity and business synergies between the two Companies, delisting the Subsidiary Company and the Subsidiary Company becoming a wholly owned subsidiary company would be beneficial to the shareholders.
- (h) In connection with the said delisting, SEBI has granted exemption from the strict enforcement of Regulation 37 (1) of the SEBI Delisting Regulations read with SEBI Circular SEBI/HO/CFD/DIL1/CIR/P/2021/0585 dated July 6, 2021 regarding the requirement of listed holding company and listed subsidiary being in the same line of business.
- (i) The Companies believe that this Scheme for the delisting of the Subsidiary Company will not be prejudicial to the interests of the shareholders and creditors of the Companies.

#### 4. PARTS OF THE SCHEME

- (a) **PART I** deals with the definitions, interpretation, Effective Date (*as defined hereinafter*) and share capital;
- (b) **PART II** deals with the delisting of the equity shares of the Subsidiary Company from the Stock Exchanges; and
- (c) **PART III** deals with the general terms and conditions applicable to the Scheme.

The Corporate Identification Number of the Holding Company is L65190GJ1994PLC021012. The Holding Company, a scheduled commercial bank, is engaged in the business of providing a wide range of banking and financial services including commercial banking and treasury operations.

**2. ICICI SECURITIES LIMITED**

ICICI Securities Limited is a public limited company incorporated under the provisions of the Companies Act, 1956, having its registered office at ICICI Venture House, Appasaheb Marathe Marg, Prabhadevi, Mumbai 400025, Maharashtra ("**Subsidiary Company**"). The Corporate Identification Number of the Subsidiary Company is L67120MH1995PLC086241. The equity shares of the Subsidiary Company are listed on the BSE and NSE. The Holding Company is a promoter of the Subsidiary Company and holds ~74.85% equity shareholding in the Subsidiary Company as on the date of approval of the Scheme by the Boards of the Companies (*as defined hereinafter*). The Subsidiary Company is engaged in the business of broking (institutional and retail) including allied services of extending margin trade finance and ESOP finance, distribution of financial products, merchant banking and advisory services.

**3. RATIONALE FOR THE SCHEME**

- (a) The Holding Company is part of a financial services group offering a wide range of banking services, life and general insurance, asset management, securities broking, and private equity products and services through its specialised subsidiaries and affiliates. The insurance and securities broking subsidiaries and insurance affiliate of the Holding Company are publicly listed companies on the Stock Exchanges.
- (b) The Holding Company is a promoter of the Subsidiary Company and holds ~74.85% of its equity shareholding. The market capitalization of the Holding Company as on March 31, 2023,

Formatted: Font: (Default) Calibri

is INR 6,125,325,959,233 whereas the market capitalization of the Subsidiary Company as on March 31, 2023 is INR 138,042,096,251.

- (c) While there are business synergies between the Holding Company and the Subsidiary Company, a consolidation by way of merger of the Subsidiary Company with the Holding Company is not permissible on account of regulatory restrictions on the Holding Company from undertaking securities broking business departmentally.
- (d) Thus, the Companies have proposed a delisting of the equity shares of the Subsidiary Company from BSE and NSE pursuant to this Scheme in accordance with Regulation 37 of the SEBI Delisting Regulations, which will result in the Subsidiary Company becoming a wholly owned subsidiary of the Holding Company.
- (e) The Holding Company offers a comprehensive suite of banking services and the Subsidiary Company offers a comprehensive suite of investment and personal finance services. Both the companies would be able to leverage the strong composite proposition to provide holistic financial services to existing and new customers. With the Company as a 100% subsidiary, it is expected that both entities would be able to better capitalize on the synergies in line with the Customer 360 focus of the Bank.
- (f) Such delisting would provide significant benefits for the Public Shareholders as they will get equity shares in the Holding Company thereby providing them access to a much larger and more diversified business with greater stability in revenue unlike the securities business which is inherently cyclical as it is significantly dependent on the macro-economic environment and buoyancy in equities market, resulting in volatility in financial performance and share price. The Public Shareholders would also be part of a more liquid stock of the Holding Company.
- (g) Given the Holding Company's strong financial position, the volatility in the Subsidiary Company's share price, market opportunity and business synergies between the two Companies, delisting the Subsidiary Company and the Subsidiary Company becoming a wholly owned subsidiary company would be beneficial to the shareholders.
- (h) In connection with the said delisting, SEBI has granted exemption from the strict enforcement of Regulation 37 (1) of the SEBI Delisting Regulations read with SEBI Circular SEBI/HO/CFD/DIL1/CIR/P/2021/0585 dated July 6, 2021 regarding the requirement of listed holding company and listed subsidiary being in the same line of business.
- (i) The Companies believe that this Scheme for the delisting of the Subsidiary Company will not be prejudicial to the interests of the shareholders and creditors of the Companies.
