## DIVIDEND POLICY

The dividend distribution policy of our Company was approved and adopted by our Board on August 25, 2025 (“**Dividend Policy**”). In terms of the Dividend Policy, the declaration and payment of dividends on our Equity Shares, if any, will be recommended by our Board and approved by our Shareholders, at their discretion, subject to the main provisions of the Articles of Association and applicable laws including the Companies Act, read with the rules notified thereunder, each as amended.

Any future determination as to quantum of dividend, if any, will be at the discretion of the Board and will depend on a number of internal and external factors, including financial parameters. Some of the internal factors on the basis of which our Company may declare dividend include but are not limited to, profits earned and available for distribution during the financial year, accumulated reserves including retained earnings, net profit earned during the financial year as per the consolidated financial statements, past dividend pattern, updating of technology and physical infrastructure, working capital requirements, expansion/diversification of business by our Company, major capital expenditure to be incurred by our Company, cash flow requirements, acquisitions and divestures of any business, merger, restructuring etc, restrictions/covenants, if any contained in any lender agreements or any other arrangement or agreement, debt -equity ratio, cost of borrowing, keeping in view the growth opportunities, debt obligations, provisioning of financial implications arising out of unforeseen events and/or contingencies, reputation of our Company and any other relevant factors and material events. The external factors on the basis of which our Company may declare the dividend include are but not limited to regulatory requirements, business cycles, global conditions, economic environment, political/geographical situations, competition or client related risks, industry outlook for future years, statutory and contractual restrictions and any other relevant factors and material events. Additionally, we may retain all our future earnings, if any, for any proposed or ongoing or planned business expansion or for any other purposes which may be considered by the Board subject to compliance with the provisions of the Companies Act. For details in relation to risks involved in this regard, see “**Risk Factors – Our ability to pay dividends in the future will depend on our earnings, financial condition, working capital requirements, capital expenditures and restrictive covenants of our financing arrangements.**” on page 94.

We have neither declared nor paid any dividends on the Equity Shares in any of the three Financial Years preceding the date of this Updated Draft Red Herring Prospectus-I and the period from April 1, 2025 until the date of this Updated Draft Red Herring Prospectus-I.

**SECTION V – FINANCIAL INFORMATION**  
**RESTATED CONSOLIDATED FINANCIAL INFORMATION**

(The remainder of this page is intentionally left blank)

**Independent Auditors' Examination Report on the restated consolidated summary statements of assets and liabilities as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023, restated consolidated summary statement of profits and losses (including other comprehensive income), restated consolidated summary statement of cash flows and changes in equity for each of the six months period ended September 30, 2025 and September 30, 2024 and each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023, summary statement of material accounting policies and other explanatory information of Turtlemint Fintech Solutions Limited (formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (collectively, the "Restated Consolidated Summary Statements").**

The Board of Directors  
Turtlemint Fintech Solutions Limited  
(formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)  
The ORB-Sahar, 4 and 4A 1st Floor  
A Wing, Marol Village, Andheri (East),  
Mumbai-400099

Dear Sirs:

1. We have examined the attached Restated Consolidated Summary Statements of Turtlemint Fintech Solutions Limited (formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (the "Company") and its subsidiaries (the Company together with its subsidiaries hereinafter referred to as "the Group") annexed to this report and prepared by the Company for the purpose of inclusion in the Updated Draft Red Herring Prospectus-1 ("UDRHP-1") in connection with its proposed initial public offering of equity shares of face value of Re. 1 each of the Company (the "Offer" or "IPO"). The Restated Consolidated Summary Statements, which have been approved by the Board of Directors of the Company at their meeting held on January 14, 2026, have been prepared in accordance with the requirements of:
  - a) Section 26 of Part I of Chapter III of the Companies Act 2013 (the "Act");
  - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("ICDR Regulations"); and
  - c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) (as amended) issued by the Institute of Chartered Accountants of India ("ICAI"), (the "Guidance Note").

#### **Management's Responsibility for the Restated Consolidated Summary Statements**

2. The preparation of the Restated Consolidated Summary Statements, which are to be included in the UDRHP-1 is the responsibility of the management of the Company. The Restated Consolidated Summary Statements have been prepared by the Management of the Company on the basis of preparation, as stated in note 2.1 to the Restated Consolidated Summary Statements. The Management's responsibility includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Consolidated Summary Statements. The Management is also responsible for identifying and ensuring that the Group complies with the Act, ICDR Regulations and the Guidance Note.

#### **Auditors' Responsibilities**

3. We have examined such Restated Consolidated Summary Statements taking into consideration:
  - a) the terms of reference and terms of our engagement agreed with you vide our engagement letter dated June 10, 2025, requesting us to carry out the assignment, in connection with the proposed IPO of the Company;
  - b) the Guidance Note. The Guidance Note also requires that we comply with ethical requirements of the Code of Ethics Issued by ICAI.

- c) concepts of test checks and materiality to obtain reasonable assurance based on the verification of evidence supporting the Restated Consolidated Summary Statements; and
- d) The requirements of Section 26 of the Act and the ICDR Regulations.

Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the Act and the ICDR Regulations in connection with the IPO.

#### **Restated Consolidated Summary Statements**

4. These Restated Consolidated Summary Statements have been compiled by the management of the Company from:
  - a) Audited interim consolidated financial statements of the Group as at and for the six months period ended September 30, 2025 and September 30, 2024, which were prepared in accordance with the Indian Accounting Standard 34 – “Interim Financial Reporting” specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on January 14, 2026.
  - b) Audited consolidated financial statements of the Group as at and for the year ended March 31, 2025 and March 31, 2024 which were prepared in accordance with the Indian Accounting Standard (referred to as “Ind AS”) as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meetings held on June 16, 2025 and September 13, 2024 respectively.
  - c) Audited consolidated financial statements of the Group as at and for the year ended March 31, 2023 which were prepared in accordance with the Indian Accounting Standard (referred to as “Ind AS”) as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meeting held on September 19, 2023.

#### **Auditors Report**

5. For the purpose of our examination, we have relied on:
  - a) Auditors’ reports issued by us, dated January 14, 2026 on the interim consolidated financial statements of the Group as at and for each the six months period ended September 30, 2025 and September 30, 2024 as referred in paragraph 4 (a) above and the auditors’ report issued by us, dated June 16, 2025 and September 13, 2024 on the consolidated financial statements of the Group as at and for each of the years ended March 31, 2025 and March 31, 2024, respectively as referred in Paragraph 4 (b) above.
  - b) Auditors' Reports issued by the Company’s previous auditor, M/s Price Waterhouse Chartered Accountants LLP (the "Previous Auditor") dated September 19, 2023 on the consolidated financial statements of the Group as at and for the year ended March 31, 2023 in Paragraph 4(c) above.
6. The audit reports on consolidated financial statements of the Group as at and for the six months period ended September 30, 2025 and September 30, 2024 and as at and for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 referred to in paragraph 5(a) and 5(b) above included the following:

#### **Other Legal and Regulatory Requirements**

##### **For the year ended March 31, 2025**

The report on Other Legal and Regulatory Requirements included in the auditor's report on the consolidated financial statements of the Group as at and for year ended March 31, 2025 included the

following modifications relating to the maintenance of books of account and other matters connected therewith:

- i. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books except for the matters stated in note 51 of Restated Consolidated Summary Statements on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended;
- ii. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the note 51 of Restated Consolidated Summary Statements on reporting under Section 143(3)(b) of the Act and note 51 of Restated Consolidated Summary Statements on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended; and
- iii. Based on our examination which included test checks, the Group has used accounting software of SAP B1 and Darwinbox for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature for SAP B1 software was not enabled for database-level changes until September 06, 2024. As a result, the audit trails for the SAP B1 software has not been preserved by the Group in accordance with statutory requirements for record retention until September 06, 2024, as described in note 51 to the Restated Consolidated Summary Statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior year(s) for the Darwinbox software has been preserved by the Group as per the statutory requirements for record retention, to the extent it was enabled and recorded in the respective years

**For the year ended March 31, 2024**

The report on Other Legal and Regulatory Requirements included in the auditor's report on the consolidated financial statements of the Group as at and for year ended March 31, 2024 included the following modifications relating to the maintenance of books of account and other matters connected therewith:

- i. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and report of the other auditor except for the matters stated in note 51 of Restated Consolidated Summary Statements on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended;
- ii. The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the note 51 of Restated Consolidated Summary Statements on reporting under Section 143(3)(b) of the Act and note 51 of Restated Consolidated Summary Statements on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended; and
- iii. Based on our examination which included test checks and that performed by the respective auditor of the subsidiary which are companies incorporated in India whose financial statements have been audited under the Act, and as described in note 51, the Holding Company, subsidiary have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature is not enabled for direct changes to data when using certain access rights. Further, during the course of our audit, we and respective auditor of the above referred subsidiary did not come across any instance of audit trail feature being tampered with, in respect of accounting softwares where the audit trail has been enabled

7. In respect of examination performed by Previous Auditors:
- a) The audits for the financial year ended March 31, 2023 was conducted by the Company's Previous Auditors and accordingly reliance has been placed on the restated consolidated statement of assets and liabilities and the restated consolidated statements of profit and loss (including other comprehensive income), restated consolidated statements of changes in equity and cash flow statements, the summary statement of material accounting policies, and other explanatory information (the "2023 Restated Consolidated Summary Statements") examined by them for the said period(s). The examination report included for the said period is based solely on the examination report submitted by the Previous Auditor. The Previous Auditors have also confirmed that the 2023 Restated Consolidated Summary Statements:
- (i) have been prepared after incorporating adjustments for the changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial year ended March 31, 2023 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed for the six months period ended September 30, 2025;
  - (ii) does not contain any qualifications requiring adjustments; and
  - (iii) have been prepared in accordance with the Act, ICDR Regulations and the Guidance Note.
8. Based on our examination and according to the information and explanations given to us and also as per the reliance placed on the examination reports submitted by the Previous Auditor as at and for the year ended March 31, 2023, we report that Restated Consolidated Summary Statements of the Group:
- i. have been prepared after incorporating adjustments for the changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the six months period ended September 30, 2024 and financial years ended March 31, 2025, March 31, 2024 and March 31, 2023 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed as at and for the six months period ended September 30, 2025;
  - ii. there are no qualifications in the auditors' reports on the consolidated audited financial statements of the Company as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023 which require any adjustments to the Restated Consolidated Summary Statements; and
  - iii. have been prepared in accordance with the Act, ICDR Regulations and the Guidance Note.
9. We have not audited any financial statements of the Group as of any date or for any period subsequent to September 30, 2025. Accordingly, we express no opinion on the financial position, results of operations, cash flows and statement of changes in equity of the Group as of any date or for any period subsequent to September 30, 2025.
10. This report should not in any way be construed as a reissuance or re-dating of any of the previous audit reports issued by us, nor should this report be construed as a new opinion on any of the financial statements referred to herein.
11. The Restated Consolidated Summary Statements do not reflect the effects of events that occurred subsequent to the audited financial statements mentioned in paragraph 4 above.
12. We have no responsibility to update our report for events and circumstances occurring after the date of the report.
13. Our report is intended solely for use of the Board of Directors for inclusion in the UDRHP-I to be filed with Securities and Exchange Board of India, National Stock Exchange of India Limited and BSE Limited in connection with the proposed IPO. Our report should not be used, referred to, or distributed for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come.

**Restated Consolidated Summary Statement of Cash Flows (continued)**

**Notes:**

- 1 The above Restated Consolidated Summary Statement of Cash Flows has been prepared under the 'Indirect Method' as set out in Ind AS 7, 'Statement of Cash Flows' specified under section 133 of Companies Act, 2013 read with paragraph 7 of Companies(accounts) rules 2014.
- 2 Ind AS 7 requires the entity to provide disclosures that enable users of financials statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement (Refer note 43).

The accompanying notes form an integral part of the restated consolidated financial statements.

The restated consolidated summary statements of our Company for the six months period ended September 30, 2025 and September 30, 2024 and financial years ended March 31, 2025, 2024 and 2023 comprising of restated consolidated summary statements of assets and liabilities as at September 30, 2025 and September 30, 2024 and March 31, 2025, 2024 and 2023, restated consolidated summary statement of profits and losses (including other comprehensive income), restated consolidated summary statement of cash flows and changes in equity for each of the six months period ended September 30, 2025 and September 30, 2024 and years ended March 31, 2025, 2024 and 2023, summary statement of material accounting policies and other explanatory information (collectively, the "Restated Consolidated Summary Statements") derived from audited financial statements as at and for the six months period ended September 30, 2025 and September 30, 2024 prepared in accordance with Ind AS 34, Interim Financial Reporting and consolidated financial statements as at and for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 prepared in accordance with Ind AS and restated in accordance with the requirements of:

- Section 26 of Part I of Chapter III of the Companies Act 2013;
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended; and
- The Guidance Note on Reports in Company Prospectuses (Revised 2019) (as amended) issued by the Institute of Chartered Accountants of India.

The Restated Consolidated Summary Financial Information have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") as specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time), presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable to the consolidated financial statements and other relevant provisions of the Act.

The Restated Consolidated Summary Financial Information has been compiled by the Group from the Audited consolidated financial statements of the Group as at and for the six months period ended on September 30, 2025, September 30, 2024 and the years ended March 31, 2025, March 31, 2024 and March 31, 2023, prepared in accordance with Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021 as amended, and other accounting principles generally accepted in India, which have been approved by the Board of Directors at their meetings held on January 14, 2026, January 14, 2026, June 16, 2025, September 13, 2024 and September 19, 2023 respectively.

**i) Historical cost convention**

The Restated Consolidated Summary Financial Information have been prepared on the historical cost basis except for the following:

- certain financial assets and liabilities are measured at fair value
- share based payments
- defined benefit obligations

**ii) Functional and presentation currency**

These Restated Consolidated Summary Financial Information are presented in Indian Rupees (INR) which is the functional currency of the Group. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

**2 Material Accounting policies (continued)****2.1 Statement of compliance and Basis of preparation (continued)****iii) Basis of consolidation**

The Restated Consolidated Summary Financial Information comprise the financial statements of the Group and its subsidiaries as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the period/year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Restated Consolidated Summary Financial Information is prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Holding Company, i.e., six months period ended on September 30, 2025 and September 30, 2024 and years ended on March 31, 2025, March 31, 2024 and March 31, 2023 respectively. When the end of the reporting period of the holding is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the holding to enable the holding to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

**Consolidation procedure:**

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the holding with those of its subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- b) Offset (eliminate) the carrying amount of the holding's investment in each subsidiary and the holding's portion of equity of subsidiary. Business combinations policy explains how to account for any related goodwill.
- c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the holding of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiary to bring their accounting policies into line with the Group's accounting policies. All intra-Group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Disclosure for investment interest in other entities is provided in note 47.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners
- Reclassifies the holding's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind AS as would be required if the Group had directly disposed of the related assets or liabilities
- Recognises a distribution if the transaction, event, or circumstances that resulted in the loss of control involves a distribution of shares in the subsidiary to owners in their capacity as owners as would be required if the Group had directly disposed off the related assets or liabilities.

**iv) Operating cycle**

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Group.

Based on the nature of services rendered by the Group and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

## 2.2 Summary of material accounting policies

This note provides a list of material accounting policies adopted in the preparation of this Restated Consolidated Summary Financial Information. These policies have been consistently applied to all the period/years presented, unless otherwise stated.

### i) Property, plant and equipment –

Property plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent cost related to an item of Property, Plant and Equipment are recognized in the carrying amount of the item if the recognition criteria are met.

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value. Any expected loss is recognised immediately in the Restated Consolidated Summary Statement of Profit and Loss. An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Restated Consolidated Summary Statement of Profit and Loss.

The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

#### **Depreciation methods, estimated useful lives and residual value :**

Depreciation on Property plant and equipments is provided on a pro-rata basis on the straight line method over the estimated useful life of assets prescribed under Schedule II to the Companies Act, 2013. The depreciation expense for each period is recognised in the Restated Consolidated Summary Statement of Profit and Loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end and adjusted prospectively if appropriate:

The estimates of useful life of Property Plant and equipments are as follows :

| Asset                  | Useful Life                     |
|------------------------|---------------------------------|
| Office Equipment       | 5 years                         |
| Furniture and Fixtures | 10 years                        |
| Computers              | 3 years                         |
| Servers                | 6 years                         |
| Leasehold improvements | Depreciated over the lease term |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

#### **Intangible assets**

Intangible Assets are stated at cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible Assets are amortised on a straight line basis over their estimated useful lives based on technical evaluation done by management expert. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Restated Consolidated Summary Statement of Profit and Loss.

#### **Goodwill**

Goodwill on acquisitions assets through Assets Transfer Agreement is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses, if any.

#### **Customer relationships, Trademark, Non-compete fees**

Customer relationships, Trademark and non-compete fees acquired in a Assets Transfer Agreement are recognised at fair value at the acquisition date. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses, if any.

#### **Amortisation methods, estimated useful lives and residual value :**

The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

The estimated useful life of Intangible Assets are as follows:

| Asset                        | Useful Life |
|------------------------------|-------------|
| Computer Software            | 3 years     |
| Broker Relationships/Network | 4 years     |
| Customer Relationships       | 5 years     |
| Trademark                    | 5 years     |
| Non-compete Fees             | 5 years     |

## **2.2 Summary of material accounting policies (continued)**

### **Impairment of Non financial assets**

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an assets or cash generating units net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### **ii) Foreign Currencies -**

#### **Transaction and balances**

##### **Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency at the date of the transaction.

##### **Subsequent Recognition**

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of initial transactions. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences on translation/ settlement of foreign currency monetary assets and liabilities are recognised in the Restated Consolidated Summary Statement of Profit and Loss.

### **iii) Segment Reporting**

Operating segments are reported in a manner consistent with internal reporting provided to chief operating decision maker.

The Board of directors of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) assesses the financial performance and position of the Group and makes strategic decisions. Board of directors has been identified as being the chief operating decision maker. (Refer note 46)

### **iv) Revenue recognition**

#### **Revenue from services**

Revenue is measured based on transaction price, which is the consideration adjusted for discount, incentives and price concession if any, as specified in the contract with customer. Revenue is recognised at a point in time when the Group satisfies performance obligations by transferring the promised services to its customers. Generally, each service represents a separate performance obligation for which revenue is recognised when the performance obligation is satisfied.

The contract generally result in revenue recognised in excess of billings which are presented as unbilled in the Balance Sheet.

The Group accounts for Revenues from Contracts with Customers in accordance with 'Ind AS 115' which sets forth a single comprehensive model for recognizing and reporting revenues. To recognise revenues, the group applies the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognise revenues when a performance obligation is satisfied.

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Group satisfies a performance obligation.

Revenue comprises of revenue from providing technical and business support services to customers which includes setting up, maintenance, updates etc. The Group also provides marketing and advertising services to companies and direct insurance and reinsurance to customers. Revenue from rendering services are recognised on an accrual basis when services are rendered.

## **2.2 Summary of material accounting policies (continued)**

### **iv) Revenue recognition (continued)**

#### **A. Income from Technical and support services**

Revenue from rendering of technical support services is recognised upon the delivery of the service, when due acknowledgement is received from the client regarding the same and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same are recorded in the period net of taxes based on the invoices raised at the transaction price as prescribed by the respective agreements.

#### **B. Income from Marketing fees**

The revenue from rendering marketing, advertising, and other related services is recognized upon the delivery of the service when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same is recorded in the period net of taxes based on the invoices raised at the rates as prescribed by the respective agreements with customers.

#### **C. Income from Distribution of Mutual Funds**

Commission income on distribution of the units of the mutual funds is recognized upon allotment of the units to the applicant subject to Group's establishment of its right to recover such revenue, which is based on receipt of details/statements of mutual funds distributed by the Group.

Revenue is measured based on the consideration specified in a contract with a customer. Revenue is recognised at a point in time when the Group satisfies performance obligations by transferring the promised services to its customers. Generally, each test represents a separate performance obligation for which revenue is recognised when the test report is generated i.e. when the performance obligation is satisfied.

#### **D. Referral Income on distribution of financial products**

Revenue is recognised upon the delivery of the service, when due acknowledgement is received from the client regarding the same and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same are recorded in the period net of taxes based on the invoices raised at the rates as prescribed by the respective agreements.

#### **E. Interest Income**

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

#### **F. Income from Direct Insurance**

Commission income on direct insurance policies procured is recognized as income on the inception date of the risk subject to Group's establishment of its right to recover such revenue, which is based on receipt of details/statements from insurance companies.

#### **G. Income from Reinsurance**

Brokerage earned on Re-insurance business is accounted on an accrual basis as and when the premium is received by the Group.

Both direct insurance and reinsurance revenue are recognized in the period in which the service is rendered, in line with the accrual basis of accounting.

### **v) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year/period which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost.

### **vi) Contract Liabilities**

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the company transfers the related services. Contract liabilities are recognised as revenue when the company performs under the contract (i.e., transfers control of the related goods or services to the customer).

### **vii) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method.

Borrowings are recognised as current liabilities unless, the Group has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach. Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, is recognised in Statement of Profit and Loss as other gains/(losses).

## **2.2 Summary of material accounting policies (continued)**

### **viii) Financial instruments**

#### **Date of recognition**

The Group recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument.

#### **Initial recognition**

All financial assets and liabilities are recognised at fair value on initial recognition which depends on the financial assets contractual cashflow characteristics and the Group's business model for managing them, except trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

#### **Classification and subsequent measurement**

##### **Non-derivative financial instruments**

##### **Subsequent measurement**

For subsequent measurement, the Group classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

##### **Financial liabilities**

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities in case not at fair value through profit or loss, are initially measured at fair value minus transaction costs that are attributable to the acquisition of the financial liabilities. Borrowings are recognized initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost, any difference between the initial carrying value and the redemption value is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest rate method. Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

##### **Financial Assets**

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

A financial asset is measured at amortised cost when they are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on principal amount outstanding. The amortised cost of a financial asset is also adjusted for impairment loss, if any. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

##### **Equity instrument**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group is recognised at the proceeds received, net of directly attributable transaction costs.

##### **Compound financial instruments**

The component parts of compound financial instruments issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

##### **Derecognition of financial instrument**

1. The Group derecognises the financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the contractual rights to receive the cash flows from the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expires.

2. The Group has transferred its rights to receive cash flows from the asset and the Group has transferred substantially all the risks and rewards of the asset, or the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

3. A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

##### **Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## **2.2 Summary of material accounting policies (continued)**

### **viii) Financial instruments (continued)**

#### **Fair value measurement**

The Group measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of a financial asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **ix) Impairment of Financial asset**

The Group assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since its initial recognition. Note 44.4 (iii) details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognized in Restated Summary Statement of Profit and Loss.

### **x) Taxes**

#### **Current Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax asset and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Group and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### **Deferred Tax**

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the Restated Consolidated Summary Financial Information. Deferred income tax is also not recognised if it arises from initial recognition of an asset or liability in a transaction other than business combination that at the time of transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax is recognised for all deductible temporary and unused tax losses and only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Considering the past history making consecutive losses no Deferred tax Asset has not been recognised in the Restated Consolidated Summary Financial Information.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the Group has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in the other comprehensive income or directly in equity, respectively.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

## **2.2 Summary of material accounting policies (continued)**

### **x) Taxes (continued)**

#### **Goods and Services Tax (GST) on acquisition of assets or on incurring expenses**

Expenses and assets are recognised net of the amount of GST, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the Restated Consolidated Summary Statement of Assets and Liabilities.

#### **Uncertain tax Position**

Taxation authority will accept tax position taken by the Group. Uncertain tax positions are reflected in the overall measurement of the Group's tax expense and are based on the most likely amount or the expected value arrived at by the Group which provides a better prediction of the resolution of uncertainty. Uncertain tax positions are monitored and updated as and when new information becomes available, typically upon examination or action by the taxing authorities or through statute expiration and judicial precedent. The Group considers whether a particular amount payable or receivable for interest and penalties is an income tax, in which case Ind AS 12 is applied to that amount. When an amount payable for interest and penalties is determined to be within the scope of Ind AS 37, it is presented as part of financing cost or other expenses, respectively unless when there is an overall settlement with tax authority and the interest and penalties cannot be identified separately in which case it is determined to be part of income taxes.

### **xi) Provisions, Contingent Liabilities and Contingent Assets**

#### **Provisions**

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Restated Consolidated Balance sheet date and are not discounted to its present value.

#### **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. The Group does not recognise a contingent liability but discloses its existence and other required disclosures in notes to the Restated consolidated Summary financial information, unless the possibility of any outflow in settlement is remote as per the requirement of Ind AS 37.

#### **Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Group does not recognize the contingent asset in its Restated consolidated Summary financial information since this may result in the recognition of income that may never be realised. Where an inflow of economic benefits is probable, the Group disclose a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Group recognize such assets.

Provisions, contingent liabilities and contingent assets are reviewed at each reporting date.

### **xii) Leases**

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Group also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Group is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Group has elected to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. Thus, the Group has not opted for practical expedient under Ind AS 116 to recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

#### **As a lessee**

The Group recognises a right-of-use asset and a lease liability at the lease commencement date.

#### **Right-of-use asset**

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received. The Group is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs. The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

## **2.2 Summary of material accounting policies (continued)**

### **xii) Leases (continued)**

#### **Lease liabilities**

The lease liability is initially measured at amortised cost at the present value of the future lease payments discounted using incremental borrowing rate. If the discount rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### **xiii) Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the Restated Consolidated summary statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

### **xiv) Trade receivables**

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects Group's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. Receivables with an unconditional right to consideration and no pending service obligation for which invoices are yet to be issued at the year/period end are presented as unbilled receivables.

### **xv) Contract Assets**

A contract asset is initially recognised for revenue earned from insurance companies because the receipt of consideration is conditional on successful completion of the service. Upon completion of the service and acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

### **xvi) Marketing Lead Cost**

The Group incurs marketing lead cost for generating leads for sign up for the TurtlemintPro Application. This cost majorly comprises payments made to partners for the promotion of TurtlemintPro Application and are in the nature of referral fee. The payment is made to partners as per approved policy and grid which interalia depends on the leads generated in a period.

### **xvii) Earnings Per Share**

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Group by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Group and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Ordinary shares includes compulsory convertible preference shares.

### **xviii) Retirement and Other Employee Benefits**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### **(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employee render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The undiscounted liabilities are presented as current employee benefits obligations in the Restated Consolidated Summary Statement of assets and liabilities.

#### **(ii) Post-employment obligations**

The Group operated the following post-employment schemes :

- A. Defined contribution plans such as provident fund, employee state insurance corporation (ESIC) and national pension scheme (NPS) ; and
- B. Defined benefit plans such as gratuity

#### **A. Defined contribution plans**

Contribution towards provident fund and Employees' State Insurance Corporation for eligible employees is made to the regulatory authorities also the Group contributes to the National Pension Scheme and has no further obligation beyond making its contribution , where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis. The Group's contributions to Defined Contributions Plans are charged to the Restated Consolidated Summary Statement of Profit and Loss as incurred.

**2.2 Summary of material accounting policies (continued)**

**xviii) Retirement and Other Employee Benefits (continued)**

**B. Defined benefit plans**

**Gratuity**

The Group provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year/period.

The present value of the defined benefit obligation denominated is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Restated Consolidated Summary Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Restated Consolidated Summary Statement of Changes in Equity and in the Restated Consolidated Summary Statement of Assets and Liabilities.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

**C. Other Employee Benefits**

**(i) Bonus**

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

**(ii) Leave obligations**

Employees are not eligible for carry forward of leave balances and accordingly no provision for leave obligation created as at the year/period end.

**(iii) Share based payments**

The fair value of options granted under the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) Employee Stock Option Plan 2017 is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted. Further details are given in Note 34.

Employee options :

The fair value of the options granted under the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) Turtlemint Fintech Solutions ESOP Scheme (2025) (erstwhile Employee Stock Option Plan 2017) to be expensed is determined by reference to the fair value of the options granted:

- Including any market performance condition
- Excluding impact of any service and non-market performance vesting conditions, (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period ) and
- Including the impact of any non-vesting conditions (e.g. the requirement for employees to save or hold shares for a specific period of time).

In case of forfeiture of unvested option, portion of amount already expensed is reversed. In a situation where the vested option is forfeited or expires unexercised, the related balance standing to the credit of the "Share Based Payment Reserve" are transferred to the "General Reserve".

When the options are exercised, the Group issues new equity shares of the Group of INR. 1 each fully paid-up. The proceeds received and the related balance standing to credit of the Share Based Payment Reserve, are credited to share capital (nominal value) and securities premium.

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in Restated Consolidated Summary Statement of Profit and loss, with a corresponding adjustment to equity. The expense or credit in the Restated Consolidated Summary Statement of Profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

**(iv) Stock appreciation rights**

Liabilities for the Group's share appreciation rights are recognised as employee benefit expenses. The liabilities are remeasured to fair value at each reporting date and are presented as employee benefit obligations in the Restated Consolidated Summary Statement of Assets and Liabilities. The fair value is determined as disclosed in Note no 35.

**xix) Borrowing Cost**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

**xx) Exceptional Items**

Exceptional items include income or expense that are considered to be part of ordinary activities, however are of such significance and nature that separate disclosure enables the user of the financial statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of their size, nature and incidence so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Group.

Refer Note 33a - Exceptional Items for further details.

## **2.2 Summary of material accounting policies (continued)**

### **xxi) Business combination and Goodwill**

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred comprises the fair values of the assets transferred and liabilities and fair value resulting from contingent consideration.

Identifiable assets acquired and liabilities and contingent liabilities, if any assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. Acquisition-related costs are expensed as incurred.

The excess of the consideration transferred over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in the Restated Consolidated Summary Statement of Profit and Loss.

### **xxii) Current versus non-current classification**

The Group presents assets and liabilities in the Restated Consolidated Summary Statement of Assets and Liabilities based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

### **xxiii) Standard issued and effective**

There are no standards which are issued and are effective as on September 30, 2025.

### **xxiv) Standards notified but not effective**

The amendments to the standards that are notified by the Ministry of Corporate Affairs (MCA), but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group will adopt these amendments to the standards, when they become effective.

#### **(i) Lack of exchangeability – Amendments to Ind AS 21**

Amendments to Ind AS 21 The Effects of Changes in Foreign Exchange Rates specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after April 01, 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments are not expected to have a material impact on the Group's financial statements.

#### **(ii) Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1**

Amendments to paragraphs 69 to 76 of Ind AS 1 Presentation of Financial Statements specify the requirements for classifying liabilities as current or non-current.

The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification.

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments are effective for annual reporting periods beginning on or after April 01, 2025 and must be applied retrospectively. The Company is currently assessing the impact the amendments will have on current practice and whether existing loan agreements may require renegotiation.

## **2.2 Summary of material accounting policies (continued)**

### **(iii) Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107**

Amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The amendments will be effective for annual reporting periods beginning on or after April 01, 2025 and these amendments are not expected to have a material impact on the Company's financial statements.

### **(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12**

Amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after April 01, 2025, but not for any interim periods ending on or before March 31, 2026.

The amendments are not expected to have a material impact on the Group's financial statements.

Consequential amendments to other Ind ASs have also been made which are not expected to have any material impact on the Group's financial statements.

## **3 Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses at the date of these financial statements and the reported amounts of revenues and expenses for the periods/years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Other disclosures relating to the Group's exposure to risks and uncertainties includes:

- Capital management (Refer Note 39)
- Financial risk management objectives and policies (Refer Note 44)
- Sensitivity analyses disclosures (Refer Notes 37B.6 and 44.4(iv))

### **Judgements**

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Restated Consolidated Summary Financial Information:

#### **Determination of lease term**

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases of office premises, the following factors are normally the most relevant:

- a) If there are significant penalties to terminate (or not extend), the Group is typically reasonably certain to extend (or not terminate).
- b) If any leasehold improvements are expected to have a significant remaining value, the Group is typically reasonably certain to extend (or not terminate).
- c) Otherwise, the Group considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.

Most extension options in office leases have been included in the lease liability, because the Group could not replace the assets without significant cost or business disruption.

The lease term is reassessed if an option is actually exercised (or not exercised) or the Group becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

#### **Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### **Useful lives of property, plant and equipment and intangible asset**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Group's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events which may impact their life, such as changes in technology, usage and other factors.

#### **Provisions and contingent liabilities**

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Group uses judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the Restated Consolidated Summary Financial Information.

### **3 Summary of material accounting policies (continued)**

#### **Provision for income tax and deferred tax assets**

The Group uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs and allowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### **Defined benefit plans**

The Group makes provision for defined benefit plans and compensated absences based on the actuarial valuation report issued by a certified actuary pursuant to Ind AS 19 – Employee benefits. The assumptions include attrition rate, salary escalation rate, discount rates and mortality rates.

#### **Share based payments**

Estimating fair value for share based payment requires determination of the most appropriate valuation model. The estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share based payments transactions are discussed in Note 34.

#### **Fair value of financial instruments**

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the Restated Consolidated Summary Financial Information cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

#### **Incremental borrowing rate**

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. Incremental borrowing rate is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

#### **Impairment of Non Financial assets**

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### **Effective interest rate ("EIR")**

The Group's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of financial instruments and recognises the effect of characteristics of the product life cycle. This estimation, by nature, requires an element of judgement regarding the expected behavioural and life-cycle of the instruments, as well as expected changes in fee income/expense that are integral parts of the instrument.

#### **Expected credit loss allowance on trade receivables and other financial assets**

The loss allowances for trade and financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period.

#### **Use of Going concern assumption**

The Board of Directors have carried out a detailed review of the market situation and assessed the business plans prepared by the management for the upcoming years. The business plan comprises the budgeted growth, profitability and revenue which is considering present situation, expected orders and actual performance of the Group. The Board of Directors considering the liquidity position and expected business projections do not foresee the Group not being in a position to fulfil its obligations for a foreseeable future of minimum 12 months from the date of this Restated Consolidated Summary Financial Information. Accordingly, the Restated Consolidated Summary Financial Information has been prepared on a going concern basis.

All assumptions are reviewed by the management at the end of each reporting period.

#### **Events after the reporting period**

If the Group receives information after the reporting period, but prior to the date of approval for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its Restated Consolidated Summary Financial Information. The Group will adjust the amounts recognised in its Restated Consolidated Summary Financial Information to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its Restated Consolidated Summary Financial Information, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**4 Property, plant and equipment (PPE)**

| Particulars                                              | Office equipment | Furniture and fixtures | Computers and servers | Leasehold improvements | Total         |
|----------------------------------------------------------|------------------|------------------------|-----------------------|------------------------|---------------|
| <b>Cost as at April 01, 2022</b>                         | <b>0.35</b>      | <b>2.68</b>            | <b>79.83</b>          | <b>24.03</b>           | <b>106.89</b> |

**16(b) Rights, preferences and restrictions attached to equity shares**

The holding company has only one class of equity shares having par value of INR 1 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the Annual General Meeting.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

**17(b)** The Board of Directors of the Company at its meeting held on July 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on July 17, 2025, approved a bonus issue of 500 equity shares for every equity share held by the equity shareholders of the Company as of July 12, 2025. Accordingly, the Board of Directors of the Company has, pursuant to the resolution dated July 21, 2025, made an allotment of 52,636,000 bonus equity shares of INR. 1/- each to its equity shareholders utilising securities premium account balance.

Consequent to the bonus issue to the equity shareholders, the Board of Directors at its meeting held on August 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on August 14, 2025, approved to adjust the conversion ratio of Seed Round CCPS, Series A CCPS, Series B CCPS, Series C CCPS, Series C1 CCPS, Series C2 CCPS, Series D CCPS, Series D1 CCPS, Series D2 CCPS and Series E CCPS to give an impact of the bonus issue referred above. Furthermore, the shareholders of the Company entered into the first amendment to the Series E amended and restated shareholders' agreement wherein the conversion ratio were agreed to be modified and adjusted downwards to 477:1 on the filling of the Pre-filled draft Red Herring Prospectus (PDRHP).

**17(c) Rights, preferences and restrictions attached to shares**

**Rights and restrictions attached to 0.001% Compulsorily convertible preference shares (face value of INR. 1 each) (Seed Round CCPS)**

Each shareholder shall be entitled to receive a dividend at the rate of 0.001% per annum, on each series of CCPS held by such holder, payable when, as and if declared by the Board of Directors as applicable on each share held which shall be cumulative. These shareholders are entitled at their option (exercisable at their sole discretion) to convert all or any part of their shares into equity shares at any time prior to the expiry of 20 years from the date of their issue. The Company shall mandatorily convert each Series of CCPS into Equity shares upon the date that is 20 years after the date on which such series were first issued by the Company at a conversion ratio of 477:1 (conversion of 1 CCPS into 477 equity shares). These shareholders shall carry the same voting rights as attached to equity shares of the Company on an as-if-converted basis and be entitled to vote with equity shares on all matters except as otherwise required by law. In the event of liquidation, these shareholders shall be entitled to receive, prior to and in preference to distribution of any assets/ surplus funds of the Company to any class of shareholders, their investment amount and all declared but unpaid dividends or a pro-rated proceed of sale in the event of conversion to equity shares. Refer note 17(b)

**Rights and restrictions attached to 0.001% Compulsorily convertible preference shares (face value of INR. 10 each) (Series A CCPS)**

Each shareholder shall be entitled to receive a dividend at the rate of 0.001% per annum, on each series of CCPS held by such holder, payable when, as and if declared by the Board of Directors as applicable on each share held which shall be cumulative. These shareholders are entitled at their option (exercisable at their sole discretion) to convert all or any part of their shares into equity shares at any time prior to the expiry of 20 years from the date of their issue at the Conversion of 477:1 (conversion of 1 CCPS into 477 equity shares). These shareholders shall carry the same voting rights as attached to equity shares of the Company on an as-if-converted basis and be entitled to vote with equity shares on all matters except as otherwise required by law. In the event of liquidation, these shareholders shall be entitled to receive, prior to and in preference to distribution of any assets/ surplus funds of the Company to any class of shareholders, their investment amount and all declared but unpaid dividends. Refer note 17(b)

**Rights and restrictions attached to 0.001% Compulsorily convertible preference shares (face value of INR. 110 each) (Series B CCPS)**

Each shareholder shall be entitled to receive a dividend at the rate of 0.001% per annum, on each series of CCPS held by such holder, payable when, as and if declared by the Board of Directors as applicable on each share held which shall be cumulative. These shareholders are entitled at their option (exercisable at their sole discretion) to convert all or any part of their shares into equity shares at any time prior to the expiry of 20 years from the date of their issue. The Company shall mandatorily convert each Series of CCPS into Equity shares upon the date that is 20 years after the date on which such series were first issued by the Company at a conversion ratio of 477:1 (conversion of 1 CCPS into 477 equity shares). These shareholders shall carry the same voting rights as attached to equity shares of the Company on an as-if-converted basis and be entitled to vote with equity shares on all matters except as otherwise required by law. In the event of liquidation, these shareholders shall be entitled to receive, prior to and in preference to distribution of any assets/ surplus funds of the Company to any class of shareholders, their investment amount and all declared but unpaid dividends. Refer note 17(b)

**Rights and restrictions attached to 0.001% Compulsorily convertible preference shares (face value of INR. 20 each) (Series C CCPS)**

Each shareholder shall be entitled to receive a dividend at the rate of 0.001% per annum, on each series of CCPS held by such holder, payable when, as and if declared by the Board of Directors as applicable on each share held which shall be cumulative. These shareholders are entitled at their option (exercisable at their sole discretion) to convert all or any part of their shares into equity shares at any time prior to the expiry of 20 years from the date of their issue. The Company shall mandatorily convert each Series of CCPS into Equity shares upon the date that is 20 years after the date on which such series were first issued by the Company at a conversion ratio of 477:1 (conversion of 1 CCPS into 477 equity shares). ## Notes:

- (i) **Securities premium** - Securities premium is used to record the premium received on issue of shares. It can be utilised in accordance with the provisions of the Companies Act, 2013 .
- (ii) **General Reserve** - This Reserve comprises of transfer from Share based payment reserve for appropriation purposes. It can be utilized in accordance with the provisions of the Companies Act, 2013.
- (iii) **Share Based Payment Reserve** - The Group has equity settled share-based payment plans for certain employees of the Group. The Group determines the compensation cost based on grant date fair value method. This amount is recognised in employee benefits expense in the Restated Consolidated Summary Statement of Profit and Loss over the vesting period, with a corresponding adjustment to Share based payment reserve.
- (iv) **Retained earnings** - Retained earnings are the profits/(loss) that the Group has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Restated Consolidated Summary Statement of Profit and Loss.
- (v) **Capital Redemption Reserve** - This reserve is created by the Group on account of buyback of equity shares out of Securities Premium arising from the issue of Compulsorily convertible preference shares and Retained earnings.

**Annexure VII**

Note: CSR was not applicable in the financial year 23-24 and 22-23.

**33a Exceptional Items**

- (i) During the period, the Company incurred costs in connection with its Initial Public Offering ("IPO"). In accordance with Ind AS 32 Financial Instruments: Presentation, only those IPO-related costs that are incremental and directly attributable will be adjusted against security premium balance/ recoverable from selling shareholders. Costs that do not meet this criterion, are charged to the Statement of Profit and Loss. Accordingly, IPO-related costs amounting to INR 24.11 million have been recognised as "Exceptional Items", as these expenses are non-recurring in nature and do not arise from the Company's ordinary operating activities.  
Further, certain IPO-related costs amounting to INR 148.85 million, which are directly attributable to the proposed issuance of equity instruments and for which the IPO is considered probable, have been disclosed in Other Current Assets under "Prepaid Expenses".
- (ii) The Board of Directors of the Company at its meeting held on July 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on July 17, 2025, approved a bonus issue of 500 equity shares for every equity share held by the equity shareholders of the Company as of July 12, 2025. Accordingly, the Board of Directors of the Company has, pursuant to the resolution dated July 21, 2025, made an allotment of 52,636,000 bonus equity shares of INR. 1/- each to its equity shareholders utilising securities premium account balance.  
Consequent to the bonus issue to the equity shareholders, the Board of Directors at its meeting held on August 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on August 14, 2025, approved to adjust the conversion ratio of Seed Round CCPS, Series A CCPS, Series B CCPS, Series C CCPS, Series C1 CCPS, Series C2 CCPS, Series D CCPS, Series D1 CCPS, Series D2 CCPS and Series E CCPS to give an impact of the bonus issue referred above. Furthermore, the shareholders of the Company entered into the first amendment to the Series E amended and restated shareholders' agreement wherein the conversion ratio were agreed to be modified and adjusted downwards to 477:1 on the filing of the Pre-filled Draft Red Herring Prospectus (PDRHP).  
The above has resulted in an increase of the shareholding of the existing equity shareholders of the Company. Such increase has been accounted as an expense amounting to Rs 315.73 million and presented under 'Exceptional items' in the statement of profit and loss in this Restated Consolidated Summary Financial Information for the six months period ended September 30, 2025.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**34 Share based payments**

Turtlemint Fintech Solutions ESOP Scheme (2025) : The Board vide its resolution dated July 26, 2017 approved ESOP 2017 for granting Employee Stock Options in the form of Equity Shares linked to the completion of a minimum period as defined in ESOP Policy of continued employment to the eligible employees of the Group monitored and supervised by the Board of Directors in compliance with the Ind AS 102. | Share Based Payment Reserve | 465.23            | 318.02            | 362.66         | 287.77         | 162.26         |

\*Pursuant to the bonus issuance in the ratio of 500:1 approved by the Company's board of directors, on July 12, 2025 the share price and the number of options granted mentioned in the above table have been appropriately updated.

Weighted average exercise price: Since all the options were granted at an exercise price of INR. 1 per option, the weighted average exercise price per option is the same.

The employees are eligible to exercise the options vested, till employment continuous and there is no prefix expiry date. After discontinuation the employer can exercise the options within 180 days or as approved by the board in a case to case basis.

The Group has adopted Black-Scholes Option pricing model for fair valuation as permitted by Ind AS 102 in respect of stock options granted. The value of the underlying Shares has been determined by an independent valuer which is approved by the Board of Directors.

The Company vide Board resolution dated 25 July 2025 amended the ESOS in accordance with Companies Act, 2013, Securities and Exchange Board of India Act, 1992, the Securities and Exchange Board of India (Share Based Employee Benefits And Sweat Equity) Regulations, 2021 ("SBEB & SE Regulations, 2021") (as defined hereinafter), the SEBI Listing Obligations and Disclosure Requirement, Regulations, 2015 ("SEBI LODR Regulations") (as defined hereinafter), Companies (Share Capital and Debenture Rules), 2014. The said amendment does not have any accounting impact. The said scheme name was also modified from Turtlemint ESOP Scheme 2017 to Turtlemint Fintech Solutions ESOP Scheme 2025.

**35 Stock appreciation rights - Phantom Stock Options**

"Phantom Stock Option Plan 2018" (PSOP): The Board vide its resolution dated November 12, 2018 approved PSOP 2018 for granting Stock Appreciation Rights in the form of Phantom Stock Options which is a performance based incentive scheme which entitles the employees of the Group ("Eligible Persons") to receive the benefit of any increase in the value of the Group's shares. Eligible Person will be entitled to receive consideration in the form of monetary payment, equivalent to the difference between the strike price of the notional units held by them and the Transaction Value as determined by the Board as per the terms of agreement entered into with the Eligible Persons based on Valuation report taken by the management. Upon the occurrence of a Liquidity Event, the Eligible Persons will become entitled to the monetary payment (net of applicable taxes) from the Group. Accounting for these options is in compliance with Ind AS 102 Share Based Payments.

These options are deemed to be vested in the Eligible Persons immediately up to signing the PSOP agreement.

|                                                           |                                                                                                                                                                                                                                                           |

Weighted average exercise price: Since all the options were granted at a transaction value of INR. 1 per option, the weighted average exercise price per option is the same. The Group has adopted the black sholes method as permitted by Ind AS 102 in respect of stock appreciation rights granted. The value of the underlying equity shares has been determined by an independent valuer which is approved by Board of Directors.

#The Company vide its letter dated June 20, 2025 terminated the Phantom stock appreciation rights agreements dated January 22, 2019. In recognition of the services rendered by the SAR holders, a reward of INR 9.44 million was been offered corresponding to 118 stock appreciation rights valued at INR 0.08 million each, and is payable as follows :

- INR. 4.72 millions on or before June 15, 2025; and
- Balance reward of INR. 4.72 millions upon listing of the Company

## Annexure VII

## Notes to Restated Consolidated Summary Financial Information

(All amounts in Indian Rupees in million, unless otherwise stated)

## 36 Business Combination

## A) Acquisition of Last Decimal Private Limited Business

During the year ended March 31, 2023, pursuant to the Board of Directors resolution dated November 8, 2022, the Company entered into an Asset Transfer Agreement on November 9, 2022 (i.e. the 'acquisition date') to purchase the identifiable assets and liabilities from Last Decimal Private Limited ("Last Decimal"), a company engaged in the business of providing tech platforms and services to banks, insurance companies and other stakeholders in the Indian insurance industry.

Last Decimal business contributed to unaudited revenue of INR. 8.56 million and suffered unaudited loss of INR. 5.53 million since acquisition date for the Company during the year ended March 31, 2023. If the acquisition had occurred on April 01, 2022, as per management estimates, total income of the Company would have been INR 4,205.86 million and operating loss of the Company for the year would have been INR 2,915.18 millions. In determining these amounts, the management has assumed that the fair value adjustments, determined provisionally, that arose on the date of acquisition would have been the same if the acquisition had occurred on April 01, 2022.

## (a) Consideration transferred

The following table summarises the acquisition date fair value of each major class of consideration transferred.

| Purchase Consideration                                                         | Amount        |
|--------------------------------------------------------------------------------|---------------|
| Cash consideration (includes INR. 32.57 million outstanding at March 31, 2023) | 171.00        |
| Contingent consideration - outstanding as at year-end                          | 30.00         |
| <b>Total Purchase Consideration</b>                                            | <b>201.00</b> |

## Contingent consideration arrangement

During the year ended March 31, 2023, the Group had entered into contingent consideration arrangements to make certain milestone based payments to two promoters of Last Decimal on expiry of two years from the execution of non-compete agreement, which is dependent upon successful execution and on-boarding of certain business contracts. The Group is certain of executing these business contracts and accordingly accounted for contingent consideration of INR. 30 million as a "Payable for Business Acquisition" under Notes 20 and 24 - Other Financial Liabilities.

During the year ended March 31, 2023, In addition to the above consideration, as per non-compete agreement Mr. A.S. Narayanan (ASN) had been granted 384 employee stock options as per terms of the Company's ESOP policy. The number of stock options to be granted is determined basis the latest funding round price for the Company. As these ESOP are granted under the Company's ESOP policy, the non-compete compensation payable to ASN is in nature of post service cost and hence considered under Share Based Payment Expense under Note 28 - Employee Benefits Expenses and not considered as consideration towards business combination.

## (b) Acquisition related cost

During the year ended March 31, 2023, the Company had incurred acquisition related costs of INR. 3.28 million towards legal fees and due diligence costs for the Last Decimal asset acquisition transaction. These have been included under "Professional Fees" in Note 33- Other Expenses.

## (c) Identifiable assets acquired and liabilities assumed

The following table summarises the acquisition date fair value of each class of consideration transferred:

| Asset                                         | On acquisition date |
|-----------------------------------------------|---------------------|
| Property, plant and equipment                 | 0.46                |
| Customer relationships                        | 70.25               |
| Trademark                                     | 7.49                |
| Non-compete fees                              | 115.41              |
| <b>Total identifiable net assets acquired</b> | <b>193.61</b>       |

There are no liabilities acquired by the Company from Last Decimal.

## Measurement of fair values

The valuation techniques used for measuring fair value of material assets acquired were as follows:

| Asset acquired         | Valuation methodology adopted                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Customer relationships | Multi-period excess earnings method - considering present value of net cash flows expected to be generated from customer relationships (excluding any cash flows related to contributory assets).  |
| Trademark              | Relief from royalty method - used to value trademarks considering discounted estimated royalty payments are expected to be avoided as a result of trademarks being owned.                          |
| Non-compete contracts  | Incremental cash flow method - considering future estimated cash flow from enterprise including intangible asset being valued with cash flow from a fictitious comparable company excluding asset. |

During the year ended March 31, 2025, the Company has accounted for accelerated depreciation in customer relationships assets amounting to INR. 22.48 million (September 30, 2025: Nil; September 30, 2024: 11.24 million; March 31, 2024: INR. 18.97 million), Non-compete fees amounting to INR. 63.52 million (September 30, 2024: 31.73 million; March 31, 2024: Nil) due to lower realisation of revenue as expected from the customers contracts.

**Turtlemint Fintech Solutions Limited**

(formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)

**Annexure VII**
**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**36 Business Combination (Continued)**
**(d) Goodwill**

Goodwill arising from the acquisition had been recognised as follows during the year ended March 31, 2023:

| Calculation of goodwill               | Amount      |
|---------------------------------------|-------------|
| Consideration transferred             | 201.00      |
| Fair value of identifiable net assets | (193.61)    |
| <b>Goodwill</b>                       | <b>7.39</b> |

During the year ended March 31, 2024, The Company had carried out impairment assessment of goodwill on account of lower realisation of revenue with customers and accordingly an amount of INR 7.39 million has been accounted as impairment provision under Impairment of Non-Financial instruments in the Restated Statement of Profit and Loss.

**B) Acquisition of Turtlemint Insurance Broking Services Private Limited:**

On May 08, 2024, the Company acquired 75.14% of the voting shares of Turtlemint Insurance Broking Services Private Limited a company based in India and engaged in the business of providing Insurance Broking services at INR. 68 per share amounting to INR. 1049.05 million and an additional 24.86% of the voting shares on September 28, 2024, by way of buyback transaction undertaken by Turtlemint Insurance Broking Private Limited to other pre-existing shareholders at INR. 17 per share amounting to INR. 86.77 million.

Assets acquired and liability assumed

The fair values of the identifiable assets and liabilities as at the date of acquisition were:

| Particulars                                                             | Fair value recognised on acquisition |
|-------------------------------------------------------------------------|--------------------------------------|
| <b>Assets</b>                                                           |                                      |
| <b>Non Current Assets</b>                                               |                                      |
| Property, plant and equipment                                           | 16.21                                |
| Right of use asset                                                      | 142.54                               |

i. Cash paid on acquisition of shares in Turtlemint Insurance Broking Services Private Limited of INR 1,049.05 millions.

ii. The goodwill is attributable to value of benefits of expected synergies, future revenue and future market developments. None of the goodwill recognised is expected to be deductible for income tax purposes.

iii. From the date of acquisition, the acquired business has contributed INR 6,353.41 millions of revenue and INR 341.05 millions to the loss before tax to the Group. Had the acquisition had taken place at the beginning of the year, revenue from the acquired business would have been INR 6,745.24 millions and the loss before tax for the Group would have been INR 444.89 millions.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**37 Employee benefit expense**

The Group contributes to the following post-employment defined contribution and defined benefit plans in India.

**37A Defined contribution plan**

The Group makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Employee State Insurance Corporation and National Pension Scheme which are defined contribution plans. The Group has no obligations other than to make the specified contributions. The contributions are charged to the Restated Consolidated Summary Statement of Profit and Loss as they accrue. The amount recognised as an expense towards contribution to provident fund and other funds for the period/year aggregated to INR. 36.52 million (September 30, 2024: 34.53 million; March 31, 2025: 69.61 million ; March 31, 2024 : INR. 40.38 million and March 31, 2023: INR. 59.14 million).

**37B Defined benefit plan**

**a. Contribution to Gratuity fund**

Gratuity : Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972, the gratuity scheme is unfunded . The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The benefits vest after five years of continuous service. The actuarial valuation is carried out by the Independent Actuary.

This defined benefit plan exposes the Group to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

**37B.1 The Group is exposed to actuarial risks such as: investment risk, interest rate risk and salary risk.**

|                 |                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Investment risk | The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan assets is below this rate, it will create a plan deficit. Currently, these plans are unfunded. |
| Interest risk   | A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments, if funded.                                                                                                                                                                                       |
| Salary risk     | The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.                                                                                                                                        |

**37B.2 Actuarial assumptions: Gratuity**

**Notes:**

1. The discount rate is based on the prevailing market yield of India Government securities as at the Balance Sheet date for the estimated term of obligations.
2. The estimate of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.
3. If the actual withdrawal rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.
4. If the actual mortality rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**38 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the loss for the period/year attributable to equity holders of the Group by the weighted average number of equity shares outstanding during the period/year.

Diluted EPS amounts are calculated by dividing the profit attributable to owners of the Group by the weighted average number of Equity shares outstanding during the period/year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

iv) Basic/ Diluted EPS for the six months are not annualized.

**39 Capital Management**

**Risk Management -**

For the purpose of the Group's capital management, capital includes issued equity capital, convertible preference shares, securities premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Group's capital structure is managed using Net debt ratios as a part of the Group's financial planning. The Group includes within Net debt, borrowings other than convertible preference shares, less cash and cash equivalents.

**Notes:**

**(i) Services rendered to related parties and related balances**

The Group has entered into contract with related party for rendering the services of Marketing, Technical and support services on the same terms as applicable to third parties in an arm's length transaction and in the ordinary course of business. The Group mutually negotiates and agrees the price and payment terms with the related parties by benchmarking the same to the services rendered to non-related parties entered into by the counter-party and similar services rendered by the Group to other non-related parties.

**(ii) Security deposit given to related party**

As per the service agreement, an interest free refundable deposit aggregating INR. 10 millions has been granted by the holding Company in consideration of Turtlemint Insurance Broking Services Private Limited engaging the holding Company as its sole and exclusive provider of services during the term of the agreement. The holding company also agrees that the specified services would not be provided to any other Company which is carrying on the same business as Turtlemint Insurance Broking Services Private Limited. This deposit has been fully repaid on August 29, 2025.

**(iii) Remuneration to KMP of the Group**

The amounts disclosed in the table are the amounts recognised as an expense during the financial year/period related to KMP. The amounts do not include expense, if any, recognised toward post-employment benefits and other long-term benefits of key managerial personnel. Such expenses are measured based on an actuarial valuation done for the Group. Hence, amounts attributable to KMPs are not separately determinable.

Generally, directors do not receive any gratuity or post-employment benefits from the Group.

**(iv) Trade receivables**

Outstanding balances are unsecured, interest free and require settlement through banking channels. No guarantee or other security has been received against these receivables. For the period ended September 30, 2025, the Group has not recorded any impairment on receivables due from related parties (September 30, 2024: Nil; March 31, 2025: Nil; March 31, 2024: Nil and March 31, 2023: Nil). All outstanding amounts are inclusive of applicable taxes.

**(v) Investment made in Subsidiaries**

The Holding Company has invested in equity shares of Turtlemint Insurance Brokers Private Limited ("TIB") and Turtlemint Mutual Funds Distributors Private Limited ("TMF"). The investment has been utilized by the subsidiaries for the purpose it was obtained. TIB has only one class of equity shares having par value of INR 1 per share. TMF has only one class of equity shares having par value of INR 10 per share. Each holder of equity shares is entitled to one vote per share. TIB and TMF declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of TIB and TMF, the holders of equity shares will be entitled to receive its remaining assets, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

**(vi) Loan to Subsidiaries**

The Holding Company has given loan to its subsidiary, TMF. The loan has been utilized by the subsidiary for the purpose it was obtained. Interest rate is at 8% p.a payable on maturity of loan granted. The principal amount was payable as at March 31, 2025 as per the addendum dated December 23, 2024. Subsequently, the repayment term was extended to June 30, 2025. Loan has been repaid in entirety on May 15, 2025. For the period ended September 30, 2025, the Holding Company has not recorded any impairment on loans due from the subsidiary. (September 30, 2024: Nil; March 31, 2025: Nil; March 31, 2024: Nil). The Loan has been repaid in entirety in two installments dated May 15, 2025 and May 22, 2025.

**(vii) Balances due from related parties at the year end**

Other receivables classified in other financial assets are outstanding balances, that are unsecured, interest free and require settlement through banking channels. No guarantee or other security has been received against these receivables. For the period ended September 30, 2025, the Company has not recorded any impairment on receivables due from related parties (September 30, 2024: Nil; March 31, 2025: Nil; March 31, 2024: Nil). The outstanding amounts are inclusive of applicable taxes and TDS.

**(viii) Key managerial personnel interest in the Equity-settled Plan**

Under the Equity-settled Plan, 785,067 Equity settled share options are held by the key managerial personnel of the Company.

**(ix) Director's Remuneration**

The Remuneration payable to Independent directors is decided pursuant to board resolution passed on July 21, 2025 i.e. on date of their appointment.

**Turtlemint Fintech Solutions Limited**

(formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)

**Annexure VII**
**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**41 Revenue from contracts with customer**
**(i) Disaggregation of revenue:**

The table below presents disaggregated revenues from contracts with customers by offerings and contract-type. The Group believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of revenues and cash flows are affected by industry, market and other economic factors:

| Revenue by type of contract (Refer Note 26)    | For the six months period ended September 30, 2025 |              |                 | For the six months period ended September 30, 2024 |              |                 | For the year ended March 31, 2025 |              |                 | For the year ended March 31, 2024 |               |               | For the year ended March 31, 2023 |                 |                 |

The Group has applied practical expedient in Ind AS 115 and has accordingly not disclosed information about remaining performance obligations which are part of the contracts that have original expected duration of one year or less and where the Group has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the entity's performance completed to date. Revenue recognised is equivalent to transaction price and there are no adjustment thereof.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**42 Disclosures pursuant to Ind AS 116**

The Group has elected to apply the following practical expedients available under Ind AS 116:

- a) **Short term leases** - The Group has not applied the practical expedient to classify leases for which the lease term ends within 12 months of the date of initial application of Ind AS 116 as short-term leases.
- b) **Low value leases** - As part of transition, the Group has not availed the practical expedient of not to apply the recognition requirements of Ind AS 116 to low value leases for recognition of assets and liabilities related to leases.
- c) **Discount rate** - The Group applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- d) **Determination of lease term** - The Group applied practical expedient available for use of hindsight in determination of lease term where contract contains options to extend or terminate the lease. The Group uses its current assessment of lease term rather than reconstructing its initial assessment of the lease term and subsequent changes thereto.

**42.1 The Balance Sheet shows the following amounts relating to leases:**

The Group does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**42 Disclosures pursuant to Ind AS 116 (continued)**

**42.4 Contractual maturities of lease liabilities on undiscounted basis :** For contractual maturity refer Note 44.4 (i)

**Extension and termination options**

Extension and termination options are included in a number of property leases. These are used to maximise operational flexibility in terms of managing the assets used in the operations. The extension and termination options held are exercisable by the Group or the respective lessor.

**42.5 Effective interest rate for lease liabilities is 8% with maturity till 2030.**

**43 Changes in liabilities arising from financing activities and non-cash financing and investing activities:**

**Fair value of financial assets and liabilities measured at amortised cost**

The fair values of the financial assets (including investments) and financial liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**44.3 Fair value hierarchy**

The management assessed that cash and bank balances, trade receivables, loans (current), trade payables and other financial assets and liabilities (current) approximate their carrying amounts largely due to the short term maturities of these financial instruments. The management assessed that fair value of loans (non-current), non-current liabilities approximate their carrying amount.

**44.4 Financial risk management framework**

The Group's business is subject to several risks and uncertainties including financial risks. The Group's documented risk management policies act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as liquidity risk, interest rate risk, counterparty and concentration of credit risk and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. The Group's risk management process is in line with the corporate policy. Each significant risk has a designated 'owner' within the Group at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated.

The risk management process is coordinated by the Management Assurance function and is regularly reviewed by the Group's Board. The overall internal control environment and risk management programme including financial risk management is reviewed by the Board of Directors.

The risk management framework aims to:

- improve financial risk awareness and risk transparency
- identify, control and monitor key risks
- identify risk accumulations
- provide management with reliable information on the Company's risk situation
- improve financial returns

The Group has exposure to the following risks arising from financial instruments:

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**44 Financial instruments (continued)**

**44.4 Financial risk management framework (continued)**

**Financial risk**

The company Board of Directors reviews and agrees financial risk policies are summarised as below:-

- i) Liquidity risk
- ii) Interest rate risk
- iii) Credit risk and
- iv) Currency risk

**(i) Liquidity risk**

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

**Maturity Profile of the Group**

The Group remains committed to maintaining a healthy liquidity, debt equity ratio and strengthening the Balance Sheet. The maturity profile of the Group's financial liabilities is given in the table below. The figures reflect the contractual cash obligation of the Group and are undiscounted.

**(ii) Interest rate risk**

Fixed rate financial assets are largely interest bearing fixed deposits and loans given held by the Group. The returns from these financial assets are linked to bank rate notified by Reserve Bank of India as adjusted on periodic basis. Other than mentioned financial assets and financial liabilities all are non-interest bearing.

**Annexure VII**

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**44 Financial instruments (continued)**

**44.4 Financial risk management framework (continued)**

**(iii) Credit risk**

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and after obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Group is exposed to credit risk for receivables, cash and cash equivalents and bank balances other than cash and cash equivalents.

Credit risk management considers available reasonable and supportable forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory changes, government directives, market interest rate).

Only high rated banks are considered for placement of deposits. Bank balances are held with reputed and creditworthy banking institutions.

None of the Group's cash equivalents are past due or impaired. The Group has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables and 6-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Group evaluates the concentration of risk with respect to trade receivables as low.

The Group held cash and cash equivalents and balances with scheduled banks and financial institutions in deposit accounts of INR. 1869.45 million, INR. 4,023.71 million, INR. 3,164.71 millions, INR. 5,045.61 millions and INR. 7,172.18 millions as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023 respectively. The management evaluates credit worthiness of banks and financial institution on an ongoing basis on credit ratings. Hence management perceives no credit risk of default. The Group has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. Trade receivables are typically unsecured and are derived from operating activities. Credit risk has been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of the customers to which the Group grant credit limits in the normal course of business. The Group has applied simplified approach to measure expected credit losses on trade receivables. The provision matrix takes in account a continuing credit evaluation, ageing of trade receivable, the Group's historical loss experience and 6-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Group evaluates the concentration of risk with respect to trade receivables as low.

**Provision for expected credit loss**

- For trade receivable under life time expected credit loss model (simplified approach)

**Notes to Restated Consolidated Summary Financial Information**

(All amounts in Indian Rupees in million, unless otherwise stated)

**49 Contingent liabilities (continued)**

- i) The Income Tax Department ('IT Department') had initiated the assessment/reassessment proceedings against the Company u/s 143/147 of the Income Tax Act, 1961 ("the Act") for FY 2017-18, 2019-20, 2020-21, 2021-22 and 2022-23. The Company has duly responded against the said notices by filing its responses to the notices received by it for each of the corresponding years. Subsequently, the Department requested for the various documents/information/explanations by issuing notices u/s 142 of the Act, which too were duly responded to by the Company with all the required details. Consequently, the IT Department passed Assessment Order u/s 143(3)/143(3) r.w.s. 147 for the corresponding financial years by making ad-hoc disallowances u/s 37 of the Act of certain expenses debited to the Profit and Loss account. The aggregate amount of disallowance made by the IT Department for all the years amounts to INR 62.25 million. However, the aggregate tax demand consequent to such assessment/reassessment was Nil since the Company had certain brought forward tax losses against which the aforementioned disallowances were set off. During the course of the assessment/re-assessment proceedings, the IT Department has also issued notices initiating proceedings for imposition of penalty u/s 270A and 271AAD of the IT Act. The proceedings have been kept in abeyance till the disposal of the appeal filed by the Company against the assessment orders pursuant to which the penalty proceedings were initiated. (September 30, 2024: INR 62.25 million ; March 31, 2025: INR 62.25 million ; March 31, 2024: Nil; March 31, 2023: Nil).
- ii) During the year ended March 31, 2025, the Company has received the Orders from the GST Adjudicating Authority confirming the levy of penalty aggregating to INR. 511.96 million for the years 2017 to 2023 under the provisions of Central Goods and Services Tax Act, 2017. These penalties arise from the show cause notices issued by the Directorate General of GST Intelligence (DGGI) on account of the Company having allegedly raised invoices on insurance companies without actual supply of services. The Company has filed appeals before the GST Appellate Authorities contesting the penalty confirmed in the Orders. Accordingly, the Company has disclosed the aforesaid penalty demanded aggregating INR 511.96 million (September 30, 2024: 511.96; March 31, 2025: 511.96 million; March 31, 2024: INR. 426.03 million; March 31, 2023: INR. 166.20 million) as a contingent liability as at the period-end.

**50 Commitments**

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) - Nil.

**51 Audit Trail**

1. The Group has maintained its books of account and master data using SAP Business One (SAP B1) and DarwinBox software. The audit trail (edit log) feature within the SAP application was enabled and operational throughout the financial period but audit trail functionality for changes in backend (i.e., at the database level) was activated and became effective from September 07, 2024 and further no instances of tampering with the audit trail were observed during the period. As a result, the audit trails for the SAP B1 software has been preserved by the Group in accordance with statutory requirements for record retention from September 07, 2024. Any changes to the underlying database were permitted only through formal requests to the SAP support service partner, and supporting documentation for such changes has been appropriately maintained.
2. Further, the Group has used DarwinBox application, for maintaining its payroll records, employee life cycle management and employee masters. The DarwinBox software have a feature of recording audit trail (edit log) facility for the changes done at application and database level and the audit trail was enabled and operated throughout the period for relevant transactions recorded therein. Further, there were no instance of tampering of such audit trail noted in above software. Additionally, the audit trail of prior year(s) for the DarwinBox software has been preserved by the Group as per the statutory requirements for record retention, to the extent it was enabled and recorded in the respective years.
3. Backup - The Group has complied with the Rule 3 of Companies (Accounts) Rules, 2014 amended on August 05, 2022 relating to maintenance of electronic books of account and other relevant books and papers. The Company's books of accounts and relevant books and papers are accessible in India at all times and backup of accounts and other relevant books and papers are maintained in electronic mode within India and kept in servers physically located in India on daily basis.

**52 Regrouping and Reclassification**

Based on review of commonly prevailing practices management does not believe any material changes has been reclassified other than below change : Gratuity expense amounting to INR 13.12 million in March 31, 2024 (March 31, 2023: 10.09 million) pertaining to employees were previously disclosed separately under Employee Benefit Expenses. However, the same is now clubbed in Salaries, wages and bonus under Employee Benefit Expenses in the Restated Consolidated Summary Statement of Profit and Loss. Additionally, interest accrued on fixed deposits amounting to INR 171.67 million in March 31, 2024 (March 31, 2023: 253.72 million) has been clubbed with the respective fixed deposit balances in the Restated Consolidated Summary Financial Information and Non current provision for long term bonus amounting to INR 0.15 million in March 31, 2024 (March 31, 2023: 0.11 million) is reclassified from Other financial liabilities to Non-Current Provisions and Current provision for bonus amounting to INR. 0.17 in March 31, 2024 (March 31, 2023: 0.31 million) is reclassified from Current - Other financial liabilities to Current Provisions. Certain components within Other Expenses have been reclassified in the current year to better reflect the nature of the underlying expenditures. Accordingly, comparative figures for the previous year have been regrouped to ensure consistency in presentation. These above reclassification has no material impact on the Restated Consolidated Summary Financial Information.

**53 Events after the reporting period**

The Government of India has consolidated 29 existing labour legislations into a united framework comprising four Labour Codes viz Code on Wages 2019, Code on Social Security 2020, Industrial Relation Code 2020, and Occupational Safety, Health and Working Condition Code 2020 (collectively referred to as the New Labour Codes). These Codes have been made effective from 21st November, 2025. The corresponding all supporting rules under these codes are yet to be notified. The Group is in the process of evaluating the full impact of these new labour codes announced. Based on our assessment, the Group has estimated that any incremental liability for its own employees is not expected to be material to the Restated Consolidated Summary Statement. The Group is continuing to evaluate other possible impacts, including those related to contract workforce. Management believes that any impact, if it arises, is unlikely to be material.

**Independent Practitioner's Assurance Report on the Compilation of Unaudited Proforma Financial Information in connection with the proposed Initial Public Offer of Turtlemint Fintech Solutions Limited (formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)**

To

The Board of Directors  
Turtlemint Fintech Solutions Limited  
(formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)  
The ORB-Sahar, 4 and 4A 1st Floor,  
A Wing, Marol Village, Andheri (East),  
Mumbai-400099  
India

1. We have completed our assurance engagement to report on the compilation of unaudited proforma financial information of Turtlemint Fintech Solutions Limited (formerly Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (hereinafter referred to as "the Company") and its subsidiaries (the Company, together with its subsidiaries are hereinafter collectively referred to as the "Group") by the management of the Group. The unaudited proforma financial information consists of the unaudited proforma statements of profit and loss for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 and related notes to the unaudited proforma financial information ("Unaudited Proforma Financial Information"). The applicable criteria on the basis of which the management of the Group has compiled the Unaudited Proforma Financial Information are described in note 2 to the Unaudited Proforma Financial Information.
2. The Unaudited Proforma Financial Information has been compiled by the management of the Group to illustrate the impact of the acquisition of Turtlemint Insurance Broking Services Limited (the "Acquired Enterprise") as set out in note 2 to the Unaudited Proforma Financial Information on the Group's financial performance for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 as if the aforesaid acquisitions had been consummated on April 01, 2024, April 01, 2023, and April 01, 2022 respectively.
3. As part of this process, information about the Group's financial performance has been extracted by the management of the Group from the Restated Consolidated Summary Statements of the Group for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023, on which we have issued an examination report on September 04, 2025. For the purposes of such examination, we have placed reliance on the examination report issued by M/s Price Waterhouse Chartered Accountants LLP, dated September 04, 2025 for the year ended March 31, 2023 who were the predecessor auditors of the Group for the year ended March 31, 2023. The information about the financial performance of the Acquired Enterprise have been extracted by the management of the Group from:
  - i. the special purpose IND AS financial information of Turtlemint Insurance Broking Services Private Limited for the years ended March 31, 2024 and March 31, 2023 prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended on which M/s S K Patodia & Associates LLP, Chartered Accountants, have issued an audit report dated September 04, 2025;
  - ii. the audited special purpose interim IND AS financial information of Turtlemint Insurance Broking Services Private Limited for the period April 01, 2024 to May 07, 2024 prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, on which we have issued an audit report dated September 04, 2025.

**Management's Responsibility for the Unaudited Proforma Financial Information**

4. The management of the Group is responsible for compiling the Unaudited Proforma Financial Information on the basis set out in note 2 to the Unaudited Proforma Financial Information. This responsibility includes the responsibility for designing, implementing and maintaining internal control relevant for compiling the Unaudited Proforma Financial Information on the basis set out in note 2 to the Unaudited Proforma Financial Information that is free from material misstatement, whether due to fraud

or error. The management of the Group is also responsible for identifying and ensuring that the Group complies with the laws and regulations applicable to its activities, including compliance with the provisions of the laws and regulations for the compilation of Unaudited Proforma Financial Information.

### **Practitioner's Responsibilities**

5. Our responsibility is to express an opinion, as required by the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI Regulations"), about whether the Unaudited Proforma Financial Information have been compiled, in all material respects, by the management of the Group on the basis set out in note 2 to the Unaudited Proforma Financial Information ("Applicable Criteria").
6. We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3420, Assurance Engagements to Report on the Compilation of Proforma Financial Information included in a Prospectus, issued by the Institute of Chartered Accountants of India. This Standard requires that we comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the management of the Group has compiled, in all material respects, the Unaudited Proforma Financial Information on the basis set out in Applicable Criteria.
7. For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information / restated consolidated summary statements used in compiling the Unaudited Proforma Financial Information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the Unaudited Proforma Financial Information.
8. For our assurance engagement, we have placed reliance on the following:
  - a) our examination report on Restated Consolidated Summary Statements of the Group for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 approved on September 04, 2025 and the relevant supporting information;
  - b) examination report of M/s Price Waterhouse Chartered Accountants LLP, dated September 04, 2025 on Restated Consolidated Summary Statements of the Group for the year ended March 31, 2023 and the relevant supporting information;
  - c) Our audit report on the audited special purpose interim IND AS financial information of Turtlemint Insurance Broking Services Private Limited for the period April 01, 2024 to May 07, 2024 prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - d) audit report of M/s S K Patodia & Associates LLP, Chartered Accountants, dated September 04, 2025 on the special purpose IND AS financial information of Turtlemint Insurance Broking Services Private Limited for the years ended March 31, 2024 and March 31, 2023 prepared in accordance Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and the relevant supporting information.
9. The purpose of Unaudited Proforma Financial Information is solely to illustrate the impact of a significant event or transaction on unadjusted consolidated financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 would have been, as presented.
10. A reasonable assurance engagement to report on whether the Unaudited Proforma Financial Information has been compiled, in all material respects, on the basis of the Applicable Criteria, involves performing procedures to assess whether the Applicable Criteria used by the management of the Group in the compilation of the Unaudited Proforma Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- a. The related proforma adjustments give appropriate effect to those Applicable Criteria; and
- b. The Unaudited Proforma Financial Information reflects the proper application of those adjustments to the unadjusted consolidated financial information of the Group.

The procedures selected depend on the practitioner's judgement, having regard to the practitioner's understanding of the nature of the Company, the event or transaction in respect of which the Unaudited Proforma Financial Information has been compiled, and other relevant engagement circumstances. The engagement also involves evaluating the overall presentation of the Unaudited Proforma Financial Information.

11. Our work has not been carried out in accordance with auditing and other standards and practices generally accepted in other jurisdictions and accordingly should not be relied upon as if it had been carried out in accordance with those standards and practices.
12. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Opinion**

13. In our opinion, the Unaudited Proforma Financial Information has been compiled, in all material respects, on the basis set out in the Note 2 to the Unaudited Proforma Financial Information.

### **Emphasis of matter**

14. We draw attention to Note 2 – Basis of preparation of the accompanying Unaudited Proforma Financial Information relating to preparation and inclusion of special purpose Ind AS financial information of the Acquired Enterprise for the years ended March 31, 2024 and March 31, 2023 and special purpose interim Ind AS financial information for the period from April 01, 2024 to May 07, 2024 for the purpose of inclusion in the Unaudited Proforma Financial Information prepared on a voluntary basis and not required to be included as part of the mandatory Unaudited Proforma Financial Information as per Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.

Our opinion is not modified in respect of this matter.

### **Restrictions on use**

15. This report should not in any way be construed as a reissuance or re-auditing or re-examination of any of the previous audit reports issued by us or other auditors. We have no responsibility to update our report for events and circumstances occurring after the date of the report.
16. Our report is intended solely for use of the Board of Directors of the Company to be filed with Securities and Exchange Board of India, National Stock Exchange of India Limited and BSE Limited in connection with the Proposed Initial Public Offering of the Company and is not to be used, referred to or distributed for any other purpose.

## **Turtlemint Fintech Solutions Limited**

*(formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)*

**Notes forming part of these Unaudited Proforma Financial Information for the years ended March 31, 2025, March 31, 2024 and March 31, 2023**

*(All amounts in Rupees millions, unless otherwise stated)*

### **1 Background**

Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (hereinafter referred to as the "Holding Company" or the "Company") {U74999MH2015PLC263315} is a limited Company, incorporated on April 07, 2015, under The Companies Act, 2013. The Registered Office is located at The ORB - Sahar, 4 and 4A 1st Floor, A Wing, Marol Village, Andheri (East), Mumbai- 400099. The name of the Company was changed to "Turtlemint Fintech Solutions Private Limited", and a fresh Certificate of Incorporation reflecting the change was issued by the Registrar of Companies on May 13, 2025. Subsequently, the Company's name was changed to "Turtlemint Fintech Solutions Limited", and a fresh Certificate of Incorporation was issued by the Registrar of Companies on June 05, 2025.

On May 08, 2024, our Company acquired 75.14% of the voting shares of Turtlemint Insurance Broking Services Private Limited ("TIB"), a company based in India and engaged in the business of providing insurance broking services. On September 28, 2024 by way of buyback transaction undertaken by TIB to other pre-existing shareholders, TIB became a wholly owned subsidiary of our Company. The Unaudited Proforma Financial Information has been prepared to illustrate the impact of this significant acquisition on the Financial Performance. The Holding Company together with its wholly owned Subsidiaries (Turtlemint Mutual Fund Distributors Private Limited and Turtlemint Insurance Broking Services Private Limited) collectively known as "Group".

### **2 Basis of Preparation**

The Unaudited Proforma Financial Information for the year ended March 31, 2025, March 31, 2024 and March 31, 2023 have been voluntarily prepared by the management of Company in accordance with the requirements of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended to date (the "SEBI Regulations") issued by the Securities and Exchange Board of India (the "SEBI"), in respect of above acquisition for which financial information is disclosed in the offer documents prepared in connection with the proposed listing, considering that the acquisition is material for the purpose of the business.

Considering the financial information of the Acquired Enterprise for the period ended May 7, 2024 and for the years ended March 31, 2024 and March 31, 2023 is material and important to the Group and as advised by Book Running Lead Managers, management has included such information in the Unaudited Proforma Financial Information, although the same is not required to be mandatorily included as per SEBI Regulations, as amended.

The Unaudited Proforma Financial Information has been compiled by the management of the Group to illustrate the impact of the acquisition of Turtlemint Insurance Broking Services Limited on the Group's financial performance for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 as if the aforesaid acquisitions had been consummated on April 01, 2024, April 01, 2023, and April 01, 2022.

The Unaudited Proforma Financial Information is prepared for the purposes of inclusion in the offer documents prepared in connection with the proposed listing in connection with the offering of the equity shares of the Company as part of the overall proposed initial public offering (the "Offering") of equity shares of the Company. The information with respect to acquisition of TIB in the Unaudited Proforma Financial Information for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 and corresponding proforma adjustments is not specifically required to be included in the offer documents prepared in connection with the proposed listing pursuant to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "SEBI ICDR Regulations"). However, the Company believes that such information is material for the investors and is therefore included on voluntary basis in the offer documents prepared in connection with the proposed listing.

The Unaudited Proforma Financial Information have been prepared specifically for inclusion in the offer documents prepared in connection with the proposed listing to be filed by the Company with SEBI in connection with the proposed Offering. The Proforma Financial Information has been prepared by the Group to illustrate the impact of acquisition transaction undertaken as if the acquisition had taken place as on April 01, 2024, April 01, 2023 and April 01, 2022 respectively for the purpose of Unaudited Proforma Statement of Profit and Loss.

The Unaudited Proforma Financial Information is based on:

- i. Restated Consolidated Summary Statements of the Group as at and for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023.
- ii. Special Purpose IND AS Financial Information of TIB as at and for the years ended March 31, 2024 and March 31, 2023. TIB prepared financial statements as per Companies (Accounting Standards) Rules, 2021 ("Indian GAAP") till March 31, 2024. For the purpose of preparation of Unaudited Proforma Financial Information, TIB prepared Special Purpose IND AS Financial Information for the years ended March 31, 2023 and March 31, 2024.
- iii. Special Purpose Interim Ind AS Financial Information of TIB for the period April 01, 2024 to May 07, 2024;
- iv. Inter group eliminations between the Group and TIB as at and for the years ended March 31, 2024 and March 31, 2023 and for the period from April 01, 2024 to May 07, 2024;
- v. Adjustments to the Unaudited Proforma Financial Information arising from transactions between the Holding Company and the acquired entity during the years ended March 31, 2024 and March 31, 2023 and for the period from April 01, 2024 to May 07, 2024 for the purpose of unaudited proforma statement of profit and loss; and
- vi. Adjustments to recognise the impact of allocation of purchase consideration paid/payable by the Company.

The Unaudited Proforma Financial Information are presented in Indian Rupees which is also the Group's functional currency. All values are rounded to the nearest million except when otherwise stated.

The assumptions and estimates underlying the adjustments to the Unaudited Proforma Financial Information are described hereinafter which should be read together with the Unaudited Proforma Statement of Profit and Loss.

The Unaudited Proforma Financial Information are prepared using uniform accounting policies for the like transactions and other events in similar circumstances. Adjustments, if any, are made in preparing Unaudited Proforma Financial Information to ensure uniformity of the Group's accounting policies with TIB's accounting policies. The financial statements of all entities used for the purpose of Unaudited Proforma Financial Information are drawn up to the same reporting dates as that of the Group, i.e., years ended on March 31, 2025, March 31, 2024 and March 31, 2023.

The Unaudited Proforma Financial Information should be read together with the Group's Restated Consolidated Summary Statements and the audited financial statements of TIB.

The business combination of TIB has been accounted for under the acquisition method in accordance with Ind AS 103 'Business Combinations'. Accordingly, the Group has allocated the purchase consideration to the estimated fair value of assets acquired and liabilities assumed and recognised the difference between purchase consideration and net assets as goodwill in the Unaudited Proforma Financial Information as at March 31, 2024 and March 31, 2023.

**2 Basis of Preparation (continued)**

The Special Purpose IND AS Financial Statements of TIB have been prepared in accordance with the measurement and recognition principles of Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) after considering the transition date for Ind AS adoption of TIB as of April 01, 2022. However, these Special Purpose Financial Statements do not include certain disclosures which would have otherwise been required for General Purpose Financial Statements and as such omit disclosures such as transition date balance sheet, comparative information and certain other disclosures as envisaged under Ind AS and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The Unaudited Proforma Financial Information were approved by the Board of Directors of the Holding Company on January 14, 2026.

Because of their nature, the Unaudited Proforma Financial Information addresses a hypothetical situation and therefore, does not represent the Group's factual financial results. Accordingly, the Unaudited Proforma Financial Information does not necessarily reflect what the Group's financial results of operations would have been had the acquisitions occurred on the dates indicated and is also not intended to be indicative of expected financial results of operations in future periods. The actual statement of profit and loss may differ significantly from the proforma amounts reflected herein due to variety of factors.

The proforma adjustments are based upon available information and assumptions that the management of the Group believes to be reasonable. Further, such Unaudited Proforma Financial Information has not been prepared in accordance with standards and practices acceptable in any other jurisdiction and accordingly, should not be relied upon as if it had been carried out in accordance with those standards and practices in any other jurisdiction.

Accordingly, the degree of reliance placed by anyone on such Unaudited Proforma Financial Information should be limited. In addition, the rules and regulations related to the preparation of Unaudited Proforma Financial Information in other jurisdictions may also vary significantly from the basis of preparation as set out in paragraphs above to prepare these Unaudited Proforma Financial Information.

The Unaudited Proforma Balance Sheet is not included herein as the transaction is already reflected in the Restated Consolidated Summary Statements of Turtlemint Fintech Solutions Limited as at March 31, 2025.

*(This space has been intentionally left blank)*

**Turtlemint Fintech Solutions Limited***(formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)***Notes forming part of these Unaudited Proforma Financial Information for the years ended March 31, 2025, March 31, 2024 and March 31, 2023***(All amounts in Rupees millions, unless otherwise stated)***3 Proforma Adjustments**

The Special Purpose Interim Ind AS Financial Information and the Special Purpose Ind AS Financial Information of TIB have been prepared in accordance with Ind AS and adjusted to comply with the Group's accounting policies in all material aspects (collectively referred to as 'Group accounting policies' as appearing in Restated Consolidated Financial Information). Such financial information has been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. The following adjustments have been made to present the Unaudited Proforma Financial Information:

**(a) Adjustments to Unaudited Proforma Statement of Profit and Loss**

The proforma adjustment to amortization charge in the Unaudited Proforma Statement of Profit and Loss is as presented in the table below. This mainly represents the impact of fair value of intangible assets recognised as part of business combinations.

| Particulars         | March 31, 2025 * | March 31, 2024 | March 31, 2023 |
|---------------------|------------------|----------------|----------------|
| Broker Relationship | 1.27             | 10.25          | 16.50          |

\* Represents the proforma adjustment on amortisation for the period April 1, 2024 to May 7, 2024.

**Tax impact of proforma adjustments**

There is no temporary difference between the tax base and the carrying amount of the intangible asset as part of business combination, accordingly the tax impact of the proforma adjustment relating to the amortization of the intangible asset recognised as part of business combination is nil.

**(b) Earnings per share**

Proforma basic and diluted EPS calculation for the year ended March 31, 2024, March 31, 2023 and March 31, 2022 has been calculated on Unaudited Proforma Statement of Profit and Loss for the year and the weighted average number of equity shares outstanding during the year.

| Particulars                                                                                                                                                                                                      | March 31, 2025 | March 31, 2024 | March 31, 2023 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|----------------|----------------|
| Proforma loss for the year attributable to owners of the Company                                                                                                                                                 | (2,025.62)     | (1,869.90)     | (2,837.56)     |
| Weighted average number of equity shares outstanding during the year for computing basic and diluted earning per share - in absolute numbers - As per Restated Consolidated Summary Statement (refer note 4(ii)) | 26,47,12,416   | 26,48,42,818   | 25,81,99,196   |
| <b>Proforma Basic and Diluted EPS per share</b>                                                                                                                                                                  | <b>(7.65)</b>  | <b>(7.06)</b>  | <b>(10.99)</b> |

**(c) Intragroup Eliminations**

This represents elimination adjustments in respect of transactions between the Company and TIB, that have been eliminated from the Unaudited Proforma Financial Information. Adjustments on account of inter-company transactions between the Company and TIB are as follows:

| Particulars                                            | March 31, 2025 | March 31, 2024 | March 31, 2023 |
|--------------------------------------------------------|----------------|----------------|----------------|
| <b>Unaudited Proforma Statement of Profit and Loss</b> |                |                |                |
| - Decrease in Revenue from Operations                  | (16.30)        | (195.28)       | (385.06)       |
| - Decrease in Other Income                             | (0.10)         | (0.92)         | (0.89)         |
| - Decrease in Finance Costs                            | (0.05)         | (0.46)         | (0.43)         |
| - Decrease in Other Expenses                           | (16.35)        | (195.74)       | (385.52)       |

- (i) The Board of Directors of the Company at its meeting held on July 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on July 17, 2025, approved a bonus issue of 500 equity shares for every equity share held by the equity shareholders of the Company as of July 12, 2025. Accordingly, the Board of Directors of the Company has, pursuant to the resolution dated July 21, 2025, made an allotment of 52,636,000 bonus equity shares of INR. 1/- each to its equity shareholders utilising securities premium account balance.
- Consequent to the bonus issue to the equity shareholders, the Board of Directors at its meeting held on August 12, 2025 and Shareholders of the Company in their extraordinary general meeting held on August 14, 2025, approved to adjust the conversion ratio of Seed Round CCPS, Series A CCPS, Series B CCPS, Series C CCPS, Series C1 CCPS, Series C2 CCPS, Series D CCPS, Series D1 CCPS, Series D2 CCPS and Series E CCPS to give an impact of the bonus issue referred above. Furthermore, the shareholders of the Company entered into the first amendment to the Series E amended and restated shareholders' agreement wherein the conversion ratio were agreed to be modified and adjusted downwards to 477:1 on the filling of the Pre-filled Draft Red Herring Prospectus (PDRHP).
- (ii) The Government of India has consolidated 29 existing labour legislations into a united framework comprising four Labour Codes viz Code on Wages 2019, Code on Social Security 2020, Industrial Relation Code 2020, and Occupational Safety, Health and Working Condition Code 2020 (collectively referred to as the New Labour Codes). These Codes have been made effective from 21st November, 2025. The corresponding all supporting rules under these codes are yet to be notified.
- The Group is in the process of evaluating the full impact of these new labour codes announced. Based on our assessment, the Group has estimated that any incremental liability for its own employees is not expected to be material to the unaudited proforma financial information. The Group is continuing to evaluate other possible impacts, including those related to contract workforce. Management believes that any impact, if it arises, is unlikely to be material.
- 5 Other than as mentioned above, no additional adjustments or reclassifications have been made to the Unaudited Proforma Statement of Profit and Loss to reflect any impact of subsequent events post March 31, 2025.

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of Turtlemint Insurance Broking Services Private Limited

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Turtlemint Insurance Broking Services Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Other Matters**

The comparative financial information of the Company for the year ended March 31, 2024 and the transition date opening balance sheet as at April 01, 2023 included in these Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2021, as amended, audited by us and the predecessor auditor whose report for the year ended March 31, 2024 and March 31, 2023 dated September 09, 2024, and September 13, 2023, respectively expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 2(i)(vi) below on reporting under Rule 11(g) the Companies (Audit and Auditors) Rules, 2014, as amended;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (i)(vi) below on reporting under Rule 11(g);
  - (g) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
  - (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2025;
  - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 44 to the financial statements;
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
    - iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 42.2 (vi) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 42.2 (vi) to the financial statements, no funds have been received by
- the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. Based on our examination which included test checks, the Company has used accounting software of SAP B1 and Darwinbox for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature for SAP B1 software was not enabled for database-level changes until September 06, 2024. As a result, the audit trails for the SAP B1 software has not been preserved by the Company in accordance with statutory requirements for record retention until September 06, 2024, as described in note 46 to the financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior year(s) for the Darwinbox software has been preserved by the Company as per the statutory requirements for record retention, to the extent it was enabled and recorded in the respective years.

Re: Turtlemint Insurance Broking Services Private Limited (formerly known as Invictus Insurance Broking Services Private Limited (“the Company”))

The information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

|       |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-------|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (i)   | (a) (A) | The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|       | (a) (B) | The Company has maintained proper records showing full particulars of intangibles assets.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|       | (b)     | Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|       | (c)     | There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                        |
|       | (d)     | The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2025.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|       | (e)     | There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| (ii)  | (a)     | The Company’s business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|       | (b)     | As disclosed in note 28 to the financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the financial statements, the quarterly returns/statements filed by the Company with such banks are in agreement with the unaudited books of accounts of the Company. The Company do not have sanctioned working capital limits in excess of Rs. five crores in aggregate from financial institutions during the year on the basis of security of current assets of the Company. |
| (iii) | (a)     | During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                     |
|       | (b)     | During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                            |
|       | (c)     | The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|       | (d)     | The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|       | (e)     | There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|       | (f)     | The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

|        |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

|        |     | Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| (iv)   |     | There are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| (v)    |     | The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| (vi)   |     | The Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products/services of the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| (vii)  | (a) | <p>Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.</p> <p>As represented to us by the management, the provisions of sales tax, service tax, value added tax, excise duty and customs duty are currently not applicable to the Company.</p> |
|        | (b) | <p>There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.</p> <p>As represented to us by the management, the provisions of sales tax, service tax, value added tax, excise duty and customs duty are currently not applicable to the Company.</p>                                                                                                                                                                                                                                                                                                                                                                              |
| (viii) |     | The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| (ix)   | (a) | The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|        | (b) | The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|        | (c) | The Company did not have any term loans outstanding during the year hence, the requirement to report on clause (ix)(c) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|        | (d) | On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|        | (e) | The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|        | (f) | The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| (x)    | (a) | The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|        | (b) | The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the preferential allotment or private placement of shares during the year. The funds raised, have been used for the purposes for which the funds were raised.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

|         |     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

|         | (b) | During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|         | (c) | As represented to us by the management, there are no whistle blower complaints received by the Company during the year.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| (xii)   |     | The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| (xiii)  |     | Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| (xiv)   | (a) | The Company has an internal audit system commensurate with the size and nature of its business.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|         | (b) | The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| (xv)    |     | The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| (xvi)   | (a) | The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|         | (b) | The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|         | (c) | The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|         | (d) | There are no other Companies part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| (xvii)  |     | The Company has incurred cash losses in the current year amounting to Rs. 378.46 million. In the immediately preceding financial year, the Company had not incurred cash losses.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| (xviii) |     | There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| (xix)   |     | On the basis of the financial ratios disclosed in note 42.1 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due. |

|      |     |                                                                                                                                                                                                                                                                                              |
|------|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (xx) | (a) | There are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 22(b) to the financial statements. |
|      | (b) | There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. ## **Annexure 2 to the Independent Auditor's Report of Even Date on the Financial Statements of Turtlemint Insurance Broking Services Private Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Turtlemint Insurance Broking Services Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

#### **Meaning of Internal Financial Controls with Reference to these Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or

fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**Turtlemint Insurance Broking Services Private Limited**  
**Statement of Cash Flows for the year ended March 31, 2025 (Continued)**  
*(All amounts in Indian Rupees in million, unless otherwise stated)*

---

**Notes:**

- 1 The above Statement of Cash Flows has been prepared under the 'Direct Method' as set out in Ind AS 7, 'Statement of Cash Flows' specified under section 133 of Companies Act, 2013 read with paragraph 7 of Companies(accounts) rules 2014 and Disclosure requirement under amended guidelines as per Regulation 34 (1-C) of Insurance Regulatory and Development Authority of India (Insurance Brokers) Regulations, 2018.
- 2 Ind AS 7 requires the entity to provide disclosures that enable users of financials statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement (refer note 40).

The accompanying notes form an integral part of the financial statements.

## **1 Corporate information**

Turtlemint Insurance Broking Services Private Limited (the "Company") {U66000MH2013PTC249565} is a private limited Company, incorporated on October 24, 2013 under The Companies Act 2013. The Registered Office is located at The ORB - Sahar, 4 and 4A 1st Floor, A Wing, Marol Village, Andheri (East), Mumbai- 400099.

The Company is engaged in the business of direct broking of insurance policies mainly in retail segment like motor, health and life. The Company had a license of Direct (Life and General) Broking by the Insurance Regulatory and Development Authority (IRDA) under Regulation 3 of the Insurance Regulatory and Development Authority (Insurance Brokers) Regulation, 2018, which was renewed for a period of three years from April 3, 2020 to April 2, 2023. Further, the Company obtained a composite broker license from February 09, 2022 upto April 02, 2023 which has been renewed till April 02, 2026.

On May 08, 2024, the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as , a Company based in India acquired 75.14% of the voting shares of the Company and post the buyback transaction carried out by the Company on September 28, 2024 from erstwhile shareholders, the Company became a wholly owned subsidiary of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited).

The Financial Statements as at and for the year ended March 31, 2025 were approved by the Board of Directors and approved for issue on June 16, 2025.

## **2 Material Accounting policies**

### **2.1 Statement of Compliance & Basis of presentation**

The Financial Statements of Turtlemint Insurance Broking Services Private Limited comprise the balance sheet as at March 31, 2025 and March 31, 2024 and opening balance sheet as at April 01, 2023, the Statement of profit and loss (including other comprehensive income) for the year ended March 31, 2025 and March 31, 2024, the Statement of changes in equity for the year ended March 31, 2025 and March 31, 2024, the Statement of cash flows for the year ended March 31, 2025 and March 31, 2024, and notes to the financial statements for the year ended March 31, 2025 and March 31, 2024, including a summary of material accounting policies and other explanatory information (hereinafter collectively referred to as "Financial Statements" or "FS").

The Standalone Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (as amended from time to time), (Ind AS compliant Schedule III), as applicable to the SFS. As these are the Company's first standalone financial statements prepared in accordance with Indian Accounting Standards (Ind AS), Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 4.

#### **i) Historical cost convention**

The financial statements have been prepared on the historical cost basis except for the following:

- certain financial assets and liabilities are measured at fair value
- share based payments
- defined benefit obligations

#### **ii) Functional and presentation currency**

These financial statements are presented in Indian Rupees (INR) which is the functional currency of the Company. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

#### **iii) Operating cycle**

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company.

Based on the nature of services rendered by the Company and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### **2.2 Summary of material accounting policies**

This note provides a list of material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **i) Property, plant and equipments –**

Property plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent cost related to an item of Property, Plant and Equipment are recognized in the carrying amount of the item if the recognition criteria are met.

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value. Any expected loss is recognised immediately in the Statement of Profit and Loss. An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Statement of Profit and Loss.

The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

## 2.2 Summary of material accounting policies (continued)

### Depreciation methods, estimated useful lives and residual value :

Depreciation on Property plant and equipments is provided on a pro-rata basis on the straight line method over the estimated useful life of assets prescribed under Schedule II to the Companies Act, 2013. The depreciation expense for each year is recognised in the Statement of Profit and Loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end and adjusted prospectively if appropriate:

The estimates of useful life of Property Plant and equipments are as follows :

| Asset                  | Useful Life                     |
|------------------------|---------------------------------|
| Office Equipment       | 5 years                         |
| Furniture and Fixtures | 10 years                        |
| Computers              | 3 years                         |
| Servers                | 6 years                         |
| Leasehold improvements | Depreciated over the lease term |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

### Impairment of Non financial assets

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an assets or cash generating units net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### ii) Foreign Currencies - Transactions and balances

#### Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively). All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on translation/ settlement of foreign currency monetary assets and liabilities are recognised in the Statement Profit and Loss.

### iii) Segment Reporting

Operating segments are reported in a manner consistent with internal reporting provided to chief operating decision maker.

The Board of directors of Company assesses the financial performance and position of the Company and makes strategic decisions. Board of directors has been identified as being the chief operating decision maker. Refer note 43.

### iv) Revenue recognition

#### Revenue from services

Revenue is measured based on transaction price, which is the consideration adjusted for discount, incentives and price concession if any, as specified in the contract with customer. Revenue is recognised at a point in time when the Company satisfies performance obligations by transferring the promised services to its customers. Generally, each service represents a separate performance obligation for which revenue is recognised when the performance obligation is satisfied.

The contract generally result in revenue recognised in excess of billings which are presented as unbilled in the Balance Sheet.

The Company accounts for Revenues from Contracts with Customers in accordance with 'Ind AS 115' which sets forth a single comprehensive model for recognizing and reporting revenues. To recognise revenues, the Company applies the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognise revenues when a performance obligation is satisfied.

## **2.2 Summary of material accounting policies (continued)**

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Revenue comprises of revenue from providing Direct insurance and reinsurance to customers. Revenue from rendering services are recognised on an accrual basis when services are rendered.

Receivables with an unconditional right to consideration and no pending service obligation for which invoices are yet to be issued at the year end are presented as unbilled receivables.

### **A. Direct Insurance**

Commission income on direct insurance policies procured is recognized as income on the inception date of the risk subject to Company's establishment of its right to recover such revenue, which is based on receipt of details/statements from Insurance Companies.

### **B. Reinsurance**

Brokerage earned on Re-insurance business is accounted on an accrual basis as and when the premium is received by the Company. Both direct insurance and reinsurance revenue are recognized in the period in which the service is rendered, in line with the accrual basis of accounting.

### **C. Interest Income**

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

#### **v) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost.

#### **vi) Contract Liabilities**

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

#### **vii) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method.

Borrowings are recognised as current liabilities unless, the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach. Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, is recognised in Statement of Profit and Loss as other gains/(losses).

#### **viii) Financial instruments**

##### **Date of recognition**

The Company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument.

##### **Initial recognition**

All financial assets and liabilities are recognised at fair value on initial recognition which depends on the financial assets contractual cashflow characteristics and the Company's business model for managing them, except trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

##### **Classification and subsequent measurement**

##### **Non-derivative financial instruments**

##### **Subsequent measurement**

For subsequent measurement, the Company classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

## **2.2 Summary of material accounting policies (continued)**

### **Financial liabilities**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities in case not at fair value through profit or loss, are initially measured at fair value minus transaction costs that are attributable to the acquisition of the financial liabilities. Borrowings are recognized initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost, any difference between the initial carrying value and the redemption value is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest rate method. Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

### **Financial Assets**

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

A financial asset is measured at amortised cost when they are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on principal amount outstanding. The amortised cost of a financial asset is also adjusted for impairment loss, if any. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

### **Equity instrument**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

### **Compound financial instruments**

The component parts of compound financial instruments issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

### **Derecognition of financial instrument**

1. The Company derecognises the financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the contractual rights to receive the cash flows from the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expires.
2. The Company has transferred its rights to receive cash flows from the asset and the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
3. A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

### **Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### **Fair value measurement**

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

## **2.2 Summary of material accounting policies (continued)**

The principal or the most advantageous market must be accessible by the Company.

The fair value of a financial asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### **ix) Impairment of Financial asset**

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since its initial recognition. Note 41.6 (iii) details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognized in Statement of Profit and Loss.

### **x) Taxes**

#### **Current Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax asset and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### **Deferred Tax**

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not recognised if it arises from initial recognition of an asset or liability in a transaction other than business combination that at the time of transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax is recognised for all deductible temporary and unused tax losses and only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Considering the past history making consecutive losses no Deferred tax Asset has not been recognised in the Financial Statements.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in the other comprehensive income or directly in equity, respectively.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

#### **Goods and Services Tax (GST) on acquisition of assets or on incurring expenses**

Expenses and assets are recognised net of the amount of GST, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the balance sheet.

## **2.2 Summary of material accounting policies (continued)**

### **xi) Provisions, Contingent Liabilities and Contingent Assets**

#### **Provisions**

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

#### **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

The Company does not recognise a contingent liability but discloses its existence and other required disclosures in notes to the financial statements, unless the possibility of any outflow in settlement is remote as per the requirement of Ind AS 37.

#### **Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by- the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognize the contingent asset in its financial statements since this may result in the recognition of income that may never be realised. Where an inflow of economic benefits is probable, the Company disclose a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Company recognize such assets.

Provisions, contingent liabilities and contingent assets are reviewed at each reporting date.

### **xii) Leases**

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. Thus, the Company has not opted for practical expedient under Ind AS 116 to recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date.

#### **Right-of-use asset**

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred, prepaid lease rent (calculated in accordance with Ind AS 109 on the security deposits for leased premises) and restoration cost, less any lease incentives received. The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs. The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

#### **Lease liabilities**

The lease liability is initially measured at the present value of the future lease payments discounted using incremental borrowing rate. If the discount rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### **xiii) Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

### **xiv) Trade receivables**

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

### **xv) Contract Assets**

A contract asset is initially recognised for revenue earned from customers because the receipt of consideration is conditional on successful completion of the service. Upon completion of the service and acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

## **2.2 Summary of material accounting policies (continued)**

### **xvi) Earnings Per Share**

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **xvii) Retirement & Other Employee Benefits**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### **i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employee render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The undiscounted liabilities are presented as current employee benefits obligations in the Balance Sheet.

#### **ii) Post-employment obligations**

The Company operated the following post-employment schemes :

- A. Defined contribution plans such as provident fund, employee state insurance corporation (ESIC) and national pension scheme (NPS) ; and
- B. Defined benefit plans such as gratuity

#### **A. Defined contribution plans**

Contribution towards provident fund and Employees' State Insurance Corporation for eligible employees is made to the regulatory authorities also the Company contributes to the National Pension Scheme and has no further obligation beyond making its contribution , where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis. The Company's contributions to Defined Contributions Plans are charged to the Statement of Profit and Loss as incurred.

#### **B. Defined benefit plans**

##### **Gratuity**

The Company provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

The present value of the defined benefit obligation denominated is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

#### **C. Other Employee Benefits**

##### **(a) Bonus**

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation. Company has a policy of long term bonus plan. It is subject to fulfilment of criteria prescribed by the Company and are accounted for at the present value of future expected benefits payable using the Projected Unit Credit Method and an appropriate discount rate as at the Balance Sheet date by an independent actuary. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise, as the case may be.

##### **(b) Leave obligations**

Employees are not eligible for carry forward of leave balances and accordingly no provision for leave obligation created as at the year end.

##### **(c) Share based payments**

The grant- date fair value of share- based payment awards- i.e. stock options - granted to employees is recognised as employee benefit expenses, with a corresponding increase in equity, over the period in which the employees become entitled to the awards. The amount recognised as an expense is adjusted to reflect the number of awards for which the related services and non-market performance condition are expected to be met, such that the amount ultimately recognised as an expenses is based on the number of awards that meet the related services and non market performance conditions at the vesting date.

## **2.2 Summary of material accounting policies (continued)**

### **xviii) Borrowing Cost**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

### **xix) Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realised within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

### **xx) Standard issued and effective**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 01, 2024.

Ind AS 117 Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. Ind AS 117 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach)
- A simplified approach (the premium allocation approach) mainly for short-duration contracts

The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

### **xxi) Standards notified but not effective**

There are no standard that are notified and not yet effective as on the date.

## **3 Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Other disclosures relating to the Company's exposure to risks and uncertainties includes:

- Capital management (Refer note 35)
- Financial risk management objectives and policies (Refer note 41)
- Sensitivity analyses disclosures (Refer notes 33B.6 and 41(iv))

### **Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

#### **Determination of lease terms**

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

### **3 Significant accounting judgements, estimates and assumptions (continued)**

For leases of office premises, the following factors are normally the most relevant:

- a) If there are significant penalties to terminate (or not extend), the Company is typically reasonably certain to extend (or not terminate).
- b) If any leasehold improvements are expected to have a significant remaining value, the Company is typically reasonably certain to extend (or not terminate).
- c) Otherwise, the Company considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.

Most extension options in office leases have been included in the lease liability, because the Company could not replace the assets without significant cost or business disruption.

The lease term is reassessed if an option is actually exercised (or not exercised) or the Company becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

#### **Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### **Useful lives of property, plant and equipment**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events which may impact their life, such as changes in technology, usage and other factors.

#### **Provisions and contingent liabilities**

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

#### **Provision for income tax and deferred tax assets**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs and allowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### **Defined benefit plans**

The Company makes provision for defined benefit plans and compensated absences based on the actuarial valuation report issued by a certified actuary pursuant to Ind AS 19 – Employee benefits. The assumptions include attrition rate, salary escalation rate, discount rates and mortality rates.

#### **Share based payments**

Estimating fair value for share based payment requires determination of the most appropriate valuation model. The estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share based payments transactions are discussed in Note 32.

#### **Fair value of financial instruments**

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

#### **Incremental borrowing rate**

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. Incremental borrowing rate is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

**3 Significant accounting judgements, estimates and assumptions (continued)**

**Impairment of Non Financial assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**Effective interest rate**

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of financial instruments and recognises the effect of characteristics of the product life cycle. This estimation, by nature, requires an element of judgement regarding the expected behavioural and life-cycle of the instruments, as well as expected changes in fee income/expense that are integral parts of the instrument.

**Expected credit Loss allowance on trade receivables and other financial assets**

The loss allowances for trade and financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period.

**Use of Going concern assumption**

The Board of Directors have carried out a detailed review of the market situation and assessed the business plans prepared by the management for the upcoming years. The business plan comprises the budgeted growth, profitability and revenue which is considering present situation, expected orders and actual performance of the Company. During the year ended March 31, 2025, the Company was acquired by Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) and raised further capital of INR. 1049.05 millions from the parent through issue of shares at a premium. The Board of Directors, considering the liquidity position and expected business projections, do not foresee the Company not being in a position to fulfil its obligations for a foreseeable future of minimum 12 months from the date of these financial statements. Accordingly, the financial statements for the year ended March 31, 2025 have been prepared on a going concern basis.

All assumptions are reviewed by the management at the end of each reporting period.

**Events after the reporting period**

If the Company receives information after the reporting period, but prior to the date of approval for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its standalone financial statements. The Company will adjust the amounts recognised in its financial statements to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its standalone financial statements, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

*(This space has been intentionally left Blank)*

#### **4 First time adoption of Indian Accounting Standards (Ind AS)**

These are entity's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended March 31, 2025, the comparative information presented in the financial statements for the year ended March 31, 2024 and in the preparation of an opening Ind AS balance sheet as at April 01, 2023 (date of transition). In preparing its opening balance sheet, the entity has adjusted the amounts reported previously in the financial statements prepared in accordance with accounting standards notified under Companies (Accounting Standards) Rules, 2021(as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

As explanation of how the transition from previous GAAP to Ind AS has affected the entity's financial position, financial performance and cash flow is set out in the following tables and notes.

##### **4.1 Optional exemptions availed and mandatory exceptions**

The Company has prepared the opening balance sheet as per Ind AS as of April 01, 2023 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Company. The Company has applied the following transition

##### **(a) Deemed cost for property, plant and equipment**

Ind AS 101 permits a first-time adopter to continue with the carrying value of all of its Property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments e.g de-commissioning liabilities.

Accordingly, the entity has elected to measure all of its property, plant and equipment, at their previous GAAP carrying value.

##### **(b) Impairment of financial assets**

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

##### **(c) Leases**

Appendix C of Ind AS 116 provides an option to account for the identified leases as on the date of inception using :

- Modified retrospective approach
- Full retrospective approach

Accordingly, entity has elected to account for the leases using full retrospective approach.

Entity has not availed optional exemption for short-term leases and leases of low value assets.

##### **(d) Estimates**

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS and at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition (for preparing opening Ind AS balance sheet) or at the end of the comparative period (for presenting comparative information as per Ind AS).

On assessment of the estimates made under the Previous GAAP financial statements, the entity has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the entity for the relevant reporting dates reflecting conditions existing as at that date.

Key estimates considered in preparation of the financial statements that were not required under the previous GAAP are listed below:

- Impairment of financial assets based on the expected credit loss model.

##### **(e) Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Accordingly, the entity has determined the classification of financial assets based on facts and circumstances that exist on the date of transition.

##### **4.2 Reconciliations**

The following reconciliations provide the effects of transition to Ind AS from previous GAAP in accordance with Ind AS 101 First time adoption of Indian Accounting standards:

- 1 Balance sheet as at April 01, 2023 and March 31, 2024
- 2 Net profit for the year ended March 31, 2024
- 3 Equity (net-worth) as at April 01, 2023 and March 31, 2024

#### 4.2 Reconciliations (continued)

##### 4.2A Reconciliation of balance sheet as previously reported under previous GAAP to Ind AS

| Particulars                                                                                | Notes | Opening Balance Sheet as at date of transition April 01, 2023 |                                    |               | Balance Sheet as at March 31, 2024 |                                    |                 |
|--------------------------------------------------------------------------------------------|-------|---------------------------------------------------------------|------------------------------------|---------------|------------------------------------|------------------------------------|-----------------|
|                                                                                            |       | Previous GAAP *                                               | Adjustment on transition to Ind AS | Ind AS        | Previous GAAP *                    | Adjustment on transition to Ind AS | Ind AS          |

#### Explanations for reconciliation as previously reported under previous GAAP to Ind AS

#### i Impact of recognising actuarial gains / (losses) on defined benefit obligations in Other Comprehensive Income (OCI)

Under Ind AS, the actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in OCI instead of Statement of Profit or Loss. Under the previous GAAP, such remeasurements were forming part of the Statement of Profit or Loss for the year. Thus the employee benefit cost is reduced by INR 11.90 million before tax and remeasurement gains/losses on defined benefit plans has been recognised in the OCI.

#### ii Fair valuation of security deposits given

Under the previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as prepaid rent. Consequent to this change, the amount of security deposits decreased by INR. 4.91 million as at March 31, 2024 (April 01, 2023 - INR 6.17). The prepaid rent increased by INR 0.83 million as at March 31, 2024 (Recognised on April 01, 2023 - INR 5.50 million). Total equity decreased by INR 6.17 million as on April 01, 2023. The profit for the year and total equity as at March 31, 2024 decreased by INR 0.10 million due to amortisation of the prepaid rent of INR 2.19 million which is partially off-set by the notional interest income of INR 1.77 million and gain on derecognition of leases 0.32 million recognised on security deposits.

#### iii Impact on leases on account of Ind AS 116

Under Ind AS, the entity has adopted Ind AS 116 on transition to Ind AS, i.e. effective annual reporting period beginning April 01, 2023 and applied this standard to its leases, retrospectively, with the cumulative effect of initially applying the standard recognised as an adjustment to the opening balance of retained earnings as on the date of transition to Ind AS (i.e. April 01, 2023). Consequent to this change, the amount of 187.46 million has been recognised as total lease liability and INR. 182.58 million as right to use asset (including adjustment pertaining to prepaid rent of INR 5.50 million). The right to use asset is adjusted with the prepaid rent of 5.50 million as on April 01, 2023. (Refer note ii)

#### iv Impact on Income tax

The above changes (decrease)/increase the deferred tax assets as follows based on a tax rate of 25.168 percent:

| Particulars                                                  | As at March 31, 2024 | As at April 01, 2023 |
|--------------------------------------------------------------|----------------------|----------------------|
| Lease arrangement                                            |                      |                      |
| - ROU asset                                                  | (36.51)              | (45.95)              |
| - Lease liability                                            | 38.73                | 47.18                |
| Lease equalisation reserve                                   | (2.28)               | (0.68)               |
| Other financial assets - Security deposit on leased premises | 1.24                 | 1.55                 |
| Other financial liabilities - Security deposit               | (0.96)               | (1.08)               |
| Other financial liabilities - Other liabilities              | 0.72                 | 0.83                 |
| <b>Increase in deferred tax assets</b>                       | <b>0.94</b>          | <b>1.85</b>          |

#### 4.2 Reconciliations (Continued)

##### 4.2C Reconciliation of total equity from previously reported under previous GAAP to Ind AS (continued)

###### Explanations for reconciliation as previously reported under previous GAAP to Ind AS (Continued)

###### Other adjustments:

###### v Reclassifications

Pursuant to the disclosure requirements as per Ind-AS, the entity has re-classified certain assets and liabilities as at 31 March 2024 and 1 April 2023. Significant reclassifications includes, reclassification between other current assets and financial assets, security deposits and prepayments, other current liabilities and financial liabilities.

###### vi Adjustments to Statement of cash flows

There were no material differences between the Statement of cash flows presented under Ind AS and the previous GAAP except for leases.

###### vii Fair valuation of security deposit received

Under the previous GAAP, interest free security deposits received (that are refundable in cash on completion of the agreed term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued this security deposit received under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as other liability. Consequent to this change, the amount of security deposits decreased by INR. 3.82 million as at March 31, 2024 (April 01, 2023 - INR 4.27 million). The other liability decreased by INR 0.46 million as at March 31, 2024 (Recognised on April 01, 2023 - INR 3.31 million). Total equity increased by INR 0.96 million as on April 01, 2023. The profit for the year and total equity as at March 31, 2024 increased by INR 0.01 million due to decrease in other liability of INR 0.46 million which is partially off-set by the notional interest expense of INR 0.45 million.

###### viii Retained Earnings

Retained Earnings as at April 01, 2023 has been adjusted consequent to the above Ind AS transition adjustments.

- (i) **Securities premium** - Securities premium is used to record the premium received on issue of shares. It can be utilised in accordance with the provisions of the Companies Act, 2013.
- (ii) **Retained earnings** - Retained earnings are the profits/(loss) that the Company has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss.
- (iii) **Share Based Payment Reserve** - Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) ("the parent company") has equity settled share-based payment plans for certain employees of the company. The company determines the compensation cost based on grant date fair value method. This amount is recognised in employee benefits expense in the Statement of Profit and Loss over the vesting period, with a corresponding adjustment to Share based payment (capital contribution from parent) account.
- (iv) **Capital redemption reserve** - This reserve is created by the company out of its profits, on account of buyback of shares.

## 32 Share-based payments

### Description of share-based payment arrangements

#### Share option programs (equity-settled)

Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) Employee Stock Option Plan 2017 (ESOP 2017): The Board of the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (Parent Company) vide its resolution dated July 26, 2017 approved ESOP 2017 for granting Employee Stock Options in the form of Equity Shares linked to the completion of a minimum period as defined in ESOP Policy of continued employment to the eligible employees of the Company monitored and supervised by the Board of Directors of the parent Company in compliance with Ind AS 102 for Share-based Payments of the parent Company. The eligible employees, for the purpose of ESOP 2017 will be determined by the Management in consultation with Board of Directors of the parent Company from time to time.

Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited), ('the Parent Company') has granted employee stock options to the Company's employees on the dates mentioned below. Under these plan, the holder of the vested options are entitled to purchase the shares of the parent Company at exercise price as mentioned below.

Post acquisition of Turtlemint Insurance Broking services Private Limited by Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) on May 08, 2024, the employees of the Company were included in the ESOP 2017 scheme of the parent Company in its Board Meeting dated November 16, 2024.

Turtlemint Insurance Broking Services Private Limited has recognised share based payment expenses for the year ended March 31, 2025 based on fair value as on the grant date calculated as per option pricing model.

| Date of Grant                  | Numbers of options granted                                                                                                                                                                                                                                      | Graded Vesting Period |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| November 27, 2024              | 186                                                                                                                                                                                                                                                             | Four years            |

| Expected time to exercise shares                                      | Immediately on Vesting                                                                                 |
| Risk-free rate of return                                              | 6.70% - 6.89%                                                                                          |
| Attrition rate                                                        | 12.50%                                                                                                 |
| Dividend Yield                                                        | 0%                                                                                                     |
| Fair Value of ESOP at Grant Date (in Rs)                              | 80,000.09 - 80,000.27                                                                                  |
| Weighted Average Fair Value of ESOP at Grant Date (per option in INR) | 80,000.17                                                                                              |
| Method used to determine expected volatility                          | The expected volatility is based on price volatility of Nifty IT Index, Nifty 50 and Nifty Bank Index. |

#### Movement of number of options

The following table provides the number and weighted average exercise prices (WAEP) of, and movement in, share options:

| Particulars                              | As at March 31, 2025 |      |
|------------------------------------------|----------------------|------|
|                                          | Number               | WAEP |
| Outstanding at the beginning of the year | -                    | N.A. |
| Add : Granted during the year            | 186                  | 1    |
| Less : Forfeited and cancelled           | (48)                 | 1    |
| Less : Options exercised during the year | -                    | N.A. |
| Outstanding at the end of the year       | <b>138</b>           | 1    |

**32 Share-based payments (continued)**

| Particulars                                                                    | As at March 31, 2025 |
|--------------------------------------------------------------------------------|----------------------|
| Total cost of Options at the beginning of the year                             | -                    |
| Add: Cost Recognised in Statement of Profit and Loss                           | 3.01                 |
| Less: Cost of forfeited and cancelled options (transfer to General Reserve)    | -                    |
| Less: Premium on exercise of Options transferred to securities premium account | -                    |
| Cost of Options as at the end of the year                                      | <b>3.01</b>          |

| Particulars                  | As at March 31, 2025 |
|------------------------------|----------------------|
| Share based payment reserve* | 3.01                 |

\*This pertains to deemed capital contribution from parent as the ESOPs pertains to shares of the Parent Company Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited).

Weighted average exercise price: Since all the options were granted at an exercise price of INR. 1 per option, the weighted average exercise price per option is the same.

The employees are eligible to exercise the options vested, till employment continuous and there is no prefix expiry date. After discontinuation the employer can exercise the options within 180 days or as approved by the board in a case to case basis

The Company has adopted the fair value method as specified in the Ind AS 102 Share based payments for Employee Share Based Payments, issued by the Institute of Chartered Accountants of India in respect of stock options granted. The value of the underlying Shares has been determined by an independent valuer which is approved by the Board of Directors of the Parent Company.

*(This space has been intentionally left blank)*

**33 Employee benefit expense**

The entity contributes to the following post-employment defined contribution and defined benefit plans in India.

**33A Defined contribution plan**

The entity makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Employee State Insurance Corporation and National Pension Scheme which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue. The amount recognised as an expense towards contribution to provident fund and other funds for the year aggregated to INR. 40.27 millions. (March 31, 2024: INR. 42.57 million ) (refer note 27)

**33B Defined benefit plan****a. Contribution to Gratuity fund**

Gratuity : Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The gratuity scheme is unfunded. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The benefits vest after five years of continuous service. The actuarial valuation is carried out by the Independent Actuary.

This defined benefit plan exposes the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

**33B.1. The Company is exposed to actuarial risks such as: investment risk, interest rate risk and salary risk.**

|                 |                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Investment risk | The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan assets is below this rate, it will create a plan deficit. Currently, these plans are unfunded. |
| Interest risk   | A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments, if funded.                                                                                                                                                                                       |
| Salary risk     | The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.                                                                                                                                        |

**33B.2. Actuarial assumptions: Gratuity**

| Mortality Rate                     | 4                | Indian Assured Lives<br>Mortality (2012-14)<br>Ultimate | Indian Assured Lives<br>Mortality (2012-14)<br>Ultimate | Indian Assured Lives<br>Mortality (2012-14)<br>Ultimate |

**Notes:**

1. The discount rate is based on the prevailing market yield of India Government securities as at the Balance Sheet date for the estimated term of obligations.

2. The estimate of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

3. If the actual withdrawal rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability

4. If the actual mortality rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The Group is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the financial statements in the period in which the rules that are notified become effective.

**33B.8. Long Term Guarantee Bonus Plan : Long Term Bonus Plan is for selected high performing employees.**

The actuarial valuation is carried out by the Independent Actuary and below assumptions are used :-

| Particulars                | As at<br>March 31, 2025                                 | As at<br>March 31, 2024                                 | As at<br>April 01, 2023                                 |

**34 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the Profit/ (Loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to owners of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

| Particulars                                                                                                                                      | For the year ended<br>March 31, 2025 | For the year ended<br>March 31, 2024 |

**35 Capital Management**

Risk Management -

For the purpose of the Company's capital management, capital includes issued equity capital, convertible preference shares, securities premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company's capital structure is managed using Net debt ratios as a part of the Company's financial planning. The Company includes within Net debt, borrowings and lease liabilities, less cash and cash equivalents.

### 36 Related party disclosures (continued)

#### Notes:

##### (i) Services received from related parties

The Company received Marketing, Tech and other software support services from Parent Company on the same terms as applicable to third parties in an arm's length transaction and in the ordinary course of business. The Company mutually negotiates and agrees the price and payment terms with the related parties by benchmarking the same to the services to non-related parties entered into by the counter-party and similar services received by the Group Company from other non-related parties.

##### (ii) Security deposit received from related party

As per the service agreement, an interest free refundable deposit aggregating INR. 10 million has been granted by Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) in consideration of the Company engaging Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as its sole and exclusive provider of services during the term of the agreement.

##### (iii) Investment made by related parties

During the year, Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) has invested in equity shares of the Company (March 31, 2024: Nil)(refer note 16). The investment has been utilized by the Company for the purpose it was received. The Company has only one class of equity shares having face value of INR 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive its remaining assets, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

##### (iv) Remuneration to KMP of the Company

The amounts disclosed in the table are the amounts recognised as an expense during the financial year related to KMP. The amounts do not include expense, if any, recognised toward post-employment benefits and other long-term benefits of key managerial personnel. Such expenses are measured based on an actuarial valuation done for the Company. Hence, amounts attributable to KMPs are not separately determinable.

Generally, directors do not receive any gratuity or post-employment benefits from the Company.

##### (v) Balances due to related parties at the year end

Trade payables outstanding balances are unsecured, interest free and require settlement through banking channels. No guarantee or other security has been given against these payables. The outstanding amounts are inclusive of applicable taxes & TDS.

##### (vi) Off balance sheet items

During the year ended March 31, 2025 Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) provided security to ICICI Bank Limited for the purpose of availing overdraft facility by the Company.

### 38 Revenue from contracts with customer

#### (i) Disaggregation of revenue:

The table below presents disaggregated revenues from contracts with customers by offerings and contract-type. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of revenues and cash flows are affected by industry, market and other economic factors:

| Revenue by type of contract<br>Particulars           | For the year ended March 31, 2025 |           |                 | For the year ended March 31, 2024 |           |                 |
|------------------------------------------------------|-----------------------------------|-----------|-----------------|-----------------------------------|-----------|-----------------|
|                                                      | At a point in time                | Over time | Total           | At a point in time                | Over time | Total           |
| Revenue from contract with customers (Refer Note 25) |                                   |           |                 |                                   |           |                 |
| - Income from Direct Insurance                       | 6,731.13                          | -         | 6,731.13        | 5,036.36                          | -         | 5,036.36        |

### 39 Leases disclosures pursuant to Ind AS 116

**39.1** Under Ind AS, the entity has adopted Ind AS 116 on transition to Ind AS, i.e. effective annual reporting period beginning April 01, 2023 and applied this standard to its leases, retrospectively, with the cumulative effect of initially applying the standard recognised as an adjustment to the opening balance of retained earnings as on the date of transition to Ind AS (i.e. April 01, 2023).

- Short term leases** - The Company has not applied the practical expedient to classify leases for which the lease term ends within 12 months of the date of initial application of Ind AS 116 as short-term leases.
- Low value leases** - As part of transition, the Company has not availed the practical expedient of not to apply the recognition requirements of Ind AS 116 to low value leases for recognition of assets and liabilities related to leases.
- Discount rate** - The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- Determination of lease term** - The Company applied practical expedient available for use of hindsight in determination of lease term where contract contains options to extend or terminate the lease. The Company uses its current assessment of lease term rather than reconstructing its initial assessment of the lease term and subsequent changes thereto.

**39 Leases disclosures pursuant to Ind AS 116 (continued)**

**39.2 The Balance Sheet shows the following amounts relating to leases:**

| Particulars                                     | As at<br>March 31, 2025         | As at<br>March 31, 2024         | As at<br>April 01, 2023         |

| <b>Balance as at end of the year</b>       | <b>108.16</b>           | <b>153.87</b>           |

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

**39.5 Contractual maturities of lease liabilities on undiscounted basis :** For contractual maturity refer Note 41.6 (i)

**Extension and termination options**

Extension and termination options are included in a number of property leases. These are used to maximise operational flexibility in terms of managing the assets used in the operations. The extension and termination options held are exercisable by the Company or the respective lessor.

**39.6 Effective interest rate for lease liabilities is 8% with maturity till 2030.**

**40 Changes in liabilities arising from financing activities and non-cash financing and investing activities:**

**41 Financial instruments****41.1 Financial risk management objective and policies**

This section gives an overview of the significance of financial instruments for the Company and provides additional information on the Balance Sheet. Details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed.

**41.2 Fair value measurements**

The accounting classification of each category of financial instruments, and their carrying amounts, are set out below:

| Particulars                                       | As at March 31, 2025 |        |                 | As at March 31, 2024 |        |                | As at April 01, 2023 |        |                |

**41.3 Fair value of financial assets and liabilities measured at amortised cost**

The fair values of the financial assets (including investments) and financial liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**41.4 Fair value hierarchy**

The management assessed that cash and bank balances, trade receivables, loans (current), trade payables and other financial assets and liabilities (current) approximate their carrying amounts largely due to the short term maturities of these financial instruments. The management assessed that fair value of loans (non-current), non-current liabilities approximate their carrying amount.

**41.5 Financial risk management framework**

The Company's business is subject to several risks and uncertainties including financial risks. The Company's documented risk management policies act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as liquidity risk, interest rate risk, counterparty and concentration of credit risk and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. The Company's risk management process is in line with the corporate policy. Each significant risk has a designated 'owner' within the Company at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated.

The risk management process is coordinated by the Management Assurance function and is regularly reviewed by the Company's Board. The overall internal control environment and risk management programme including financial risk management is reviewed by the Board of Directors.

The risk management framework aims to:

- improve financial risk awareness and risk transparency
- identify, control and monitor key risks
- identify risk accumulations
- provide management with reliable information on the Company's risk situation
- improve financial returns

The Company has exposure to the following risks arising from financial instruments:

**Financial risk**

The Company Board of Directors reviews and agrees financial risk policies are summarised as below:-

- i) Liquidity risk;
- ii) Interest rate risk
- iii) Credit risk; and
- iv) Currency risk

#### 41.6 Financial risk management framework (continued)

##### (i) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

##### Maturity Profile of the Company

The Company remains committed to maintaining a healthy liquidity, gearing ratio and strengthening the Balance Sheet. The maturity profile of the Company's financial liabilities is given in the table below. The figures reflect the contractual cash obligation of the Company and are undiscounted.

| Particulars                                  | As at March 31, 2025 |              |              |              |              |                 |

\* Amount reflected above for Lease liabilities is valued at undiscounted value and all other balances are presented at carrying amount in the above note.

\*\* Amount reflected above for Other financial liabilities includes security deposit and contract liability, valued at undiscounted value and all other balances are presented at carrying amount in the above note.

##### (ii) Interest rate risk

Fixed rate financial assets are largely interest bearing fixed deposits held by the Company. The returns from these financial assets are linked to bank rate notified by Reserve Bank of India as adjusted on periodic basis. Other than mentioned financial assets and financial liabilities all are non-interest bearing.

##### (iii) Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and after obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company is exposed to credit risk for receivables, cash and cash equivalents and other bank balances with scheduled banks and financial institutions.

Credit risk management considers available reasonable and supportable forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory changes, government directives, market interest rate).

Only high rated banks are considered for placement of deposits. Bank balances are held with reputed and creditworthy institutions.

None of the Company's cash equivalents are past due or impaired. The Company has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables and 6-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Company evaluates the concentration of risk with respect to trade receivables as low.

The Company held cash and cash equivalents and other bank balances with scheduled banks and financial institutions of INR. 224.15 millions, INR. 92.98 millions and INR. 282.58 millions as at March 31, 2025, March 31, 2024 and April 01, 2023 respectively. The management evaluates credit worthiness of banks and financial institution on an ongoing basis on credit ratings. Hence management perceives no credit risk of default. The Company has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. Trade receivables are typically unsecured and are derived from operating activities. Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of the customers to which the Company grant credit limits in the normal course of business. The Company has applied simplified approach to measure expected credit losses on trade receivables. The provision matrix takes in account a continuing credit evaluation, ageing of trade receivable, the Company's historical loss experience and 6-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Company evaluates the concentration of risk with respect to trade receivables as low.

#### 41.6 Financial risk management framework (continued)

##### (iii) Credit risk (continued)

In case of related party loans the Company considers the probability of default upon initial recognition of loan and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of a default occurring on the loan as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

##### Provision for expected credit loss

- For Trade receivables, provision is recognised under life time expected credit loss model (simplified approach)

##### For the year ended March 31, 2025

| Ageing                                                  | Unbilled | Less than 6 months | More than 6 months | Total    |

| Carrying amount of recoverable from POSP (net of impairment) | 4.82               | -                  | 4.82   |

##### Reconciliation of loss allowance provision:

| Particulars                         | Trade receivables | Recoverable from POSP | Total |
|-------------------------------------|-------------------|-----------------------|-------|
| Loss allowance as on March 31, 2023 | 19.40             | 2.21                  | 21.61 |
| Add : Addition of loss allowance    | 0.61              | 1.53                  | 2.14  |
| Loss allowance as on March 31, 2024 | 20.01             | 3.74                  | 23.75 |
| Add : Addition of loss allowance    | 16.76             | 1.68                  | 18.44 |
| Loss allowance as on March 31, 2025 | 36.77             | 5.42                  | 42.19 |

##### iv) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities.

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows -

| Particulars         | Foreign Currency | As at March 31, 2025 |                | As at March 31, 2024 |                |
|---------------------|------------------|----------------------|----------------|----------------------|----------------|
|                     |                  | FC equivalent        | INR equivalent | FC equivalent        | INR equivalent |
| Reinsurance payable | USD              | 0.02                 | 1.86           | -                    | -              |

##### Foreign currency sensitivity

A reasonably possible change in foreign exchange rates by 5% would have increased/ (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables in particular interest rates remain constant.

| Increase/(decrease) in Profit and Loss | As at March 31, 2025 |           | As at March 31, 2024 |           |
|----------------------------------------|----------------------|-----------|----------------------|-----------|
|                                        | Strengthening        | Weakening | Strengthening        | Weakening |
| INR/USD (5% movement)                  | 0.09                 | (0.09)    | -                    | -         |

## 42 Additional disclosure with respect to amendments to Schedule III

### 42.1 Ratio analysis and its elements

| Ratios                                   | Numerator                                                                                     | Denominator                                               | March 31, 2025 | March 31, 2024 | Variation (%) | Reason for variance (wherever % variance is > 25%)   |

## **46 Audit Trail**

1. The Company has maintained its books of account and master data using SAP Business One (SAP B1) and DarwinBox software. The audit trail (edit log) feature within the SAP application was enabled and operational throughout the financial year but audit trail functionality for changes in backend (i.e., at the database level) was activated and became effective from September 07, 2024 and further no instances of tampering with the audit trail were observed during the year. As a result, the audit trails for the SAP B1 software has been preserved by the Company in accordance with statutory requirements for record retention from September 07, 2024. Any changes to the underlying database were permitted only through formal requests to the SAP support service partner, and supporting documentation for such changes has been appropriately maintained.

2. Further, the Company has used DarwinBox application, for maintaining its payroll records, employee life cycle management and employee masters. The DarwinBox software have a feature of recording audit trail (edit log) facility for the changes done at application and database level and the audit trail was enabled and operated throughout the year for relevant transactions recorded therein. Further, there were no instance of tampering of such audit trail noted in above software. Additionally, the audit trail of prior year(s) for the DarwinBox software has been preserved by the Company as per the statutory requirements for record retention, to the extent it was enabled and recorded in the respective years.

### **Backup**

The Company has complied with the Rule 3 of Companies (Accounts) Rules, 2014 amended on August 5, 2022 relating to maintenance of electronic books of account and other relevant books and papers. The Company's books of accounts and relevant books and papers are accessible in India at all times and backup of accounts and other relevant books and papers are maintained in electronic mode within India and kept in servers physically located in India on daily basis.

## **47 Regrouping and Reclassification**

Based on review of commonly prevailing practices, management does not believe any material changes has been reclassified other than the below changes :

Gratuity expense pertaining to employees were previously disclosed separately under Employee Benefit Expenses. However, the same is now clubbed in Salaries, wages and bonus under Employee Benefit Expenses in the Statement of Profit and Loss. Additionally, interest accrued on fixed deposits has been clubbed with the respective fixed deposit balances in the financial statements. Certain components within Other Expenses have been reclassified in the current year to better reflect the nature of the underlying expenditures. Accordingly, comparative figures for the previous year have been regrouped to ensure consistency in presentation. These above reclassification has no material impact on the financial statements.

---

**48 Events after the Reporting date**

Subsequent to the year ended March 31, 2025, the Company raised an amount of INR 750 million through allotment of 423,200 equity shares, having a face value of INR 10 each, at a premium of INR 1762.21 per share to "Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited)" (The Holding Company) pursuant to the board resolution passed by the Company on May 21, 2025.

## INDEPENDENT AUDITOR'S REPORT

**To the Board of Directors of Turtlemint Insurance Broking Services Private Limited**

### **Report on the Audit of the Special Purpose Ind AS Financial Information**

#### **Opinion**

We have audited the accompanying Special Purpose Ind AS Financial Information of **Turtlemint Insurance Broking Services Private Limited** (the “Company”), which comprise the special purpose balance sheet as at March 31, 2024, the special purpose statement of profit and loss (including other comprehensive income), the special purpose statement of changes in equity and the special purpose statement of cash flows for the year then ended, and notes to the special purpose Ind AS financial information, including material accounting policy information and other explanatory information (hereinafter together referred to as the “**Special Purpose Ind AS Financial Information**”). This Special Purpose Ind AS Financial Information has been prepared by the Management in accordance with the recognition and measurement principles of Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended to the extent applicable, read with the basis set out in Note 2.1 to the Special Purpose Ind AS Financial Information (referred as ‘the Reporting framework’).

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Ind AS Financial Information of the Company as at and for the year ended March 31, 2024 are prepared in all material respects in accordance with the basis of preparation described in Note 2.1 to this Special Purpose Ind AS Financial Information.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Information section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of matter – Basis of Preparation and Restriction on Distribution and Use**

We draw attention to Note 2.1 to the Special Purpose Ind AS Financial Information, which describe the purpose and basis of preparation of the Special Purpose Ind AS Financial Information. This Special Purpose Ind AS Financial Information has been prepared by the Management and approved by the Board of Directors of the Company on September 4, 2025, for the purpose of inclusion on voluntary basis and for the purpose of preparation of the Unaudited Proforma Financial Information by Turtlemint Fintech Solutions Limited (*formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited*) (the “Holding Company”) which will be included in the Pre-filed Draft Red Herring Prospectus (“**PDRHP**”), Updated Draft Red Herring Prospectus-I (“**UDRHP-I**”), Updated Draft Red Herring Prospectus-II (“**UDRHP-II**”), Red Herring Prospectus (“**RHP**”) and the Prospectus (hereinafter collectively referred to as the ‘**Offer Documents**’) in connection with proposed issue of equity shares of the Holding Company by way of Initial Public Offer in accordance with the Securities and Exchange Board of India (issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“**ICDR Regulations**”). This Special Purpose Ind AS Financial Information is also for the use of S.R. Batliboi & Co. LLP, the statutory auditors of Holding Company for the purpose of issuing an assurance report on the compilation of Unaudited Proforma Financial Information of the Holding Company for the financial year ended March 31, 2024.

As a result, this Special Purpose Ind AS Financial Information may not be suitable for any another purposes.

Our report is addressed to the Board of Directors of the Company and intended solely for the purpose of its Holding Company as stated in above paragraph and should not be distributed to or used by any other parties. S K Patodia & Associates LLP shall not be liable to the Company or to any other concerned for any claims, liabilities or expenses relating to this assignment and accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Our opinion is not modified in respect of the above matters.

### **Management's Responsibility for the Special Purpose Ind AS Financial Information**

The Management and Board of Directors of the Company is responsible for the preparation of this Special Purpose Ind AS Financial Information in accordance with the Reporting framework; this includes the design, implementation and maintenance of internal control which is relevant to the preparation of Special Purpose Ind AS Financial Information that are free from material misstatements, whether due to fraud or error.

In preparing this Special Purpose Ind AS Financial Information, the Board of Directors of the Company is also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Management or Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Information**

Our objectives are to obtain reasonable assurance about whether the Special Purpose Ind AS Financial Information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Special Purpose Ind AS Financial Information.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the special purpose Ind AS financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for expressing our Opinion on whether the Company has internal financial controls with reference to special purpose Ind AS financial information in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the special purpose Ind AS financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Special Purpose Ind AS Financial Information, including the disclosures as per the Reporting framework as defined in Note 2.1 to the Special Purpose Ind AS Financial Information and whether the Special Purpose Ind AS Financial Information represent the underlying transactions and events in a manner that achieves fair presentation under the given reporting framework.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

#### **Other Matters**

- (a) This Special Purpose Ind AS Financial Information for the year ended March 31, 2024 has been prepared by the Management in accordance with the basis of preparation stated in Note 2.1 to the Special Purpose Ind AS Financial Information solely for the limited purposes of reporting this Special Purpose Ind AS Financial Information being “acquired material subsidiary” to its Holding Company. Accordingly, the Company has not presented the corresponding comparative figures in this Special Purpose Ind AS Financial Information.
- (b) We have relied on the audited financial statements of the Company for the financial year ended March 31, 2024, which were reported under previous Indian Generally Accepted Accounting Policies (I-GAAP), on which another firm of Chartered Accountants have expressed an unmodified audit opinion vide their report dated September 9, 2024. In order to align with the accounting policies followed by its Holding Company for the presentation of Unaudited Proforma Financial Information, this Special Purpose Ind AS Financial Information has been adjusted for Indian Accounting Standards (Ind AS). All these Ind AS adjustments have been audited by us.

Our Opinion on the Special Purpose Ind AS Financial Information is not modified in respect of the above matters.

## **1 Corporate information**

Turtlemint Insurance Broking Services Private Limited (the "Company") {U66000MH2013PTC249565} is a private limited Company, incorporated on October 24, 2013 under The Companies Act 2013. The Registered Office is located at The ORB - Sahar, 4 and 4A 1st Floor, A Wing, Marol Village, Andheri (East), Mumbai- 400099.

The Company is engaged in the business of direct broking of insurance policies mainly in retail segment like motor, health and life. The Company had a license of Direct (Life and General) Broking by the Insurance Regulatory and Development Authority (IRDA) under Regulation 3 of the Insurance Regulatory and Development Authority (Insurance Brokers) Regulation, 2018, which was renewed for a period of three years from April 03, 2020 to April 02, 2023. Further, the Company obtained a composite broker license from February 09, 2022 upto April 02, 2023 which has been renewed till April 02, 2026.

On May 08, 2024, the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as a Company based in India acquired 75.14% of the voting shares of the Company and post the buyback transaction carried out by the Company on September 28, 2024 from erstwhile shareholders, the Company became a wholly owned subsidiary of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited).

The Special Purpose Ind AS Financial Information as at and for the year ended March 31, 2024 were approved by the Board of Directors and approved for issue on September 04, 2025.

## **2 Material Accounting policies**

### **2.1 Statement of Compliance and Basis of presentation**

The Special Purpose Ind AS Financial Information of Turtlemint Insurance Broking Services Private Limited comprises the Special Purpose Balance Sheet as at March 31, 2024, the Special Purpose Statement of Profit and Loss (including other comprehensive income) for the year ended March 31, 2024, the Special Purpose Statement of changes in equity for the year ended March 31, 2024, the Special Purpose Statement of cash flows for the year ended March 31, 2024, and notes to the Special Purpose Ind AS Financial Information for the year ended March 31, 2024, including a summary of material accounting policies and other explanatory information (hereinafter collectively referred to as "Special Purpose Ind AS Financial Information").

These Special Purpose Ind AS Financial FS of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The accounting policies adopted for the preparation of these Special Purpose Ind AS Financial Information are consistent to an extent applicable with those used for the preparation of Consolidated Ind AS Financial Statement for the year ended March 31, 2025, of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (the 'Holding Company' or the 'Acquirer'). However, all the disclosures as required under Ind AS have not been furnished in these Special Purpose Ind AS Financial Information.

The financial statements for the year ended March 31, 2024 were issued by the Company's management on September 9, 2024 which were prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rule, 2021 (as amended) and other relevant provisions of the Companies Act, 2013 ('Indian GAAP' or 'Previous GAAP').

These Special Purpose Ind AS Financial Information for the year ended March 31, 2023, have been prepared after making suitable adjustments as required by Ind AS 101 – 'First time adoption of IND AS' consistent with that used at the date of transition to Ind AS (April 01, 2022).

These Special Purpose Ind AS Financial Information have been prepared by the Company for the purpose of preparation of the Unaudited Proforma Financial Information of the Holding Company to be included in the Pre-Filed Draft Red Herring Prospectus ("Pre-Filed DRHP"), Updated Draft Red Herring Prospectus- I ("UDRHP-I"), Updated Draft Red Herring Prospectus- II ("UDRHP-II"), Red Herring Prospectus (RHP) and the Prospectus (hereinafter collectively referred to as the 'Offer Documents') in connection with proposed issue of equity shares of the Holding Company by way of Initial Public Offer in accordance with the Security and Exchange Board of India (issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("ICDR Regulations"). Therefore, these Special Purpose Ind AS Financial Information may not be suitable for any another purpose. The management has prepared and issued first complete Ind AS Financial Statements as at and for the year ended March 31, 2025. Only a complete set of Ind AS Financial Statements together with comparative financial information can provide a fair presentation of the Company's state of affairs (Balance Sheet), profit and loss (Statement of Profit and Loss including Other Comprehensive Income (OCI)), cash flows and the changes in equity. While preparing the Special Purpose Ind AS Financial Information for the year ended March 31, 2024, the relevant comparative financial information under Ind AS for the year ended March 31, 2023, has not been presented.

#### **i) Historical cost convention**

The Special Purpose Ind AS Financial Information have been prepared on the historical cost basis except for the following:

- certain financial assets and liabilities are measured at fair value
- defined benefit obligations

#### **ii) Functional and presentation currency**

This Special Purpose Ind AS Financial Information are presented in Indian Rupees (INR) which is the functional currency of the Company. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

#### **iii) Operating cycle**

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company.

Based on the nature of services rendered by the Company and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### **2.2 Summary of material accounting policies**

This note provides a list of material accounting policies adopted in the preparation of these Special Purpose Ind AS Financial Information. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **i) Property, plant and equipments –**

Property plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent cost related to an item of Property, Plant and Equipment are recognized in the carrying amount of the item if the recognition criteria are met.

## 2.2 Summary of material accounting policies (continued)

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value. Any expected loss is recognised immediately in the Special Purpose Statement of Profit and Loss. An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Special Purpose Statement of Profit and Loss. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

### **Depreciation methods, estimated useful lives and residual value :**

Depreciation on Property plant and equipments is provided on a pro-rata basis on the straight line method over the estimated useful life of assets prescribed under Schedule II to the Companies Act, 2013. The depreciation expense for each year is recognised in the Special Purpose Statement of Profit and Loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end and adjusted prospectively if appropriate:

The estimates of useful life of Property Plant and equipments are as follows :

| Asset                  | Useful Life                     |
|------------------------|---------------------------------|
| Office Equipment       | 5 years                         |
| Furniture and Fixtures | 10 years                        |
| Computers              | 3 years                         |
| Servers                | 6 years                         |
| Leasehold improvements | Depreciated over the lease term |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

### **Impairment of Non financial assets**

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an assets or cash generating units net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### **ii) Foreign Currencies - Transactions and balances**

#### **Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### **Subsequent Recognition**

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively). All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on translation/ settlement of foreign currency monetary assets and liabilities are recognised in the Special Purpose Statement of Profit and Loss.

### **iii) Segment Reporting**

Operating segments are reported in a manner consistent with internal reporting provided to chief operating decision maker.

The Board of directors of Company assesses the financial performance and position of the Company and makes strategic decisions. Board of directors has been identified as being the chief operating decision maker.

### **iv) Revenue recognition**

#### **Revenue from services**

Revenue is measured based on transaction price, which is the consideration adjusted for discount, incentives and price concession if any, as specified in the contract with customer. Revenue is recognised at a point in time when the Company satisfies performance obligations by transferring the promised services to its customers. Generally, each service represents a separate performance obligation for which revenue is recognised when the performance obligation is satisfied.

The contract generally result in revenue recognised in excess of billings which are presented as unbilled in the Special Purpose Balance Sheet.

The Company accounts for Revenues from Contracts with Customers in accordance with 'Ind AS 115' which sets forth a single comprehensive model for recognizing and reporting revenues. To recognise revenues, the Company applies the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognise revenues when a performance obligation is satisfied.

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

## 2.2 Summary of material accounting policies (continued)

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Revenue comprises of revenue from providing Direct insurance and reinsurance to customers. Revenue from rendering services are recognised on an accrual basis when services are rendered.

Receivables with an unconditional right to consideration and no pending service obligation for which invoices are yet to be issued at the year end are presented as unbilled receivables.

### A. Direct Insurance

Commission income on direct insurance policies procured is recognized as income on the inception date of the risk subject to Company's establishment of its right to recover such revenue, which is based on receipt of details/statements from Insurance Companies.

### B. Reinsurance

Brokerage earned on Re-insurance business is accounted on an accrual basis as and when the premium is received by the Company. Both direct insurance and reinsurance revenue are recognized in the period in which the service is rendered, in line with the accrual basis of accounting.

### C. Interest Income

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the Special Purpose Statement of Profit and Loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

### v) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost.

### vi) Contract Liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

### vii) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method.

Borrowings are recognised as current liabilities unless, the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the Special Purpose Ind AS Financial Information for issue, not to demand payment as a consequence of the breach. Borrowings are removed from the Special Purpose Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, is recognised in Special Purpose Statement of Profit and Loss as other gains/(losses).

### viii) Financial instruments

#### Date of recognition

The Company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument.

#### Initial recognition

All financial assets and liabilities are recognised at fair value on initial recognition which depends on the financial assets contractual cashflow characteristics and the Company's business model for managing them, except trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

#### Classification and subsequent measurement

##### Non-derivative financial instruments

##### Subsequent measurement

For subsequent measurement, the Company classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

##### Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities in case not at fair value through profit or loss, are initially measured at fair value minus transaction costs that are attributable to the acquisition of the financial liabilities. Borrowings are recognized initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost, any difference between the initial carrying value and the redemption value is recognized in the Special Purpose Statement of Profit and Loss over the period of the borrowings using the effective interest rate method. Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

##### Financial Assets

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

A financial asset is measured at amortised cost when they are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on principal amount outstanding. The amortised cost of a financial asset is also adjusted for impairment loss, if any. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

## 2.2 Summary of material accounting policies (continued)

### Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

### Derecognition of financial instrument

1. The Company derecognises the financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the contractual rights to receive the cash flows from the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expires.
2. The Company has transferred its rights to receive cash flows from the asset and the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
3. A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

### Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Special Purpose Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### Fair value measurement

The Company measures financial instruments such as derivatives and certain investments, at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of a financial asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Special Purpose Ind AS Financial Information are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognised in the Special Purpose Balance Sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### ix) Impairment of Financial asset

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since its initial recognition.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognized in Special Purpose Statement of Profit and Loss.

### x) Taxes

#### Current Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax asset and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### Deferred Tax

Deferred income tax is provided in full, using the Balance Sheet approach, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the Special Purpose Ind AS Financial Information. Deferred income tax is also not recognised it arises from initial recognition of as asset or liability in a transaction other than business combination that at the time of transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax is recognised for all deductible temporary and unused tax losses and only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Considering the past history making consecutive losses no Deferred tax Asset has not been recognised in the Special Purpose Ind AS Financial Information. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

## **2.2 Summary of material accounting policies (continued)**

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in the other comprehensive income or directly in equity, respectively.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Goods and Services Tax (GST) on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable and,
- When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the Special Purpose Balance Sheet.

### **xi) Provisions, Contingent Liabilities and Contingent Assets**

#### **Provisions**

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

#### **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

The Company does not recognise a contingent liability but discloses its existence and other required disclosures in notes to the Special Purpose Ind AS Financial Information, unless the possibility of any outflow in settlement is remote as per the requirement of Ind AS 37.

#### **Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by- the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognize the contingent asset in its Special Purpose Ind AS Financial Information since this may result in the recognition of income that may never be realised. Where an inflow of economic benefits is probable, the Company disclose a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Company recognize such assets.

Provisions, contingent liabilities and contingent assets are reviewed at each reporting date.

### **xii) Leases**

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. Thus, the Company has not opted for practical expedient under Ind AS 116 to recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date.

#### **Right-of-use asset**

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred, prepaid lease rent (calculated in accordance with Ind AS 109 on the security deposits for leased premises) and restoration cost, less any lease incentives received. The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs. The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

#### **Lease liabilities**

The lease liability is initially measured at the present value of the future lease payments discounted using incremental borrowing rate. If the discount rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### **xiii) Cash and Cash Equivalents**

Cash and cash equivalent in the Special Purpose Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

## **2.2 Summary of material accounting policies (continued)**

### **xiv) Trade receivables**

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

### **xv) Contract Assets**

A contract asset is initially recognised for revenue earned from customers because the receipt of consideration is conditional on successful completion of the service. Upon completion of the service and acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

### **xvi) Earnings Per Share**

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **xvii) Retirement and Other Employee Benefits**

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### **i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employee render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The undiscounted liabilities are presented as current employee benefits obligations in the Special Purpose Balance Sheet.

#### **ii) Post-employment obligations**

The Company operated the following post-employment schemes :

- A. Defined contribution plans such as provident fund, employee state insurance corporation (ESIC) and national pension scheme (NPS) ; and
- B. Defined benefit plans such as gratuity

##### **A. Defined contribution plans**

Contribution towards provident fund and Employees' State Insurance Corporation for eligible employees is made to the regulatory authorities also the Company contributes to the National Pension Scheme and has no further obligation beyond making its contribution , where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis. The Company's contributions to Defined Contributions Plans are charged to the Special Purpose Statement of Profit and Loss as incurred.

##### **B. Defined benefit plans**

###### **Gratuity**

The Company provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

The present value of the defined benefit obligation denominated is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Special Purpose Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Special Purpose Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

##### **C. Other Employee Benefits**

###### **(a) Bonus**

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation. Company has a policy of long term bonus plan. It is subject to fulfilment of criteria prescribed by the Company and are accounted for at the present value of future expected benefits payable using the Projected Unit Credit Method and an appropriate discount rate as at the Balance Sheet date by an independent actuary. Actuarial losses/ gains are recognised in the Special Purpose Statement of Profit and Loss in the year in which they arise, as the case may be.

###### **(b) Leave obligations**

Employees are not eligible for carry forward of leave balances and accordingly no provision for leave obligation created as at the year end.

###### **(c) Share based payments**

The grant- date fair value of share- based payment awards- i.e. stock options - granted to employees is recognised as employee benefit expenses, with a corresponding increase in equity, over the period in which the employees become entitled to the awards. The amount recognised as an expense is adjusted to reflect the number of awards for which the related services and non-market performance condition are expected to be met, such that the amount ultimately recognised as an expenses is based on the number of awards that meet the related services and non market performance conditions at the vesting date.

## 2.2 Summary of material accounting policies (continued)

### xviii) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

### xix) Current versus non-current classification

The Company presents assets and liabilities in the Special Purpose Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
  - Held primarily for the purpose of trading
  - Expected to be realised within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
  - It is held primarily for the purpose of trading
  - It is due to be settled within twelve months after the reporting period, or
  - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

### xx) Standard issued and effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024.

Ind AS 117 Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. Ind AS 117 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach)
- A simplified approach (the premium allocation approach) mainly for short-duration contracts

The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its Special Purpose Ind AS Financial Information.

### xxi) Standards notified but not effective

There are no standard that are notified and not yet effective as on the date.

## 3 Significant accounting judgements, estimates and assumptions

The preparation of Special Purpose Ind AS Financial Information in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses at the date of this Special Purpose Ind AS Financial Information and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

### Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Special Purpose Ind AS Financial Information:

#### Determination of lease terms

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases of office premises, the following factors are normally the most relevant:

- a) If there are significant penalties to terminate (or not extend), the Company is typically reasonably certain to extend (or not terminate).
- b) If any leasehold improvements are expected to have a significant remaining value, the Company is typically reasonably certain to extend (or not terminate).
- c) Otherwise, the Company considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.

Most extension options in office leases have been included in the lease liability, because the Company could not replace the assets without significant cost or business disruption. The lease term is reassessed if an option is actually exercised (or not exercised) or the Company becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

#### Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Special Purpose Ind AS Financial Information was prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**3 Significant accounting judgements, estimates and assumptions (continued)****Useful lives of property, plant and equipment**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events which may impact their life, such as changes in technology, usage and other factors.

**Provisions and contingent liabilities**

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the Special Purpose Ind AS Financial Information.

**Provision for income tax and deferred tax assets**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs and allowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

**Defined benefit plans**

The Company makes provision for defined benefit plans and compensated absences based on the actuarial valuation report issued by a certified actuary pursuant to Ind AS 19 – Employee benefits. The assumptions include attrition rate, salary escalation rate, discount rates and mortality rates.

**Fair value of financial instruments**

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the Special Purpose Balance Sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

**Incremental Borrowing rate**

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. Incremental borrowing rate is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

**Impairment of Non Financial assets**

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**Effective interest rate**

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of financial instruments and recognises the effect of characteristics of the product life cycle. This estimation, by nature, requires an element of judgement regarding the expected behavioural and life-cycle of the instruments, as well as expected changes fee income/expense that are integral parts of the instrument.

**Expected credit Loss allowance on trade receivables and other financial assets**

The loss allowances for trade and financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period.

**Use of Going concern assumption**

The company has prepared the Special Purpose Ind AS Financial Information on the basis that it will continue to operate as a going concern.

#### 4 Property, plant and equipment (PPE)

*(This space has been intentionally left blank)*

**31 Employee benefit expense**

The entity contributes to the following post-employment defined contribution and defined benefit plans in India.

**31A Defined contribution plan**

The entity makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Employee State Insurance Corporation and National Pension Scheme which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the Special Purpose Statement of Profit and Loss as they accrue. The amount recognised as an expense towards contribution to provident fund and other funds for the year aggregated to INR 42.57 million (Refer note 26)

**31B Defined benefit plan****a. Contribution to Gratuity fund**

Gratuity : Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The gratuity scheme is unfunded. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The benefits vest after five years of continuous service. The actuarial valuation is carried out by the Independent Actuary.

This defined benefit plan exposes the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

**31B.1 The Company is exposed to actuarial risks such as: investment risk, interest rate risk and salary risk.**

|                 |                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Investment risk | The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan assets is below this rate, it will create a plan deficit. Currently, these plans are unfunded. |
| Interest risk   | A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments, if funded.                                                                                                                                                                                       |
| Salary risk     | The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.                                                                                                                                        |

**31B.2 Actuarial assumptions: Gratuity**

| Particulars                        | Refer note below | As at<br>March 31, 2024                           |
|------------------------------------|------------------|---------------------------------------------------|
| Discount rate (per annum)          | 1                | 7.16%                                             |
| Salary escalation rate (per annum) | 2                | 10.00%                                            |
| Employee turnover rate             | 3                | Sales 45% p.a.; non sales 35% p.a.                |
| Retirement Age                     |                  | 60 years                                          |
| Mortality Rate                     | 4                | Indian Assured Lives Mortality (2012-14) Ultimate |

**Notes:**

1. The discount rate is based on the prevailing market yield of India Government securities as at the Balance Sheet date for the estimated term of obligations.
2. The estimate of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.
3. If the actual withdrawal rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.
4. If the actual mortality rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The Group is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the Special Purpose Ind AS Financial Information in the period in which the rules that are notified become effective.

**32 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the Profit/ (Loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to owners of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

| Particulars                                                                                                                                      | For the year ended<br>March 31, 2024 |

**Notes:****(i) Services received from related parties**

The Company received Marketing, Tech and other software support services from Parent Company on the same terms as applicable to third parties in an arm's length transaction and in the ordinary course of business. The Company mutually negotiates and agrees the price and payment terms with the related parties by benchmarking the same to the services to non-related parties entered into by the counter-party and similar services received by the Group Company from other non-related parties.

**(ii) Security deposit received from related party**

As per the service agreement, an interest free refundable deposit aggregating INR. 10 million has been granted by Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) in consideration of the Company engaging Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as its sole and exclusive provider of services during the term of the agreement.

**(iii) Remuneration to KMP of the Company**

The amounts disclosed in the table are the amounts recognised as an expense during the financial year related to KMP. The amounts do not include expense, if any, recognised toward post-employment benefits and other long-term benefits of key managerial personnel. Such expenses are measured based on an actuarial valuation done for the Company. Hence, amounts attributable to KMPs are not separately determinable.

Generally, directors do not receive any gratuity or post-employment benefits from the Company.

**(iv) Balances due to related parties at the year end**

Trade payables outstanding balances are unsecured, interest free and require settlement through banking channels. No guarantee or other security has been given against these payables. The outstanding amounts are inclusive of applicable taxes & TDS.

### **34 Additional disclosure with respect to amendments to Schedule III**

#### **34.1 Other Disclosures**

##### **(i) Non-holding of benami property**

The Company is not holding benami property. Further, there are no proceeding initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

##### **(ii) Wilful defaulter**

The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

##### **(iii) Relationship with struck off companies**

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956 during the current year.

During the financial year 2023-24, company had borrowings from financial institutions on the basis of security of current assets which was repaid during the same year respectively. The Company has filed periodic returns or statements of current assets (returns/statements) with the banks in accordance with the terms of sanction. These returns/statements are inline with the books of account.

##### **(xiv) Core Investment Company (CIC)**

There is no Core Investment Company (CIC) in the Group.

**35 Regrouping and Reclassification**

Based on review of commonly prevailing practices, management does not believe any material changes has been reclassified other than the below changes :

Gratuity expense pertaining to employees were previously disclosed separately under Employee Benefit Expenses. However, the same is now clubbed in Salaries, wages and bonus under Employee Benefit Expenses in the Special Purpose Statement of Profit and Loss. Additionally, interest accrued on fixed deposits has been clubbed with the respective fixed deposit balances in the Special Purpose Ind AS Financial Information. Certain components within Other Expenses have been reclassified in the Special Purpose Ind AS Financial Information to better reflect the nature of the underlying expenditures. Accordingly, figures for the expenses have been regrouped to ensure consistency in presentation. These above reclassification has no material impact on the Special Purpose Ind AS financial information.

## INDEPENDENT AUDITOR'S REPORT

**To the Board of Directors of Turtlemint Insurance Broking Services Private Limited**

**Report on the Audit of the Special Purpose Ind AS Financial Information**

### Opinion

We have audited the accompanying Special Purpose Ind AS Financial Information of **Turtlemint Insurance Broking Services Private Limited** (the “Company”), which comprise the special purpose balance sheet as at March 31, 2023, the special purpose statement of profit and loss (including other comprehensive income), the special purpose statement of changes in equity and the special purpose statement of cash flows for the year then ended, and notes to the special purpose Ind AS financial information, including material accounting policy information and other explanatory information (hereinafter together referred to as the “**Special Purpose Ind AS Financial Information**”). This Special Purpose Ind AS Financial Information has been prepared by the Management in accordance with the recognition and measurement principles of Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended to the extent applicable, read with the basis set out in Note 2.1 to the Special Purpose Ind AS Financial Information (referred as ‘the Reporting framework’).

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Ind AS Financial Information of the Company as at and for the year ended March 31, 2023 are prepared in all material respects in accordance with the basis of preparation described in Note 2.1 to this Special Purpose Ind AS Financial Information.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Information section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of matter – Basis of Preparation and Restriction on Distribution and Use

We draw attention to Note 2.1 to the Special Purpose Ind AS Financial Information, which describe the purpose and basis of preparation of the Special Purpose Ind AS Financial Information. This Special Purpose Ind AS Financial Information has been prepared by the Management and approved by the Board of Directors of the Company on September 4, 2025, for the purpose of inclusion on voluntary basis and for the purpose of preparation of the Unaudited Proforma Financial Information by Turtlemint Fintech Solutions Limited (*formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited*) (the “Holding Company”) which will be included in the Pre-filed Draft Red Herring Prospectus (“**PDRHP**”), Updated Draft Red Herring Prospectus-I (“**UDRHP-I**”), Updated Draft Red Herring Prospectus-II (“**UDRHP-II**”), Red Herring Prospectus (“**RHP**”) and the Prospectus (hereinafter collectively referred to as the ‘**Offer Documents**’) in connection with proposed issue of equity shares of the Holding Company by way of Initial Public Offer in accordance with the Securities and Exchange Board of India (issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“**ICDR Regulations**”). This Special Purpose Ind AS Financial Information is also for the use of S.R. Batliboi & Co. LLP, the statutory auditors of Holding Company for the purpose of issuing an assurance report on the Unaudited Proforma Financial Information of the Holding Company for the financial year ended March 31, 2023.

As a result, this Special Purpose Ind AS Financial Information may not be suitable for any another purposes.

Our report is addressed to the Board of Directors of the Company and intended solely for the purpose of its Holding Company as stated in above paragraph and should not be distributed to or used by any other parties. S K Patodia & Associates LLP shall not be liable to the Company or to any other concerned for any claims, liabilities or expenses relating to this assignment and accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Our opinion is not modified in respect of the above matters.

### **Management's Responsibility for the Special Purpose Ind AS Financial Information**

The Management and Board of Directors of the Company is responsible for the preparation of this Special Purpose Ind AS Financial Information in accordance with the Reporting framework; this includes the design, implementation and maintenance of internal control which is relevant to the preparation of Special Purpose Ind AS Financial Information that are free from material misstatements, whether due to fraud or error.

In preparing this Special Purpose Ind AS Financial Information, the Board of Directors of the Company is also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Management or Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Information**

Our objectives are to obtain reasonable assurance about whether the Special Purpose Ind AS Financial Information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Special Purpose Ind AS Financial Information.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the special purpose Ind AS financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for expressing our Opinion on whether the Company has internal financial controls with reference to special purpose Ind AS financial information in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the special purpose Ind AS financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Special Purpose Ind AS Financial Information, including the disclosures as per the Reporting framework as defined in Note 2.1 to the Special Purpose Ind AS Financial Information and whether the Special Purpose Ind AS Financial Information represent the underlying transactions and events in a manner that achieves fair presentation under the given reporting framework.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

#### **Other Matters**

- (c) This Special Purpose Ind AS Financial Information for the year ended March 31, 2023 has been prepared by the Management in accordance with the basis of preparation stated in Note 2.1 to the Special Purpose Ind AS Financial Information solely for the limited purposes of reporting this Special Purpose Ind AS Financial Information being “acquired material subsidiary” to its Holding Company. Accordingly, the Company has not presented the corresponding comparative figures in this Special Purpose Ind AS Financial Information.
- (d) We have relied on the audited financial statements of the Company for the financial year ended March 31, 2023, which were reported under previous Indian Generally Accepted Accounting Policies (I-GAAP), on which another firm of Chartered Accountants have expressed an unmodified audit opinion vide their report dated September 12, 2023. In order to align with the accounting policies followed by its Holding Company for the presentation of Unaudited Proforma Financial Information, this Special Purpose Ind AS Financial Information has been adjusted for Indian Accounting Standards (Ind AS). All these Ind AS adjustments have been audited by us.

Our Opinion on the Special Purpose Ind AS Financial Information is not modified in respect of the above matters.

## **1 Corporate information**

Turtlemint Insurance Broking Services Private Limited (the “Company”) {U66000MH2013PTC249565} is a private limited Company, incorporated on October 24, 2013 under The Companies Act 2013. The Registered Office is located at The ORB - Sahar, 4 and 4A 1st Floor, A Wing, Marol Village, Andheri (East), Mumbai- 400099.

The Company is engaged in the business of direct broking of insurance policies mainly in retail segment like motor, health and life. The Company had a license of Direct (Life and General) Broking by the Insurance Regulatory and Development Authority (IRDAI) under Regulation 3 of the Insurance Regulatory and Development Authority (Insurance Brokers) Regulation, 2018, which was renewed for a period of three years from April 03, 2020 to April 02, 2023. Further, the Company obtained a composite broker license from February 09, 2022 upto April 02, 2023 which has been renewed till April 02, 2026.

On May 08, 2024, the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as , a Company based in India acquired 75.14% of the voting shares of the Company and post the buyback transaction carried out by the Company on September 28, 2024 from erstwhile shareholders, the Company became a wholly owned subsidiary of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited).

The Special Purpose Ind AS Financial Information as at and for the year ended March 31, 2023 were approved by the Board of Directors and approved for issue on September 4, 2025.

## **2 Material Accounting policies**

### **2.1 Basis of preparation and Statement of Compliance**

The Special Purpose Ind AS Financial Information of Turtlemint Insurance Broking Services Private Limited comprises the Special Purpose Balance Sheet as at March 31, 2023, the Special Purpose Special Purpose Statement of Profit and Loss (including other comprehensive income) for the year ended March 31, 2023, the Special Purpose Statement of changes in equity for the year ended March 31, 2023, the Special Purpose Statement of cash flows for the year ended March 31, 2023, and notes to the Special Purpose Ind AS Financial Information for the year ended March 31, 2023, including a summary of material accounting policies and other explanatory information (hereinafter collectively referred to as “Special Purpose Ind AS Financial Information”).

These Special Purpose Ind AS Financial Information of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The accounting policies adopted for the preparation of these Special Purpose Ind AS Financial Information are consistent to an extent applicable with those used for the preparation of Consolidated Ind AS Financial Statement for the year ended March 31, 2025, of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) (the ‘Holding Company’ or the ‘Acquirer’). However, all the disclosures as required under Ind AS have not been furnished in these Special Purpose Ind AS Financial Information.

The financial statements for the year ended March 31, 2023 were issued by the Company's management on September 12, 2023 which were prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rule, 2021 (as amended) and other relevant provisions of the Companies Act, 2013 ('Indian GAAP' or 'Previous GAAP').

These Special Purpose Ind AS Financial Information for the year ended March 31, 2023, have been prepared after making suitable adjustments as required by Ind AS 101 – ‘First time adoption of IND AS’ consistent with that used at the date of transition to Ind AS (April 01, 2022).

These Special Purpose Ind AS Financial Information have been prepared by the Company for the purpose of preparation of the Unaudited Proforma Financial Information of the Holding Company to be included in the Pre-Filed Draft Red Herring Prospectus (“Pre-Filed DRHP”), Updated Draft Red Herring Prospectus- I (“UDRHP-I”), Updated Draft Red Herring Prospectus- II (“UDRHP-II”), Red Herring Prospectus (RHP) and the Prospectus (hereinafter collectively referred to as the ‘Offer Documents’) in connection with proposed issue of equity shares of the Holding Company by way of Initial Public Offer in accordance with the Security and Exchange Board of India (issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“ICDR Regulations”). Therefore, these Special Purpose Ind AS Financial Information may not be suitable for any another purpose.

The management has prepared and issued first complete Ind AS Financial Statements as at and for the year ended March 31, 2025. Only a complete set of Ind AS Financial Statements together with comparative financial information can provide a fair presentation of the Company's state of affairs (Balance Sheet), profit and loss (Statement of Profit and Loss including Other Comprehensive Income (OCI)), cash flows and the changes in equity. While preparing the Special Purpose Ind AS Financial Information for the year ended March 31, 2023, the relevant comparative financial information under Ind AS for the year ended March 31, 2022, has not been presented.

#### **i) Historical cost convention**

The Special Purpose Ind AS Financial Information have been prepared on the historical cost basis except for the following:

- certain financial assets and liabilities are measured at fair value
- defined benefit obligations

#### **ii) Functional and presentation currency**

This Special Purpose Ind AS Financial Information are presented in Indian Rupees (INR) which is the functional currency of the Company. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

#### **iii) Operating cycle**

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company.

Based on the nature of services rendered by the Company and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### **2.2 Summary of material accounting policies**

This note provides a list of material accounting policies adopted in the preparation of this Special Purpose Ind AS Financial Information. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **i) Property, plant and equipments –**

Property plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent cost related to an item of Property, Plant and Equipment are recognized in the carrying amount of the item if the recognition criteria are met.

## 2.2 Summary of material accounting policies (continued)

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value. Any expected loss is recognised immediately in the Special Purpose Statement of Profit and Loss. An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the Special Purpose Statement of Profit and Loss. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

### Depreciation methods, estimated useful lives and residual value :

Depreciation on Property plant and equipments is provided on a pro-rata basis on the straight line method over the estimated useful life of assets prescribed under Schedule II to the Companies Act, 2013. The depreciation expense for each year is recognised in the Special Purpose Statement of Profit and Loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end and adjusted prospectively if appropriate:

The estimates of useful life of Property Plant and equipments are as follows :

| Asset                  | Useful Life                     |
|------------------------|---------------------------------|
| Office Equipment       | 5 years                         |
| Furniture and Fixtures | 10 years                        |
| Computers              | 3 years                         |
| Servers                | 6 years                         |
| Leasehold improvements | Depreciated over the lease term |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

### Impairment of Non financial assets

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an assets or cash generating units net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

## ii) Foreign Currencies - Transactions and balances

### Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency at the date of the transaction.

### Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively). All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on translation/settlement of foreign currency monetary assets and liabilities are recognised in the Statement Profit and Loss.

## iii) Segment Reporting

Operating segments are reported in a manner consistent with internal reporting provided to chief operating decision maker.

The Board of directors of Company assesses the financial performance and position of the Company and makes strategic decisions. Board of directors has been identified as being the chief operating decision maker.

## iv) Revenue recognition

### Revenue from services

Revenue is measured based on transaction price, which is the consideration adjusted for discount, incentives and price concession if any, as specified in the contract with customer. Revenue is recognised at a point in time when the Company satisfies performance obligations by transferring the promised services to its customers. Generally, each service represents a separate performance obligation for which revenue is recognised when the performance obligation is satisfied.

The contract generally result in revenue recognised in excess of billings which are presented as unbilled in the Special Purpose Balance Sheet.

## **2.2 Summary of material accounting policies (continued)**

The Company accounts for Revenues from Contracts with Customers in accordance with 'Ind AS 115' which sets forth a single comprehensive model for recognizing and reporting revenues. To recognise revenues, the Company applies the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognise revenues when a performance obligation is satisfied.

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Revenue comprises of revenue from providing Direct insurance and reinsurance to customers. Revenue from rendering services are recognised on an accrual basis when services are rendered.

Receivables with an unconditional right to consideration and no pending service obligation for which invoices are yet to be issued at the year end are presented as unbilled receivables.

### **A. Direct Insurance**

Commission income on direct insurance policies procured is recognized as income on the inception date of the risk subject to Company's establishment of its right to recover such revenue, which is based on receipt of details/statements from Insurance Companies.

### **B. Reinsurance**

Brokerage earned on Re-insurance business is accounted on an accrual basis as and when the premium is received by the Company. Both direct insurance and reinsurance revenue are recognized in the period in which the service is rendered, in line with the accrual basis of accounting.

### **C. Interest Income**

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the Special Purpose Statement of Profit and Loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

### **v) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost.

### **vi) Contract Liabilities**

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

### **vii) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method.

Borrowings are recognised as current liabilities unless, the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the Special Purpose Ind AS Financial Information for issue, not to demand payment as a consequence of the breach. Borrowings are removed from the Special purpose Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, is recognised in Special Purpose Statement of Profit and Loss as other gains/(losses).

### **viii) Financial instruments**

#### **Date of recognition**

The Company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument.

#### **Initial recognition**

All financial assets and liabilities are recognised at fair value on initial recognition which depends on the financial assets contractual cashflow characteristics and the Company's business model for managing them, except trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

#### **Classification and subsequent measurement**

##### **Non-derivative financial instruments**

##### **Subsequent measurement**

For subsequent measurement, the Company classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

## 2.2 Summary of material accounting policies (continued)

### Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities in case not at fair value through profit or loss, are initially measured at fair value minus transaction costs that are attributable to the acquisition of the financial liabilities. Borrowings are recognized initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost, any difference between the initial carrying value and the redemption value is recognized in the Special Purpose Statement of Profit and Loss over the period of the borrowings using the effective interest rate method. Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

### Financial Assets

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

A financial asset is measured at amortised cost when they are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on principal amount outstanding. The amortised cost of a financial asset is also adjusted for impairment loss, if any. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

### Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

### Derecognition of financial instrument

1. The Company derecognises the financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the contractual rights to receive the cash flows from the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expires.
2. The Company has transferred its rights to receive cash flows from the asset and the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
3. A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

### Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Special purpose Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### Fair value measurement

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of a financial asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Special Purpose Ind AS Financial Information are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### ix) Impairment of Financial asset

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since its initial recognition.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognized in Special Purpose Statement of Profit and Loss.

## 2.2 Summary of material accounting policies (continued)

### x) Taxes

#### Current Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax asset and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### Deferred Tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the Special Purpose Ind AS Financial Information. Deferred income tax is also not recognised if it arises from initial recognition of an asset or liability in a transaction other than business combination that at the time of transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax is recognised for all deductible temporary and unused tax losses and only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Considering the past history making consecutive losses no Deferred tax Asset has not been recognised in the Special Purpose Ind AS Financial Information.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in the other comprehensive income or directly in equity, respectively.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Goods and Services Tax (GST) on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the Special Purpose Balance Sheet.

### xi) Provisions, Contingent Liabilities and Contingent Assets

#### Provisions

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

#### Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

The Company does not recognise a contingent liability but discloses its existence and other required disclosures in notes to the Special Purpose Ind AS Financial Information, unless the possibility of any outflow in settlement is remote as per the requirement of Ind AS 37.

#### Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognize the contingent asset in its Special Purpose Ind AS Financial Information since this may result in the recognition of income that may never be realised. Where an inflow of economic benefits is probable, the Company discloses a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Company recognizes such assets.

Provisions, contingent liabilities and contingent assets are reviewed at each reporting date.

### xii) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. Thus, the Company has not opted for practical expedient under Ind AS 116 to recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date

## 2.2 Summary of material accounting policies (continued)

### Right-of-use asset

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred, prepaid lease rent (calculated in accordance with Ind AS 109 on the security deposits for leased premises) and restoration cost, less any lease incentives received. The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs. The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

### Lease liabilities

The lease liability is initially measured at the present value of the future lease payments discounted using incremental borrowing rate. If the discount rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions. When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

### xiii) Cash and Cash Equivalents

Cash and cash equivalent in the Special Purpose Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the Special Purpose Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

### xiv) Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

### xv) Contract Assets

A contract asset is initially recognised for revenue earned from customers because the receipt of consideration is conditional on successful completion of the service. Upon completion of the service and acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

### xvi) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### xvii) Retirement and Other Employee Benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employee render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The undiscounted liabilities are presented as current employee benefits obligations in the Special Purpose Balance Sheet.

#### ii) Post-employment obligations

The Company operated the following post-employment schemes :

- A. Defined contribution plans such as provident fund, employee state insurance corporation (ESIC) and national pension scheme (NPS) ; and
- B. Defined benefit plans such as gratuity

#### A. Defined contribution plans

Contribution towards provident fund and Employees' State Insurance Corporation for eligible employees is made to the regulatory authorities also the Company contributes to the National Pension Scheme and has no further obligation beyond making its contribution , where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis. The Company's contributions to Defined Contributions Plans are charged to the Special Purpose Statement of Profit and Loss as incurred.

#### B. Defined benefit plans

##### Gratuity

The Company provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

The present value of the defined benefit obligation denominated is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Special Purpose Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Special Purpose Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

## 2.2 Summary of material accounting policies (continued)

### C. Other Employee Benefits

#### (a) Bonus

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation. Company has a policy of long term bonus plan. It is subject to fulfilment of criteria prescribed by the Company and are accounted for at the present value of future expected benefits payable using the Projected Unit Credit Method and an appropriate discount rate as at the Balance Sheet date by an independent actuary. Actuarial losses/ gains are recognised in the Special Purpose Statement of Profit and Loss in the year in which they arise, as the case may be.

#### (b) Leave obligations

Employees are not eligible for carry forward of leave balances and accordingly no provision for leave obligation created as at the year end.

#### xviii) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

#### xix) Current versus non-current classification

The Company presents assets and liabilities in the Special Purpose Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### xx) Standard issued and effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024.

Ind AS 117 Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. Ind AS 117 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach)
- A simplified approach (the premium allocation approach) mainly for short-duration contracts

The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its Special Purpose Ind AS Financial Information.

#### xxi) Standards notified but not effective

There are no standard that are notified and not yet effective as on the date.

## 3 Significant accounting judgements, estimates and assumptions

The preparation of Special Purpose Ind AS Financial Information in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses at the date of this Special Purpose Ind AS Financial Information and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

### Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Special Purpose Ind AS Financial Information:

#### Determination of lease terms

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases of office premises, the following factors are normally the most relevant:

- a) If there are significant penalties to terminate (or not extend), the Company is typically reasonably certain to extend (or not terminate).
- b) If any leasehold improvements are expected to have a significant remaining value, the Company is typically reasonably certain to extend (or not terminate).
- c) Otherwise, the Company considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.

Most extension options in office leases have been included in the lease liability, because the Company could not replace the assets without significant cost or business disruption.

### **3 Significant accounting judgements, estimates and assumptions (continued)**

The lease term is reassessed if an option is actually exercised (or not exercised) or the Company becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

#### **Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Special Purpose Ind AS Financial Information were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### **Useful lives of property, plant and equipment**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events which may impact their life, such as changes in technology, usage and other factors.

#### **Provisions and contingent liabilities**

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the Special Purpose Ind AS Financial Information.

#### **Provision for income tax and deferred tax assets**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs and allowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### **Defined benefit plans**

The Company makes provision for defined benefit plans and compensated absences based on the actuarial valuation report issued by a certified actuary pursuant to Ind AS 19 – Employee benefits. The assumptions include attrition rate, salary escalation rate, discount rates and mortality rates.

#### **Fair value of financial instruments**

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the Special Purpose Balance Sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

#### **Incremental Borrowing rate**

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. Incremental borrowing rate is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

#### **Impairment of Non Financial assets**

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### **Effective interest rate**

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of financial instruments and recognises the effect of characteristics of the product life cycle. This estimation, by nature, requires an element of judgement regarding the expected behavioural and life-cycle of the instruments, as well as expected changes in fee income/expense that are integral parts of the instrument.

#### **Expected credit loss allowance on trade receivables and other financial assets**

The loss allowances for trade and financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period.

#### **Use of Going concern assumption**

The Company has prepared the Special Purpose Ind AS Financial Information on the basis that it will continue to operate as a going concern.

**4 First time adoption of Indian Accounting Standards (Ind AS)**

This is entity's Special Purpose Ind AS Financial Information prepared in accordance with Ind AS considering April 01, 2022 as date of transition for first time adoption of Ind AS.

The accounting policies set out in Note 2 have been applied in preparing the Special Purpose Ind AS Financial Information for the year ended March 31, 2023 and in the preparation of an opening Ind AS balance sheet as at April 1, 2022 (date of transition). In preparing its opening balance sheet as a part of reconciliation in Note 4, the entity has adjusted the amounts reported previously in the financial statements prepared in accordance with accounting standards notified under Companies (Accounting Standards) Rules, 2021 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

As explanation of how the transition from previous GAAP to Ind AS has affected the entity's financial position, financial performance and cash flow is set out in the following tables and notes.

**4.1 Optional exemptions availed and mandatory exceptions**

The Company has prepared the opening balance sheet as per Ind AS as of April 01, 2022 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Company. The Company has applied the following transition exemptions in Ind AS 101 :

**(a) Deemed cost for property, plant and equipment**

Ind AS 101 permits a first-time adopter to continue with the carrying value of all of its Property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments e.g de-commissioning liabilities.

Accordingly, the entity has elected to measure all of its property, plant and equipment, at their previous GAAP carrying value.

**(b) Impairment of financial assets**

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

**(c) Leases**

Appendix C of Ind AS 116 provides an option to account for the identified leases as on the date of inception using :

- Modified retrospective approach
- Full retrospective approach

Accordingly, entity has elected to account for the leases using full retrospective approach.

Entity has not availed optional exemption for short-term leases and leases of low value assets.

**(d) Estimates**

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS and at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition (for preparing opening Ind AS balance sheet) or at the end of the comparative period (for presenting comparative information as per Ind AS).

On assessment of the estimates made under the Previous GAAP financial statements, the entity has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the entity for the relevant reporting dates reflecting conditions existing as at that date.

Key estimates considered in preparation of the Special Purpose Ind AS Financial Information that were not required under the previous GAAP are listed below:

- Impairment of financial assets based on the expected credit loss model.

**(e) Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Accordingly, the entity has determined the classification of financial assets based on facts and circumstances that exist on the date of transition.

**4.2 Reconciliations**

The following reconciliations provide the effects of transition to Ind AS from previous GAAP in accordance with Ind AS 101 First time adoption of Indian Accounting standards:

1. Balance sheet as at April 01, 2022 and March 31, 2023
2. Net profit and Total Comprehensive Income for the year ended March 31, 2023
3. Equity (net-worth) as at April 01, 2022 and March 31, 2023

## 4.2 Reconciliations (continued)

## 4.2A Reconciliation of balance sheet as previously reported under previous GAAP to Ind AS

| Particulars                                                                                | Notes | Opening Balance Sheet as at date of transition April 01, 2022 |                                    |               | Balance Sheet as at March 31, 2023 |                                    |               |

**4.3 Reconciliation of equity from previous GAAP to Ind AS (Continued)****Explanations for reconciliation as previously reported under previous GAAP to Ind AS****i Impact of recognising actuarial gains / (losses) on defined benefit obligations in Other Comprehensive Income (OCI)**

Under Ind AS, the actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in OCI instead of Statement of Profit or Loss. Under the previous GAAP, such remeasurements were forming part of the Statement of Profit or Loss for the year. Thus the employee benefit cost is reduced by INR 0.87 million before tax and remeasurement gains/losses on defined benefit plans has been recognised in the OCI.

**ii Fair valuation of security deposits given**

Under the previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as prepaid rent. Consequent to this change, the amount of security deposits decreased by INR. 6.17 million as at March 31, 2023 (April 01, 2022 - INR 3.85). The prepaid rent increased by INR 3.68 million as at March 31, 2023 (Recognised on April 01, 2022 - INR 3.59 million). Total equity decreased by INR 3.85 million as on April 01, 2022. The profit for the year and total equity as at March 31, 2023 decreased by INR 0.37 million due to amortisation of the prepaid rent of INR 1.73 million which is partially off-set by the notional interest income of INR 1.22 million and gain on derecognition of leases 0.14 million recognised on security deposits.

**iii Impact on leases on account of Ind AS 116**

Under Ind AS, the entity has adopted Ind AS 116 on transition to Ind AS, i.e. effective annual reporting period beginning April 01, 2022 and applied this standard to its leases, retrospectively, with the cumulative effect of initially applying the standard recognised as an adjustment to the opening balance of retained earnings as on the date of transition to Ind AS (i.e. April 01, 2022). Consequent to this change, the amount of 120.57 million has been recognised as total lease liability and INR. 118.97 million as right to use asset (including adjustment pertain to prepaid rent of INR 3.59 million). The right to use asset is adjusted with the prepaid rent of 3.59 million as on April 01, 2022. (Refer note ii)

**iv Impact on Income tax**

The above changes (decrease)/increase the deferred tax assets as follows based on a tax rate of 25.168 percent:

| Particulars                                                  | As at March 31, 2023 | As at April 01, 2022 |
|--------------------------------------------------------------|----------------------|----------------------|
| Lease arrangement                                            |                      |                      |
| - ROU asset                                                  | (45.95)              | (29.94)              |

| <b>Increase in deferred tax assets</b>                       | <b>1.85</b>          | <b>0.93</b>          |

## 4.2 Reconciliations (Continued)

## 4.3 Reconciliation of total equity from previously reported under previous GAAP to Ind AS (continued)

### Explanations for reconciliation as previously reported under previous GAAP to Ind AS (Continued)

#### Other adjustments:

#### v Reclassifications

Pursuant to the disclosure requirements as per Ind-AS, the entity has re-classified certain assets and liabilities as at March 31, 2023 and April 01, 2022. Significant reclassifications includes, reclassification between other current assets and financial assets, security deposits and prepayments, other current liabilities and financial liabilities.

#### vi Adjustments to Statement of cash flows

There were no material differences between the Statement of cash flows presented under Ind AS and the previous GAAP except for leases.

#### vii Fair valuation of security deposit received

Under the previous GAAP, interest free security deposits received (that are refundable in cash on completion of the agreed term) are recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued this security deposit received under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as other liability. Consequent to this change, the amount of security deposits decreased by INR. 4.27 million as at March 31, 2023 (April 01, 2022 - INR 4.70 million). The other liability decreased by INR 0.46 million as at March 31, 2023 (Recognised on April 01, 2022 - INR 3.77 million). Total equity increased by INR 0.93 million as on April 01, 2022. The profit for the year and total equity as at March 31, 2023 increased by INR 0.03 million due to decrease in other liability of INR 0.46 million which is partially off-set by the notional interest expense of INR 0.43 million.

#### viii Retained Earnings

Retained Earnings as at April 01, 2022 has been adjusted consequent to the above Ind AS transition adjustments.

**5 Property, plant and equipment (PPE)**

**(b) Rights, preferences and restrictions attached to shares**

The Company has only one class of equity shares having par value of INR 10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

**30 Employee benefit expense**

The entity contributes to the following post-employment defined contribution and defined benefit plans in India.

**30A Defined contribution plan**

The entity makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Employee State Insurance Corporation and National Pension Scheme which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to the Special Purpose Statement of Profit and Loss as they accrue. The amount recognised as an expense towards contribution to provident fund and other funds for the year aggregated to INR. 23.91 millions. (Refer note 25).

**30B Defined benefit plan****a. Contribution to Gratuity fund**

Gratuity : Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The gratuity scheme is unfunded. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The benefits vest after five years of continuous service. The actuarial valuation is carried out by the Independent Actuary.

This defined benefit plan exposes the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

**30B.1 The Company is exposed to actuarial risks such as: investment risk, interest rate risk and salary risk.**

|                 |                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Investment risk | The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan assets is below this rate, it will create a plan deficit. Currently, these plans are unfunded. |
| Interest risk   | A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments, if funded.                                                                                                                                                                                       |
| Salary risk     | The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.                                                                                                                                        |

**30B.2 Actuarial assumptions: Gratuity**

| Particulars                        | Refer note below | As at March 31, 2023                              |
|------------------------------------|------------------|---------------------------------------------------|
| Discount rate (per annum)          | 1                | 7.20%                                             |
| Salary escalation rate (per annum) | 2                | 10.00%                                            |
| Employee turnover rate             | 3                | Sales: 35% p.a.; Non Sales: 20% p.a.              |
| Retirement Age                     |                  | 60 years                                          |
| Mortality Rate                     | 4                | Indian Assured Lives Mortality (2012-14) Ultimate |

**Notes:**

- The discount rate is based on the prevailing market yield of India Government securities as at the Balance Sheet date for the estimated term of obligations.
- The estimate of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.
- If the actual withdrawal rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.
- If the actual mortality rate in the future turns out to be more or less than expected then it may result in increase / decrease in the liability.

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The company is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the Special Purpose Ind AS Financial Information in the period in which the rules that are notified become effective.

**Notes:****(i) Services received from related parties**

The Company received Marketing, Tech and other software support services from Parent Company on the same terms as applicable to third parties in an arm's length transaction and in the ordinary course of business. The Company mutually negotiates and agrees the price and payment terms with the related parties by benchmarking the same to the services to non-related parties entered into by the counter-party and similar services received by the Group Company from other non-related parties.

**(ii) Security deposit received from related party**

As per the service agreement, an interest free refundable deposit aggregating INR. 10 million has been granted by Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) in consideration of the Company engaging Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) as its sole and exclusive provider of services during the term of the agreement.

**(iii) Remuneration to KMP of the Company**

The amounts disclosed in the table are the amounts recognised as an expense during the financial year related to KMP. The amounts do not include expense, if any, recognised toward post-employment benefits and other long-term benefits of key managerial personnel. Such expenses are measured based on an actuarial valuation done for the Company. Hence, amounts attributable to KMPs are not separately determinable.

Generally, directors do not receive any gratuity or post-employment benefits from the Company.

**(iv) Balances due to related parties at the year end**

Trade payables outstanding balances are unsecured, interest free and require settlement through banking channels. No guarantee or other security has been given against these payables. The outstanding amounts are inclusive of applicable taxes and TDS.

(This space has been intentionally left blank)

**33 Additional disclosure with respect to amendments to Schedule III**

**33.1 Other Disclosures**

**(i) Non-holding of benami property**

The Company is not holding benami property. Further, there are no proceeding initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

**(ii) Wilful defaulter**

The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

**(iii) Relationship with struck off companies**

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956 during the current / previous year.

**(iv) Compliance with number of layers of companies**

The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017 during the financial year 2022-23.

**(v) Compliance with approved scheme of arrangements**

The Company has not entered into any scheme of arrangement which has an accounting impact on during the current / previous year.

**(vi) Utilisation of borrowed funds**

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

**(vii) Undisclosed income**

The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961.

**(viii) Details of crypto currency or virtual currency**

The Company has not traded or invested in crypto currency or virtual currency during the year.

**(ix) Valuation of Property Plant and equipment (including Capital work-in-progress) and Right-of-use asset**

The Company has not revalued its property, plant and equipment (including capital work-in-progress) and Right-of-use asset during the year.

**(x) Title deeds of immovable properties not held in name of the company**

The Company does not own any immovable properties. Further properties where the company is the lessee, the lease agreements are duly executed in favour of the Company.

**(xi) Registration of charges or satisfaction with Registrar of Companies**

There are no charges or satisfaction which are yet to be registered with the Registrar of Companies beyond the statutory year.

**(xii) Utilisation of borrowings availed from banks and financial institutions**

The borrowings obtained by the Company from banks and financial institutions have been applied for the purposes for which such loans were taken.

**(xiii) Borrowing secured against current assets**

The Company had no borrowings outstanding from banks as on March 31, 2023. The Company has filed periodic returns or statements of current assets (returns/statements) with the banks in accordance with the terms of sanction. These returns/statements are inline with the books of account.

**(xiv) Core Investment Company (CIC)**

There is no Core Investment Company (CIC) in the Group.

**34 Regrouping and Reclassification**

Based on review of commonly prevailing practices, management does not believe any material changes has been reclassified other than the below changes : Gratuity expense pertaining to employees were previously disclosed separately under Employee Benefit Expenses. However, the same is now clubbed in Salaries, wages and bonus under Employee Benefit Expenses in the Special purpose Statement of Profit and Loss. Additionally, interest accrued on fixed deposits has been clubbed with the respective fixed deposit balances in the Special Purpose Ind AS Financial Information. Certain components within Other Expenses have been reclassified in the Special Purpose Ind AS Financial Information to better reflect the nature of the underlying expenditures. Accordingly, figures for the expenses have been regrouped to ensure consistency in presentation. This reclassification has no impact on the previously reported profit or loss.

**Notes:**

- (1) Basic Earnings per Equity Share (INR) = Loss for the period/ year, divided by weighted average number of Equity Shares outstanding during the period/ year. Basic Earnings per Equity Share calculations are in accordance with the notified Indian Accounting Standard 33 ‘Earnings per share’.
- (2) Diluted Earnings per Equity Share (INR) = Loss for the period/ year, divided by weighted average number of Equity Shares, outstanding during the period/ year and adjusted for the effects of all dilutive potential Equity Shares. Diluted Earnings per Equity Share calculations are in accordance with the notified Indian Accounting Standard 33 ‘Earnings per share’.
- (3) EBITDA for the relevant period/ year equals loss for the period/ year plus total tax expense, finance costs and depreciation and amortization expense. For the reconciliation of Non-GAAP measures to GAAP measures, see “**Other Financial Information — Reconciliation of Non-GAAP Measures**” on page 526.
- (4) Net Worth means the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation in accordance with Regulation 2(1)(hh) of the SEBI ICDR Regulations. We have calculated net worth by aggregate value of equity share capital, instruments entirely equity in nature and other equity. For details of reconciliation, please see “**Other Financial Information- Reconciliation of Non-GAAP Measures**” on page 526.
- (5) Return on Net Worth (%) is calculated by dividing Loss for the period/ year by Net Worth. For details of reconciliation, please see “**Other Financial Information – Reconciliation of Non-GAAP Measures**” on page 526.
- (6) Net Asset Value (NAV) per share (INR) is calculated by dividing Net Worth by the outstanding number of Shares as at the end of period/ year. For the reconciliation of Non-GAAP measures to GAAP measures, see “**Other Financial Information — Non-GAAP Measures**” on page 526.
- (7) Earnings per Equity Share (face value of INR 1 each)- Basic EPS (in INR) and Diluted EPS (in INR) are not annualised for six months period ended September 30, 2025 and September 30, 2024.

The accounting ratios are given below:

| Particulars                    | As at and for the Fiscal ended |                |                |
|--------------------------------|--------------------------------|----------------|----------------|
|                                | March 31, 2025                 | March 31, 2024 | March 31, 2023 |
| Proforma Basic EPS (in ₹)      | (7.65)                         | (7.06)         | (10.99)        |
| Proforma Diluted EPS (in ₹)    | (7.65)                         | (7.06)         | (10.99)        |
| Proforma EBITDA (in ₹ million) | (1,674.74)                     | (1,533.57)     | (2,593.93)     |

Notes:

- (1) Proforma Basic Earnings per Equity Share (₹) = Basic EPS is calculated as proforma loss for the year divided by the weighted average number of Equity Shares outstanding during the year.
- (2) Proforma Diluted Earnings per Equity Share (₹) = Diluted EPS is calculated as proforma loss for the year divided by the weighted average number of dilutive Equity Shares outstanding during the year.
- (3) Proforma EBITDA is defined as Proforma profit/ (loss) for the year plus proforma total tax expenses plus proforma finance costs plus proforma depreciation and amortization expense.

### Reconciliation of Non-GAAP measures

#### Reconciliation of Non-GAAP measures on a restated basis

See “Risk Factors –We have in this UDRHP-I included certain operational and non-GAAP financial measures that may vary from any standard methodology that is applicable across the industry we operate. Some of our operational measures face inherent measurement challenges, and any inaccuracies in these metrics could impact our business and reputation.” on page 92.

Reconciliation from loss for the period/ year to EBITDA and EBITDA Margin is set out below:

| Particulars                                   | Six months period ended |                    | Fiscal            |                   |                   |
|-----------------------------------------------|-------------------------|--------------------|-------------------|-------------------|-------------------|
|                                               | September 30, 2025      | September 30, 2024 | 2025              | 2024              | 2023              |
| (₹ million, unless otherwise stated)          |                         |                    |                   |                   |                   |
| Loss for the period/ year (A)                 | (1,251.48)              | (989.13)           | (1,941.05)        | (1,933.48)        | (2,881.83)        |
| Total tax expense (B)                         | -                       | 47.69              | 47.43             | -                 | -                 |
| Finance costs (C)                             | 11.31                   | 11.71              | 22.67             | 19.15             | 21.68             |
| Depreciation and amortisation expense (D)     | 81.70                   | 149.37             | 292.18            | 197.21            | 122.86            |
| <b>EBITDA<sup>(1)</sup> (E=A+B+C+D)</b>       | <b>(1,158.47)</b>       | <b>(780.36)</b>    | <b>(1,578.77)</b> | <b>(1,717.12)</b> | <b>(2,737.29)</b> |
| Total Income (F)                              | 4,693.68                | 2,386.92           | 6,932.06          | 1,191.17          | 4,601.13          |
| <b>EBITDA Margin<sup>(2)</sup> (G=E/F)(%)</b> | <b>(24.68%)</b>         | <b>(32.69%)</b>    | <b>(22.77%)</b>   | <b>(144.15%)</b>  | <b>(59.49%)</b>   |

(1) EBITDA for the relevant period/ year equals loss for the period/ year plus total tax expense, finance costs and depreciation and amortization expense.

(2) EBITDA Margin for the relevant period/ year equals EBITDA for the relevant period/ year as a percentage of total income for the relevant period/year

Reconciliation from loss for the period/ year to Adjusted EBITDA is set out below:

| Particulars                                      | Six months period ended |                    | Fiscal            |                   |                   |
|--------------------------------------------------|-------------------------|--------------------|-------------------|-------------------|-------------------|
|                                                  | September 30, 2025      | September 30, 2024 | 2025              | 2024              | 2023              |
| (₹ million)                                      |                         |                    |                   |                   |                   |
| Loss for the period/ year (A)                    | (1,251.48)              | (989.13)           | (1,941.05)        | (1,933.48)        | (2,881.83)        |
| Total tax expense (B)                            | -                       | 47.69              | 47.43             | -                 | -                 |
| Finance costs (C)                                | 11.31                   | 11.71              | 22.67             | 19.15             | 21.68             |
| Depreciation and amortisation expense (D)        | 81.70                   | 149.37             | 292.18            | 197.21            | 122.86            |
| <b>EBITDA<sup>(1)</sup> (E=A+B+C+D)</b>          | <b>(1,158.47)</b>       | <b>(780.36)</b>    | <b>(1,578.77)</b> | <b>(1,717.12)</b> | <b>(2,737.29)</b> |
| Other income (F)                                 | (60.40)                 | (172.45)           | 304.94            | 404.75            | 401.96            |
| Share based payment expense (G)                  | 108.29                  | 36.16              | 117.60            | 134.59            | 81.46             |
| Exceptional Items (H)                            | 339.84                  | -                  | -                 | -                 | -                 |
| <b>Adjusted EBITDA<sup>(2)</sup> (I=E-F+G+H)</b> | <b>(770.74)</b>         | <b>(916.65)</b>    | <b>(1,766.11)</b> | <b>(1,987.28)</b> | <b>(3,057.79)</b> |

(1) EBITDA for the relevant period/ year equals loss for the period/ year plus total tax expense, finance costs, depreciation and amortization expenses.

(2) Adjusted EBITDA for the relevant period/ year equals loss for the period/ year plus total tax expense, finance costs, depreciation, amortisation expense, share based payment expense and exceptional items less other income.

Reconciliation of Return on Capital Employed is set out below:

| Particulars                                             | As at and for the six months period ended September 30, |                 | As at and for the year ended March 31, |                 |                 |

| Total equity (F)                                        | 3,299.53                                                | 4,894.47        | 4,104.63                               | 5,638.00        | 7,434.54        |
| Goodwill (G)                                            | 91.00                                                   | 91.00           | 91.00                                  | -               | 7.39            |
| Other intangible assets (H)                             | 35.89                                                   | 110.03          | 42.89                                  | 125.93          | 183.50          |
| Capital employed <sup>(2)</sup> (I=F-G-H)               | 3,172.64                                                | 4,693.44        | 3,970.74                               | 5,512.07        | 7,243.65        |
| <b>Return on Capital Employed<sup>(3)</sup> (J=E/I)</b> | <b>(39.09%)</b>                                         | <b>(19.81%)</b> | <b>(47.12%)</b>                        | <b>(34.73%)</b> | <b>(39.48%)</b> |

(1) EBIT for the relevant period/ year equals loss for the period/ year plus total tax expense and finance costs.

(2) Capital employed is Total equity for the period/ year less goodwill and other intangible assets.

(3) Return on Capital Employed is calculated by dividing EBIT for the relevant period/ year by Capital Employed for the relevant period/year.

Reconciliation of Net Worth is set out below:

| Particulars                               | As of September 30, |                 | As of March 31, |                 |                 |

|                                           | 2025                | 2024            | 2025            | 2024            | 2023            |
|                                           | (₹ million)         |                 |                 |                 |                 |
| Equity share capital (A)                  | 52.74               | 0.10            | 0.10            | 0.10            | 0.10            |
| Instruments entirely equity in nature (B) | 15.74               | 15.73           | 15.73           | 15.73           | 15.73           |
| Other equity (C)                          | 3,231.05            | 4,878.64        | 4,088.80        | 5,622.17        | 7,418.71        |
| <b>Net Worth<sup>(1)</sup> (C=A+B+C)</b>  | <b>3,299.53</b>     | <b>4,894.47</b> | <b>4,104.63</b> | <b>5,638.00</b> | <b>7,434.54</b> |

(1) Net Worth means the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation in accordance with Regulation 2(1)(hh) of the SEBI ICDR Regulations. We have calculated net worth by aggregate value of equity share capital, instruments entirely equity in nature and other equity.

Reconciliation of Return on Net Worth is set out below:

| Particulars                                          | As at and for the six months period ended September 30, |                 | As at and for the year ended March 31, |                 |                 |
|------------------------------------------------------|---------------------------------------------------------|-----------------|----------------------------------------|-----------------|-----------------|
|                                                      | 2025                                                    | 2024            | 2025                                   | 2024            | 2023            |
|                                                      | (₹ million, unless otherwise stated)                    |                 |                                        |                 |                 |
| Loss for the period/ year (A)                        | (1,251.48)                                              | (989.13)        | (1,941.05)                             | (1,933.48)      | (2,881.83)      |
| Net worth (B)                                        | 3,299.53                                                | 4,894.47        | 4,104.63                               | 5,638.00        | 7,434.54        |
| <b>Return on Net Worth<sup>(1)</sup> (C=A/B) (%)</b> | <b>(37.93 %)</b>                                        | <b>(20.21%)</b> | <b>(47.29%)</b>                        | <b>(34.29%)</b> | <b>(38.76%)</b> |

(1) Return on Net Worth is calculated by dividing Loss for the period/ year by Net Worth.

Reconciliation of Net Asset Value (NAV) per share is set out below:

| Particulars                                                          | As at September 30, |                 | As at March 31, |                  |                  |
|----------------------------------------------------------------------|---------------------|-----------------|-----------------|------------------|------------------|
|                                                                      | 2025                | 2024            | 2025            | 2024             | 2023             |
| Net Worth <sup>(1)</sup> (A) (₹ million)                             | 3,299.53            | 4,894.47        | 4,104.63        | 5,638.00         | 7,434.54         |
| Outstanding number of Shares (B)                                     | 53,164,401          | 526,749         | 528,401         | 527,793          | 527,540          |
| <b>Net Asset Value (NAV) per Share<sup>(2)</sup> (₹) (C=(A)/(B))</b> | <b>62.06</b>        | <b>9,291.84</b> | <b>7,768.02</b> | <b>10,682.22</b> | <b>14,092.85</b> |

Notes:

(1) Net Worth means the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation in accordance with Regulation 2(1)(hh) of the SEBI ICDR Regulations. We have calculated net worth by aggregate value of equity share capital, instruments entirely equity in nature and other equity.

(2) Net Asset Value (NAV) per share (INR) is calculated by dividing Net Worth by the outstanding number of shares as at the end of period/year.

Reconciliation from revenue from operations to Service EBITDA and Service EBITDA Margin is set out below:

| Particulars                                           | For the six months<br>period ended<br>September 30, 2025 | For the six<br>months<br>period<br>ended<br>September<br>30, 2024 | For the year<br>ended March 31,<br>2025 |

Notes:

- (1) Revenue from operations refers to revenue from operations on a restated basis.
- (2) Customer Acquisition Cost represents the total expenses directly attributable to operational activities in generating our revenue from operations which includes commission paid.
- (3) Direct Employee Cost represents the employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewals and claims support) which help in acquiring and retaining new Digital Partners and those involved in policy renewals and claims support.
- (4) Costs of Direct Operations includes certain tech platform costs pertaining to policy issuance, post-sales support, renewals and claims.
- (5) Service EBITDA equals revenue from operations less Customer Acquisition Cost (i.e., total expenses directly attributable to operational activities in generating revenue from operations which includes commission paid), Direct Employee Cost (i.e., employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewal and claims support) and Costs of Direct Operations (i.e. certain tech platforms costs pertaining to policy issuance, post-sales support, renewals and claims).
- (6) Service EBITDA Margin for the relevant period/ year equals Service EBITDA for the relevant period/ year as a percentage of revenue from operations for the relevant period/ year.

Reconciliation from revenue from operations to Service EBITDA and Service EBITDA Margin of TIB as of and for the period ended 07 May 2024 is set out below:

| Particulars                               | For the period ended May 7,<br>2024<br>(TIB only) |
|-------------------------------------------|---------------------------------------------------|
|                                           | (₹ million, unless otherwise indicated)           |
| Revenue from operations <sup>(1)</sup>    | 375.53                                            |
| Customer Acquisition Cost <sup>(2)</sup>  | 310.31                                            |
| Direct Employee Cost <sup>(3)</sup>       | 53.34                                             |
| Costs of Direct Operations <sup>(4)</sup> | 3.93                                              |
| Service EBITDA <sup>(5)</sup>             | 7.95                                              |
| Service EBITDA margin <sup>(6)</sup> (%)  | 2.12%                                             |

Notes:

- (1) Revenue from operations refers to revenue from operations of TIB from April 1, 2024 to May 7, 2024.
- (2) Customer Acquisition Cost represents the total expenses directly attributable to operational activities in generating our revenue from operations which includes commission paid. of TIB from April 1, 2024 to May 7, 2024.
- (3) Direct Employee Cost represents the employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewals and claims support) which help in acquiring and retaining new Digital Partners and those involved in policy renewals and claims support of TIB from 1<sup>st</sup> April 2024 to 7<sup>th</sup> May 2024.
- (4) Costs of Direct Operations includes certain tech platform costs pertaining to policy issuance, post-sales support, renewals and claims of TIB from April 1, 2024 to May 7, 2024.
- (5) Service EBITDA equals revenue from operations less Customer Acquisition Cost (i.e., total expenses directly attributable to operational activities in generating revenue from operations which includes commission paid), Direct Employee Cost (i.e., employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewal and claims support) and Costs of Direct Operations (i.e. certain tech platforms costs pertaining to policy issuance, post-sales support, renewals and claims).
- (6) Service EBITDA Margin for the relevant period equals Service EBITDA for the relevant period as a percentage of revenue from operations for the relevant period.

**Reconciliation of Non-GAAP measures on a proforma basis**

See “*Risk Factors –We have in this UDRHP-I included certain operational and non-GAAP financial measures that may vary from any standard methodology that is applicable across the industry we operate. Some of our operational measures face inherent measurement challenges, and any inaccuracies in these metrics could impact our business and reputation.*” on page 92.

*Reconciliation of proforma loss for the year to Proforma Adjusted EBITDA is set out below:*

| Particulars                                        | Fiscal                               |                   |                   |
|----------------------------------------------------|--------------------------------------|-------------------|-------------------|
|                                                    | 2025                                 | 2024              | 2023              |
|                                                    | (₹ million, unless otherwise stated) |                   |                   |

Notes:

- (1) Proforma revenue from operations refers to revenue from operations on proforma basis.
- (2) Customer Acquisition Cost represents the proforma total expenses directly attributable to operational activities in generating our revenue from operations which includes commission paid.
- (3) Direct Employee Cost represents the proforma employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewals and claims support) which help in acquiring and retaining new Digital Partners and those involved in policy renewals and claims support.
- (4) Costs of Direct Operations includes certain tech platform costs pertaining to policy issuance, post-sales support, renewals and claims.
- (5) Proforma Service EBITDA equals proforma revenue from operations less Customer Acquisition Cost (i.e., total expenses directly attributable to operational activities in generating proforma revenue from operations which includes commission paid), Direct Employee Cost (i.e., proforma employee benefit expenses related to the sales personnel who are the primary contact for digital partners for their pre and post sales activities including renewal and claims support) and Costs of Direct Operations (i.e. certain tech platforms costs pertaining to policy issuance, post-sales support, renewals and claims).
- (6) Proforma Service EBITDA Margin for the relevant year equals Proforma Service EBITDA for the relevant year as a percentage of proforma revenue from operations for the relevant year.

## Related Party Transactions

For details of the related party transactions, as per the requirements under applicable Accounting Standards i.e. Ind AS 24 ‘Related Party Disclosures’ read with ICDR Regulations, for the six months period ended September 30, 2025 and September 30, 2024 and financial years ended March 31, 2025, March 31, 2024 and March 31, 2023, and as reported in the Restated Consolidated Financial Information, see “**Restated Consolidated Financial Information – Note 40– Related Party Transactions**” on page 367.

## MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

*The following discussion is intended to convey the management's perspective on our financial condition, results of operations and cash flows as of and for the six months period ended September 30, 2025 and September 30, 2024 and Fiscals 2025, 2024 and 2023. Unless otherwise stated or unless context requires otherwise, the financial information in this section is presented on a restated basis and has been derived from our Restated Consolidated Financial Information. Our Company acquired Turtlemint Insurance Broking Services Private Limited ("TIB") on May 8, 2024 ("TIB Acquisition") and thus as on the date of this UDRHP-I, TIB is directly held by our Company. We present our Unaudited Proforma Financial Information to illustrate the impact of the acquisition of TIB as set out in the Unaudited Proforma Financial Information on our financial performance for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 as if the aforesaid acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022, respectively. Therefore, the following discussion should be read together with our Restated Consolidated Financial Information the schedules and notes thereto and Unaudited Proforma Financial Information and the notes thereto, which appear elsewhere in this UDRHP-I. See "Risk Factors – Internal Risk Factors – Our Company acquired Turtlemint Insurance Broking Services Private Limited with effect from May 8, 2024 from one of our Promoters, Dharendra Nalin Mahyavanshi, and accordingly, we do not have a long consolidated operating history through which our overall performance may be evaluated. Further, the Unaudited Proforma Financial Information prepared for this UDRHP-I is presented for illustrative purposes only to illustrate the impact of the TIB Acquisition on our results of operations as if the acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022 and may not accurately reflect our future results of operations" on page 48.*

*Our Company's financial year commences on April 1 and ends on March 31 of the immediately subsequent year, and references to a particular Fiscal are to the 12 months ended March 31 of that year. Unless otherwise indicated, or if the context otherwise requires, in this section, references to "the Company" or "our Company" are to Turtlemint Fintech Solutions Limited on a standalone basis, and references to "the Group", "we", "us", "Turtlemint", "our", are to Turtlemint Fintech Solutions Limited and its Subsidiaries, on a consolidated basis. Unless otherwise stated or unless context requires otherwise, all operational data presented in this section on a proforma basis illustrating the impact of the TIB Acquisition on our business and operations as if the aforesaid acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022, respectively.*

*Ind AS differs in certain respects from IFRS and U.S. GAAP and other accounting principles with which prospective investors may be familiar. This discussion contains forward-looking statements and reflects our current views with respect to future events and financial performance. Actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors such as those described under "Risk Factors" and "Forward-Looking Statements" on pages 42 and 40, respectively.*

*Unless otherwise indicated, industry and market data used in this section have been derived from the report titled "Industry Report on the Indian Insurance Distribution Market" dated January 2026 (the "Redseer Report"), prepared and released by Redseer Strategy Consultants Private Limited and exclusively commissioned and paid for by us in connection with the Offer, pursuant to an engagement letter dated April 1, 2025. Any reference to the Redseer Report must be read in conjunction with the full Redseer Report, shall be made available on our website upon filing of this UDRHP-I until the Bid/Offer Closing Date and has also been included in "Material Contracts and Documents for Inspection – Material Documents" on page 674. The data included herein includes excerpts from the Redseer Report and may have been re-ordered by us for the purposes of presentation. There are no parts, data or information (which may be relevant for the proposed Offer) that have been left out or changed in any manner. Unless otherwise indicated, financial, operational, industry and other related information derived from the Redseer Report and included herein with respect to any particular year refers to such information for the relevant calendar year or financial year, if so stated. For more information, see "Risk Factors – Internal Risk Factors – Certain sections of this UDRHP-I disclose information from the Redseer Report which has been prepared exclusively for the Offer and commissioned and paid for by us exclusively in connection with the Offer and any reliance on such information for making an investment decision in the Offer is subject to inherent risks" on page 92. For definitions of technical and industry related terms used in this section, please see "Definitions and Abbreviations – Technical/ Industry and Business-Related Terms or Abbreviations" on page 13.*

### Overview

Turtlemint is a tech-enabled insurance distribution platform that connects customers, insurance advisors and insurers. In 2015, Turtlemint became the first to adopt the point-of-sale person ("PoSP") distribution model and

also has the largest certified PoSP network among the Peer Group as of September 30, 2025 as well as March 31, 2025 (*Source: Redseer Report*). According to the Redseer Report, we have significantly outpaced the growth of the overall retail insurance market, in terms of gross direct premium income (“**GDPI**”). While the combined growth rate of retail health, retail life new business, and motor insurance stood at a CAGR of approximately 10.3% between Fiscals 2020 and 2025, we achieved a GDPI growth (within the same categories) of approximately 3.00 times higher in the period (*Source: Redseer Report*). We have demonstrated significant growth in our Platform Premium, growing from ₹6,989.02 million in Fiscal 2020 to ₹29,459.36 million in Fiscal 2025, achieving a CAGR of 33.34%, and by 34.59% from ₹11,816.89 million in the six months period ended September 30, 2024 to ₹15,903.79 million in the six months period ended September 30, 2025. We have facilitated distribution of 19.68 million insurance policies from April 1, 2022 to September 30, 2025 that generated Platform Premium amounting to ₹90,249.11 million across 19,153 pin codes (representing 97.80% of the total pin codes (i.e., 19,583 pin codes) in India, as of August 2025, according to the Redseer Report).

We have onboarded and empowered a large and geographically diversified base of 603,302 Digital Partners, including 484,832 PoSPs, as of September 30, 2025, who have completed the mandatory training, enabling them to obtain the requisite certification to distribute insurance products in accordance with applicable IRDAI regulations, including the Guidelines on Point of Sales Person - Non-Life & Health Insurers (IRDA/ Int/ GDL/ ORD/ 183/ 10/2015) and any subsequent amendments (“**PoSP Regulations**”). In Fiscal 2025 and the six months period ended September 30, 2025, we onboarded 99,178 and 59,330 Digital Partners, respectively, further strengthening our distribution presence across India.

According to the Redseer Report, insurance products are inherently complex and hence customers often seek guidance throughout their insurance journey, not just at the time of purchase, but also during post-sale servicing and claims. Recognizing this, we have focused on building a comprehensive tech-driven, mobile-first platform supported with our physical branch network for our Digital Partners, enabling them to deliver effective advisory services to customers. Our platform equips Digital Partners with tools to manage and grow their business, including product comparison, policy quote generation, training, marketing, lead management, conversion, customer relationship management and post-sales support such as claims management. This integrated approach of our technology platform combined with “on-the-ground” Digital Partners creates a seamless offering to effectively serve customers within their communities. We have made, and intend to continue making, investments in artificial intelligence (“**AI**”) technologies, including agentic architectures. These investments are intended to enhance Digital Partner productivity, streamline operational processes and expand the scalability of customer support. Our AI-driven tools are designed to facilitate more personalized advice, accelerate issue resolution and improve service delivery, particularly in underserved markets in India.

According to the Redseer Report, the insurance distribution landscape has undergone a fundamental transformation with the rise of digital platforms. Traditionally, insurance was sold primarily through offline channels, individual agents, brokers, and bancassurance (corporate agents – banks and others), often resulting in a fragmented customer experience. However, with the advent of digitisation, a new generation of tech-enabled insurance brokers has emerged. These platforms offer a consolidated interface where customers can research, compare and purchase policies across multiple insurers, enhancing accessibility, choice and transparency. Recognising that customers still require assistance throughout the insurance journey, especially during product selection and claims, these digital brokers have adopted the POSP model. (*Source: Redseer Report*)

The image below illustrates the differences between the traditional insurance distribution model and the advanced phygital model, implemented at scale by us. The traditional setup features fragmented distribution and uncoordinated, agent-led sales (*Source: Redseer Report*). In contrast, our phygital (i.e., physical and digital) approach provides structure, scalability and efficiency by leveraging technology as an enabler to support, rather than replace, agents. Through our integrated platform, customers benefit from access to a broad selection of insurance products, as well as subject matter expert guidance from our Digital Partners. Our technology platform empowers our Digital Partners to deliver tailored advice and quality service, ensuring that customers receive solutions aligned with their needs. Digital Partners are able to interact with multiple insurers through our platform, allowing them to provide customers with informed recommendations and a comprehensive range of options. As of March 2025, Turtlemint Pro, our advisor app for Digital Partners, has recorded the highest number of downloads among insurance seller apps in India as per Sensor Tower, a market intelligence firm (*Source: Redseer Report*). Our platform is structured to facilitate a “many-to-one” relationship, whereby Digital Partners generate demand from a broad customer base while accessing a diverse supply of insurance and financial products from multiple insurers and financial service providers.

\*Source: Redseer Report

We have established a significant presence in B30+ markets, which refer to the rest of India except Top 30 cities by population (“T30”), according to the Redseer Report. As of September 30, 2025, 80.05% of our Digital Partners are based in B30+ markets and 74.79% of Platform Premium distributed sold in B30+ markets. According to the Redseer Report, on the other hand, the industry share of premium from B30+ markets in motor, retail health, and life insurance new business was 50%-60% as of March 31, 2025. Further, B30+ markets are expected to contribute significantly to insurance growth, accounting for 45%–54% of total GDPI from motor insurance with a CAGR of 14%–17%, 37%–43% of health insurance GDPI with a CAGR of 17%–19% and 67%–75% of total life new business GDPI with a CAGR of 10%–11% between Fiscals 2025 and 2030 (*Source: Redseer Report*). B30+ markets are projected to experience insurance demand growth rates up to 1.6 times higher than T30 between Fiscals 2025 and 2030 for motor, health and life new business insurance (*Source: Redseer Report*). In addition, we cater to the T30 markets, with 19.95% of our Digital Partners based in these markets, as of September 30, 2025. By empowering Digital Partners in these markets with our comprehensive suite of digital tools and advisory support, we are well-positioned to drive insurance adoption and support the Government of India’s broader goal of increasing insurance penetration across India.

We have partnered with 44 Insurer Partners, as of September 30, 2025 (representing 70% of all life and general insurers in India, according to the Redseer Report), enabling our Digital Partners to offer customers an unbiased selection of brands and products that address their individual requirements.

We are positioned at the intersection of a large, diversified network of Digital Partners and partnerships with Insurer Partners, enabling us to benefit from network effects as our platform scales. This positioning supports our long-term growth and enables us to contribute to the objectives of the Government of India and the Insurance Regulatory and Development Authority of India’s (“IRDAI”) to increase insurance penetration. The IRDAI envisions achieving ‘Insurance for All’ by 2047, aiming to ensure that every Indian citizen has access to suitable life, health, and property insurance coverage, and that all enterprises can avail themselves of appropriate insurance solutions (*Source: Redseer Report*).

For further information, see “**Our Business – Overview**” on page 229.

## Key Developments

### ***Acquisition of our Subsidiary, Turtlemint Insurance Broking Services Private Limited (“TIB Acquisition”)***

Pursuant to a share subscription agreement dated March 13, 2024 (“SSA”) entered into by and between our Promoter, Dharendra Nalin Mahyavanshi, TIB and our Company, our Company acquired 75.14% of TIB’s equity share capital, a company based in India and engaged in the business of providing insurance broking services at ₹68 per equity share amounting to ₹1,049.05 million and an additional 24.86% of the voting shares on September 28, 2024, by way of buyback transaction undertaken by TIB to other pre-existing shareholders at ₹17 per share amounting to ₹86.77 million. Consequently, with effect from May 8, 2024, TIB became a subsidiary of our Company and subsequent to the buyback transaction by way of an offer letter dated September 21, 2024, TIB

became a wholly owned subsidiary of our Company. Accordingly, our financial condition and results of operations: (i) as of and for the six months period ended September 30, 2025 on a restated basis reflect the operations of TIB for the entire period; (ii) as of and for the financial year ended March 31, 2025 and as of and for the six months period ended September 30, 2024 on a restated basis reflect the operations of TIB only from May 8, 2024 to March 31, 2025 and May 8, 2024 to September 30, 2024, respectively; and (iii) as of and for the financial years ended March 31, 2024 and March 31, 2023 on a restated basis do not include the operations of TIB. As a result, our financial condition and results of operations: (i) as of and for the six months period ended September 30, 2025 on a restated basis are not comparable to our financial condition and results of operations as of and for the six months period ended September 30, 2024 on a restated basis; and (ii) as of and for the financial year ended March 31, 2025 on a restated basis are not comparable to our financial condition and results of operations as of and for the financial years ended March 31, 2024 and March 31, 2023 on a restated basis.

This UDRHP-I contains our Unaudited Proforma Financial Information for the financial year ended March 31, 2025, 2024 and 2023. The Unaudited Proforma Financial Information has been prepared to illustrate the impact of the TIB Acquisition on our financial performance as if the TIB Acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022 for the purpose of unaudited proforma statement of profit and loss for the financial year ended March 31, 2025, 2024 and 2023, respectively.

Our management believes that the Unaudited Proforma Financial Information may provide additional context for understanding our business and future prospects. For further information, see “- **Proforma Financial Information**” on page 380. Also, see “**Risk Factors – Internal Risk Factors – Our Company acquired Turtlemint Insurance Broking Services Private Limited with effect from May 8, 2024 from one of our Promoters, Dharendra Nalin Mahyavanshi, and accordingly, we do not have a long consolidated operating history through which our overall performance may be evaluated. Further, the Unaudited Proforma Financial Information prepared for this UDRHP-I is presented for illustrative purposes only to illustrate the impact of the TIB Acquisition on our results of operations as if the acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022 and may not accurately reflect our future results of operations**” on page 48.

#### **Regulatory changes affecting the results of operations**

According to the Redseer Report, effective Fiscal 2024, IRDAI revised the erstwhile Payment of Commission Regulation from the Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries, 2016 to Insurance Regulatory and Development Authority of India (Payment of Commission) Regulations, 2023. The new regulations, while removing the commission caps, put in place overall limits on expense of management (“EOM”) of the general insurance, health and life insurers. These EOM caps were at 30% of gross written premium (“GWP”) for general insurance, 35% of GWP for standalone health insurers. The revised regulations provide insurers with significantly greater flexibility in expense allocation and have materially altered how they manage their cost structures. Notably, the definition of “commission” has also been expanded to include any form of compensation - whether termed remuneration, reward, or otherwise - paid by an insurer to an insurance agent or intermediary for soliciting, procuring, or transacting insurance business. According to the IRDAI Annual Report for Fiscal 2024, this shift has led to an approximate 97% increase in commission payouts by general insurers – from ₹201.4 billion in Fiscal 2023 to ₹396.0 billion in Fiscal 2024. This also resulted in insurers scaling back their spends on marketing spends. Insurers have scaled back their operating expenses, which declined by approximately 30% during the same period. This redistribution of expenses has enabled insurers to reward outcome-linked distribution efforts more effectively. In particular, insurtech intermediaries that play a significant role in market development, such as improving access in underpenetrated regions, supporting PoSPs, and driving digital adoption, have become key beneficiaries. As a consequence of such a change, the extent of marketing services that insurtech firms could provide to the insurance companies also underwent material changes. These players are now able to command higher payouts from insurers in recognition of their role in expanding the insurance footprint and enhancing last-mile service delivery. Further, as a result, commissions as a share of total expenses (commission plus operating) increased from 26.8% in Fiscal 2023 to 50.6% in Fiscal 2024, indicating a fundamental pivot toward distribution-led growth. These reforms have collectively driven the scale-up of PoSP-led, tech-enabled assisted distribution, contributing to a steady rise in premium volumes across motor and health insurance segments. (Source: Redseer Report)

As per the Redseer Report, commission structures in the insurance broking industry are generally established in advance through mutual agreement between brokers and their Insurer Partners, in accordance with regulatory guidelines. Revenue earned from insurance distribution typically includes commissions and rewards for both new policy issuances and renewals, with payouts linked to the GWP recognized by the insurer. As outlined in the IRDAI’s Master Circular on Actuarial, Finance and Investment Functions of Insurers dated May 17, 2024, premiums for long-term policies, where collections or the entire policy term spans beyond 12 months, GWP must

be recognized annually. Accordingly, GWP for such policies is recognized by the insurers on a '1/n' basis, wherein the total premium is spread evenly across the policy tenure, and commission expenses incurred by the insurers on the sale of such policies are paid only on the recognized GWP for each financial year. As a result, brokers may experience timing-related delays in billing the commission to the insurer partners. (Source: Redseer Report)

As a result of these regulatory changes, our proforma income from distribution of financial products increased by 221.99% from ₹1,590.09 million in Fiscal 2023 to ₹5,120.00 million in Fiscal 2024 and further by 34.02% to ₹6,861.58 million in Fiscal 2025, while our proforma income from marketing fees has declined from ₹3,572.67 million (accounting for 66.41% of our proforma revenue from operations) in Fiscal 2023 to ₹402.32 million (accounting for 7.13% of our proforma revenue from operations) in Fiscal 2024 and further to ₹0.00 million in Fiscal 2025. Further, our income from marketing fees was nil in the six months period ended September 30, 2025. Our acquisition of TIB, which was initiated prior to these regulatory changes, has enabled us to further invest in technology platforms, expand the reach of our Turtlemint Pro app, and increase our emphasis on technology enabled distribution of financial products. For further information, see ***“Risk Factors – Internal Risk - We earned nil/minimal income from marketing fees in the six months period ended September 30, 2025 and September 30, 2024 and Fiscal 2025, and income from marketing fees as a percentage of proforma revenue from operations declined from 66.41% in Fiscal 2023 to 7.13% in Fiscal 2024, which led to an adverse affect on our business, financial condition, results of operations and cash flows. Further, we experienced a significant decrease in our revenue from operations by 81.27% from ₹4,199.17 million in Fiscal 2023 to ₹786.42 million in Fiscal 2024 primarily due to the decrease in income from marketing fees”*** on page 53.

Also, see ***“Risk Factors – Internal Risk - We derived almost all our revenues from commissions, rewards and fees received from Insurer Partners and other financial service providers in the six months period ended September 30, 2025 and September 30, 2024, and Fiscals 2025 and 2024 (income from distribution of financial products accounted for 98.91% and 95.81% of our revenue from operations in the six months period ended September 30, 2025 and September 30, 2024, respectively, and proforma income from distribution of financial products accounted for 97.99%, 90.75% and 29.56% of our proforma revenue from operations in Fiscals 2025, 2024 and 2023, respectively). Any reduction in these fee rates may have an adverse effect on our business, financial condition, results of operations and cash flows”, “Risk Factors – Internal Risk - We operate in an emerging and dynamic industry, which makes it difficult to predict our future prospects and there can be no guarantee that our current or future strategies will be successfully implemented or that we will continue to grow or generate profits, which could adversely affect our business, reputation, financial condition, results of operations and cash flows”, “Risk Factors – Internal Risk - We are subject to a stringent regulatory framework governed by various laws and regulations that affect the flexibility of our operations and business practices and increase compliance costs. Any tightening of regulatory limits or non-compliance may result in penalties or sanctions that could have an adverse effect on our business, prospects, financial condition, results of operations and cash flows”*** on pages 47, 80 and 62, respectively.

## **Our Business Model**

We are a technology-enabled distributor of financial products, with a primary focus on insurance. We develop proprietary technology platforms that empower Digital Partners and Insurer Partners to engage with customers and facilitate the sale of insurance and financial products.

TIB, one of our wholly owned Subsidiary, is a composite insurance broker registered with IRDAI. Turtlemint Mutual Funds Distributors Private Limited (“TMF”), one of our wholly owned Subsidiary, is registered with the Association of Mutual Funds in India (“AMFI”) and is engaged in the distribution of mutual fund products. TIB and TMF leverage our technology platforms to collaborate with Insurer Partners and other partners such as asset management companies, and our network of Digital Partner who in turn reach customers to distribute insurance and other financial products. We have also expanded our offerings to include other financial services products, such as personal loans and credit cards, which are also distributed through our Digital Partner network.

We operate an asset-light business model. We invest in technology with the aim to establish a national-wide presence across India. From April 1, 2022 to September 30, 2025, we facilitated distribution of insurance policies across 19,153 pin codes in India through our teams and Digital Partner network and have established 81 physical branch offices, as of September 30, 2025, dedicated to engaging and supporting our Digital Partners. We act solely as distributors of insurance and other financial products and do not assume any product liability.

## **Income**

### ***Revenue from operations***

Our revenue from operations comprises:

*Income from distribution of financial products*

Income from distribution of financial products refers to the revenue generated from: (i) commissions and rewards received from Insurer Partners from the sale and renewal of insurance policies by TIB, our Subsidiary, through our platform; (ii) commission income received from asset management companies (through TMF, our Subsidiary) from the sale and distribution of mutual funds, which are based on the assets under management facilitated by us for the respective asset management companies; and (iii) commission and fee income received from other financial service providers from the sale and distribution of other financial products, such as loans and credit cards, which is based on distribution service agreements negotiated with such other financial service providers. Accordingly, we do not generate revenues directly from the customers.

For insurance products, the commission rates are typically a percentage of the premiums originated by us through our platform for our Insurer Partners. Such commissions are typically billed and recognized monthly, based on statements related to insurance premium and policies from our Insurer Partners. For long-term policies, commission income is recognised to the extent of satisfaction of performance obligation at the time of policy issuance, while the billing and collection of the commission income may happen over the period of the policy term.

For mutual funds, we earn commission income from asset management companies, which are based on new customer acquisitions and the assets under management facilitated by us for the respective asset management companies. For other financial products such as personal loans and credit cards, revenue is generated through distribution service agreements negotiated with financial services companies. These agreements typically specify the basis and amount of fees for distribution services.

*Income from technical and support services*

Income from technical and support services refers to the revenue generated from providing technology and other support services, including through our Turtlefin platform, to Insurer Partners and enterprise clients, including banks, financial institutions, ecommerce players, and fintech companies. These services are aimed at enhancing their capabilities in distributing insurance and other financial products to their customers and/or employees. Income from technical and support services is earned through service agreements.

*Income from marketing fees*

Income from marketing fees refers to the revenue generated from online marketing, advertising and other related services we provided to our Insurer Partners. In Fiscal 2025 and the six months period ended September 30, 2025, we did not generated any revenue from income from marketing fees on account of certain regulatory changes. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

***Other income***

Other income primarily comprises interest income on financial assets measured at amortised cost from deposits with banks and financial institution and on unwinding of security deposits, interest on income-tax refund, gain on early termination of lease and miscellaneous income.

***Expenses***

Our primary expenses include:

***Employee benefit expenses***

Employee benefit expenses comprise salaries, wages and bonus, contribution to provident and other funds, share based payment expense and staff welfare expense. Our primary employee benefits expenses include expenses to acquire and retain our employees in our operations and sales team who are involved in supporting our Digital Partners to enable transactions on our platform for customers.

***Finance costs***

Finance costs comprise interest expense of financial liabilities measured at amortised cost on lease liabilities, bank loans and debentures.

#### ***Depreciation and amortisation expenses***

Depreciation and amortization expenses relate to the depreciation for property, plant and equipment and right of use of leasehold premises, reflecting our asset-light capital strategy, as we do not own any offices and amortisation for other intangible assets primarily comprising of technology infrastructure and IT equipment.

#### ***Impairment on non current assets***

Impairment on non current assets includes impairment on goodwill, which represents goodwill recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited.

#### ***Impairment losses on financial instruments***

Impairment losses on financial instruments includes financial instruments measured at amortised cost for allowance for credit loss on trade receivables, provision for amount recoverable from point of sales person and allowance for credit loss on security deposits.

#### ***Other expenses***

Other expenses primarily include:

*Commission expense on distribution of financial products:* Commission expense on distribution of financial products refers to the commissions paid to Digital Partners for the sale and distribution of insurance and financial service products. Commission expenses are incurred for payouts to Digital Partners for distributing insurance and other financial products to customers. The commission rates are determined through commercial negotiations with Digital Partners and may include base rates as well as campaign-based incentives;

*Advertisement and marketing expenses (including acquisition marketing):* Advertisement and marketing expenses (including acquisition marketing) primarily refers to: (i) the onboarding and referral payments for the recruitment of new Digital Partners into our network and related promotion expenses; and (ii) costs of brand marketing channels including digital marketing, affiliate marketing, television or other mass media campaigns;

*Web hosting and domain charges:* Web hosting and domain charges include server charges related to operating our technology platforms.

*Tech and other support expense:* Tech and other support expense related to the issuance of insurance policies, customer renewals and the operation of software platforms used to service other Digital Partner requests, including claims processing.

Other expenses also include communication expenses, office expenses, travelling and conveyance, software charges, professional fees, repairs and maintenance charges, rates and taxes, recruitment cost, and electricity charges.

### **Factors Affecting Our Results of Operations and Financial Condition**

Our financial condition and results of operations have been, and will continue to be, affected by a number of factors, including the following:

#### ***Ability to attract and retain Digital Partners for our platform***

Our long-term growth, financial condition and results of operations depend upon our continued ability to attract and retain Digital Partners for our platform. Digital Partners are central to our business model, acting as trusted advisors who bridge the gap between customers and Insurer Partners and other financial service providers. To retain and grow the number of Digital Partners, we are committed to empowering our Digital Partners through comprehensive training through Turtlemint Academy, unified technology platform, customer engagement tools, flexible engagement and alternate earning opportunities, on-job support system and frictionless business model. For further details, see “***Our Business – Our Ecosystem and Offerings – Digital Partners***” on page 233.

Our platform offers substantial and increasing earning opportunities for Digital Partners. As illustrated in the Digital Partner earnings cohort chart below, we have observed that each Digital Partner cohort has predominantly

experienced an increase in their average earnings. Each cohort comprises Digital Partners who completed PoSP certification and received their initial payout from us during a specific fiscal year. For example, the Fiscal 2020 cohort includes all Digital Partners who obtained PoSP certification and received their first payout from us in Fiscal 2020. For the Fiscal 2020 Digital Partner cohort, the average earnings in Fiscal 2025 increased to 2.8 times their average earnings in Fiscal 2020.

| Earnings                                    |      |      |      |      |      |      |
|---------------------------------------------|------|------|------|------|------|------|
| Average Earnings Cohort of Digital Partners |      |      |      |      |      |      |
| COHORT                                      | FY20 | FY21 | FY22 | FY23 | FY24 | FY25 |
| FY20                                        | 1.0x | 1.9x | 2.4x | 2.4x | 2.3x | 2.8x |
| FY21                                        |      | 1.0x | 2.4x | 2.7x | 2.3x | 2.6x |
| FY22                                        |      |      | 1.0x | 2.4x | 2.2x | 2.4x |
| FY23                                        |      |      |      | 1.0x | 1.6x | 1.8x |
| FY24                                        |      |      |      |      | 1.0x | 2.4x |
| FY25                                        |      |      |      |      |      | 1.0x |

Note: Average earnings refer to the total payout received from us by the Digital Partner cohort for the given fiscal year divided by the total number of Digital Partners who received a payout from that Digital Partner cohort in that fiscal year.

We believe our platform offers a strong value proposition to Digital Partners, encouraging them to remain active and transact on our platform for multiple years, thereby growing their businesses alongside ours. For further information on retention rate of Digital Partners, see “**Our Business – Our Strengths - Consistently strong earnings and high Digital Partner retention drive favourable unit economics and operating leverage**” on page 252.

We believe the strong value proposition has helped us attract and retain Digital Partners. Our Digital Partner base has grown at a CAGR of 34.20% from 119,643 as of March 31, 2020 to 603,302 as of September 30, 2025. We depend on our Digital Partners for distributing various financial products and undertaking marketing services, for which we remunerate them in the form of commission payouts and marketing services fees. The commission rates are determined through commercial negotiations with Digital Partners and may include base rates as well as campaign-based incentives.

We incur substantial costs associated with the recruitment, activation, management and retention of Digital Partners. These costs primarily include commission payments, marketing service fees, referral fees paid to Digital Partners, and salaries for our frontline employees who are responsible for recruiting, onboarding and enhancing the productivity of our Digital Partners.

The following table sets forth the number of Digital Partners and Cost of acquiring and retaining Digital Partners and its percentage of total expenses as of and for the periods indicated:

| Particulars                                                                                          | As of and for the six months period ended September 30, |                     |
|------------------------------------------------------------------------------------------------------|---------------------------------------------------------|---------------------|
|                                                                                                      | 2025                                                    | 2024 <sup>(3)</sup> |

| Cost of acquiring and retaining Digital Partners <sup>(2)</sup> (₹ million) (A)                      | 4,292.37                                                | 2,080.67            |
| Total expenses (₹ million) (B)                                                                       | 5,605.32                                                | 3,328.36            |
| Cost of acquiring and retaining Digital Partners as a percentage of total expenses (%) (C = A/B*100) | 76.58%                                                  | 62.51%              |

Notes:

- (1) Number of Digital Partners refers to any user who has registered on our TurtlemintPro platform to distribute insurance and other financial products and completed KYC having provided us with their phone number, name and permanent account number. Digital Partners also include PoSPs who have completed the mandatory training, enabling them to obtain the requisite certification to distribute insurance products in accordance with applicable IRDAI regulations, including the PoSP Regulations.
- (2) Cost of acquiring and retaining Digital Partners refer to commission payments, marketing service fees, referral fees paid to Digital Partners, and salaries for our frontline employees (including contracted staff) who are involved in recruiting and managing our Digital Partners.
- (3) Six months period ended September 30, 2024 include operations of TIB only from May 8, 2024 to September 30, 2024.

The following table sets forth the number of Digital Partners and Cost of acquiring and retaining Digital Partners as of and for the years indicated:

| Particulars                                                                                                   | As of and for the financial year ended<br>March 31, |          |          |
|---------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|----------|----------|
|                                                                                                               | 2025                                                | 2024     | 2023     |
| Number of Digital Partners <sup>(1)</sup>                                                                     | 543,972                                             | 444,794  | 376,618  |
| Cost of acquiring and retaining Digital Partners <sup>(2)</sup> (₹ million) (A)                               | 6,512.98                                            | 5,265.97 | 5,988.91 |
| Proforma total expenses (₹ million) (B)                                                                       | 9,307.50                                            | 7,906.15 | 8,606.60 |
| Cost of acquiring and retaining Digital Partners as a percentage of proforma total expenses (%) (C = A/B*100) | 69.98%                                              | 66.61%   | 69.59%   |

Note:

- (1) Number of Digital Partners refers to any user who has registered on our TurtlemintPro platform to distribute insurance and other financial products and completed KYC having provided us with their phone number, name and permanent account number. Digital Partners also include PoSPs who have completed the mandatory training, enabling them to obtain the requisite certification to distribute insurance products in accordance with applicable IRDAI regulations, including the PoSP Regulations.
- (2) Cost of acquiring and retaining Digital Partners refer to commission payments, marketing service fees, referral fees paid to Digital Partners, and salaries for our frontline employees (including contracted staff) who are involved in recruiting and managing our Digital Partners.

### Relationships with Insurer Partners

Our relationships with Insurer Partners remain critical to our ability to offer customers with various insurance products. We believe our long-term revenue growth is correlated with our ability to acquire and retain Insurer Partners on our platforms. As of September 30, 2025, our platform is integrated with 44 Insurer Partners and we distributed 3.33 million, 2.70 million, 6.11 million, 4.75 million and 5.48 million insurance policies in the six months period ended September 30, 2025 and September 30, 2024, and Fiscals 2025, 2024 and 2023, respectively. Our tech-first approach provides a cost-effective and efficient distribution channel, while our data-driven insights empower Insurer Partners to tailor their product offerings and marketing strategies to better meet customer needs. For further details, see “**Our Business – Our Ecosystem and Offerings – Insurer Partners**” on page 233.

### Ability to drive revenues from renewal premium from customers

Our engagement with customers extends beyond the initial sale of new policies to include ongoing support at the time of policy renewals, which are facilitated by our Digital Partners. Accordingly, our financial condition and results of operations depend upon our continued ability to drive revenues from renewal premium from customers. We have built tech enabled processes to ensure that the renewal process is seamless and convenient for customers. To further support this, we provide our Digital Partners with advanced CRM tools through the Turtlemint Pro app, enabling them to assist their customers effectively throughout the renewal process.

The resources required to secure policy renewals are relatively lesser than those needed to acquire new business. Our renewal operations are managed by a focused team of employees, who are further supported by digital communications with both customers and Digital Partners. Additionally, our efforts at renewal are augmented by efforts from our Insurer Partners in securing the renewals, further reducing our direct manpower. As a result, the number of employees dedicated to renewals is lower than those focused on new business premium acquisition. As our renewal portfolio continues to grow, we benefit from enhanced operating leverage, further strengthening the overall efficiency and profitability of our business.

The following table sets forth details of the renewal commission revenue we have generated through our platform and its percentage of revenue from operations for the periods indicated:

| Particulars                                               | Six months period ended September<br>30, |                     |
|-----------------------------------------------------------|------------------------------------------|---------------------|
|                                                           | 2025                                     | 2024 <sup>(2)</sup> |
| Renewal commission revenue (₹ million) <sup>(1)</sup> (A) | 893.96                                   | 545.95              |
| Revenue from operations (B) (₹ million)                   | 4,633.28                                 | 2,214.47            |

| Particulars                                                                             | Six months period ended September 30, |                     |
|-----------------------------------------------------------------------------------------|---------------------------------------|---------------------|
|                                                                                         | 2025                                  | 2024 <sup>(2)</sup> |
| Renewal commission revenue as a percentage of revenue from operations (%) (C = A/B*100) | 19.29%                                | 24.65%              |

Note:

- (1) Renewal commission revenue refers to the commission earned on renewal policies. Renewal policies refers to policies which are renewed either with the same insurer partner or a different insurer partner in a given Fiscal.
- (2) Six months period ended September 30, 2024 include operations of TIB only from May 8, 2024 to September 30, 2024.

The following table sets forth details of the renewal commission revenue we have generated through our platform for the years indicated:

| Particulars                                                                                      | Fiscal   |          |          |
|--------------------------------------------------------------------------------------------------|----------|----------|----------|
|                                                                                                  | 2025     | 2024     | 2023     |
| Renewal commission revenue (₹ million) <sup>(1)*</sup> (A)                                       | 1,487.40 | 1,281.44 | 318.48   |
| Proforma revenue from operations (B) (₹ million)                                                 | 7,002.65 | 5,641.68 | 5,379.75 |
| Renewal commission revenue as a percentage of proforma revenue from operations (%) (C = A/B*100) | 21.24%   | 22.71%   | 5.92%    |

Notes:

\* We experienced an increase in renewal commission revenue in Fiscal 2024 compared to Fiscal 2023 on account of certain regulatory changes resulting in an increase in commissions (including renewal commission). According to the Redseer Report, effective Fiscal 2024, IRDAI revised the erstwhile Payment of Commission Regulation from the Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries, 2016 to Insurance Regulatory and Development Authority of India (Payment of Commission) Regulations, 2023. Notably, the definition of “commission” has also been expanded to include any form of compensation - whether termed remuneration, reward, or otherwise - paid by an insurer to an insurance agent or intermediary for soliciting, procuring, or transacting insurance business (Source: Redseer Report). For further details on the regulatory changes and impact on commissions and marketing fees, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations - Key Developments - Regulatory changes affecting the results of operations” on page 533.

(1) Renewal commission revenue refers to the commission earned on renewal policies. Renewal policies refers to policies which are renewed either with the same insurer partner or a different insurer partner in a given Fiscal.

### Managing our cost base as we scale our operations

Our ability to achieve and sustain profitability is closely linked to the cost-effectiveness of our business. During Fiscals 2023 and 2025, we have been able to reduce our proforma total expenses as a percentage of our proforma revenue from operations, from 159.98% in Fiscal 2023 to 140.14% in Fiscal 2024, further to 132.91% in Fiscal 2025. Further, our total expenses as a percentage of our revenue from operations has decreased from 138.06% in the six months period ended September 30, 2024 to 120.42% in the six months period ended September 30, 2025. We believe that we have significant operating leverage in our operations, and as we grow, we expect to stabilize our Proforma Fixed Expenses/ Fixed Expenses (i.e. proforma total expenses/ total expenses less Customer Acquisition Cost, Direct Employee Cost and Costs of Direct Operations), improve employee efficiency and improve our profitability.

Our primary operating expenses consist of commission expense on distribution of financial products, employee benefit expenses as well as advertisement and marketing expenses (including acquisition marketing) and tech and other support expenses. Digital partners play a critical role in our distribution model by facilitating the sale of insurance and financial products to end customers. Our efforts and investments have enabled us to onboard and empower a large and geographically diversified base of 603,302 Digital Partners, including 484,832 PoSPs, as of September 30, 2025. As of September 30, 2025 as well as March 31, 2025, Turtlemint operates the largest number of registered PoSP distribution network amongst the Peer Group, according to the Redseer Report, with presence across 19,153 pin codes in India, as of September 30, 2025. We have facilitated distribution of 19.68 million insurance policies from April 1, 2022 to September 30, 2025 that generated Platform Premium amounting to ₹90,249.11 million across 19,153 pin codes to the underserved population in India.

To support our Digital Partners, we employ a team of frontline employees responsible for recruiting, onboarding and enhancing the productivity of our Digital Partners. Such employees are located in our 81 physical branch offices across India, as of September 30, 2025, and in our call centers. In addition, we incur tech and other support expense related to the issuance of insurance policies, customer renewals and the operation of software platforms used to service other Digital Partner requests, including claims processing.

Our initiatives to recruit and retain Digital Partners, optimize frontline employee team efficiency and invest in technology tools have contributed to improvements in our Proforma Service EBITDA. We use Proforma Service EBITDA as a key metric in evaluating our operating performance and believe it is a useful measure as it takes into consideration the direct costs (i.e. Customer Acquisition Cost, Direct Employee Cost and Costs of Direct

Operations) of operating our business. Our Proforma Service EBITDA margin has increased from (12.04)% in Fiscal 2023 to 9.93% in Fiscal 2024 and further to 11.89% in Fiscal 2025. Further, our Service EBITDA margin was 12.42% in the six months period ended September 30, 2024 and 11.04% in the six months period ended September 30, 2025.

The following table sets out our key financial information on a restated basis for the periods/ years indicated:

| Particulars                                                                        | Six months period ended<br>September 30, |          | Fiscal     |            |            |
|------------------------------------------------------------------------------------|------------------------------------------|----------|------------|------------|------------|
|                                                                                    | 2025                                     | 2024*    | 2025*      | 2024*      | 2023*      |
| Revenue from operations (₹ million)                                                | 4,633.28                                 | 2,214.47 | 6,627.12   | 786.42     | 4,199.17   |
| Period-on-period/ Year-on-year increase/ (decrease) in revenue from operations (%) | 109.23%                                  | NA       | 742.69%    | (81.27%)   | NA         |
| Total income (₹ million)                                                           | 4,693.68                                 | 2,386.92 | 6,932.06   | 1,191.17   | 4,601.13   |
| Loss before exceptional items and tax (₹ million)                                  | (911.64)                                 | (941.44) | (1,893.62) | (1,933.48) | (2,881.83) |
| Loss for the period/ year (₹ million)                                              | (1,251.48)                               | (989.13) | (1,941.05) | (1,933.48) | (2,881.83) |
| Adjusted EBITDA <sup>(1)</sup> (₹ million)                                         | (770.74)                                 | (916.65) | (1,766.11) | (1,987.28) | (3,057.79) |

Notes:

\* Fiscals 2024 and 2023 do not include the operations of TIB, which was acquired only with effect from May 8, 2024. Fiscal 2025 and the six months period ended September 30, 2024 include operations of TIB only from May 8, 2024.

(1) Adjusted EBITDA for the relevant period/ year equals loss for the period/ year plus total tax expense, finance costs, depreciation and amortisation expense, share based payment expense and exceptional items less other income. For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information — Reconciliation of Non-GAAP Measures” on page 526.

The following table sets out our key financial information on a restated basis for the periods/ years indicated:

| Particulars                               | Six months period ended September 30, |        | Fiscal |       |       |
|-------------------------------------------|---------------------------------------|--------|--------|-------|-------|
|                                           | 2025                                  | 2024*  | 2025*  | 2024* | 2023* |
| Service EBITDA <sup>(1)</sup> (₹ million) | 511.48                                | 274.97 | 824.33 | ₹(3)  | ₹(3)  |
| Service EBITDA Margin <sup>(2)</sup> (%)  | 11.04%                                | 12.42% | 12.44% | ₹(3)  | ₹(3)  |

Notes:

\* Fiscals 2024 and 2023 do not include the operations of TIB, which was acquired only with effect from May 8, 2024. Fiscal 2025 and the six months period ended September 30, 2024 include operations of TIB only from May 8, 2024.

- (1) Service EBITDA equals revenue from operations less Customer Acquisition Cost (i.e., total expenses directly attributable to operational activities in generating revenue from operations which includes commission paid), Direct Employee Cost (i.e., employee benefit expenses related to the sales personnel who are the primary contact for Digital Partners for their pre and post sales activities including renewals and claims support) and Costs of Direct Operations (i.e. certain tech platforms costs pertaining to policy issuance, post-sales support, renewals and claims). For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information—Reconciliation of Non-GAAP Measures” on page 526.
- (2) Service EBITDA Margin for the relevant period/year equals Service EBITDA for the relevant period/ year as a percentage of revenue from operations for the relevant period/ year. For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information—Reconciliation of Non-GAAP Measures” on page 526.
- (3) We conduct the business of direct broking of insurance policies through our Subsidiary, TIB, which we acquired with effect from May 8, 2024, and accordingly, TIB accounts for majority of our revenue and expenses. As a result, Service EBITDA and Service EBITDA Margin, on a restated basis, for Fiscals 2024 and Fiscal 2023 have not been disclosed since TIB was not included in our results of operations and financial condition during these Fiscals. For further information, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Key Developments” and “History and Certain Corporate Matters – Details regarding material acquisitions of divestments of business/undertakings, mergers, amalgamation, any revaluation of assets, etc. in 10 years” on pages 532 and 283, respectively.

The following table sets out our key financial information on a proforma basis for the years indicated:

| Particulars                                                               | Fiscal     |            |            |
|---------------------------------------------------------------------------|------------|------------|------------|
|                                                                           | 2025       | 2024       | 2023       |
| Proforma revenue from operations (₹ million)                              | 7,002.65   | 5,641.68   | 5,379.75   |
| Year-on-year increase/ (decrease) in proforma revenue from operations (%) | 24.12%     | 4.87%      | NA         |
| Proforma loss for the year (₹ million)                                    | (2,025.62) | (1,869.90) | (2,837.56) |
| Proforma Adjusted EBITDA <sup>(1)</sup> (₹ million)                       | (1,863.27) | (1,821.21) | (2,921.97) |
| Proforma Service EBITDA <sup>(2)</sup> (₹ million)                        | 832.28     | 560.42     | (647.65)   |
| Proforma Service EBITDA Margin <sup>(3)</sup> (%)                         | 11.89%     | 9.93%      | (12.04%)   |

Notes:

- (1) Proforma Adjusted EBITDA for the relevant year equals proforma loss for the year plus proforma total tax expense, proforma finance costs, proforma depreciation and amortisation expense and proforma share based payment expense less proforma other income. For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information — Reconciliation of Non-GAAP Measures” on page 526.
- (2) Proforma Service EBITDA equals proforma revenue from operations less Customer Acquisition Cost (i.e., total expenses directly attributable to operational activities in generating proforma revenue from operations which includes commission paid), Direct Employee

Cost (i.e., proforma employee benefit expenses related to the sales personnel who are the primary contact for Digital Partners for their pre and post sales activities including renewals and claims support) and Costs of Direct Operations (i.e. certain tech platforms costs pertaining to policy issuance, post-sales support, renewals and claims). For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information— Reconciliation of Non-GAAP Measures” on page 526.

- (3) Proforma Service EBITDA Margin for the relevant year equals Proforma Service EBITDA for the relevant year as a percentage of proforma revenue from operations for the relevant year. For the reconciliation of Non-GAAP measures to GAAP measures, see “Other Financial Information— Reconciliation of Non-GAAP Measures” on page 526.

Our business model is highly tech-enabled in key processes, including onboarding and engaging with our Digital Partners with a focus on automation and self-service driven business operations. We have also made significant investments in our internal business processes, as well as expense payout systems. These investments are designed to ensure that, as our business volumes increase, we are able to realize operating leverage and maintain cost efficiency. We have launched Insurance Hub, a cloud-based platform with standardized APIs for insurance products, KYC services and a transformation and rules engine. This enabled us to automate and reduce the time to integrate new products from our Insurer Partners, resulting in a reduction in our technology-related costs. In addition, we have invested in customer relationship management tools, including our proprietary CRM platform, Ninja, which empowers our teams, particularly relationship managers, to engage more effectively with Digital Partners. These have enabled us to keep our Proforma Fixed Expenses/ Fixed Expenses (i.e. proforma total expenses/ total expenses less Customer Acquisition Cost, Direct Employee Cost and Costs of Direct Operations) relatively stable even as our business has grown.

The following table sets out details of our Fixed Expenses on a restated basis for the periods/ years indicated:

| Particulars                                   | Six months period ended September 30, |                 |                 | Fiscal           |                  |
|-----------------------------------------------|---------------------------------------|-----------------|-----------------|------------------|------------------|
|                                               | 2025                                  | 2024*           | 2025*           | 2024*            | 2023*            |
| Total expenses (A)                            | 5,605.32                              | 3,328.36        | 8,825.68        | 3,124.65         | 7,482.96         |
| Customer Acquisition Costs <sup>(1)</sup> (B) | 3,667.65                              | 1,633.92        | 5,087.90        | — <sup>(4)</sup> | — <sup>(4)</sup> |
| Employee Benefit Expense <sup>(2)</sup> (C)   | 368.53                                | 263.78          | 593.02          | — <sup>(4)</sup> | — <sup>(4)</sup> |
| Costs of Direct Operations <sup>(3)</sup> (D) | 85.62                                 | 41.80           | 121.87          | — <sup>(4)</sup> | — <sup>(4)</sup> |
| <b>Fixed Expenses (E=A-B-C-D)</b>             | <b>1,483.52</b>                       | <b>1,388.86</b> | <b>3,022.89</b> | — <sup>(4)</sup> | — <sup>(4)</sup> |

Notes:

\* Fiscals 2024 and 2023 do not include the operations of TIB, which was acquired only with effect from May 8, 2024. Fiscal 2025 and the six months period ended September 30, 2024 include operations of TIB only from May 8, 2024.

- (1) Customer Acquisition Cost represents the total expenses directly attributable to operational activities in generating our revenue from operations which includes commission paid.
- (2) Direct Employee Cost represents the employee benefit expenses related to the sales personnel who are the primary contact for Digital Partners for their pre and post sales activities including renewals and claims support.
- (3) Costs of Direct Operations includes certain tech platform costs pertaining to policy issuance, post-sales support, renewals and claims.
- (4) We conduct the business of direct broking of insurance policies through our Subsidiary, TIB, which we acquired with effect from May 8, 2024, and accordingly, TIB accounts for majority of our revenue and expenses. As a result, Fixed Expenses, Customer Acquisition Cost, Direct Employee Cost and Costs of Direct Operations, on a restated basis, for Fiscals 2024 and Fiscal 2023 have not been disclosed since TIB was not included in our results of operations and financial condition during these Fiscals. For further information, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Key Developments” and “History and Certain Corporate Matters – Details regarding material acquisitions of divestments of business/undertakings, mergers, amalgamation, any revaluation of assets, etc. in 10 years” on pages 563 and 283, respectively.

The following table sets out details of our Proforma Fixed Expenses for the years indicated:

| Particulars                                   | Fiscal          |                 |                 |
|-----------------------------------------------|-----------------|-----------------|-----------------|
|                                               | 2025            | 2024            | 2023            |
|                                               |                 | (₹ million)     |                 |
| Proforma total expenses (A)                   | 9,307.50        | 7,906.15        | 8,606.60        |
| Customer Acquisition Costs <sup>(1)</sup> (B) | 5,398.21        | 3,833.81        | 4,756.76        |
| Employee Benefit Expense <sup>(2)</sup> (C)   | 646.36          | 1,191.95        | 1,199.74        |
| Costs of Direct Operations <sup>(3)</sup> (D) | 125.80          | 55.50           | 70.90           |
| <b>Proforma Fixed Expenses (E=A-B-C-D)</b>    | <b>3,137.13</b> | <b>2,824.89</b> | <b>2,579.20</b> |

Notes:

- (1) Customer Acquisition Cost represents the proforma total expenses directly attributable to operational activities in generating our revenue from operations which includes commission paid.
- (2) Direct Employee Cost represents the proforma employee benefit expenses related to the sales personnel who are the primary contact for Digital Partners for their pre and post sales activities including renewals and claims support.
- (3) Costs of Direct Operations includes certain tech platform costs pertaining to policy issuance, post-sales support, renewals and claims.

The benefits of our technology investments and operating leverage are reflected in the improvement in premium productivity per employee, as reflected below for the periods/ years indicated:

Note: Premium productivity per employee refers to the Platform Premium divided by our average number of permanent employees for the relevant period/ year. Premium productivity per employee for the six months period ended September 30, 2025 and September 30, 2024 are not annualised.

### ***Ability to maintain the strength of the 'Turtlemint' brand***

Our ability to attract and retain customers, Digital Partners and Insurer Partners, increase the premium generated through our platform and revenue from operations is directly linked to the strength of the 'Turtlemint' brand. We are committed to maintaining and enhancing Digital Partners, Insurer Partners and customers' trust in us and increase their engagement with our platform.

### ***Regulatory environment***

We are subject to extensive regulatory requirements with respect to our offerings in India. Our operations are subject to extensive application of laws and the active supervision of IRDAI, AMFI, and other regulatory and/or statutory authorities of India, which may limit the manner in which we conduct our business. Any change in the laws governing the distribution and marketing of our products or the commissions and fees we charge, may have an impact on our business and results of operations. For further information on the impact of regulatory changes in the past, see **"- Key Developments - Regulatory changes affecting the results of operations"** on page 533.

Further, our business is also subject to various statutory and regulatory permits, licenses, registrations and approvals. For more details, see **"Government and Other Approvals"** on page 594. We have incurred and expect to continue incurring costs for compliance with such laws and regulations. These regulations and policies could change at any time, with little or no warning or time for us to prepare. Any changes in government policies could adversely affect our business and results of operations.

### ***Seasonality***

Our quarterly revenues and other operating results exhibit seasonality driven by product mix, customer purchasing behaviour and industry dynamics in India, and such seasonality may continue or vary as our business evolves. Seasonality affects both volumes and margins, particularly given the concentration of demand in certain quarters and the timing of our cost recognition.

Historically, the premium from our motor insurance products tends to be higher during the festive season in India, which usually occurs in the third quarter of the fiscal year. Further, life and health insurance products are typically more popular in the fourth quarter of our fiscal year based on the premiums earned and to take advantage of income tax benefits available to customers. In comparison, historically, insurance policy sales on our platform are lower in the months of April and May. If the insurance product mix on our platform changes, the fluctuation trend of our results of operations will change accordingly based on the demand for the new products.

A significant portion of our costs relate to employee benefits and other operating costs that are fixed and incurred consistently through any Fiscal. However, our revenues are affected by seasonality, which will result in a higher percentage of costs in certain months where revenue may be lower. As a result, seasonal fluctuations in the volumes of our business have a direct impact on our results of operations in certain periods (including resulting in reduced Service EBITDA margins in those periods). For reasons such as these, comparisons of our operating results on a period-to-period basis may not be meaningful in all circumstances.

### **Presentation of Restated Consolidated Financial Information**

Our Restated Consolidated Financial Information comprises the restated summary statement of assets and liabilities as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023, the restated summary statement of profit and loss, the restated summary statement of cashflows, the restated summary statement of changes in equity and the notes forming part of our Restated Consolidated Financial Information for the six months period ended September 30, 2025 and September 30, 2024 and each of the financial years ended Fiscals 2025, 2024 and 2023.

### **Summary of Material Accounting Policies**

Set out below is a summary of the material accounting policies for our Restated Consolidated Financial Information:

#### ***Property, plant and equipment***

Property plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent cost related to an item of property, plant and equipment are recognized in the carrying amount of the item if the recognition criteria are met.

Items of property, plant and equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value. Any expected loss is recognised immediately in the restated consolidated summary statement of profit and loss. An item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition is recognised in the restated consolidated summary statement of profit and loss.

The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

#### **Depreciation methods estimated useful lives and residual value:**

Depreciation on property, plant and equipment's is provided on a pro-rata basis on the straight-line method over the estimated useful life of assets prescribed under Schedule II to the Companies Act, 2013. The depreciation expense for each period is recognised in the restated consolidated summary statement of profit and loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end and adjusted prospectively if appropriate:

The estimates of useful life of property, plant and equipment's are as follows:

| <b>Asset</b>           | <b>Useful Life</b>              |
|------------------------|---------------------------------|
| Office Equipment       | 5 years                         |
| Furniture and Fixtures | 10 years                        |
| Computers              | 3 years                         |
| Servers                | 6 years                         |
| Leasehold improvements | Depreciated over the lease term |

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

#### **Intangible assets**

Intangible assets are stated at cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight-line basis over their estimated useful lives based on technical evaluation done by management expert. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the restated consolidated summary statement of profit and loss.

### Goodwill

Goodwill on acquisitions assets through assets transfer agreement is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses, if any.

### Customer relationships, Trademark, Non-compete fees

Customer relationships, trademark and non-compete fees acquired in a assets transfer agreement are recognised at fair value at the acquisition date. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses, if any.

### Amortisation methods, estimated useful lives and residual value:

The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

The estimated useful life of intangible assets are as follows:

| Asset                        | Useful Life |
|------------------------------|-------------|
| Computer Software            | 3 years     |
| Broker Relationships/Network | 4 years     |
| Customer Relationships       | 5 years     |
| Trademark                    | 5 years     |
| Non-compete Fees             | 5 years     |

### Impairment of non financial assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an assets or cash generating units net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### **Foreign Currencies**

#### Transaction and balances

##### *Initial Recognition*

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and the foreign currency at the date of the transaction.

##### *Subsequent Recognition*

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of initial transactions. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences on

translation/ settlement of foreign currency monetary assets and liabilities are recognised in the restated consolidated summary statement of profit and loss.

### ***Segment Reporting***

Operating segments are reported in a manner consistent with internal reporting provided to chief operating decision maker.

The Board of directors of Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) assesses the financial performance and position of the Group and makes strategic decisions. Board of directors has been identified as being the chief operating decision maker.

### ***Revenue recognition***

#### ***Revenue from services***

Revenue is measured based on transaction price, which is the consideration adjusted for discount, incentives and price concession if any, as specified in the contract with customer. Revenue is recognised at a point in time when the Group satisfies performance obligations by transferring the promised services to its customers. Generally, each service represents a separate performance obligation for which revenue is recognised when the performance obligation is satisfied.

The contract generally results in revenue recognised in excess of billings which are presented as unbilled in the balance sheet.

The Group accounts for revenues from contracts with customers in accordance with 'Ind AS 115' which sets forth a single comprehensive model for recognizing and reporting revenues. To recognise revenues, the group applies the following five step approach:

- (1) identify the contract with a customer,
- (2) identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract, and
- (5) recognise revenues when a performance obligation is satisfied.

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Group satisfies a performance obligation.

Revenue comprises of revenue from providing technical and business support services to customers which includes setting up, maintenance, updates etc. The Group also provides marketing and advertising services to companies and direct insurance and reinsurance to customers. Revenue from rendering services are recognised on an accrual basis when services are rendered.

#### ***A. Income from technical and support services***

Revenue from rendering of technical support services is recognised upon the delivery of the service, when due acknowledgement is received from the client regarding the same and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same are recorded in the period net of taxes based on the invoices raised at the rates as prescribed by the respective agreements.

*B. Income from marketing fees*

The revenue from rendering marketing, advertising, and other related services is recognized upon the delivery of the service when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same is recorded in the period net of taxes based on the invoices raised at the rates as prescribed by the respective agreements with customers.

*C. Income from distribution of mutual funds*

Commission income on distribution of the units of the mutual funds is recognized upon allotment of the units to the applicant subject to Group's establishment of its right to recover such revenue, which is based on receipt of details/statements of mutual funds distributed by the Group.

Revenue is measured based on the consideration specified in a contract with a customer. Revenue is recognised at a point in time when the Group satisfies performance obligations by transferring the promised services to its customers. Generally, each test represents a separate performance obligation for which revenue is recognised when the test report is generated i.e. when the performance obligation is satisfied.

*D. Referral income on distribution of financial products*

Revenue is recognised upon the delivery of the service, when due acknowledgement is received from the client regarding the same and no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. The same are recorded in the period net of taxes based on the invoices raised at the rates as prescribed by the respective agreements.

*E. Interest income*

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

*F. Income from Direct Insurance*

Commission income on direct insurance policies procured is recognized as income on the inception date of the risk subject to Group's establishment of its right to recover such revenue, which is based on receipt of details/statements from insurance companies.

*G. Income from Reinsurance*

Brokerage earned on Re-insurance business is accounted on an accrual basis as and when the premium is received by the Group.

Both direct insurance and reinsurance revenue are recognized in the period in which the service is rendered, in line with the accrual basis of accounting.

***Trade and other payables***

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost.

***Contract Liabilities***

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the company transfers the related services. Contract liabilities are recognised as revenue when the company performs under the contract (i.e., transfers control of the related goods or services to the customer).

### ***Borrowings***

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowing using the effective interest method.

Borrowings are recognised as current liabilities unless, the Group has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach. Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, is recognised in Statement of Profit and Loss as other gains/(losses).

### ***Financial instruments***

#### **Date of recognition**

The Group recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument.

#### **Initial recognition**

All financial assets and liabilities are recognised at fair value on initial recognition which depends on the financial assets contractual cashflow characteristics and the Group's business model for managing them, except trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

#### **Classification and subsequent measurement**

##### **Non-derivative financial instruments**

##### **Subsequent measurement**

For subsequent measurement, the Group classifies its financial assets in the following measurement categories:

those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

##### **Financial liabilities**

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities in case not at fair value through profit or loss, are initially measured at fair value minus transaction costs that are attributable to the acquisition of the financial liabilities. Borrowings are recognized initially at fair value, net of transaction costs incurred, and subsequently carried at amortised cost, any difference between the initial carrying value and the redemption value is recognized in the statement of profit and loss over the period of the borrowings using the effective interest rate method. Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

##### **Financial assets**

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial

assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

A financial asset is measured at amortised cost when they are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on principal amount outstanding. The amortised cost of a financial asset is also adjusted for impairment loss, if any. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

#### Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group is recognised at the proceeds received, net of directly attributable transaction costs.

#### Compound financial instruments

The component parts of compound financial instruments issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recorded as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured.

Transaction costs that relate to the issue of the convertible instruments are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible instrument using the effective interest method.

#### Derecognition of financial instrument

1. The Group derecognises the financial asset when the contractual rights to the cash flow from the financial asset expires or it transfers the contractual rights to receive the cash flows from the asset. A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expires.
2. The Group has transferred its rights to receive cash flows from the asset and the Group has transferred substantially all the risks and rewards of the asset, or the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
3. A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

#### Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

#### *Fair value measurement*

The Group measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of a financial asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### ***Impairment of financial asset***

The Group assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since its initial recognition.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognized in restated summary statement of profit and loss.

#### ***Taxes***

##### *Current income tax*

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax asset and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Group and its subsidiary operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

#### Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the Restated Consolidated Summary Financial Information. Deferred income tax is also not recognised if it arises from initial recognition of an asset or liability in a transaction other than business combination that at the time of transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax is recognised for all deductible temporary and unused tax losses and only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Considering the past history making consecutive losses no Deferred tax Asset has not been recognised in the restated consolidated summary financial information.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset when the Group has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in the other comprehensive income or directly in equity, respectively.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

#### Goods and Services Tax (GST) on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of GST, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current/non-current assets/ liabilities in the Restated consolidated Summary Statement of assets and liabilities.

#### Uncertain tax position

Taxation authority will accept tax position taken by the Group. Uncertain tax positions are reflected in the overall measurement of the Group's tax expense and are based on the most likely amount or the expected value arrived at by the Group which provides a better prediction of the resolution of uncertainty. Uncertain tax positions are monitored and updated as and when new information becomes available, typically upon examination or action by the taxing authorities or through statute expiration and judicial precedent. The Group considers whether a particular amount payable or receivable for interest and penalties is an income tax, in which case Ind AS 12 is applied to that amount. When an amount payable for interest and penalties is determined to be within the scope of Ind AS 37, it is presented as part of financing cost or other expenses, respectively unless when there is an

overall settlement with tax authority and the interest and penalties cannot be identified separately in which case it is determined to be part of income taxes.

### ***Provisions, Contingent Liabilities and Contingent Assets***

#### **Provisions**

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the restated consolidated balance sheet date and are not discounted to its present value.

#### **Contingent liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. The Group does not recognise a contingent liability but discloses its existence and other required disclosures in notes to the restated consolidated summary financial information, unless the possibility of any outflow in settlement is remote as per the requirement of Ind AS 37.

#### **Contingent asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Group does not recognize the contingent asset in its Restated consolidated Summary financial information since this may result in the recognition of income that may never be realised. Where an inflow of economic benefits is probable, the Group disclose a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Group recognize such assets.

Provisions, contingent liabilities and contingent assets are reviewed at each reporting date.

### ***Leases***

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Group also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Group is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Group has elected to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. Thus, the Group has not opted for practical expedient under Ind AS 116 to recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

#### **As a lessee**

The Group recognises a right-of-use asset and a lease liability at the lease commencement date.

#### **Right-of-use asset**

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred

and restoration cost, less any lease incentives received. The Group is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs. The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

#### **Lease liabilities**

The lease liability is initially measured at amortised cost at the present value of the future lease payments discounted using incremental borrowing rate. If the discount rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### ***Cash and Cash Equivalents***

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of the restated consolidated summary statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

#### ***Trade receivables***

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects Group's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. Receivables with an unconditional right to consideration and no pending service obligation for which invoices are yet to be issued at the year end are presented as unbilled receivables.

#### ***Contract assets***

A contract asset is initially recognised for revenue earned from insurance companies because the receipt of consideration is conditional on successful completion of the service. Upon completion of the service and acceptance by the customer, the amount recognised as contract assets is reclassified to trade receivables.

#### ***Marketing Lead Cost***

The Group incurs marketing lead cost for generating leads for sign up for the TurtlemintPro Application. This cost majorly comprises payments made to partners for the promotion of TurtlemintPro Application and are in the nature of referral fee. The payment is made to partners as per approved policy and grid which interalia depends on the leads generated in a period.

#### ***Earnings Per Share***

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Group by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Group and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Ordinary shares includes compulsory convertible preference shares.

#### ***Retirement and Other Employee Benefits***

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employee render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The undiscounted liabilities are presented as current employee benefits obligations in the restated consolidated summary statement of assets and liabilities.

#### Post-employment obligations

The Group operated the following post-employment schemes:

- A. Defined contribution plans such as provident fund, employee state insurance corporation (ESIC) and national pension scheme (NPS); and
- B. Defined benefit plans such as gratuity

##### *A. Defined contribution plans*

Contribution towards provident fund and Employees' State Insurance Corporation for eligible employees is made to the regulatory authorities also the Group contributes to the National Pension Scheme and has no further obligation beyond making its contribution, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis. The Group's contributions to Defined Contributions Plans are charged to the Restated Consolidated Summary Statement of Profit and Loss as incurred.

##### *B. Defined benefit plans*

###### *Gratuity*

The Group provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee salary and the tenure of employment. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year.

The present value of the defined benefit obligation denominated is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the restated consolidated summary statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the restated consolidated summary statement of changes in equity and in the restated consolidated summary statement of assets and liabilities.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

##### *C. Other Employee Benefits*

###### *Bonus*

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

#### *Leave obligations*

Employees are not eligible for carry forward of leave balances and accordingly no provision for leave obligation created as at the year end.

#### *Share based payments*

The fair value of options granted under the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) Employee Stock Option Plan 2017 is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted.

Employee options:

The fair value of the options granted under the Turtlemint Fintech Solutions Limited (formerly known as Turtlemint Fintech Solutions Private Limited and Fintech Blue Solutions Private Limited) Employee Stock Option Plan 2017 to be expensed is determined by reference to the fair value of the options granted:

- Including any market performance condition
- Excluding impact of any service and non-market performance vesting conditions, (e.g. profitability, sales growth targets and remaining an employee of the entity over a specified time period ) and
- Including the impact of any non-vesting conditions (e.g. the requirement for employees to save or hold shares for a specific period of time).

In case of forfeiture of unvested option, portion of amount already expensed is reversed. In a situation where the vested option is forfeited or expires unexercised, the related balance standing to the credit of the “Share Based Payment Reserve” are transferred to the “General Reserve”.

When the options are exercised, the Group issues new equity shares of the Group of INR 1 each fully paid-up. The proceeds received and the related balance standing to credit of the Share Based Payment Reserve, are credited to share capital (nominal value) and securities premium.

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in Restated Consolidated Summary Statement of Profit and loss, with a corresponding adjustment to equity. The expense or credit in the Restated Consolidated Summary Statement of Profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

#### *Stock appreciation rights*

Liabilities for the Group’s share appreciation rights are recognised as employee benefit expenses. The liabilities are remeasured to fair value at each reporting date and are presented as employee benefit obligations in the restated consolidated summary statement of assets and liabilities.

#### ***Borrowing Cost***

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

#### ***Exceptional Items***

Exceptional items include income or expense that are considered to be part of ordinary activities, however are of such significance and nature that separate disclosure enables the user of the financial statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of their size, nature and incidence

so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Group.

### ***Business combination and Goodwill***

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred comprises the fair values of the assets transferred and liabilities and fair value resulting from contingent consideration.

Identifiable assets acquired and liabilities and contingent liabilities, if any assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. Acquisition-related costs are expensed as incurred.

The excess of the consideration transferred over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in the restated consolidated summary statement of profit and loss.

#### **Current versus non-current classification**

The Group presents assets and liabilities in the Restated Consolidated Summary Statement of Assets and Liabilities based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

### **Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Other disclosures relating to the Group's exposure to risks and uncertainties includes:

- Capital management
- Financial risk management objectives and policies
- Sensitivity analyses disclosures

### **Judgements**

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the Restated Consolidated Summary Financial Information:

#### **Determination of lease term**

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases of office premises, the following factors are normally the most relevant:

- a) If there are significant penalties to terminate (or not extend), the Group is typically reasonably certain to extend (or not terminate).
- b) If any leasehold improvements are expected to have a significant remaining value, the Group is typically reasonably certain to extend (or not terminate).
- c) Otherwise, the Group considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.

Most extension options in office leases have been included in the lease liability, because the Group could not replace the assets without significant cost or business disruption.

The lease term is reassessed if an option is actually exercised (or not exercised) or the Group becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

### **Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

#### **Useful lives of property, plant and equipment and intangible asset**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Group's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events which may impact their life, such as changes in technology, usage and other factors.

#### Provisions and contingent liabilities

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Group uses judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the restated consolidated summary financial information.

#### Provision for income tax and deferred tax assets

The Group uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs and allowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### Defined benefit plans

The Group makes provision for defined benefit plans and compensated absences based on the actuarial valuation report issued by a certified actuary pursuant to Ind AS 19 – Employee benefits. The assumptions include attrition rate, salary escalation rate, discount rates and mortality rates.

#### Share based payments

Estimating fair value for share based payment requires determination of the most appropriate valuation model. The estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the option, volatility and dividend yield and making assumptions about them.

#### Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the Restated Consolidated Summary Financial Information cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

#### Incremental Borrowing rate

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. Incremental borrowing rate is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

#### Impairment of Non Financial assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's

recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### Effective interest rate ("EIR")

The Group's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of financial instruments and recognises the effect of characteristics of the product life cycle. This estimation, by nature, requires an element of judgement regarding the expected behavioural and life-cycle of the instruments, as well as expected changes in fee income/expense that are integral parts of the instrument.

#### Expected credit Loss allowance on trade receivables and other financial assets

The loss allowances for trade and financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period.

#### Use of going concern assumption

The Board of Directors have carried out a detailed review of the market situation and assessed the business plans prepared by the management for the upcoming years. The business plan comprises the budgeted growth, profitability and revenue which is considering the present situation, expected orders and actual performance of the Group. The Board of Directors, considering the liquidity position and expected business projections, do not foresee the Group not being in a position to fulfil its obligations for a foreseeable future of minimum 12 months from the date of this restated consolidated summary financial information. Accordingly, the Restated Consolidated Summary Financial Information has been prepared on a going concern basis.

All assumptions are reviewed by the management at the end of each reporting period.

#### Events after the reporting period

If the Group receives information after the reporting period, but prior to the date of approval for issue, about conditions that existed at the end of the reporting period, it will assess whether the information affects the amounts that it recognises in its Restated Consolidated Summary Financial Information. The Group will adjust the amounts recognised in its Restated Consolidated Summary Financial Information to reflect any adjusting events after the reporting period and update the disclosures that relate to those conditions in light of the new information. For non-adjusting events after the reporting period, the Company will not change the amounts recognised in its Restated Consolidated Summary Financial Information, but will disclose the nature of the non-adjusting event and an estimate of its financial effect, or a statement that such an estimate cannot be made, if applicable.

### **Results of Operations on a restated basis**

The following table sets forth select financial information for the six months period ended September 30, 2025 and September 30, 2024 and Fiscals 2025, 2024 and 2023, the components of which are also expressed as a percentage of total income on a restated basis for such periods/ years indicated.

| Particulars                           | Six months period ended September 30, |                   |                 |                   |
|---------------------------------------|---------------------------------------|-------------------|-----------------|-------------------|
|                                       | 2025                                  |                   | 2024            |                   |
|                                       | (₹ million)                           | % of total income | (₹ million)     | % of total income |
| <b>Income</b>                         |                                       |                   |                 |                   |
| Revenue from operations               | 4,633.28                              | 98.71%            | 2,214.47        | 92.78%            |
| Other income                          | 60.40                                 | 1.29%             | 172.45          | 7.22%             |
| <b>Total income (I)</b>               | <b>4,693.68</b>                       | <b>100.00%</b>    | <b>2,386.92</b> | <b>100.00%</b>    |
| <b>Expenses</b>                       |                                       |                   |                 |                   |
| Employee benefits expense             | 1,225.48                              | 26.11%            | 1,055.72        | 44.23%            |

**Six months period ended September 30, 2025 compared to six months period ended September 30, 2024**

**Key Developments**

- Pursuant to the TIB Acquisition, with effect from May 8, 2024, TIB became a subsidiary of our Company. Accordingly, our financial condition and results of operations as of and for the six months period ended September 30, 2025 on a restated basis reflect the operations of TIB for the entire period compared to the six months period ended September 30, 2024 on a restated basis, which reflect the operations of TIB only from May 8, 2024 to September 30, 2024. For further information, see “- **Key Developments - Acquisition of our Subsidiary, Turtlemint Insurance Broking Services Private Limited (“TIB”)**” on page 352.

***Income***

Total income increased by 96.64% from ₹2,386.92 million in the six months period ended September 30, 2024 to ₹4,693.68 million in the six months period ended September 30, 2025 primarily due to an increase in revenue from operations.

***Revenue from operations***

Revenue from operations significantly increased by 109.23% from ₹2,214.47 million in the six months period ended September 30, 2024 to ₹4,633.28 million in the six months period ended September 30, 2025. This increase was primarily due to an increase in income from distribution of financial products by 115.98 % from ₹2,121.77 million in the six months period ended September 30, 2024 to ₹4,582.67 million in the six months period ended September 30, 2025 primarily on account of higher insurance commissions from our Insurer Partners as a result of an increase in our network of Digital Partners resulting in increase in the number of insurance policies sold through our platform from 2.70 million in the six months period ended September 30, 2024 to 3.34 million in the six months period ended September 30, 2025 resulting in an increase in Platform Premium from ₹11,816.89 million in the six months period ended September 30, 2024 to ₹15,903.79 million in the six months period ended September 30, 2025 and consolidation of TIB’s results of operations for the entire period during six months period ended September 30, 2025.

This increase in revenue from operations was marginally offset by a decrease in income from technical and support services by 45.40 % from ₹92.70 million in the six months period ended September 30, 2024 to ₹50.61 million in the six months period ended September 30, 2025 primarily due to reduction in the volumes of technical services provided to Insurers through Turtlefin platform and completion of certain contracts with third parties in relation to such technical services.

***Other income***

Other income decreased by 64.98% from ₹172.45 million in the six months period ended September 30, 2024 to ₹60.40 million in the six months period ended September 30, 2025 primarily due to a decrease in interest income on financial assets measured at amortised cost - deposits with bank(s) and financial institution by 63.97% from ₹158.97 million in six months period ended September 30, 2024 to ₹57.28 million in six months period ended September 30, 2025 primarily due to decrease in balance of deposits with banks and financial institution. Set out below are details of other income for the periods indicated:

| Particulars                                                    | Six months period ended September 30, |        |
|----------------------------------------------------------------|---------------------------------------|--------|
|                                                                | 2025                                  | 2024   |
|                                                                | (₹ million)                           |        |
| <b>Other income</b>                                            |                                       |        |
| Interest income on financial assets measured at amortised cost |                                       |        |
| - deposits with bank(s) and financial institution              | 57.28                                 | 158.97 |
| - on unwinding of security deposits                            | 1.99                                  | 2.06   |
| Interest on income-tax refund                                  | -                                     | 6.34   |
| Miscellaneous income                                           | 0.89                                  | 0.15   |
| Gain on early termination of lease                             | 0.16                                  | 4.93   |
| Gain on modification of lease                                  | 0.08                                  | -      |

### *Expenses*

Total expenses increased by 68.41% from ₹3,328.36 million in the six months period ended September 30, 2024 to ₹5,605.32 million in the six months period ended September 30, 2025 primarily due to an increase in other expenses and employee benefits expense in line with the increase in revenue from operations.

#### *Employee benefits expense*

Employee benefits expense increased by 16.08% from ₹1,055.72 million in the six months period ended September 30, 2024 to ₹1,225.48 million in the six months period ended September 30, 2025. This increase was primarily due to an increase in: (i) salaries, wages and bonus by 11.14% from ₹952.63 million in the six months period ended September 30, 2024 to ₹1,058.77 million in the six months period ended September 30, 2025 on account of consolidation of TIB's results of operations for the entire period during six months period ended September 30, 2025 and annual salary increments; and (ii) share based payment expense by 199.47% from ₹36.16 million in the six months period ended September 30, 2024 to ₹108.29 million in the six months period ended September 30, 2025 on account of additional ESOPs granted to employees under the "The Turtlemint Fintech Solutions ESOP Scheme, 2025" during the six months period ended September 30, 2025.

#### *Finance costs*

Finance costs decreased by 3.42% from ₹11.71 million in the six months period ended September 30, 2024 to ₹11.31 million in the six months period ended September 30, 2025 primarily due to a decrease in interest expense on financial liabilities measured at amortised cost on lease liabilities by 15.37% from ₹11.71 million in the six months period ended September 30, 2024 to ₹9.91 million in the six months period ended September 30, 2025.

#### *Depreciation and amortisation expense*

Depreciation and amortisation expenses decreased by 45.30% from ₹149.37 million in the six months period ended September 30, 2024 to ₹81.70 million in the six months period ended September 30, 2025 primarily due to a decrease in depreciation and amortisation expenses on other intangible assets by 89.38% from ₹65.90 million in the six months period ended September 30, 2024 to ₹7.00 million in the six months period ended September 30, 2025 primarily on account of accelerated amortisation during six months period ended September 30, 2024 on customer relationships and non-compete fees which was recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue as expected from the customers contracts.

#### *Impairment losses on financial instruments*

Impairment losses on financial instruments decreased by 14.74% from ₹25.92 million in the six months period ended September 30, 2024 to ₹22.10 million in the six months period ended September 30, 2025 primarily due to decrease in allowance for credit loss on trade receivables which was offset by an increase in provision for amounts recoverable from Point of sales persons due to an increase in cancelled policies, which reflects cancellations that have aged beyond 180 days and were accordingly provided for during this period, and allowance for credit loss on security deposits.

#### *Other Expenses*

Other expenses significantly increased by 104.48% from ₹2,085.64 million in the six months period ended September 30, 2024 to ₹4,264.73 million in the six months period ended September 30, 2025 primarily due to the following reasons:

- Commission expense on distribution of financial products increased by 130.30 % from ₹1,574.29 million in the six months period ended September 30, 2024 to ₹3,625.66 million in the six months period ended September 30, 2025 on account of increase in commission payouts to our Digital Partners for distribution of insurance products in line with the increase in business volumes and premium as well as consolidation of TIB's results of operations for the entire period during six months period ended September 30, 2025.
- Advertisement and marketing expenses (including acquisition marketing) increased by 29.92% from ₹263.30 million in the six months period ended September 30, 2024 to ₹342.08 million in the six months period ended September 30, 2025 primarily on account of payments made to acquire PoSPs and business promotion expenses.
- Software charges increased by 264.54% from ₹10.49 million in the six months period ended September 30, 2024 to ₹38.24 million in the six months period ended September 30, 2025 primarily driven by the acquisition of TIB, which resulted in incremental spend as well as with the onboarding of new software vendors for AI support on distribution and growth of operations.

#### ***Loss before exceptional items and tax***

For the reasons discussed above, loss before exceptional items and tax decreased by 3.17% from ₹(941.44) million in the six months period ended September 30, 2024 to ₹(911.64) million in the six months period ended September 30, 2025.

During the six months period ended September 30, 2025, we had exceptional items relating to:

- the Board of Directors of our Company at its meeting held on July 12, 2025 and Shareholders of our Company in their extraordinary general meeting held on July 17, 2025, approved a bonus issue of 500 equity shares for every equity share held by the equity shareholders of our Company as of July 12, 2025. Accordingly, the Board of Directors of our Company has, pursuant to the resolution dated July 21, 2025, made an allotment of 52,636,000 bonus equity shares of ₹1 each to its equity shareholders utilising securities premium account balance. Consequent to the bonus issue to the equity shareholders, the Board of Directors at its meeting held on August 12, 2025 and Shareholders of our Company in their extraordinary general meeting held on August 14, 2025, approved to adjust the conversion ratio of Seed Round CCPS, Series A CCPS, Series B CCPS, Series C CCPS, Series C1 CCPS, Series C2 CCPS, Series D CCPS, Series D1 CCPS, Series D2 CCPS and Series E CCPS to give an impact of the bonus issue referred above. Furthermore, the shareholders of our Company entered into the first amendment to the Series E amended and restated shareholders' agreement wherein the conversion ratio were agreed to be modified and adjusted downwards to 477:1 on the filing of the pre-filed draft red herring prospectus. The above has resulted in an increase of the shareholding of the existing equity shareholders of our Company. Such increase has been accounted as an expense amounting to ₹315.73 million and presented under 'Exceptional items' in the statement of profit and loss in the Restated Consolidated Financial Information for the six months period ended September 30, 2025; and
- IPO related expenses of ₹24.11 million. During the period, our Company incurred costs in connection with its IPO. In accordance with Ind AS 32 Financial Instruments: Presentation, only those IPO-related expenses that are incremental and directly attributable will be adjusted against security premium balance/ recoverable from selling shareholders. Costs that do not meet this criterion, are charged to the statement of profit and loss. Accordingly, IPO-related expenses amounting to ₹24.11 million have been recognised as "exceptional items", as these expenses are non-recurring in nature and do not arise from our Company's ordinary operating activities. Further, certain IPO-related expenses amounting to ₹148.85 million, which are directly attributable to the proposed issuance of equity instruments and for which the IPO is considered probable, have been disclosed in other current assets under "prepaid expenses" and will be adjusted against equity upon completion of the IPO.

#### ***Loss before tax***

For the reasons discussed above, loss before tax increased by 32.93% from ₹(941.44) million in the six months period ended September 30, 2024 to ₹(1,251.48) million in the six months period ended September 30, 2025.

### ***Tax Expense***

Total tax expense was ₹47.69 million in the six months period ended September 30, 2024 compared to nil in the six months period ended September 30, 2025. In six months period ended September 30, 2024, we had a deferred tax expense of ₹47.69 million resulting from reversal of the deferred tax assets pertaining to TIB on account of business losses incurred by TIB.

### ***Loss for the Period***

For the various reasons discussed above, loss for the period increased by 26.52% from ₹(989.13) million in six months period ended September 30, 2024 to ₹(1,251.48) million in six months period ended September 30, 2025.

### ***Total comprehensive income/ (loss) for the period, net of tax***

Total comprehensive loss for the period, net of tax was ₹(1,259.10) million in six months period ended September 30, 2025 compared to ₹(989.77) million in the six months period ended September 30, 2024. Other comprehensive loss for the period, net of tax was ₹(7.62) million in the six months period ended September 30, 2025 compared to other comprehensive loss for the period, net of tax ₹(0.64) million in the six months period ended September 30, 2024.

### **Fiscal 2025 compared to Fiscal 2024**

#### **Key Developments**

- Pursuant to the TIB Acquisition, with effect from May 8, 2024, TIB became a subsidiary of our Company. Accordingly, our financial condition and results of operations as of and for the financial year ended March 31, 2025 reflected the operations of TIB only from May 8, 2024 to March 31, 2025 as compared to Fiscal 2024 where the operations of TIB were not reflected. For further information, see “- **Key Developments - Acquisition of our Subsidiary, Turtlemint Insurance Broking Services Private Limited (“TIB”)**” on page 532.
- Effective Fiscal 2024, IRDAI revised the erstwhile Payment of Commission Regulation from the Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries, 2016 to Insurance Regulatory and Development Authority of India (Payment of Commission) Regulations, 2023 (*Source: Redseer Report*). The new regulations, while removing the commission caps, put in place overall limits on EOM of the general insurance, health and life insurers (*Source: Redseer Report*). As a result of these regulatory changes, we earned minimal income from marketing fees in Fiscal 2025. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

### ***Income***

Total income significantly increased by 481.95% from ₹1,191.17 million in Fiscal 2024 to ₹6,932.06 million in Fiscal 2025 primarily due to an increase in revenue from operations.

#### ***Revenue from operations***

Revenue from operations significantly increased by 742.69% from ₹786.42 million in Fiscal 2024 to ₹6,627.12 million in Fiscal 2025 primarily due to consolidation of TIB’s results of operations following the TIB Acquisition in Fiscal 2025. Income from distribution of financial products significantly increased by 9,214.35% from ₹69.46 million in Fiscal 2024 to ₹6,469.75 million in Fiscal 2025, reflecting TIB’s insurance broking operations.

This increase in revenue from operations was marginally offset by a decrease in income from marketing fees from ₹421.66 million in Fiscal 2024 compared to ₹0.00 million in Fiscal 2025 as a result of insurance companies significantly reducing their marketing spend on account of the certain regulatory changes implemented by the IRDAI. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

#### ***Other income***

Other income decreased by 24.66% from ₹404.75 million in Fiscal 2024 to ₹304.94 million in Fiscal 2025 primarily due to a decrease in interest income on financial assets measured at amortised cost - deposits with banks

and financial institution by 33.20% from ₹398.89 million in Fiscal 2024 to ₹266.46 million in Fiscal 2025 primarily due to decrease in balance of deposits with banks and financial institution which was offset by an increase in interest on income-tax refund from nil in Fiscal 2024 to ₹26.11 million in Fiscal 2025. Set out below are details of other income for the years indicated:

| Particulars                                                    | Fiscal      |        |
|----------------------------------------------------------------|-------------|--------|
|                                                                | 2025        | 2024   |
|                                                                | (₹ million) |        |
| <b>Other income</b>                                            |             |        |
| Interest income on financial assets measured at amortised cost |             |        |
| - deposits with bank(s) and financial institution              | 266.46      | 398.89 |
| - on unwinding of security deposits                            | 3.79        | 3.37   |
| Interest on income-tax refund                                  | 26.11       | -      |
| Gain on early termination of lease                             | 8.58        | 2.49   |

### *Expenses*

Total expenses significantly increased by 182.45% from ₹3,124.65 million in Fiscal 2024 to ₹8,825.68 million in Fiscal 2025 primarily due to an increase in other expenses and employee benefits expense in line with the increase in revenue from operations.

#### *Employee benefits expense*

Employee benefit expense increased by 37.80% from ₹1,615.66 million in Fiscal 2024 to ₹2,226.45 million in Fiscal 2025 primarily due to the TIB Acquisition, which resulted in consolidating the employee benefit expenses of TIB in Fiscal 2025. Salaries, wages and bonus increased by 39.86% from ₹1,417.70 million in Fiscal 2024 to ₹1,982.76 million in Fiscal 2025.

#### *Finance costs*

Finance costs increased by 18.38% from ₹19.15 million in Fiscal 2024 to ₹22.67 million in Fiscal 2025 primarily due to an increase in interest expense on financial liabilities measured at amortised cost on lease liabilities by 14.88% from ₹19.15 million in Fiscal 2024 to ₹22.00 million in Fiscal 2025 due to the increase in number of our physical branches on account of the TIB Acquisition.

#### *Depreciation and amortisation expense*

Depreciation and amortisation expense increased by 48.16% from ₹197.21 million in Fiscal 2024 to ₹292.18 million in Fiscal 2025 primarily due to an increase in: (i) amortisation of other intangible assets by 131.09% from ₹57.57 million in Fiscal 2024 to ₹133.04 million in Fiscal 2025 primarily on account of accelerated amortisation of customer relationships and non-compete fees recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue than expected from the customers contracts; and (ii) amortisation of right-to-use-asset by 37.43% from ₹77.98 million in Fiscal 2024 to ₹107.17 million in Fiscal 2025 primarily due to the increase in number of our physical branches on account of the TIB Acquisition.

#### *Impairment on non current assets*

Impairment on non current assets decreased to nil in Fiscal 2025 compared to ₹7.39 million in Fiscal 2024 primarily on account of impairment on goodwill recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue with customers contracts.

#### *Impairment losses on financial instruments*

Impairment losses on financial instruments significantly increased by 460.83% from ₹6.28 million in Fiscal 2024 to ₹35.22 million in Fiscal 2025 primarily due to an increase in financial instruments measured at amortised cost – allowance for credit loss on trade receivables.

#### *Other Expenses*

Other expenses significantly increased by 388.61% from ₹1,278.96 million in Fiscal 2024 to ₹6,249.16 million in Fiscal 2025 primarily due to the TIB Acquisition and consolidation of TIB's results of operations in Fiscal 2025.

Commission expense on distribution of financial products significantly increased from ₹16.25 million in Fiscal 2024 to ₹4,941.06 million in Fiscal 2025 reflecting TIB's insurance broking operations with effect from May 8, 2024 conducted through Digital Partners and the associated commission payouts to Digital Partners. In addition, on account of the consolidation of TIB's balances in Fiscal 2025: (i) communication expense increased by 408.31% from ₹17.08 million in Fiscal 2024 to ₹86.82 million in Fiscal 2025; (ii) office expense increased by 223.87% from ₹24.42 million in Fiscal 2024 to ₹79.09 million in Fiscal 2025; (iii) professional fees increased by 149.08% from ₹37.53 million in Fiscal 2024 to ₹93.48 million in Fiscal 2025; and (iv) travelling and conveyance increased by 69.97% from ₹39.03 million in Fiscal 2024 to ₹66.34 million in Fiscal 2025.

### ***Loss Before Tax***

For the reasons discussed above, loss before tax decreased by 2.06% from ₹(1,933.48) million in Fiscal 2024 to ₹(1,893.62) million in Fiscal 2025.

### ***Tax Expense***

Total tax expense was ₹47.43 million in Fiscal 2025 compared to nil in Fiscal 2024. In Fiscal 2025, we had a deferred tax expense of ₹47.43 million resulting from reversal of the deferred tax assets pertaining to TIB on account of business losses incurred by TIB.

### ***Loss for the Year***

For the various reasons discussed above, loss for the year increased by 0.39% from ₹(1,933.48) million in Fiscal 2024 to ₹(1,941.05) million in Fiscal 2025.

### ***Total comprehensive income/ (loss) for the year, net of tax***

Total comprehensive loss for the year, net of tax was ₹(1,944.57) million in Fiscal 2025 compared to ₹(1,931.11) million in Fiscal 2024. Other comprehensive loss for the year, net of tax was ₹(3.52) million in Fiscal 2025 compared to other comprehensive income for the year, net of tax ₹2.37 million in Fiscal 2024.

### **Fiscal 2024 compared to Fiscal 2023**

#### ***Key Developments***

Effective Fiscal 2024, IRDAI revised the erstwhile Payment of Commission Regulation from the Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries, 2016 to Insurance Regulatory and Development Authority of India (Payment of Commission) Regulations, 2023 (*Source: Redseer Report*). The new regulations, while removing the commission caps, put in place overall limits on EOM of the general insurance, health and life insurers (*Source: Redseer Report*). As a result of these regulatory changes, our income from marketing fees declined significantly in Fiscal 2024. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

#### ***Income***

Total income significantly decreased by 74.11% from ₹4,601.13 million in Fiscal 2023 to ₹1,191.17 million in Fiscal 2024 primarily due to a decrease in revenue from operations.

#### ***Revenue from operations***

Revenue from operations significantly decreased by 81.27% from ₹4,199.17 million in Fiscal 2023 to ₹786.42 million in Fiscal 2024 primarily due to a decrease in income from marketing fees by 88.60% from ₹3,697.49 million in Fiscal 2023 to ₹421.66 million in Fiscal 2024 as a result of insurance companies significantly reducing their marketing spend on account of the certain regulatory changes implemented by the IRDAI. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533. Income from technical and support services also decreased by 38.12% from ₹477.23 million in Fiscal 2023 to ₹295.30 million in Fiscal 2024. This was primarily due to reduction in revenue for providing such services to TIB, which was not our subsidiary in Fiscals 2024 and 2023.

#### ***Other income***

Other income marginally increased by 0.69% from ₹401.96 million in Fiscal 2023 to ₹404.75 million in Fiscal 2024 primarily due to a marginal increase in interest income on financial assets measured at amortised cost – deposits with banks and financial institution, which was offset by a decrease in interest on income-tax refund from ₹6.92 million in Fiscal 2023 to nil in Fiscal 2024. Set out below are details of other income for the years indicated:

| Particulars                                                    | Fiscal      |        |
|----------------------------------------------------------------|-------------|--------|
|                                                                | 2024        | 2023   |
|                                                                | (₹ million) |        |
| <b>Other income</b>                                            |             |        |
| Interest income on financial assets measured at amortised cost |             |        |
| - deposits with bank(s) and financial institution              | 398.89      | 392.11 |
| - on unwinding of security deposits                            | 3.37        | 2.93   |
| Interest on income-tax refund                                  | -           | 6.92   |
| Gain on early termination of lease                             | 2.49        | -      |

### **Expenses**

Total expenses decreased by 58.24% from ₹7,482.96 million in Fiscal 2023 to ₹3,124.65 million in Fiscal 2024 primarily due to a decrease in other expenses, depreciation and amortisation expense and employee benefit expenses.

#### *Employee benefit expense*

Employee benefit expense decreased by 18.25% from ₹1,976.26 million in Fiscal 2023 to ₹1,615.66 million in Fiscal 2024 primarily due to salaries, wages and bonus. Salaries, wages and bonus decreased by 20.77% from ₹1,789.35 million in Fiscal 2023 to ₹1,417.70 million in Fiscal 2024 primarily due to a reduction in the average number of employees on account of structural reorganization undertaken in line with the decrease in revenue from operations. This decrease was partially offset by an increase in share based payment expense, which increased by 65.22% from ₹81.46 million in Fiscal 2023 to ₹134.59 million in Fiscal 2024, primarily due to stock options being granted in the latter half of Fiscal 2023 resulting in the cost of the stock options being recorded for the full year in Fiscal 2024 compared to only a certain portion in Fiscal 2023.

#### *Finance costs*

Finance costs decreased by 11.67% from ₹21.68 million in Fiscal 2023 to ₹19.15 million in Fiscal 2024 primarily due to a decrease in interest expense on financial liabilities measured at amortised cost on debentures and lease liabilities on account of repayment of debentures.

#### *Depreciation and amortisation expense*

Depreciation and amortisation expense increased by 60.52% from ₹122.86 million in Fiscal 2023 to ₹197.21 million in Fiscal 2024 primarily due to an increase in amortisation of other intangible assets by 486.25% from ₹9.82 million in Fiscal 2023 to ₹57.57 million in Fiscal 2024 primarily on account of our accelerated amortisation of customer relationships recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue as expected from the customers contracts.

#### *Impairment on non current assets*

Impairment on non current assets increased to ₹7.39 million in Fiscal 2024 from nil in Fiscal 2023 primarily on account of impairment on goodwill recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue with customers contracts.

#### *Impairment losses on financial instruments.*

Impairment losses on financial instruments decreased by 45.96% from ₹11.62 million in Fiscal 2023 to ₹6.28 million in Fiscal 2024 primarily due to a decrease in financial instruments measured at amortised cost – allowance for credit loss on trade receivables.

#### *Other Expenses*

Other expenses significantly decreased by 76.10% from ₹5,350.54 million in Fiscal 2023 to ₹1,278.96 million in Fiscal 2024 primarily due to advertisement and marketing expenses (including acquisition marketing), which

decreased by 81.52% from ₹4,750.14 million in Fiscal 2023 to ₹877.80 million in Fiscal 2024. This decrease was in line with the decrease in income from marketing fees in Fiscal 2024 (see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533). Our Company shifted its acquisition strategy for Digital Partners towards digital channels and as a result the referral payments to Digital Partners for the recruitment of new Digital Partners decreased significantly. In addition, we did not renew a brand marketing campaign with a brand ambassador upon its expiry. Tech and other support expense also decreased by 55.16% from ₹190.17 million in Fiscal 2023 to ₹85.27 million in Fiscal 2024, primarily due to the introduction of our Insurance Hub platform that enabled us to automate and reduce the time to integrate new products from our Insurer Partners, resulting in a reduction in technology-related costs, including outsourced technology staff costs.

### **Loss Before Tax**

For the reasons discussed above, loss before tax decreased by 32.91% from ₹(2,881.83) million in Fiscal 2023 to ₹(1,933.48) million in Fiscal 2024.

### **Tax Expense**

Total tax expense nil in Fiscals 2024 and 2023 due incurring loss before tax.

### **Loss for the Year**

For the various reasons discussed above, loss for the year decreased by 32.91% from ₹(2,881.83) million in Fiscal 2023 to ₹(1,933.48) million in Fiscal 2024.

### **Total comprehensive income/ (loss) for the year, net of tax**

Total comprehensive loss for the year, net of tax was ₹(1,931.11) million in Fiscal 2024 compared to ₹(2,884.34) million in Fiscal 2023. Other comprehensive loss for the year, net of tax was ₹(2.51) million in Fiscal 2023 compared to other comprehensive profit for the year, net of tax ₹2.37 million in Fiscal 2024.

### **Liquidity and Capital Resources**

Historically, our primary liquidity requirements have been to finance our working capital needs for our operations and funding our operating losses. We have met these requirements primarily through equity infusions from shareholders and borrowings. As of September 30, 2025, we had current assets – financial assets - cash and cash equivalents of ₹1,014.69 million, current assets – financial assets - bank balances other than cash and cash equivalents of ₹800.12 million and current assets – financial assets - other financial assets of ₹56.43 million.

We have incurred net losses and negative operating cash flows in the past and may continue to do so in the future, and as a result, we may require additional capital resources. We believe our existing cash and cash equivalents, and proceeds from the Offer, will be sufficient to meet our working capital and capital expenditures needs for at least the next 12 months. See “**Risk Factors – Internal Risks - We have incurred loss for the period/ year of (₹1,251.48) million, (₹989.13) million, (₹1,941.05) million, (₹1,933.48) million and (₹2,881.83) million on a restated basis in the six months period ended September 30, 2025 and September 30, 2024, and Fiscals 2025, 2024 and 2023, respectively, and proforma loss for the year of (₹2,025.62) million, (₹1,869.90) million and (₹2,837.56) million on a proforma basis, in Fiscals 2025, 2024 and 2023, respectively. We have also witnessed negative cash flows from operations (net cash flow (used) in operating activities was (₹1,274.80) million, (₹1,202.84) million, (₹2,158.08) million, (₹2,416.66) million and (₹2,859.16) million on a restated basis in the six months period ended September 30, 2025 and September 30, 2024, and Fiscals 2025, 2024 and 2023, respectively). Our Net Worth has decreased from as of March 31, 2023 to September 30, 2025 and we had negative Return on Net Worth and negative EPS in the six months period ended September 30, 2025 and September 30, 2024 and Fiscals 2025, 2024 and 2023. If we are unable to generate adequate revenue growth and manage our expenses and cash flows, we may continue to incur losses and our business, financial condition, results of operations and cash flows may be adversely affected**” on page 43.

### **Cash Flow on a restated basis**

The following table summarizes our cash flows for the periods/ years indicated:

| Particulars                                                     | Six months period ended<br>September 30, |               |               | Fiscal        |               |
|-----------------------------------------------------------------|------------------------------------------|---------------|---------------|---------------|---------------|
|                                                                 | 2025                                     | 2024          | 2025          | 2024          | 2023          |
|                                                                 | (₹ million)                              |               |               |               |               |
| Net cash flow (used) in operating activities (A)                | (1,274.80)                               | (1,202.84)    | (2,158.08)    | (2,416.66)    | (2,859.16)    |

| Cash and cash equivalents at the beginning of the period/ year  | 913.70                                   | 866.92        | 866.92        | 902.17        | 527.68        |
| <b>Cash and cash equivalents at the end of the period/ year</b> | <b>1,014.69</b>                          | <b>727.33</b> | <b>913.70</b> | <b>866.92</b> | <b>902.17</b> |

#### *Net cash flow (used) in operating activities*

Net cash flow (used) in operating activities was ₹1,274.80 million in the six months period ended September 30, 2025. Our loss before tax was ₹1,251.48 million in the six months period ended September 30, 2025, with adjustments to reconcile loss before tax to net cashflows primarily including financial instruments related expenses of ₹315.73 million (for further information, see “– **Results of Operations on a restated basis – Six months period ended September 30, 2025 compared to six months period ended September 30, 2024 - Loss before exceptional items and tax**” on page 560), share based payment expense of ₹108.29 million, depreciation and amortisation expenses of ₹81.70 million and interest income on deposits of ₹(57.28) million. Our operating cash flow before working capital changes was ₹(747.75) million in the six months period ended September 30, 2025. Our working capital adjustments in the six months period ended September 30, 2025 were primarily due to an increase in other assets of ₹(189.24) million primarily relating to certain IPO-related expenses, which are directly attributable to the proposed issuance of equity instruments and for which the IPO is considered probable, have been disclosed in other current assets under “prepaid expenses” and will be adjusted against equity upon completion of the IPO and decrease in other financial liabilities of ₹(124.75) million primarily on account of payment of variable bonus to employees and the final milestone payment of Last Decimal’s business acquisition costs, which was offset by an decrease in trade receivables of ₹162.69 million primarily attributable to the seasonal nature of our revenue, whereby unbilled receivables were higher at March fiscal year-end and lower at September in line with seasonal trends. In the six months period ended September 30, 2025, cash (used) in operations amounted to ₹995.60 million and income tax paid (net of refund) was ₹279.20 million.

Net cash flow (used) in operating activities was ₹1,202.84 million in the six months period ended September 30, 2024. Our loss before tax was ₹941.44 million in the six months period ended September 30, 2024, with adjustments to reconcile loss before tax to net cashflows primarily including interest income on deposits of ₹(158.97) million and depreciation and amortisation expenses of ₹149.37 million. Our operating cash flow before working capital changes was ₹(887.13) million in the six months period ended September 30, 2024. Our working capital adjustments in the six months period ended September 30, 2024 were primarily due to a decrease in trade payables of ₹(251.42) million on account of the TIB acquisition and decrease in other liabilities of ₹68.91 million. In the six months period ended September 30, 2024, cash (used) in operations amounted to ₹1,234.29 million and income tax paid (net of refund) was ₹31.45 million.

Net cash flow (used) in operating activities was ₹2,158.08 million in Fiscal 2025. Our loss before tax was ₹1,893.62 million in Fiscal 2025, with adjustments to reconcile loss before tax to net cashflows primarily including depreciation and amortisation expenses of ₹292.18 million, interest income on deposits of ₹(266.46) million and share based payment expense of ₹117.60 million. Our operating cash flow before working capital changes was ₹(1,724.97) million in Fiscal 2025. Our working capital adjustments in Fiscal 2025 were primarily due to an increase in trade receivables of ₹(771.07) million on account of account of the TIB Acquisition, which included receivables recognized on long-term insurance policies, and increase in other assets of ₹106.42 million, which was marginally offset by an increase in other liabilities of ₹82.35 million and increase in other financial liabilities of ₹41.24 million. In Fiscal 2025, cash (used) in operations amounted to ₹2,481.37 million and income tax paid (net of refund) was ₹323.29 million.

Net cash flow (used) in operating activities was ₹2,416.66 million in Fiscal 2024. Our loss before tax was ₹1,933.48 million in Fiscal 2024, with adjustments to reconcile loss before tax to net cashflows primarily including depreciation and amortisation expenses of ₹197.21 million, interest income on deposits of ₹(398.89)

million and share based payment expense of ₹134.59 million. Our operating cash flow before working capital changes was ₹(1,967.45) million in Fiscal 2024. Our working capital adjustments in Fiscal 2024 were primarily due to a decrease in trade payables of ₹(821.62) million on account of reduction in the accruals for the amounts payable to Digital Partners as a result of decrease in referral payments made to Digital Partners in line with the change in our Digital Partner acquisition strategy and decrease in other liabilities of ₹(161.94) million on account of reduction in statutory dues pertaining to GST payable in line with the decrease in revenues, which was offset by a decrease in trade receivables of ₹668.96 million on in line with the decrease in our revenue from operations in Fiscal 2024. In Fiscal 2024, cash (used) in operations amounted to ₹2,349.15 million and income tax paid (net of refund) was ₹(67.51) million.

Net cash flow (used) in operating activities was ₹2,859.16 million in Fiscal 2023. Our loss before tax was ₹2,881.83 million in Fiscal 2023, with adjustments to reconcile loss before tax to net cashflows primarily including depreciation and amortisation expenses of ₹122.86 million, interest income on deposits of ₹(392.11) million and share based payment expense of ₹81.46 million. Our operating cash flow before working capital changes was ₹(3,046.17) million in Fiscal 2023. Our working capital adjustments in Fiscal 2023 were primarily due to an increase in trade receivables of ₹(293.98) million in line with the increase in our revenue from operations, which was significantly offset by an increase in trade payables of ₹361.40 million on account of increase in payouts to Digital Partners as result of higher referral and marketing related activities on our platform and increase in other liabilities of ₹117.17 million on account of increase in statutory dues pertaining to GST payable on the revenue billed. In Fiscal 2023, cash (used) in operations amounted to ₹2,846.46 million and income taxes paid (net of refund) was ₹12.70 million.

#### *Net cash flow generated/(used) in investing activities*

Net cash flow generated from investing activities in the six months period ended September 30, 2025 was ₹1,436.45 million, which primarily consisted of redemption in fixed deposits of ₹5,274.98 million, which was significantly offset by an investments in fixed deposits of ₹3,937.92 million.

Net cash flow generated from investing activities in the six months period ended September 30, 2024 was ₹1,211.21 million, which primarily consisted of redemption in fixed deposits of ₹8,068.34 million, which was significantly offset by an investments in fixed deposits of ₹7,245.84 million.

Net cash flow generated from investing activities in Fiscal 2025 was ₹2,352.26 million, which primarily consisted of redemption in fixed deposits of ₹15,578.19 million, which was significantly offset by an investments in fixed deposits of ₹13,712.05 million.

Net cash flow generated from investing activities in Fiscal 2024 was ₹2,477.89 million, which primarily consisted of redemption in fixed deposits of ₹14,011.30 million, which was significantly offset by an investments in fixed deposits of ₹12,002.43 million.

Net cash flow (used) in investing activities in Fiscal 2023 was ₹5,793.16 million, which primarily consisted of investments in fixed deposits of ₹22,449.13 million, which was significantly offset by redemption in fixed deposits of ₹16,747.55 million.

#### *Net cash flow generated/(used) in financing activities*

Net cash flow (used) in financing activities in the six months period ended September 30, 2025 was ₹60.66 million, which was primarily due to payment of lease liabilities (principal) of ₹55.21 million and share issue expenses paid of ₹24.11 million, which was offset by proceeds from issuance of compulsorily convertible preference shares of ₹29.97 million.

Net cash flow (used) in financing activities in the six months period ended September 30, 2024 was ₹147.96 million, which was primarily due to acquisition of non-controlling interest of ₹86.77 million, payment of lease liabilities (principal) of ₹49.48 million and payment of lease liabilities (interest) of ₹11.71 million.

Net cash flow (used) in financing activities in Fiscal 2025 was ₹147.40 million, which was primarily due to loan repaid of ₹150.00 million, payment of lease liabilities (principal) of ₹102.48 million and acquisition of non-controlling interest of ₹86.77 million, which was offset by loan taken of ₹150.00 million and proceeds from issuance of equity share capital of ₹83.52 million.

Net cash flow (used) in financing activities in Fiscal 2024 was ₹96.47 million, which was primarily due to payment of lease liabilities (principal) of ₹77.32 million and payment of lease liabilities (interest) of ₹19.15 million.

Net cash flow generated from financing activities in Fiscal 2023 was ₹9,026.81 million, which was primarily due to proceeds from issuance of equity share capital of ₹9,158.62 million comprising of a fresh issue of 78,252 0.001% compulsory convertible preference shares at a face value of ₹20 per share with a premium of ₹117,020 per share.

### **Unaudited Proforma Financial Information**

On May 8, 2024, our Company acquired 75.14% of the voting shares of TIB, a company based in India and engaged in the business of providing insurance broking services. On September 28, 2024 by way of buyback transaction undertaken by TIB to other pre-existing shareholders, TIB became a wholly owned subsidiary of our Company. The Unaudited Proforma Financial Information has been prepared to illustrate the impact of this significant acquisition. Unaudited Proforma Financial Information details of our Company together with its wholly owned Subsidiaries (Turtlemint Mutual Fund Distributors Private Limited and Turtlemint Insurance Broking Services Private Limited) collectively known as “Group”.

### **Basis of Preparation**

The Unaudited Proforma Financial Information for the year ended March 31, 2025, March 31, 2024 and March 31, 2023 have been voluntarily prepared by the management of Company in accordance with the requirements of the SEBI ICDR Regulations issued by SEBI, in respect of TIB acquisition for which financial information is disclosed in this UDRHP-I, considering that the acquisition is material for the purpose of the business.

Considering the financial information of the TIB for the period ended May 7, 2024 and for the years ended March 31, 2024 and March 31, 2023 is material and important to the Group and as advised by Book Running Lead Managers, the management of the Company has included such information in the Unaudited Proforma Financial Information, although the same is not required to be mandatorily included as per SEBI ICDR Regulations, as amended.

The Unaudited Proforma Financial Information has been compiled by the management of the Group to illustrate the impact of the acquisition of Turtlemint Insurance Broking Services Limited on the Group’s financial performance for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023 as if the aforesaid acquisitions had been consummated on April 1, 2024, April 1, 2023, and April 1, 2022, respectively.

The Unaudited Proforma Financial Information is prepared for the purposes of inclusion in this UDRHP-I in connection with the offering of the equity shares of the Company as part of the overall proposed initial public offering of equity shares of the Company. The information with respect to acquisition of Turtlemint in the Unaudited Proforma Financial Information for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 and corresponding proforma adjustments is not specifically required to be included in this UDRHP-I pursuant to the SEBI ICDR Regulations. However, the Company believes that such information is material for the investors and is therefore included on voluntary basis in this UDRHP-I.

The Unaudited Proforma Financial Information have been prepared specifically for inclusion in this UDRHP-I to be filed by the Company with SEBI in connection with proposed IPO. The Proforma Financial Information has been prepared by the Group to illustrate the impact of acquisition transaction undertaken as if the acquisition had taken place as on April 1, 2024, April 1, 2023 and April 1, 2022 respectively for the purpose of Unaudited Proforma Statement of Profit and Loss.

The Unaudited Proforma Financial Information is based on:

- i. Restated consolidated summary statements of the Group as of and for each of the years ended March 31, 2025, March 31, 2024 and March 31, 2023.
- ii. Special Purpose Ind AS Financial Information of TIB as of and for the years ended March 31, 2024 and March 31, 2023. TIB prepared financial statements as per Companies (Accounting Standards) Rules, 2021 (“Indian GAAP”) till March 31, 2024. For the purpose of preparation of proforma financial information, TIB prepared special purpose IND AS financial statements for the years ended March 31, 2023 and March 31, 2024.
- iii. Special Purpose Interim Ind AS Financial Information of TIB for the period April 1, 2024 to May 7, 2024;

- iv. Inter group eliminations between the Group and TIB as at and for the years ended March 31, 2024 and March 31, 2023 and for the period from April 1, 2024 to May 7, 2024;
- v. Adjustments to the unaudited proforma financial information arising from transactions between the Group and the acquired entity during the years ended March 31, 2024 and March 31, 2023 and for the period from April 1, 2024 to May 7, 2024 for the purpose of unaudited proforma statement of profit and loss; and
- vi. Adjustments to recognise the impact of allocation of purchase consideration paid/payable by the Company.

The Unaudited Proforma Financial Information are presented in Indian Rupees which is also the Group's functional currency.

The assumptions and estimates underlying the adjustments to the Unaudited Proforma Financial Information are described hereinafter which should be read together with the Unaudited Proforma Statement of Profit and Loss.

The Unaudited Proforma Financial Information are prepared using uniform accounting policies for the like transactions and other events in similar circumstances. Adjustments, if any, are made in preparing Unaudited Proforma Financial Information to ensure uniformity of the Group's accounting policies with Turtlemint's accounting policies. The financial statements of all entities used for the purpose of Unaudited Proforma Financial Information are drawn up to the same reporting dates as that of the Group, i.e., years ended on March 31, 2025, March 31, 2024 and March 31, 2023.

The Unaudited Proforma Financial Information should be read together with the Group's restated consolidated summary statements and the audited financial statements of TIB.

The business combination of Turtlemint has been accounted for under the acquisition method in accordance with Ind AS 103 'Business Combinations'. Accordingly, the Group has allocated the purchase consideration to the estimated fair value of assets acquired and liabilities assumed and recognised the difference between purchase consideration and net assets as goodwill in the Unaudited Proforma Financial Information as at March 31, 2024 and March 31, 2023.

The Special Purpose IND AS Financial Statements of TIB have been prepared in accordance with the measurement and recognition principles of Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) after considering the transition date for Ind AS adoption of TIB as of April 01, 2022. However, these Special Purpose Financial Statements do not include certain disclosures which would have otherwise been required for General Purpose Financial Statements and as such omit disclosures such as transition date balance sheet, comparative information and certain other disclosures as envisaged under Ind AS and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The Unaudited Proforma Financial Information were approved by the Board of Directors of the Holding Company on September 4, 2025.

Because of their nature, the Unaudited Proforma Financial Information addresses a hypothetical situation and therefore, does not represent the Group's factual financial results. Accordingly, the Unaudited Proforma Financial Information does not necessarily reflect what the Group's financial results of operations would have been had the acquisitions occurred on the dates indicated and is also not intended to be indicative of expected financial results of operations in future periods. The actual statement of profit and loss may differ significantly from the proforma amounts reflected herein due to variety of factors.

The proforma adjustments are based upon available information and assumptions that the management of the Group believes to be reasonable. Further, such Unaudited Proforma Financial Information has not been prepared in accordance with standards and practices acceptable in any other jurisdiction and accordingly, should not be relied upon as if it had been carried out in accordance with those standards and practices in any other jurisdiction.

Accordingly, the degree of reliance placed by anyone on such Unaudited Proforma Financial Information should be limited. In addition, the rules and regulations related to the preparation of Unaudited Proforma Financial Information in other jurisdictions may also vary significantly from the basis of preparation as set out in paragraphs above to prepare these Unaudited Proforma Financial Information.

The Unaudited Proforma Balance Sheet is not included herein as the transaction is already reflected in the Restated Consolidated Summary Statements of Turtlemint Fintech Solutions Limited as at March 31, 2025.

### Results of Operations on a proforma basis

The following table sets forth select unaudited proforma financial information for Fiscals 2025, 2024 and 2023, the components of which are also expressed as a percentage of total income on a proforma basis for such years indicated. Also, see “*Risk Factors – Internal Risk Factors – Our Company acquired Turtlemint Insurance Broking Services Private Limited with effect from May 8, 2024 from one of our Promoters, Dharendra Nalin Mahyavanshi, and accordingly, we do not have a long consolidated operating history through which our overall performance may be evaluated. Further, the Unaudited Proforma Financial Information prepared for this UDRHP-I is presented for illustrative purposes only to illustrate the impact of the TIB Acquisition on our results of operations as if the acquisition had been consummated on April 1, 2024, April 1, 2023 and April 1, 2022 and may not accurately reflect our future results of operations*” on page 48.

| Particulars                                                                | Fiscal            |                   |                   |                   |                   |                   |
|----------------------------------------------------------------------------|-------------------|-------------------|-------------------|-------------------|-------------------|-------------------|

### Fiscal 2025 compared to Fiscal 2024

#### Key Developments

- Effective Fiscal 2024, IRDAI revised the erstwhile Payment of Commission Regulation from the Payment of Commission or Remuneration or Reward to Insurance Agents and Insurance Intermediaries, 2016 to Insurance Regulatory and Development Authority of India (Payment of Commission) Regulations, 2023 (*Source: Redseer Report*). The new regulations, while removing the commission caps, put in place overall limits on EOM of the general insurance, health and life insurers (*Source: Redseer Report*). As a result of these regulatory changes, we earned minimal income from marketing fees in Fiscal 2025. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

#### **Proforma income**

Proforma total income increased by 20.53% from ₹6,063.91 million in Fiscal 2024 to ₹7,308.78 million in Fiscal 2025 primarily due to an increase in proforma revenue from operations.

#### *Proforma revenue from operations*

Proforma revenue from operations increased by 24.12% from ₹5,641.68 million in Fiscal 2024 to ₹7,002.65 million in Fiscal 2025. This increase was primarily due to an increase in proforma income from distribution of financial products by 34.02% from ₹5,120.00 million in Fiscal 2024 to ₹6,861.58 million in Fiscal 2025 on account of higher insurance commissions from our Insurer Partners as a result of an increase in our network of Digital Partners. This resulted in an increase in the number of insurance policies sold through our platform from 4.75 million in Fiscal 2024 to 6.11 million in Fiscal 2025 resulting in an increase in Platform Premium from ₹22,731.10 million in Fiscal 2024 to ₹29,459.36 million in Fiscal 2025. We also experienced an increase in proforma income from technical and support services by 18.19% from ₹119.36 million in Fiscal 2024 to ₹141.07 million in Fiscal 2025 primarily due to increase in business of our Turtlefin platform with existing enterprise clients and onboarding of new enterprise clients.

This increase in proforma revenue from operations was offset by a decrease in proforma marketing fees from ₹402.32 million in Fiscal 2024 compared to ₹0.00 million in Fiscal 2025 as a result of insurance companies significantly reducing their marketing spend on account of the certain regulatory changes implemented by the IRDAI. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

#### *Proforma other income*

Proforma other income decreased by 27.50% from ₹422.23 million in Fiscal 2024 to ₹306.13 million in Fiscal 2025 primarily due to a decrease in interest income on with banks and financial institution on account of decrease in balance of deposits with banks and financial institution.

#### *Proforma expenses*

Proforma total expenses increased by 17.72% from ₹7,906.15 million in Fiscal 2024 to ₹9,307.50 million in Fiscal 2025 primarily due to an increase in proforma other expenses in line with the increase in proforma revenue from operations.

#### *Proforma employee benefits expense*

Proforma employee benefits expense decreased by 15.97% from ₹2,802.22 million in Fiscal 2024 to ₹2,354.69 million in Fiscal 2025 primarily due to the average number of employees decreased in Fiscal 2025 resulting in a decrease in salaries, wages and bonus. In Fiscal 2024, we restructured our sales team, moving from a product-based to a product agnostic approach to reduce sales operation costs resulting in reduction in the average number of employees. The restructuring of the sales team was facilitated by the introduction and enhancement of our Ninja CRM application, which allows our sales teams to engage effectively with our Digital Partners. We also introduced our Insurance Hub platform that enabled us to automate and reduce the time to integrate new products from our Insurer Partners, resulting in a reduction in technology-related costs, including employee and outsourced staff costs experienced in technology and software.

#### *Proforma finance costs*

Proforma finance costs decreased by 28.47% from ₹33.44 million in Fiscal 2024 to ₹23.92 million in Fiscal 2025 primarily due to a decrease in interest expense on on lease liabilities.

#### *Proforma depreciation and amortisation expenses*

Proforma depreciation and amortisation expenses increased by 9.02% from ₹275.23 million in Fiscal 2024 to ₹300.06 million in Fiscal 2025 primarily due to an increase in amortisation of other intangible assets on account of accelerated amortisation of customer relationships and non-compete fees recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue as expected from the customers contracts.

#### *Proforma impairment on non current assets*

Proforma impairment on non-current assets decreased to nil in Fiscal 2025 compared to ₹7.39 million in Fiscal 2024 primarily on account of impairment on goodwill recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue with customers contracts.

#### *Proforma impairment losses on financial instruments*

Proforma impairment losses on financial instruments increased by 337.17% from ₹8.42 million in Fiscal 2024 to ₹36.81 million in Fiscal 2025 primarily due to an increase in allowance for credit loss on trade receivables.

#### *Proforma other expenses*

Proforma other expenses increased by 37.92% from ₹4,779.45 million in Fiscal 2024 to ₹6,592.02 million in Fiscal 2025 primarily due to commission expense on distribution of financial products. Commission expense on distribution of financial products increased by 71.02% from ₹3,070.59 million in Fiscal 2024 to ₹5,251.37 million in Fiscal 2025 on account of increase in commission payouts to our Digital Partners for distribution of insurance products in line with the increase in business volumes and premium.

This increase in proforma other expenses was offset by a decrease in: (i) proforma advertisement and marketing expenses (including acquisition marketing) by 33.94% from ₹1,126.64 million in Fiscal 2024 to ₹744.22 million in Fiscal 2025. This decrease was in line with the decrease in income from marketing fees in Fiscal 2025 (see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533). Our Company shifted its acquisition strategy for Digital Partners towards digital channels and as a result the referral payments to Digital Partners for the recruitment of new Digital Partners decreased significantly; and (ii) proforma tech and other support expenses by 80.03% from ₹127.74 million in Fiscal 2024 to ₹25.51 million in Fiscal 2025, primarily due to our Insurance Hub platform that enabled us to automate and reduce the time to integrate new products from our Insurer Partners, resulting in a reduction in technology-related costs, including outsourced technology staff costs.

#### *Proforma loss before tax*

For the reasons discussed above, proforma loss before tax increased by 8.49% from ₹(1,842.24) million in Fiscal 2024 to ₹(1,998.72) million in Fiscal 2025.

#### *Proforma tax expense*

Proforma tax expense was ₹26.90 million in Fiscal 2025 compared to ₹27.66 million in Fiscal 2024. In Fiscal 2024, we had proforma current tax of ₹31.58 million primarily due to profits generated by TIB. Further, proforma deferred tax was ₹26.90 million in Fiscal 2025 compared to ₹(3.92) million in Fiscal 2024 due to resulting from reversal of the deferred tax assets pertaining to TIB on account of business losses incurred by TIB.

#### *Proforma loss for the year*

For the various reasons discussed above, proforma loss for the year increased by 8.33% from ₹(1,869.90) million in Fiscal 2024 to ₹(2,025.62) million in Fiscal 2025.

#### *Proforma total comprehensive income for the year, net of tax*

Proforma total comprehensive loss for the period, net of tax was ₹(2,029.46) million in Fiscal 2025 compared to ₹(1,876.44) million in Fiscal 2024. Proforma total other comprehensive income was ₹(3.84) million in Fiscal 2025 compared to ₹(6.54) million in Fiscal 2024.

### **Fiscal 2024 compared to Fiscal 2023**

#### *Proforma income*

Proforma total income increased by 4.74% from ₹5,789.25 million in Fiscal 2023 to ₹6,063.91 million in Fiscal 2024 primarily due to an increase in proforma revenue from operations.

#### *Proforma revenue from operations*

Proforma revenue from operations marginally increased by 4.87% from ₹5,379.75 million in Fiscal 2023 to ₹5,641.68 million in Fiscal 2024 primarily due to a significant increase in proforma income from distribution of financial products by 221.99% from ₹1,590.09 million in Fiscal 2023 to ₹5,120.00 million in Fiscal 2024. This significant increase was on account of the higher insurance commissions on account of the changes in IRDAI

Commission and EOM Regulations 2023. According to the IRDAI Annual Report for Fiscal 2024, this shift has led to an approximate 97% increase in commission payouts by general insurers – from ₹201.4 billion in Fiscal 2023 to ₹396.0 billion in Fiscal 2024 (*Source: Redseer Report*). For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533. Further, our network of Digital Partners has also grown resulting an increase in the Platform premium from ₹22,154.86 million in Fiscal 2023 to ₹22,731.10 million in Fiscal 2024.

This increase in proforma revenue from operations was significantly offset by a decrease in proforma income from marketing fees by 88.74% from ₹3,572.67 million in Fiscal 2023 to ₹402.32 million in Fiscal 2024 as a result of insurance companies significantly reducing their marketing spend on account of the certain regulatory changes implemented by the IRDAI. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533. We also experienced a decrease in proforma income from technical and support services by 44.99% from ₹216.99 million in Fiscal 2023 to ₹119.36 million in Fiscal 2024 primarily due to reduction in the volumes of technical services provided to Insurers through Turtlefin platform and completion of certain contracts with third parties in relation to such technical services.

#### *Proforma other income*

Proforma other income increased by 3.11% from ₹409.50 million in Fiscal 2023 to ₹422.23 million in Fiscal 2024 primarily due to an increase in interest income on deposits with banks and financial institution primarily on account of the increase in average interest rate earned.

#### *Proforma expenses*

Proforma total expenses decreased by 8.14% from ₹8,606.60 million in Fiscal 2023 to ₹7,906.15 million in Fiscal 2024 primarily due to a decrease in proforma other expenses.

#### *Proforma employee benefits expense*

Proforma employee benefit expenses increased by 6.32% from ₹2,635.72 million in Fiscal 2023 to ₹2,802.22 million in Fiscal 2024 primarily due to an increase in salaries, wages and bonus. This increase was primarily due to annual salary increments, which was partially offset by a reduction in average number of employees on account of restructuring of our sales team by moving from a product-based to a product agnostic approach in Fiscal 2024. The restructuring of the sales team was facilitated by the introduction and enhancement of our Ninja CRM application, which allows our sales teams to engage effectively with our Digital Partners. Share based payment expense also increased primarily due to stock options being granted in the latter half of Fiscal 2023 resulting in the cost of the stock options being recorded for the full year in Fiscal 2024 compared to only a certain portion in Fiscal 2023.

#### *Proforma finance costs*

Proforma finance costs marginally increased by 3.50% from ₹32.31 million in Fiscal 2023 to ₹33.44 million in Fiscal 2024 primarily due to an increase in interest expense on on lease liabilities on account of additions of new branch leases for our physical branch offices.

#### *Proforma depreciation and amortisation expenses*

Proforma depreciation and amortisation expenses increased by 44.02% from ₹191.11 million in Fiscal 2023 to ₹275.23 million in Fiscal 2024 primarily due to an increase in amortisation of other intangible assets primarily on account of our accelerated amortisation of customer relationships recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue than expected from the customers contracts. We also experienced an increase in depreciation of right-to-use-assets primarily on account of additions of new leases.

#### *Proforma impairment on non current assets*

Proforma impairment on non-current assets increased to ₹7.39 million in Fiscal 2024 compared to nil in Fiscal 2023 primarily on account of impairment on goodwill recognized on the acquisition of certain assets and business contracts from Last Decimal Private Limited due to lower realisation of revenue with customers contracts.

#### *Proforma impairment losses on financial instruments*

Proforma impairment losses on financial instruments decreased by 52.46% from ₹17.71 million in Fiscal 2023 to ₹8.42 million in Fiscal 2024 primarily due to a decrease in allowance for credit loss on trade receivables.

#### *Proforma other expenses*

Proforma other expenses decreased by 16.59% from ₹5,729.75 million in Fiscal 2023 to ₹4,779.45 million in Fiscal 2024 primarily due to proforma advertisement and marketing expenses (including acquisition marketing), which significantly decreased by 76.32% from ₹4,758.50 million in Fiscal 2023 to ₹1,126.64 million in Fiscal 2024. This decrease was in line with the decrease in income from marketing fees in Fiscal 2024 (see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533). Our Company shifted its acquisition strategy for Digital Partners towards digital channels and as a result the referral payments to Digital Partners for the recruitment of new Digital Partners decreased significantly. In addition, we did not renew a brand marketing campaign with a brand ambassador upon its expiry. Proforma tech and other support expenses also decreased by 32.87% from ₹190.29 million in Fiscal 2023 to ₹127.74 million in Fiscal 2024, primarily due to the introduction of our Insurance Hub platform that enabled us to automate and reduce the time to integrate new products from our Insurer Partners, resulting in a reduction in technology-related costs, including outsourced technology staff costs.

This decrease in proforma other expenses was offset by a significant increase in commission expense on distribution of financial products by 973.54% from ₹286.02 million in Fiscal 2023 to ₹3,070.59 million in Fiscal 2024 in line with the increase in our business volumes resulting in increase in payouts to our Digital Partners as a result of certain regulatory changes implemented by the IRDAI. For details on the regulatory changes and impact on commissions and marketing fees, see “- **Key Developments - Regulatory changes affecting the results of operations**” on page 533.

#### *Proforma loss before tax*

For the reasons discussed above, proforma loss before tax decreased by 34.61% from ₹(2,817.35) million in Fiscal 2023 to ₹(1,842.24) million in Fiscal 2024.

#### *Proforma tax expense*

Proforma tax expense increased by 36.86% from ₹20.21 million in Fiscal 2023 to ₹27.66 million in Fiscal 2024 primarily due to an increase in proforma current tax by 12.46% from ₹28.08 million in Fiscal 2023 to ₹31.58 million in Fiscal 2024 due to increase in the taxable income of TIB in accordance with applicable income tax laws.

#### *Proforma loss for the year*

For the various reasons discussed above, proforma loss for the year decreased by 34.10% from ₹(2,837.56) million in Fiscal 2023 to ₹(1,869.90) million in Fiscal 2024.

#### *Proforma total comprehensive income for the year, net of tax*

Proforma total comprehensive loss for the period, net of tax was ₹(1,876.44) million in Fiscal 2024 compared to ₹(2,840.72) million in Fiscal 2023. Proforma total other comprehensive income was ₹(6.54) million in Fiscal 2024 compared to ₹(3.16) million in Fiscal 2023.

#### **Indebtedness**

As of September 30, 2025, March 31, 2025, 2024 and 2023, we did not have any borrowings excluding lease liabilities.

#### **Capital Expenditures**

Our historical capital expenditures primarily comprised expenditures relating to property, plant and equipment, including information technology infrastructure and IT equipment, and software licenses, as well as other intangible assets. We intend to continue to expand our platform offerings and technological capabilities, which may lead us to incur further capital expenditure. The following table sets forth details of our additions to property,

plant and equipment (PPE) and additions due to acquisition to other intangible assets on a restated basis for the periods/ years indicated:

| Particulars                                             | Six months period ended<br>September 30, |      |       | Fiscal |        |

## Contractual Obligations and Commitments

### Contractual Obligations

The following table sets forth a summary of the maturity profile of our contractual obligations on a restated basis as of September 30, 2025:

|                                                                                                                | As of September 30, 2025 |              |              |              |             |               |
|----------------------------------------------------------------------------------------------------------------|--------------------------|--------------|--------------|--------------|-------------|---------------|
|                                                                                                                | <1 year                  | 1-2 year     | 2-3 year     | 3-4 year     | > 4 year    | Total         |
|                                                                                                                | (₹ million)              |              |              |              |             |               |
| Lease liabilities (A) (Undiscounted)*                                                                          | 117.81                   | 87.16        | 25.17        | 15.91        | 5.06        | 251.11        |
| Trade payables - Total outstanding dues of micro enterprises and small enterprises (B) **                      | 52.58                    | -            | -            | -            | -           | 52.58         |
| Trade payables - Total outstanding dues of creditors other than micro enterprises and small enterprises (C) ** | 547.81                   | -            | -            | -            | -           | 547.81        |
| Current liabilities - Other financial liabilities (C) **                                                       | 80.21                    | -            | -            | -            | -           | 80.21         |
| <b>Total</b>                                                                                                   | <b>798.41</b>            | <b>87.16</b> | <b>25.17</b> | <b>15.91</b> | <b>5.06</b> | <b>931.71</b> |

\* Amount reflected above for lease liabilities is valued at undiscounted value.

\*\* All other balances are presented at carrying amount.

### Commitments

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)  
- nil as on September 30, 2025, September 30, 2024: nil; March 31, 2025, March 31, 2024 and March 31, 2023.

### Contingent Liabilities

The following table sets forth our contingent liabilities as per Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets derived from Restated Consolidated Financial Information as at September 30, 2025:

|                                   | As at September 30, 2025<br>(₹ million) |
|-----------------------------------|-----------------------------------------|
| Claims not acknowledged as debts: |                                         |
| - Income Tax                      | 62.25                                   |
| - Goods and Services Tax          | 511.96                                  |

Notes:

- (1) The Income Tax Department ('IT Department') had initiated the assessment/reassessment proceedings against the Company u/s 143/147 of the Income Tax Act, 1961 ('the Act') for FY 2017-18, 2019-20, 2020-21, 2021-22 and 2022-23. The Company has duly responded against the said notices by filing its responses to the notices received by it for each of the corresponding years. Subsequently, the Department requested for the various documents/information/explanations by issuing notices u/s 142 of the Act, which too were duly responded to by the Company with all the required details. Consequently, the IT Department passed assessment order u/s 143(3)/143(3) r.w.s. 147 for the corresponding financial years by making ad-hoc disallowances u/s 37 of the Act of certain expenses debited to the profit and loss account. The aggregate amount of disallowance made by the IT Department for all the years amounts to INR 62.25 million. However, the aggregate tax demand consequent to such assessment/reassessment was Nil since the Company had certain brought forward tax losses against which the aforementioned disallowances were set off. During the course of the assessment/re-assessment proceedings, the IT Department has also issued notices initiating proceedings for imposition of penalty u/s 270A and 271AAD of the IT Act. The proceedings have been kept in abeyance till the disposal of the appeal filed by the Company against the assessment orders pursuant to which the penalty proceedings were initiated. (September 30, 2024: INR 62.25 million; March 31, 2025: INR 62.25 million; March 31, 2024: Nil; March 31, 2023: Nil).

- (2) During the year ended March 31, 2025, the Company has received the orders from the GST Adjudicating Authority confirming the levy of penalty aggregating to INR. 511.96 million for the years 2017 to 2023 under the provisions of Central Goods and Services Tax Act, 2017. These penalties arise from the show cause notices issued by the Directorate General of GST Intelligence (DGGI) on account of the Company having allegedly raised invoices on insurance companies without actual supply of services. The Company has filed appeals before the GST Appellate Authorities contesting the penalty confirmed in the orders. Accordingly, the Company has disclosed the aforesaid penalty demanded aggregating INR. 511.96 million (September 30, 2024: INR 511.96 million; March 31, 2025: INR 511.96 million; March 31, 2024: INR 426.03 million; March 31, 2023: INR 166.20 million) as a contingent liability as at the period-end.

### **Off-Balance Sheet Arrangements**

We do not have any off-balance sheet arrangements that we believe have or are reasonably likely to have a current or future material effect on our financial condition, change in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources.

### **Related Party Transactions**

We have engaged in the past, and may engage in the future, in transactions with related parties. For details of our related party transactions, see “*Summary of the Offer Document – Summary of Related Party Transactions*” on page 24.

### **Quantitative and Qualitative Analysis of Market Risks**

Our business is subject to several risks and uncertainties including financial risks. Our documented risk management policies act as an effective tool in mitigating the various financial risks to which our business is exposed to in the course of our daily operations. The risk management policies cover areas such as liquidity risk, interest rate risk, counterparty and concentration of credit risk and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. Our risk management process is in line with the corporate policy. Each significant risk has a designated ‘owner’ within the Group at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated. The risk management process is coordinated by the Management Assurance function and is regularly reviewed by our Board. The overall internal control environment and risk management programme including financial risk management is reviewed by the Board of Directors.

Our risk management framework aims to: (i) improve financial risk awareness and risk transparency; (ii) identify, control and monitor key risks; (iii) identify risk accumulations; (iv) provide management with reliable information on our risk situation; and (v) improve financial returns.

We have exposure to the following risks arising from financial instruments liquidity risk, interest rate risk, credit risk and currency risk.

#### ***Liquidity risk***

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group’s approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group’s reputation.

#### ***Interest rate risk***

Fixed rate financial assets are largely interest bearing fixed deposits held by the Group. The returns from these financial assets are linked to bank rate notified by Reserve Bank of India as adjusted on periodic basis. Other than mentioned financial assets and financial liabilities all are non-interest bearing.

#### ***Credit Risk***

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and after obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Group is exposed to credit risk for receivables, cash and cash equivalents, bank balances other than cash and cash equivalents.

Credit risk management considers available reasonable and supportable forward-looking information including indicators like external credit rating (as far as available), macro-economic information (such as regulatory

changes, government directives, market interest rate). Only highly rated banks and financial institutions are considered for placement of deposits. Bank balances are held with reputed and creditworthy banking institutions.

None of the Group's cash equivalents are past due or impaired. The Group has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables and 6-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Group evaluates the concentration of risk with respect to trade receivables as low.

The Group held cash and cash equivalents and balances with scheduled banks and financial institutions in deposit accounts of ₹1,869.45 million, ₹4,023.71 million, ₹3,164.71 million, ₹5,045.61 million and ₹7,172.18 million as at September 30, 2025, September 30, 2024, March 31, 2025, March 31, 2024 and March 31, 2023, respectively. Our management evaluates credit worthiness of banks and financial institution on an ongoing basis on credit ratings. The Group has established an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. Trade receivables are typically unsecured and are derived from operating activities. Credit risk has been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of the customers to which the Group grant credit limits in the normal course of business. The Group has applied simplified approach to measure expected credit losses on trade receivables. The provision matrix takes in account a continuing credit evaluation, ageing of trade receivable, the Group's historical loss experience and six-month expected credit loss for other receivables. An impairment analysis is performed at each reporting date on an individual basis for major parties. The calculation is based on historical data of actual losses. The Group evaluates the concentration of risk with respect to trade receivables as low.

### ***Currency Risk***

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities.

### **Reservations, Qualifications, Adverse Remarks and Matters of Emphasis**

The audit report issued by our Statutory Auditor for the year ended March 31, 2025 and audit report for the year ended March 31, 2024 includes observation under 'Report on Other Legal and Regulatory Requirements' paragraph relating to the maintenance of books of account and other matters connected therewith. These modifications indicated that our Company and subsidiaries have in case of one of the software not preserved audit trail in accordance with statutory requirements for record retention until September 06, 2024. However, no instance of audit trail feature being tampered with were noted.

Further, the audit report issued by our Statutory Auditor and Previous Auditor also includes qualifications in the annexure to the auditors' reports issued under Companies (Auditor's Report) Order, 2020 on the financial statements for the years ended March 31, 2025, March 31, 2024 issued by our Statutory Auditor and March 31, 2023 issued by our Previous Statutory Auditor. These matters relate to slight delays in deposit of statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues which have not been deposited on account of any dispute. These modifications do not require any corrective adjustments in our Restated Consolidated Financial Information.

The compilation report on our Unaudited Proforma Financial Information includes an emphasis of matter in respect of preparation and inclusion of Special Purpose Ind AS Financial Information of the TIB as at and for the years ended March 31, 2024 and March 31, 2023 and Special Purpose Interim Ind AS Financial Information for the period from April 1, 2024 to May 7, 2024 for the purpose of inclusion in the Unaudited Proforma Financial Information prepared on a voluntary basis and not required to be included as part of the mandatory Unaudited Proforma Financial Information as per Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.

Except as stated above, there are no reservations, qualifications, adverse remarks and matters of emphasis included in the Restated Consolidated Financial Information. Also, for details on use of going concern assumption, see "***-- Significant accounting judgements, estimates and assumptions – Estimates and Assumptions – Use of going concern assumption***" on page 558.

### **Unusual or Infrequent Events or Transactions**

Except as disclosed in this UDRHP-I, there have been no other events or transactions that, to our knowledge, may be described as “unusual” or “infrequent” that led to a material adverse effect on our business and operations.

### **Known Trends or Uncertainties**

Our business has been subject, and we expect it to continue to be subject, to significant economic changes. To our knowledge, except as discussed in this UDRHP-I, there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on income from our continuing operations. For further information regarding trends and uncertainties, please see “*-Factors Affecting Our Results of Operations and Financial Condition*” on page 536 and “*Risk Factors*” on page 42.

### **Future Relationship between Cost and Income**

Except as disclosed in this UDRHP-I, there are no known factors that will have a material adverse impact on our operations and finances. For further information, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 42, 228 and 530, respectively.

### **Seasonality of Business**

Our operations are impacted by seasonality. Each of our products may have different seasonality factors and the mix of our revenue source may shift from time to time. For instance, the premium from our motor insurance products tends to be higher during the festive season in India, which usually occurs in the third quarter of the fiscal year. Further, life and health insurance products are typically more popular in the fourth quarter of our fiscal year based on the premiums earned and to take advantage of income tax benefits available to customers. For further information, see “*Risk Factors - Internal Risks - Our business is subject to seasonal fluctuations, which makes our results of operations difficult to predict and may cause our quarterly results of operations to fall short of expectations*” on page 87.

### **Significant Dependence on a Single or Few Customers or Suppliers**

We depend on certain of our Insurer Partners for a portion of our proforma revenue from operations. Our top 10 Insurer Partners in the six months period ended September 30, 2025 contributed to 74.51% and 60.99%, of our revenue from operations in the six months period ended September 30, 2025 and September 30, 2024, respectively, and our top 10 Insurer Partners in Fiscal 2025 contributed to 68.98%, 58.57% and 60.21% of our proforma revenue from operations in Fiscals 2025, 2024 and 2023, respectively. For further information, see “*Risk Factors - Internal Risks - Our platform depends on our Insurer Partners’ insurance products. We generate majority of our revenues from our top Insurer Partners (our top 10 Insurer Partners in the six months period ended September 30, 2025 contributed to 74.51% and 60.99%, of our revenue from operations in the six months period ended September 30, 2025 and September 30, 2024, respectively, and our top 10 Insurer Partners in Fiscal 2025 contributed to 68.98%, 58.57% and 60.21% of our proforma revenue from operations in Fiscals 2025, 2024 and 2023, respectively). If we fail to sustain relationships with our Insurer Partners, our business, prospects, financial condition, results of operations and cash flows could be adversely affected*” on page 56.

### **Segment Reporting**

The Board of Directors is the ‘Chief Operating Decision Maker’ and monitors the operating results of the Group as a whole for the purpose of making decisions about resource allocation and performance assessment. The Group is engaged in the business of providing insurance broking services, technical support, information and technology services, advertising and marketing services. Thus, in the context of Indian Accounting Standard 108 on Segment Reporting, is considered to constitute a single primary segment also there is no separate geographical segment.

### **Recent Accounting Pronouncements**

As at the date of this UDRHP-I, there are no recent accounting pronouncements which would have a material effect on our results of operations or financial condition.

### **Significant Economic Changes**

Our business has been subject, and we expect it to continue to be subject, to significant economic changes that materially affect or are likely to affect income from continuing operations. See “**Risk Factors**” and “**- Factors Affecting Our Results of Operations and Financial Condition**” on pages 42 and 536, respectively.

#### **New Products or Business Segment**

Apart from the disclosures in “**Our Business**” on page 228, we currently have no plans to develop new products or establish new business segments that are expected to have a material impact on our business, results of operations or financial condition.

#### **Competitive conditions**

We operate in a competitive environment and expect competition in our industry from existing and potential competitors to intensify. Please refer to the sections “**Industry Overview**”, “**Our Business**”, and “**Risk Factors**” on pages 196, 228 and 42, respectively, for further information on our industry and competition.

#### **Significant Developments after September 30, 2025 that may affect our future results of operations**

The Government of India has consolidated 29 existing labour legislations into a united framework comprising four Labour Codes viz Code on Wages 2019, Code on Social Security 2020, Industrial Relation Code 2020, and Occupational Safety, Health and Working Condition Code 2020 (collectively referred to as the New Labour Codes). These Codes have been made effective from November 21, 2025. The corresponding all supporting rules under these codes are yet to be notified.

Except as disclosed above and elsewhere in this UDRHP-I, no circumstances have arisen since the date of the last financial statements as disclosed in this UDRHP-I which materially or adversely affect or are likely to affect, our operations or profitability, or the value of our assets or our ability to pay our material liabilities within the next 12 months.

## CAPITALISATION STATEMENT

The following table sets forth our Company's capitalization as at September 30, 2025, on the basis of amounts derived and as adjusted for the Offer. This table should be read in conjunction with the sections “*Risk Factors*”, “*Restated Consolidated Financial Information*” and “*Management's Discussion and Analysis of Financial Condition and Results of Operations*”, on pages 42, 310 and 530, respectively.

### Key terms of borrowings availed by our Company and our Subsidiaries:

Our Company has only provided certain performance bank guarantees which are unsecured and do not have interest rates, prepayment/repayment clauses, restrictive covenants or events of default. The key terms of the working capital demand loan availed by our Subsidiary, TIB include:

1. *Tenor and interest rate:* The tenor of the working capital demand loan (“WCDL”) ranges from seven days to 90 days for each tranche. The entire working capital demand loan is valid till March 12, 2026. The interest rate for the WCDL is 9.70% and is typically linked to benchmark rates such as the repo rate prescribed by the RBI, treasury bill rate and marginal cost of funds-based lending rate (“MCLR”).
2. *Repayment:* The WCDL availed is typically repayable on demand or on its due date within the maximum tenure, in accordance with the relevant financing documentation.
3. *Prepayment:* In case of WCDL facilities availed by us, there are prepayment provisions which allow for prepayment of the outstanding loan amount and may carry a prepayment penalty on the outstanding amount subject to the terms and conditions stipulated under the loan documents. The prepayment penalty as per the terms of the working capital demand loan is typically 0.15% of the principal amount of the loan being prepaid subject to the borrower giving at least 15 days prior irrevocable written notice of the same to the bank.
4. *Penal interest:* We are required to pay additional interest to the lenders for drawing beyond drawing power or facility limit or payment defaults at 2% on the excess drawings / defaulted amount. For security not created / perfected, breach of financial covenants, non-compliance with the sanction terms, for breaches continuing beyond 15 days will be 1% on outstanding amount / average outstanding amount.
5. *Security:* Our secured borrowings are typically secured by first *pari passu* charge by way of hypothecation on all current assets of the borrower, including but not limited to:
  - a) book debts;
  - b) receivables;
  - c) investments; and
  - d) other current assets.

6. *Restrictive covenants:* As per the terms of the borrowing arrangements, certain corporate actions for which we require prior written consent of the lenders include:

- a) undertaking or permitting any merger, de-merger, consolidation, reorganisation, scheme of arrangement or compromise with its creditors or shareholders or any class of them or effect any scheme of amalgamation or reconstruction including creation of any subsidiary or permitting any company to become its subsidiary;
- b) declare or pay any dividend or make any distribution of profits or pay any remuneration to its promoters / shareholders or permit withdrawal of amounts brought in if an event of default has occurred and is subsisting or would occur as a result of such declaration or payment of dividend or authorisation or making of distribution or withdrawal;
- c) make any investment whether by way of deposits (excluding deposits with banks/financial institutions during normal course of business) loans or investments in share capital or otherwise, in any concern or provide any credit or give any guarantee, indemnity or similar assurance or in any manner become directly, indirectly or contingently liable for or in connection with the obligation of any person other than itself. This provision shall not apply to loans and advances granted to staff or contractors or suppliers in the ordinary course of business;
- d) redeem, purchase, buyback, retire or repay any of its share capital, de-list its shares from stock exchanges, if applicable, or resolve to do so for so long as any sums of money are due and payable to the bank under facility agreements;
- e) change its financial year-end from the date it has currently adopted or change the accounting method or policies currently followed by the borrower unless expressly required by applicable law;
- f) undertake any new business or operations or project or diversification, modernisation or substantial expansion of any of its existing business or operations or of any project that it may undertake during the currency of its Facility;
- g) effecting any change in its capital structure or constitutional documents in any manner whatsoever;
- h) entering into any management contract or similar arrangement whereby its business or operations are managed by any other person;
- i) avail of any credit facilities or accommodation from any bank(s) or financial institution(s) or any person, firm or company in any manner other than the bank(s) at present providing working capital facilities to the borrower and as permitted by the bank nor shall it deal with or through any other bank(s) or financial institution(s); over and above the permitted indebtedness of INR 500.0 million;
- j) pay any commission to its promoters, directors, managers or other persons for furnishing guarantees, counter guarantees or indemnities or for undertaking any other liability in connection with any obligation (including indebtedness) undertaken for or by the borrower;
- k) pay any compensation to its promoters or directors in the event of loss of office for any reason whatsoever, if there is any default in payment of any monies due and payable under the facility; and
- l) creating or permitting to subsist any security interest, encumbrance, mortgage, hypothecation, pledge or charge over any of its assets other than the already existing charges which have been disclosed in writing to the bank or sell, transfer or otherwise dispose of (or agree to do any of the foregoing at any future time) any of its assets create charge, lien or any other encumbrance over our security in the borrowing arrangements.

7. *Events of Default:* Our borrowing arrangements prescribe events of default, including the following:

- a) non-payment or default in payment of any amounts due under the loan facilities;

- b) security is in jeopardy or ceases to have effect;
  - c) appointment of a receiver or liquidator;
  - d) change in control;
  - e) bankruptcy, insolvency, dissolution;
  - f) misleading information and representation;
  - g) illegality;
  - h) cross default;
  - i) material adverse effect; and
  - j) breach of any covenants, conditions, agreement or any other terms.
8. *Consequences of occurrence of events of default:* Our borrowing arrangements prescribe the consequences of occurrence of events of default, including the following:
- Notwithstanding any other right that may be available to the bank or anything contrary contained in any of the transaction documents, on the happening of an event of default or if the overall limits / limits are not renewed beyond the validity period specified in the credit arrangement letter or if the borrower has not availed of or drawn from the facilities by the aforesaid validity period, the bank may, by a notice in writing to the borrower, exercise the following rights, each of which shall be an independent right:
- a) termination of the facilities, and/or declaration any or all amounts under the facilities as immediately due and payable to the bank, whereupon the same shall become due and payable by the borrower forthwith, in accordance with the terms of the notice;
  - b) suspension of further access to/drawals by the borrower of the facilities. Notwithstanding any suspension or termination pursuant to the facility agreement, all provisions of the transaction documents for the benefit or protection of the bank and its interests shall continue to be in full force and effect as provided in the transaction documents;
  - c) declare the security created, if any, in terms of the transaction documents to be enforceable, and notwithstanding anything to the contrary contained in the transaction documents the bank or such other person in favour of whom such security or any part thereof is created shall have, inter alia, the right to:
    - a. enter upon and take possession of, and / or transfer (by way of lease, leave and licence, sale or otherwise), the assets comprised within the security, if any;
    - b. exercise any right, power or remedy permitted to it by law, including by suit, in equity, or by action at law, or both, or otherwise, whether for specific performance of any covenant, condition or term contained in the facility agreement or other transaction documents or for an injunction against a violation of any of the terms and conditions of the facility agreement or other transaction documents, or in aid of the exercise of any power or right granted in the facility agreement or other transaction documents and/or as a creditor.
  - d) stipulate such other additional terms and conditions, as the bank may deem fit; and
  - e) exercise such other remedies as may be permitted or available to the bank under law, including RBI guidelines.

This is an indicative list and there may be additional terms that may require the consent of the relevant lender, the breach of which may amount to an event of default under various borrowing arrangements entered into by us, and the same may lead to consequences other than those stated above. For risks in relation to the financial and other covenants required to be complied with in relation to our borrowings, see “**Risk Factors – We have incurred indebtedness and are required to comply with certain restrictive covenants under our financing agreements. Any non-compliance may lead to, amongst others, termination of facilities, enforcement of security and**

*suspension of further drawdowns, which may adversely affect our business, financial condition, results of operations and cash flows” on page 64.*

## SECTION VI – LEGAL AND OTHER INFORMATION

### OUTSTANDING LITIGATION AND OTHER MATERIAL DEVELOPMENTS

*Except as disclosed in this section, as on the date of this Updated Draft Red Herring Prospectus-I, there are no outstanding (i) criminal proceedings (including matters which are at first information report (“FIR”) stage whether cognizance has been taken or not by any court or any judicial authority) involving our Company, Subsidiaries, Promoters and Directors (collectively the “Relevant Parties”); (ii) actions by regulatory and statutory authorities involving the Relevant Parties; (iii) all disciplinary action including penalties imposed by SEBI or any of the Stock Exchanges against the Promoters in the last five financial years, preceding the date of this Updated Draft Red Herring Prospectus-I including outstanding action; (iv) outstanding claims related to direct or indirect tax matters involving the Relevant Parties (disclosed in a consolidated manner, giving the number of cases and total amount involved), except where the monetary amount involved in the matter exceeds the Materiality Threshold (as defined below); and (v) other pending litigation or arbitration proceedings involving the Relevant Parties as determined to be material pursuant to the Materiality Policy. Further, except as disclosed in this section, there are no outstanding criminal proceedings (including matters which are at FIR stage whether cognizance has been taken or not by any court or any judicial authority and all actions (including all inspections, disciplinary actions, penalties and show cause notices) by regulatory and statutory authorities against our Key Managerial Personnel and members of Senior Management. As on the date of this Updated Draft Red Herring Prospectus-I, our Company has no Group Companies.*

*For the purpose of point (v) above, our Board in its meeting held on September 4, 2025 has considered and adopted the Materiality Policy for identification of material outstanding litigation or arbitration proceedings involving the Relevant Parties (including tax matters mentioned in point (iv) above) and accordingly in matters where the monetary amount of claim amount in dispute, to the extent quantifiable, exceeds, (a) two percent of turnover based on the latest restated consolidated financial information; or (b) two percent of net worth, based on the latest restated consolidated financial information; or (c) five percent of the average of absolute value of profit or loss after tax, based on the last three financial years based on the restated consolidated financial statements of our Company, whichever is lower (“Materiality Threshold”) has been considered material for the purpose of disclosure in this Updated Draft Red Herring Prospectus-I.*

*Accordingly, two percent of net worth, based on the Restated Consolidated Financial Information for the latest Fiscal is ₹82.09 million, i.e., ₹82.09 million has been considered as the Materiality Threshold.*

*Further, litigations where the decision in one case is likely to affect the decision in similar cases, even though the amount involved in an individual litigation may not exceed the Materiality Threshold shall also be considered material litigation in relation to the Relevant Parties. In addition, any outstanding civil litigation/ arbitration proceedings involving the Relevant Parties wherein the monetary liability is not quantifiable, or does not exceed the Materiality Threshold (individually or in aggregate), shall be considered ‘material’ and shall be disclosed in this Updated Draft Red Herring Prospectus-I, if the outcome of such litigation could have a material adverse effect on the business, operations, performance, prospects, financial position or reputation of our Company.*

*For the above purposes, pre-litigation notices received by the Relevant Parties from third parties (excluding notices from governmental, statutory, regulatory or tax authorities) shall not be evaluated for materiality until Relevant Party is impleaded as a party in proceedings before any judicial/arbitral forum or is notified by any governmental, statutory, or regulatory authority of any such proceeding that may be commenced. It is clarified that pre-litigation notices seeking information/documents from the Relevant Parties shall not be considered in the context described herein.*

*Further in terms of the Materiality Policy, a creditor shall be considered “material”, if the outstanding dues to such creditor is equal to or exceeds 5% of the consolidated trade payables of our Company, as on the last date of the Restated Consolidated Financial Information, as disclosed in this Updated Draft Red Herring Prospectus-I (“Material Creditors”). Accordingly, as on September 30, 2025, any outstanding dues exceeding ₹ 30.02 million. have been considered as material outstanding dues for the purposes of identification of material creditors and related information in this section. Further, for outstanding dues to any party which is a micro, small or a medium enterprise (“MSME”), the disclosure will be based on information available with our Company regarding status of the creditor as defined under Section 2 of the Micro, Small and Medium Enterprises Development Act, 2006, as amended.*

### III. **Litigation involving our Directors**

#### (a) *Criminal proceedings against our Directors*

- (i) Shubhkant Kumar (the “**Complainant**”) has lodged a criminal complaint before the court of the Chief Judicial Magistrate, Muzaffarpur, Bihar (“**Magistrate**”), against L&T Finance Limited and certain of its key managerial personnel, including Dinanath Mohandas Dubhashi, our Independent Director. The Complainant alleges the commission of offences of cheating and inducing delivery of property, forgery of valuable security, forgery with the intent to cheat and criminal conspiracy, punishable under sections, 420, 467 and 468, and 120B of the erstwhile Indian Penal Code. As of the date of this Updated Draft Red Herring Prospectus-I, the Magistrate has not taken cognizance of the complaint against L&T Finance Limited or any of its key managerial personnel including Dinanath Mohandas Dubhashi, and no summons has been issued to Dinanath Mohandas Dubhashi in relation thereto.
- (ii) Leo Duct Engineers & Consultants has filed a criminal case against L&T Finance Limited and certain of its key managerial personnel, including Dinanath Mohandas Dubhashi, our Independent Director alleging commission of offences of cheating and dishonestly inducing delivery of property, criminal breach of trust by carrier, and criminal trespass. As on the date of this Updated Draft Red Herring Prospectus-I, the Additional Metropolitan Magistrate, Ballardpier, Mumbai has not taken cognizance of the complaint against L&T Finance Limited or any of its named key managerial personnel including Dinanath Mohandas Dubhashi. Consequently, no summons has been issued to L&T Finance Limited or any of its key managerial personnel including Dinanath Mohandas Dubhashi in connection with the said matter. Police have submitted a report recommending closure of the case on the grounds of dispute appearing to be of a civil nature.
- (iii) Vikramjeet Singh has filed a criminal revision petition challenging the dismissal of his case, seeking appellate review on the grounds of alleged legal or procedural errors. As on the date of this Updated Draft Red Herring Prospectus-I, no notice has been issued to L&T Finance Limited or any of its key managerial personnel, including Dinanath Mohandas Dubhashi, our Independent Director or employees named under the petition.
- (iv) Arun Aapasaheb Hatti has filed a criminal case before the Chief Judicial Magistrate, Kolhapur, against L&T Finance Limited and Dinanath Mohandas Dubhashi, our Independent Director alleging offences under Sections 120B, 419, 420, 421, 465, 467, 468, and 474 of the erstwhile Indian Penal Code, including criminal conspiracy, cheating by personation, dishonestly inducing delivery of property, fraudulent concealment of property to prevent distribution among creditors, and forgery of valuable security and related documents. As on the date of this Updated Draft Red Herring Prospectus-I, the Chief Judicial Magistrate, Kolhapur has not taken cognizance of the complaint against L&T Finance Limited or any of its named key managerial personnel or employees including Dinanath Mohandas Dubhashi. Accordingly, no summons have been issued in the matter.
- (v) For litigation involving Dharendra Nalin Mahyavanshi, see “**-Litigation involving our Subsidiaries- Criminal proceedings against our Subsidiaries-TIB**” on page 588 above.

#### (b) *Criminal proceedings by our Directors*

Nil

#### (c) *Actions by statutory/regulatory authorities against our Directors*

- (i) Alok Chandra Misra, our Independent Director, has been named as a party to a case filed against Ochre and Black Private Limited before the Additional Metropolitan Magistrate, Girgaon, Mumbai alleging violation of corporate compliance, governance,

and accounting regulations under Section 148(8)(a), 147(1), 148(6), 403, of Companies Act 2013, read with Companies (Cost Record and Audit) Rules, 2014. However, as on date of this Updated Draft Red Herring Prospectus-I, no summons has been issued against Alok Chandra Misra and a compounding application has been filed with the Registrar of Companies, and the matter is scheduled for hearing before the Magistrate.

- (ii) For litigation involving Dharendra Nalin Mahyavanshi, see –“**Litigation involving our Subsidiaries-Actions by statutory/ regulatory authorities against our Subsidiaries**” on page 588 above.

(d) *Material civil litigation against our Directors*

Nil

(e) *Material civil litigation by our Directors*

Alok Chandra Misra, our Independent Director, and his wife, Anjana Sood (“**Complainants**”), filed a complaint dated February 3, 2021, bearing number CMP/UR/210203/000756 against Marvel Omega Builders Private Limited (“**Marvel**”) before the Karnataka Real Estate Regulatory Authority, Bangalore (“**Authority**”) seeking payment of the principal and delay penalty charges (as per the Real Estate (Regulatory and Development) Act, 2016) amounting to approximately ₹ 99.00 million from Marvel, in relation to the purchase of a flat by the Complainants from Marvel, whose original possession date was in March 2017, and which was not duly handed over to the Complainants. The matter is pending before the Authority, and stands suspended as on the date of this Updated Draft Red Herring Prospectus - I. On December 27, 2022, a company petition to initiate a corporate insolvency resolution process (“**CIRP**”) was filed against Marvel by Catalyst Trusteeship Limited and Ors. under Section 7 of the Insolvency and Bankruptcy Code, 2016 (“**Code**”) before the National Company Law Tribunal, Mumbai (“**NCLT**”). The NCLT admitted this petition on September 6, 2024, and appointed an interim resolution professional (“**IRP**”) for initiating the CIRP against Marvel. Thereafter, the Complainants have filed their complaint, before the IRP. Pursuant to this, one of the suspended directors of Marvel filed an appeal (“**Appeal**”) dated September 11, 2024 before the National Company Law Appellate Tribunal (“**NCLAT**”), seeking relief. The Complainants, in return, filed an application dated December 24, 2024 seeking an intervention in the Appeal which was disposed by the NCLAT on December 23, 2024 (“**Order**”). Pursuant to the Order, NCLAT directed all stakeholders dispute to file their objections before the NCLT. Accordingly, on January 6, 2025, Marvel filed an application under Section 12A of the Code (“**Application**”) with the IRP for withdrawal of the CIRP initiation application and thereafter, the Complainants have filed a petition on January 14, 2025 before the NCLT seeking an intervention in the Application. On June 2, 2025, the Hon’ble NCLT has directed the IRP to serve copy of the Application and allowed the Complainants and other stakeholders to file objections. Subsequently, the IRP withdrew the Application from the NCLT due to failure of settlement discussions. In view of the withdrawal, the petition filed on January 14, 2025, stood disposed of. As on the date of this Updated Draft Red Herring Prospectus – I, the CIRP against Marvel is ongoing, and the moratorium period has been put into effect. The claims filed by the Complainants have been admitted, and the committee of creditors formed pursuant to the CIRP. The matter is currently pending.

#### Material tax litigation against the Company:

1. Our Company received a show cause cum demand notice from the Directorate General of GST Intelligence (“**GST Department**”), Mumbai Zonal Unit dated June 15, 2023 (“**SCN**”) alleging that our Company had issued invoices of taxable value of ₹ 847.77 million and incorrectly passed on input tax credit of GST (“**ITC**”) of ₹ 152.60 million without supply of services to Reliance General Insurance Company Limited during the period from July, 2017 to March, 2022 contravening the Central Goods and Services Tax Act, 2017 (“**CGST Act**”) and the Integrated Goods and Services Tax Act, 2017 (“**IGST Act**”) and the rules thereunder. Our Company, by way of its letter dated October 11, 2024, responded to the SCN stating that the penalty imposed under section 122 of the CGST Act is not applicable to our Company as we had provided services, the GST Department has misconstrued the scope of the services under the service agreement. The Office of the Commissioner of CGST, Palghar passed an order dated January 31, 2025 (“**Order**”) confirming penalty of ₹ 152.60 million under section 122 of the CGST Act and State Goods and Services Tax Act, 2017 (“**SGST Act**”) read with Section 20 of the IGST Act, Section 6(1) of SGST Act and Section 6(2) of CGST Act. Our Company filed an appeal dated April 22, 2025 against the Order before the appellate authority on various legal counts. The matter is currently pending.
2. Our Company received a show cause cum demand notice from the Directorate General of GST Intelligence (“**GST Department**”), Ghaziabad Regional Unit dated January 18, 2024 (“**SCN**”) alleging that our Company had issued invoices of taxable value of ₹ 248.00 million and incorrectly passed on input tax credit of GST (“**ITC**”) of ₹44.64 million without supply of services to Magma HDI General Insurance Company Limited during the period from FY 2022-23 contravening the Central Goods and Services Tax Act, 2017 (“**CGST Act**”) and the Integrated Goods and Services Tax Act, 2017 (“**IGST Act**”) and the rules thereunder. Our Company by way of its letter dated September 20, 2024, responded to the SCN stating that the penalty imposed under section 122 of the CGST Act is not applicable to our Company as we had provided services, the GST Department has misconstrued the scope of the services under the service agreement. The Office of the Commissioner of CGST & Central Excise, Nagpur II passed an order dated February 1, 2025 (“**Order**”) confirming penalty of ₹ 44.64 million each, (a) under section 122 (1)(ii) for total inadmissible ITC passed on by the Company, (b) under section 122(1)(x) for falsified financial records or to provide false information, and (c) under section 122(1)(xvi) on account of failure to maintain or retain the books of accounts under the CGST Act and SGST Act read with Section 20 of the IGST Act. Our Company filed an appeal dated April 25, 2025 against the Order before the Commissioner (Appeals), Nagpur II, on various legal counts. The matter is currently pending.

#### VII. Outstanding Dues to Creditors

In accordance with the Materiality Policy, creditors to whom ₹ 30.02 million, which is five percent of the consolidated trade payables of our Company as per the latest period of the Restated Consolidated Financial Information is due by our Company, have been considered as Material Creditors. Details of outstanding dues owed to Material Creditors, MSME creditors and other creditors of our Company as of September 30, 2025 based on such determination are disclosed below:

| Types of Creditors | Number of Creditors | Amount (₹ million) |
|--------------------|---------------------|--------------------|
| MSME creditors     | 141                 | 52.58              |
| Material Creditors | Nil                 | Nil                |
| Other creditors    | 66,271              | 547.81             |
| <b>Total</b>       | <b>66,412</b>       | <b>600.39</b>      |

As of September 30, 2025, there are no outstanding overdues to Material Creditors.

#### **VIII. Material Developments since the Last Balance Sheet**

Other than as disclosed in “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on page 530, in the opinion of our Board, there have been no material developments, since the date of our last balance sheet as disclosed in this Updated Draft Red Herring Prospectus-I which materially and adversely affect, or are likely to affect, our trading or profitability; or the value of our assets, or our ability to pay our liabilities within the next 12 months.

## GOVERNMENT AND OTHER APPROVALS

*Our business requires various approvals, consents, licenses, registrations and permits issued by relevant governmental and regulatory authorities of the respective jurisdiction under applicable rules and regulations. Set out below is an indicative list of such consents, licenses, registrations, permissions, and approvals obtained by (a) our Company; and (b) our Material Subsidiary which are considered material and necessary for the purposes of undertaking their respective businesses and operations (“Material Approvals”). In addition, certain Material Approvals may have lapsed or expired or may lapse in their ordinary course of business, from time to time, and our Company and our Material Subsidiary have either already made applications to the appropriate authorities for renewal of such Material Approvals or are in the process of making such renewal applications in accordance with applicable law and requirements and procedure. Unless otherwise stated, these Material Approvals are valid as of the date of this Updated Draft Red Herring Prospectus-I.*

*Pursuant to the conversion of our Company into a public limited company and the consequent change in name of our Company, our Company is in the process of changing our name as it appears on various Material Approvals. For details in connection with the regulatory and legal framework within which we operate, see the section “Key Regulations and Policies” on page 273. For details of risks associated with not obtaining or delay in obtaining the Material Approvals, please see the section titled “Risk Factors –We are required to obtain, renew or maintain statutory and regulatory permits, licenses and approvals to operate our business, and any delay or inability in obtaining, renewing or maintaining such permits, licenses and approvals could result in an adverse effect on our business, prospects, financial condition, results of operations and cash flows.” on page 88.*

\*Calculated as a percentage of each selling shareholders offered shares to the total outstanding Equity Shares (upon conversion of the Preference Shares) of our Company.

#### *In principle listing approvals*

Our Company has received in-principle approvals from BSE and NSE for the listing of the Equity Shares pursuant to letters each dated November 24, 2025.

#### **Prohibition by the Securities and Exchange Board of India, Reserve Bank of India or other Governmental Authorities**

Our Company, Promoters, members of our Promoter Group and Directors are not prohibited from accessing the capital market or debarred from buying, selling or dealing in securities under any order or direction passed by the SEBI or any securities market regulator in any other jurisdiction or any other authority/court.

#### **Directors associated with the securities market**

Except as disclosed below, none of our Directors are, in any manner, associated with the securities market and there is no outstanding action initiated by the SEBI against the Directors of our Company in the past five years preceding the date of this Updated Draft Red Herring Prospectus-I:

Our Independent Directors, Alok Chandra Mishra, is a director in Kfin Technologies Limited, an RTA registered with SEBI and Anup Wadhawan is a director at Aspero Markets Private Limited, an online bond platform provider, registered with SEBI

#### **Confirmation under the Companies (Significant Beneficial Owners) Rules, 2018**

Our Company, our Promoters, our Directors and members of our Promoter Group, severally and not jointly, confirm that they are in compliance with the Companies (Significant Beneficial Owners) Rules, 2018, to the extent applicable to each of them, as on the date of this Updated Draft Red Herring Prospectus-I.

#### **Eligibility for the Offer**

Our Company is eligible to undertake the Offer in accordance with the eligibility criteria provided in Regulation 6(2) of the SEBI ICDR Regulations which states the following:

*“An issuer not satisfying the condition stipulated in sub-regulation (1) shall be eligible to make an initial public offer only if the issue is made through the book-building process and the issuer undertakes to allot at least seventy*

*five percent of the offer to qualified institutional buyers and to refund the full subscription money if it fails to do so."*

We did not satisfy the conditions specified in Regulations 6(1)(b) and 6(1)(d) of the SEBI ICDR Regulations of having an average operating profit of at least ₹150.00 million calculated on a restated and consolidated basis during the preceding three years, with operating profit earned in each of these preceding three years and having changed its name within the last one year, and 50% of the revenue calculated on a restated and consolidated basis, for the preceding one full year having been earned by it from the activity indicated by its new name, respectively, and are therefore required to meet the conditions as detailed under Regulation 6(2) of the SEBI ICDR Regulations.

We are therefore required to allot not less than 75% of the Offer to QIBs to meet the conditions as detailed under Regulation 6(2) of the SEBI ICDR Regulations. Further, not more than 15% of the Offer shall be available for allocation to Non-Institutional Investors of which one-third of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹0.20 million and up to ₹1.00 million and two-thirds of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹1.00 million and under-subscription in either of these two sub-categories of Non-Institutional Portion may be allocated to Bidders in the other sub-category of Non-Institutional Portion. Further, not more than 10% of the Offer shall be available for allocation to Retail Individual Investors in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

In the event that we fail to do so, the Bid Amount received by our Company shall be refunded to the Bidders, in accordance with the SEBI ICDR Regulations and other applicable law.

Our Company confirms that it is in compliance with the conditions specified in Regulation 7(1) of the SEBI ICDR Regulations, to the extent applicable and will ensure compliance with the conditions specified in Regulation 7(2) of the SEBI ICDR Regulations, to the extent applicable.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Allottees under the Offer shall be not less than 1,000, failing which, the entire application money will be refunded forthwith in accordance with the SEBI ICDR Regulations and other applicable laws.

Our Company is in compliance with the following conditions specified in Regulation 5 of the SEBI ICDR Regulations:

- (a) our Company, the Promoters, the members of our Promoter Group, the Selling Shareholders or our Directors are not debarred from accessing the capital market by SEBI;
- (b) none of our Promoters or our Directors are promoters or directors of companies which are debarred from accessing the capital markets by SEBI;
- (c) none of our Company, our Promoters or Directors have been categorized as a Wilful Defaulter or a Fraudulent Borrower;
- (d) none of our Promoters or Directors are Fugitive Economic Offenders;
- (e) as on the date of this Updated Draft Red Herring Prospectus-I, except for (a) the Preference Shares (which shall be converted prior to the filing of the Red Herring Prospectus); and (b) employee stock options granted pursuant to the ESOS 2025 (if any), there are no outstanding warrants, options or rights to convert debentures, loans or other instruments convertible into, or which would entitle any person any option to receive Equity Shares.

**Disclaimer from our Company, our Selling Shareholders, Directors and Book Running Lead Managers**

Our Company, each of our Selling Shareholders, Directors and the Book Running Lead Managers accept no responsibility for statements made otherwise than in this Updated Draft Red Herring Prospectus-I or in the advertisements or any other material issued by or at our Company's instance and anyone placing reliance on any other source of information, including our Company's website [www.turtlemint.com](http://www.turtlemint.com), or the website of any affiliate of our Company, would be doing so at their own risk. It is clarified that none of the Selling Shareholders, or their respective trustees, affiliates, associates, and officers accept and/or undertake any responsibility for any statements made in this Updated Draft Red Herring Prospectus-I, other than those specifically made or undertaken confirmed by the such Selling Shareholders in relation to themselves itself as a Selling Shareholders and their its respective portion of the Offered Shares, and in this case only on a several and not joint basis.

The Book Running Lead Managers accept no responsibility, save to the limited extent as provided in the Offer Agreement and as will be provided for in the Underwriting Agreement.

All information, to the extent required in relation to the Offer, shall be made available by our Company, the Selling Shareholders and the Book Running Lead Managers to the Bidders and the public at large and no selective or additional information would be made available for a section of the Bidders in any manner whatsoever, including at road show presentations, in research or sales reports, at the Bidding Centres or elsewhere.

Bidders will be required to confirm and will be deemed to have represented to our Company, the Selling Shareholders and their directors/trustees, officers, agents, affiliates, and representatives. as applicable, Underwriters, the Book Running Lead Managers and their respective directors, partners, designated partners, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares.

The Book Running Lead Managers and their respective associates and affiliates in their capacity as principals or agents may engage in transactions with, and perform services for, our Company, our Subsidiaries, our Promoters, members of the Promoter Group and their directors and officers, group companies, affiliates or associates or third parties (as applicable) in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Company, its Directors, our Promoter, officers, agents, group companies, affiliates, associates or third parties, (as applicable) for which they have received, and may in the future receive, compensation. As used herein, the term 'affiliate' means any person or entity that controls or is controlled by or is under common control with another person or entity.

#### **Disclaimer in respect of jurisdiction**

The Offer is being made in India to persons resident in India (including Indian nationals resident in India who are competent to contract under the Indian Contract Act, 1872, HUFs, companies, corporate bodies and societies registered under the applicable laws in India and authorised to invest in equity shares, domestic Mutual Funds registered with the SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to permission from the RBI), systemically important non-banking financial companies or trusts under applicable trust law and who are authorised under their constitution to hold and invest in shares, state industrial development corporations, permitted insurance companies registered with Insurance Regulatory and Development Authority of India, public financial institutions as specified in Section 2(72) of the Companies Act, permitted provident funds with a minimum corpus of ₹250 million (subject to applicable law) and pension funds (registered with the Pension Fund Regulatory and Development Authority established under Section 3(1) of the Pension Fund Regulatory and Development Authority Act, 2013, subject to applicable laws, with minimum corpus of ₹250 million), National Investment Fund, insurance funds set up and managed by the army and navy or air force of Union of India and insurance funds set up and managed by the Department of Posts, India, systemically important NBFCs registered with the RBI, multilateral and bilateral development financial institutions and permitted Non-Residents including FPIs and Eligible NRIs, AIFs and other eligible foreign investors, if any, provided that they are eligible under all applicable laws and regulations to purchase the Equity Shares. This Updated Draft Red Herring Prospectus-I does not constitute an offer to sell or an invitation to subscribe to Equity Shares offered hereby, in any jurisdiction to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Updated Draft Red Herring Prospectus-I comes is required to inform him or herself about, and to observe, any such restrictions.

Any dispute arising out of the Offer will be subject to the jurisdiction of appropriate court(s) in Mumbai, Maharashtra only.

Neither the delivery of this Updated Draft Red Herring Prospectus-I nor the offer of the Offered Shares shall, under any circumstances, create any implication that there has been no change in the affairs of our Company since the date of this Updated Draft Red Herring Prospectus-I or that the information contained herein is correct as of any time subsequent to this date.

Invitations to subscribe to or purchase the Equity Shares in the Offer will be made only pursuant to the Red Herring Prospectus if the recipient is in India or the preliminary offering memorandum for the Offer, which comprises the Red Herring Prospectus and the preliminary international wrap for the Offer, if the recipient is outside India.

**No person outside India is eligible to Bid for Equity Shares in the Offer unless that person has received the preliminary offering memorandum for the Offer, which contains the selling restrictions for the Offer outside India.**

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that this Updated Draft Red Herring Prospectus-I has been filed with the SEBI for its observations. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Updated Draft Red Herring Prospectus-I may not be distributed, in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction.

**Bidders are advised to ensure that any Bid from them does not exceed investment limits or maximum number of Equity Shares that can be held by them under applicable law. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.**

## **Eligibility and Transfer Restrictions**

The offer and sale of the Equity Shares offered in the Offer have not been, and will not be, registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the U.S. Securities Act and referred to in this Updated Draft Red Herring Prospectus-I as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Updated Draft Red Herring Prospectus-I as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act, and (ii) outside the United States in offshore transactions as defined in and in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Until the expiry of 40 days after the commencement of the Issue, an offer or sale of Equity Shares within the United States by a dealer (whether or not it is participating in the Issue) may violate the registration requirements of the U.S. Securities Act, unless made pursuant to Rule 144A or another available exemption from the registration requirements of the U.S. Securities Act and in accordance with applicable state securities laws in the United States.

Bidders are advised to ensure that any Bid from them does not exceed investment limits or maximum number of Equity Shares that can be held by them under applicable law. Further, each Bidder where required must agree in the Allotment Advice that such Bidder will not sell or transfer any Equity Shares or any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than in accordance with applicable laws.

## **Eligible Investors**

The Equity Shares are being offered and sold:

- (a) within the United States to investors that are U.S. QIBs in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act; and
- (b) outside the United States in “offshore transactions” as defined in, and in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur;

and in each case on the basis that each such purchaser is deemed to have made the representations set forth immediately below.

## ***Equity Shares Offered Pursuant to the Offer Within the United States***

Each purchaser that is acquiring the Equity Shares offered in the Offer within the United States, by submitting a Bid cum Application Form, will be deemed to have acknowledged, represented to and agreed with our Company and each of the Book Running Lead Managers that it has received a copy of this Updated Draft Red Herring Prospectus-I, the Red Herring Prospectus, the Prospectus and such other information as it deems necessary to make an informed investment decision and that:

- (a) the purchaser is authorised to consummate the purchase of the Equity Shares offered in the Offer in compliance with all applicable laws and regulations;
- (b) the purchaser acknowledges that the offer and sale of the Equity Shares in the Offer have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state of the United States and accordingly, may not be offered or sold within the United States except in an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act;

- (c) the purchaser (i) is a U.S. QIB, (ii) is aware that the sale to it is being made in a transaction exempt from, or not subject to, the registration requirements of the U.S. Securities Act, and (iii) is acquiring such Equity Shares for its own account or for the account of one or more U.S. QIBs with respect to which it exercises sole investment discretion;
- (d) the purchaser is not an affiliate of our Company or a person acting on behalf of an affiliate;
- (e) if, in the future, the purchaser decides to offer, resell, pledge or otherwise transfer such Equity Shares, or any economic interest therein, such Equity Shares or any economic interest therein may be offered, sold, pledged or otherwise transferred, only (A) (i) to a person whom the beneficial owner and/or any person acting on its behalf reasonably believes is a U.S. QIB in a transaction meeting the requirements of Rule 144A under the U.S. Securities Act, or (ii) in an “offshore transaction” complying with Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act; and (B) in accordance with all applicable laws, including the state securities laws in the United States. The purchaser understands that the transfer restrictions will remain in effect until our Company determines, in its sole discretion, to remove them;
- (f) the purchaser acknowledges that the Equity Shares are “restricted securities” within the meaning of Rule 144(a)(3) under the U.S. Securities Act and no representation is made as to the availability of the exemption provided by Rule 144 under the U.S. Securities Act for resales of any such Equity Shares;
- (g) the purchaser will not deposit or cause to be deposited such Equity Shares into any unrestricted depositary receipt facility established or maintained by a depositary bank, so long as such Equity Shares are “restricted securities” within the meaning of Rule 144(a)(3) under the U.S. Securities Act;
- (h) neither the purchaser, nor any of its affiliates (as defined in Rule 405 of the U.S. Securities Act), nor any person acting on behalf of the purchaser or any of its affiliates (as defined in Rule 405 of the U.S. Securities Act), is acquiring the Equity Shares as a result of any “directed selling efforts” as defined in Regulation S under the U.S. Securities Act in the United States with respect to the Equity Shares or any form of “general solicitation” or “general advertising” (as defined in Regulation D under the U.S. Securities Act) in connection with any offer or sale of the Equity Shares;
- (i) the purchaser understands that such Equity Shares (to the extent they are in certificated form), unless our Company determines otherwise in accordance with applicable law, will bear a legend substantially to the following effect:

**“THE EQUITY SHARES REPRESENTED HEREBY HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 (THE “U.S. SECURITIES ACT”) OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT AND APPLICABLE STATE SECURITIES LAW AND ACCORDINGLY, THE EQUITY SHARES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED (1) WITHIN THE UNITED STATES, SOLELY TO A PERSON WHOM THE SELLER OR ANY PERSON ACTING ON ITS BEHALF REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE U.S. SECURITIES ACT IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A UNDER THE U.S. SECURITIES ACT OR ANOTHER EXEMPTION FROM, OR TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT, OR (2) OUTSIDE THE UNITED STATES IN AN “OFFSHORE TRANSACTION” AS DEFINED IN AND IN COMPLIANCE WITH REGULATION S UNDER THE U.S. SECURITIES ACT, AND THE APPLICABLE LAWS OF THE JURISDICTIONS WHERE THOSE OFFERS AND SALES OCCUR.”**

- (j) the purchaser acknowledges that our Company will not recognise any offer, sale, pledge or other transfer of such Equity Shares made other than in compliance with the above-stated restrictions; and
- (k) the purchaser acknowledges that our Company, the Book Running Lead Managers, their respective affiliates and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that, if any of such acknowledgements, representations and agreements deemed to have been made by virtue of its purchase of such Equity Shares are no longer

accurate, it will promptly notify our Company and the Book Running Lead Managers, and if it is acquiring any of such Equity Shares as a fiduciary or agent for one or more accounts, it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of such account.

#### ***All Other Equity Shares Offered and Sold in the Offer***

Each purchaser that is acquiring the Equity Shares offered in the Offer outside the United States, by submitting a Bid cum Application Form, will be deemed to have acknowledged, represented to and agreed with our Company and each of the Book Running Lead Managers that it has received a copy of this Updated Draft Red Herring Prospectus-I, the Red Herring Prospectus, the Prospectus and such other information as it deems necessary to make an informed investment decision and that:

- (a) the purchaser is authorised to consummate the purchase of the Equity Shares offered in the Offer in compliance with all applicable laws and regulations;
- (b) the purchaser acknowledges that the offer and sale of the Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state of or other jurisdiction of the United States and accordingly, may not be offered, resold, pledged or transferred within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act;
- (c) the purchaser is purchasing the Equity Shares offered in the Offer in an offshore transaction meeting the requirements of Rule 903 of Regulation S under the U.S. Securities Act;
- (d) the purchaser was located outside the United States at the time (i) the offer for such Equity Shares was made to it, and (ii) when the buy order for such Equity Shares was originated and continues to be located outside the United States;
- (e) the purchaser is not an affiliate of our Company or a person acting on behalf of an affiliate;
- (f) if, in the future, the purchaser decides to offer, resell, pledge or otherwise transfer such Equity Shares, or any economic interest therein, such Equity Shares or any economic interest therein may be offered, sold, pledged or otherwise transferred only (A) (i) to a person whom the beneficial owner and/or any person acting on its behalf reasonably believes is a U.S. QIB in a transaction meeting the requirements of Rule 144A, or (ii) in an offshore transaction complying with Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act and (B) in accordance with all applicable laws, including the securities laws of the States of the United States. The purchaser understands that the transfer restrictions will remain in effect until our Company determines, in its sole discretion, to remove them;
- (g) neither the purchaser nor any of its affiliates (as defined in Rule 405 of the U.S. Securities Act), nor any person acting on behalf of the purchaser or any of its affiliates (as defined in Rule 405 of the U.S. Securities Act), is acquiring the Equity Shares as a result of any “directed selling efforts” as defined in Regulation S under the U.S. Securities Act in the United States with respect to the Equity Shares;
- (h) the purchaser understands that such Equity Shares (to the extent they are in certificated form), unless our Company determine otherwise in accordance with applicable law, will bear a legend substantially to the following effect:

**“THE EQUITY SHARES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 (THE “U.S. SECURITIES ACT”) OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND MAY NOT BE OFFERED OR SOLD EXCEPT (1) TO A PERSON WHOM THE SELLER OR ANY PERSON ACTING ON ITS BEHALF REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE U.S. SECURITIES ACT IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A UNDER THE U.S. SECURITIES ACT, OR (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES.”**

- (i) the purchaser acknowledges that our Company will not recognise any offer, sale, pledge or other transfer of such Equity Shares made other than in compliance with the above-stated restrictions; and
- (j) the purchaser acknowledges that our Company, the Book Running Lead Managers, their respective affiliates and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that, if any of such acknowledgements, representations and agreements deemed to have been made by virtue of its purchase of such Equity Shares are no longer accurate, it will promptly notify our Company and the Book Running Lead Managers, and if it is acquiring any of such Equity Shares as a fiduciary or agent for one or more accounts, it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of such account.

#### **Listing**

The Equity Shares offered through the Red Herring Prospectus are proposed to be listed on the Stock Exchanges. Application will be made to the Stock Exchanges for obtaining permission for listing and trading of the Equity Shares. [●] will be the Designated Stock Exchange with which the Basis of Allotment will be finalised.

Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges are taken within three Working Days from the Bid/ Offer Closing Date or within such other period as may be prescribed.

If our Company does not Allot the Equity Shares within two Working Days from the Bid/Offer Closing Date or within such timeline as prescribed by SEBI, all amounts received in the Public Offer Accounts will be transferred to the Refund Account and it shall be utilised to repay, without interest, all monies received from Bidders, failing which interest shall be due to be paid to the Bidders as prescribed under applicable law.

If the permission to deal in and for an official quotation of the Equity Shares is not granted by the Stock Exchanges, our Company shall forthwith repay, without interest, all monies received from the applicants in pursuance of the Red Herring Prospectus in accordance with applicable law. If such money is not repaid within the prescribed time, then our Company and every officer in default shall be liable to repay the money, with interest, as prescribed under applicable law.

Notes:

1. The S&P CNX NIFTY or S&P BSE SENSEX is considered as the Benchmark Index, depending upon the designated stock exchange.
2. Price is taken from NSE or BSE, depending upon Designated Stock Exchange for the above calculations.
3. The 30th, 90th and 180th calendar day computation includes the listing day. If either of the 30th, 90th or 180th calendar days is a trading holiday, the previous trading day is considered for the computation. We have taken the issue price to calculate the % change in closing price as on 30th, 90th and 180th day. We have taken the closing price of the applicable benchmark index as on the listing day to calculate the % change in closing price of the benchmark as on 30th, 90th and 180th days
4. Not applicable – Period not completed.

### Stock market data of Equity Shares

This being an initial public offer of our Company, the Equity Shares are not listed on any stock exchange as on the date of this Updated Draft Red Herring Prospectus-I and accordingly, no stock market data is available for the Equity Shares.

### Mechanism for redressal of investor grievances

The Registrar Agreement provides for retention of records with the Registrar to the Offer for a period of at least eight years from the date of listing and commencement of trading of the Equity Shares on the Stock Exchanges, subject to agreement with our Company for storage of such records for a longer period, to enable the Bidders to approach the Registrar to the Offer for redressal of their grievances.

The Registrar to the Offer shall obtain the required information from the SCSBs and Sponsor Banks for addressing any clarifications or grievances of ASBA Bidders. Our Company, each of the Selling Shareholders, the Book Running Lead Managers and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations. Bidders can contact our Company Secretary and Compliance Officer or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

In terms of the SEBI ICDR Master Circular and subject to applicable law, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days. Further, the Bidders shall be compensated by the SCSBs in accordance with SEBI ICDR Master Circular in the events of delayed unblock for cancelled/withdrawn/deleted applications, blocking of multiple amounts for the same UPI application, blocking of more amount than the application amount, delayed unblocking of amounts for non-allotted/partially-allotted applications, for the stipulated period. In an event there is a delay in redressal of the investor grievance in relation to unblocking of amounts, SCSBs and the Book Running Lead Managers shall compensate the Bidders at the rate higher of ₹100 or 15% per annum of the application amount for the period of such delay. Further, in terms of SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the Book Running Lead Managers, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

The processing fees for applications made by UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with the SEBI ICDR Master Circular.

### Disposal of investor grievances by our Company or in relation to Offer

We estimate that the average time required by our Company and/or the Registrar to the Offer for the redressal of routine investor grievances shall be seven to ten Working Days from the date of receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Company will seek to redress these complaints as expeditiously as possible.

Our Company has appointed Prashant Saini, as the Company Secretary and Compliance Officer for the Offer and he may be contacted in case of any pre-Offer or post-Offer related problems. For details, see “**General Information**” on page 118.

In terms of SEBI circular SEBI/HO/OIAE/IGRD/CIR/P/2023/156 dated September 20, 2023, companies intending to get listed must submit a declaration that a draft red herring prospectus has been submitted to SEBI in order to obtain SCORES authentication. Our Company has obtained registration on the SEBI SCORES platform and has obtained authentication and shall comply with the SEBI circular (CIR/OIAE/1/2013) dated April 17, 2013, the SEBI circular (CIR/OIAE/1/2014) dated December 18, 2014 and the SEBI circular (SEBI/HO/OIAE/IGRD/CIR/P/2021/642) dated October 14, 2021 in relation to redressal of investor grievances through SCORES.

Our Company has also constituted a Stakeholders’ Relationship Committee, which is responsible for redressal of grievances of the security holders of our Company. For details, see “**Our Management –Board Committees – Stakeholders’ Relationship Committee**” on page 299.

Our Company has not received any investor complaint during the three years preceding the date of this Updated Draft Red Herring Prospectus-I. Further, no investor complaint in relation to our Company is pending as on the date of this Updated Draft Red Herring Prospectus-I.

Except for the one investor complaint in relation to the Offer received and responded by the BRLMs, there are no investor complaint in relation to the Offer that is pending as on the date of this Updated Draft Red Herring Prospectus-I.

**Exemption from complying with any provisions of securities laws, if any, granted by the Securities and Exchange Board of India**

Our Company has not sought any exemptions from SEBI from complying with any provisions of securities laws including the SEBI ICDR Regulations, as on the date of this Updated Draft Red Herring Prospectus-I.

**Other confirmations**

No person connected with the Offer shall offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any person for making an application in the Offer, except for fees or commission for services rendered in relation to the Offer.

## SECTION VII – OFFER RELATED INFORMATION

### TERMS OF THE OFFER

The Equity Shares being offered and allotted and transferred pursuant to the Offer shall be subject to the provisions of the Companies Act, the SEBI ICDR Regulations, the SCRA, the SCRR, the memorandum of association, the articles of associations, the SEBI Listing Regulations, the terms of the Red Herring Prospectus and the Prospectus, the Abridged Prospectus, Bid cum Application Form, the Revision Form, the CAN/Allotment Advice and other terms and conditions as may be incorporated in the Allotment Advice and other documents/certificates that may be executed in respect of the Offer. The Equity Shares shall also be subject to all applicable laws, guidelines, rules, notifications and regulations relating to the issue of capital, offer for sale and listing and trading of securities, issued from time to time by SEBI, the Government of India, the Stock Exchanges, the RoC, the RBI and/or other authorities, as in force on the date of the Offer and to the extent applicable or such other conditions as may be prescribed by the SEBI, the Government of India, the Stock Exchanges, the RoC, the RBI and/or any other governmental, statutory or regulatory authorities while granting approval for the Offer.

#### The Offer

The Offer comprises of an Offer for Sale by the Selling Shareholders. Expenses for the Offer shall be shared amongst our Company and the Selling Shareholders in the manner specified in “*Objects of the Offer – Offer related Expenses*” on page 173.

#### Ranking of the Equity Shares

The Equity Shares bearing face value ₹1 each being offered and transferred pursuant to the Offer shall be subject to the provisions of the Companies Act, the SEBI ICDR Regulations, SCRA, SCRR, the Memorandum of Association, the Articles of Association, and will rank *pari passu* in all respects with the existing Equity Shares of our Company, including in respect of rights to receive dividends and other corporate benefits, if any, declared by our Company after the date of Allotment in accordance with applicable laws. For further details, see “*Main Provisions of Articles of Association*” on page 653.

#### Mode of payment of dividend

Our Company shall pay dividends, if declared, to our Shareholders, as per the provisions of the Companies Act, our Memorandum of Association, Article of Association, the SEBI Listing Regulations and other applicable laws including guidelines or directives that may be issued by the GoI in this respect. All dividends, declared by our Company after the date of Allotment (including pursuant to the transfer of Equity Shares in the Offer for Sale) in this Offer, will be payable to the Allottees, who have been Allotted Equity Shares in the Offer, for the entire year, in accordance with applicable law. For further details in relation to dividends, see “*Dividend Policy*” and “*Main Provisions of Articles of Association*” on pages 309 and 653, respectively.

#### Face Value, Offer Price, Floor Price and Price Band

The face value of each Equity Share is ₹1 and the Offer Price at the lower end of Price Band is ₹[●] per Equity Share and at the higher end of the Price Band is ₹[●] per Equity Share. The Anchor Investor Offer Price is ₹[●] per Equity Share.

The Price Band and the minimum Bid Lot will be decided by our Company, in consultation with the Book Running Lead Managers, and will be advertised, at least two Working Days prior to the Bid/ Offer Opening Date, in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and Mumbai edition of Navshakti (a widely circulated Marathi daily newspaper, Marathi being the regional language of Maharashtra, India, where our Registered and Corporate Office is located) and shall be made available to the Stock Exchanges for the purpose of uploading on their respective websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, shall be pre-filled in the Bid cum Application Forms available on the respective websites of the Stock Exchanges. The Offer Price shall be determined by our Company, in consultation with the Book Running Lead Managers, after the Bid/ Offer Closing Date, on the basis of assessment of market demand for the Equity Shares offered by way of the Book Building Process.

#### Compliance with disclosure and accounting norms

Our Company shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

## **The Offer**

### **Rights of the Equity Shareholders**

Subject to applicable laws, rules, regulations and guidelines and the Articles of Association, our Shareholders shall have the following rights:

- Right to receive dividends, if declared;
- Right to attend general meetings and exercise voting rights, unless prohibited by law;
- Right to vote on a poll either in person or by proxy or e-voting, in accordance with the provisions of the Companies Act;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive any surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- Right of free transferability of their Equity Shares, subject to applicable foreign exchange regulations and other applicable laws; and
- Such other rights, as may be available to a Shareholder of a listed public company under the Companies Act, the SEBI Listing Regulations, the Memorandum of Association, the Articles of Association and other applicable laws.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture, lien, transfer, transmission, consolidation or sub-division, see “**Main Provisions of Articles of Association**” on page 653.

### **Allotment only in dematerialised form**

Pursuant to Section 29 of the Companies Act and the SEBI ICDR Regulations, the Equity Shares shall be Allotted only in dematerialised form. As per the SEBI ICDR Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges.

In this context, two agreements have been entered into amongst our Company, the respective Depositories and the Registrar to the Offer:

- Tripartite agreement dated January 2, 2023 amongst our Company, NSDL and the Registrar to the Offer; and
- Tripartite agreement dated December 28, 2022 amongst our Company, CDSL and the Registrar to the Offer.

### **Market lot and trading lot**

Since trading of our Equity Shares on the Stock Exchanges is in dematerialised form, the tradable lot is one Equity Share. Allotment in the Offer will be only in dematerialised form in multiples of one Equity Share subject to a minimum Allotment of [●] Equity Shares. For NIBs allotment shall not be less than the minimum Non-Institutional application size. For further details of the method of Basis of Allotment, see “**Offer Procedure**” on page 629.

### **Jurisdiction**

Exclusive jurisdiction for the purpose of the Offer is with the competent courts/authorities in Mumbai, Maharashtra, India.

**The offer and sale of the Equity Shares issued in the Offer have not been and will not be registered under the U.S. Securities Act or any other applicable law of the United States and, unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws.**

Accordingly, the Equity Shares are being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the U.S. Securities Act, and referred to in this Updated Draft Red Herring Prospectus-I as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Updated Draft Red Herring Prospectus-I as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act, and (ii) outside the United States in offshore transactions as defined in and in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

### Joint holders

Subject to the main provisions of the Articles of Association, where two or more persons are registered as the holders of the Equity Shares, they will be deemed to hold such Equity Shares as joint holders with benefits of survivorship.

### Nomination facility to Bidders

In accordance with Section 72 of the Companies Act, read with the Companies (Share Capital and Debentures) Rules, 2014, as amended, the sole Bidder, or the first Bidder along with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest, to the exclusion of all other persons, unless the nomination is modified or cancelled in the prescribed manner. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale, transfer or alienation of Equity Share(s) by the holder of such Equity Share(s). A nomination may be cancelled or modified by nominating any other person in place of the present nominee, by the holder of the Equity Shares who has made the nomination, by giving a notice of such cancellation or variation to our Company in the prescribed form. Fresh nomination can be made only on the prescribed form available on request at our Registered and Corporate Office or at the registrar and transfer agents of our Company.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act shall upon the production of such evidence as may be required by the Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, interests, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialised form, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Bidder would prevail. If Bidders want to change their nomination, they are advised to inform their respective Depository Participant.

### Bid/ Offer Period

|                                              |            |
|----------------------------------------------|------------|
| <b>BID/ OFFER OPENS ON<sup>(1)</sup></b>     | <b>[●]</b> |
| <b>BID/ OFFER CLOSES ON<sup>(2)(3)</sup></b> | <b>[●]</b> |

- (1) Our Company in consultation with the Book Running Lead Managers, may consider participation by Anchor Investors in accordance with the SEBI ICDR Regulations. The Anchor Investor Bidding Date will be one Working Day prior to the Bid/Offer Opening Date.
- (2) Our Company, in consultation with the Book Running Lead Managers, may consider closing the Bid/Offer Period for QIBs one Working Day prior to the Bid/Offer Closing Date in accordance with the SEBI ICDR Regulations.
- (3) UPI mandate end time and date shall be at 5:00 pm on the Bid/Offer Closing Date.

An indicative timetable in respect of the Offer is set out below:

| Event                   | Indicative Date |
|-------------------------|-----------------|
| Bid/ Offer Closing Date | <b>[●]</b>      |

| Event                                                                                       | Indicative Date |
|---------------------------------------------------------------------------------------------|-----------------|
| Finalisation of Basis of Allotment with the Designated Stock Exchange                       | On or about [●] |
| Initiation of refunds (if any, for Anchor Investors)/unblocking of funds from ASBA Account* | On or about [●] |
| Credit of Equity Shares to depository accounts                                              | On or about [●] |
| Commencement of trading of the Equity Shares on the Stock Exchanges                         | On or about [●] |

\*In case of (i) any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date for cancelled / withdrawn / deleted ASBA Forms, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the Bid Amount, whichever is higher from the date on which the request for cancellation/ withdrawal/ deletion is placed in the Stock Exchanges bidding platform until the date on which the amounts are unblocked (ii) any blocking of multiple amounts for the same ASBA Form (for amounts blocked through the UPI Mechanism), the Bidder shall be compensated at a uniform rate ₹100 per day or 15% per annum of the total cumulative blocked amount except the original application amount, whichever is higher from the date on which such multiple amounts were blocked till the date of actual unblock; (iii) any blocking of amounts more than the Bid Amount, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the difference in amount, whichever is higher from the date on which such excess amounts were blocked till the date of actual unblock; (iv) any delay in unblocking of non-allotted/ partially allotted Bids, exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the Bid Amount, whichever is higher for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The Book Running Lead Managers shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. Further, the Bidder shall be compensated in the manner specified in the SEBI ICDR Master Circular which for the avoidance of doubt, shall be deemed to be incorporated in the deemed agreement of our Company with the SCSBs, to the extent applicable. The processing fees for applications made by the UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI ICDR Master Circular.

**The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation or liability on our Company, or any of the Selling Shareholders or the Book Running Lead Managers.**

**Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within three Working days of Bid/ Offer Closing Date or such period as may be prescribed by SEBI, with reasonable support and co-operation of the Selling Shareholders, as may be required in respect of the Offered Shares, the timetable may be subject to change due to various factors, such as extension of the Bid/ Offer Period by our Company, in consultation with the Book Running Lead Managers, revision of the Price Band or any delay in receiving the final listing and trading approval from the Stock Exchanges and delay in respect of final certificates from SCSBs. The commencement of trading of Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. Each Selling Shareholder confirms that it shall extend reasonable support and co-operation as may be reasonably requested by our Company/ the Book Running Lead Managers, as may be required in relation to their respective portion of the Offered Shares, in accordance with applicable law, to facilitate the completion of listing and commencement of trading of Equity Shares on the Stock Exchanges within three Working Days from the Bid/Offer Closing Date or such time as prescribed by SEBI.**

The Offer will be made under UPI Phase III on mandatory basis, subject to the timing of the Offer and may circulars, clarification or notification issues by the SEBI from time to time, including the SEBI ICDR Master Circular.

In terms of the UPI Circulars, in relation to the Offer, the Book Running Lead Managers will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the allotment and listing procedure within three Working Days from the Bid/ Offer Closing Date or such time as prescribed by the SEBI, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

**Any circulars or notifications from SEBI after the date of this Updated Draft Red Herring Prospectus-I may result in changes to the abovementioned timelines. Further, the Offer procedure is subject to change basis any revised SEBI circulars to this effect.**

#### **Submission of Bids (other than Bids from Anchor Investors):**

| <b>Bid/Offer Period (except the Bid/Offer Closing Date)</b>                                                       |                                                 |

| <b>Revision/cancellation of Bids</b>                                                                                               |                                                                            |
| Upward revision of Bids by QIBs and Non-Institutional Bidders categories <sup>#</sup>                                              | Only between 10.00 a.m. and up to 4.00 p.m. IST on Bid/ Offer Closing Date |
| Upward or downward revision of Bids or cancellation of Bids by RIBs                                                                | Only between 10.00 a.m. and up to 5.00 p.m. IST                            |

<sup>\*</sup>UPI mandate end time shall be 5:00 p.m. on the Bid/ Offer Closing Date

<sup>#</sup>QIBs and Non-Institutional Bidders can neither revise their bids downwards nor cancel/withdraw their Bids.

**On the Bid/ Offer Closing Date, the Bids shall be uploaded until:**

- (i) 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and
- (ii) until 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by RIBs

On the Bid/ Offer Closing Date, extension of time will be granted by the Stock Exchanges only for uploading Bids received by RIBs, after taking into account the total number of Bids received up to closure of timings for acceptance of Bid cum Application Forms as stated herein and as reported by the Book Running Lead Managers to the Stock Exchanges.

The Registrar to the Offer shall submit the details of cancelled/withdrawn/deleted applications to the SCSBs on a daily basis within 60 minutes of the Bid closure time from the Bid/ Offer Opening Date till the Bid/Offer Closing Date by obtaining such information from the Stock Exchanges. The SCSBs shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the Book Running Lead Managers and the registrar and share transfer agents on a daily basis, as per the format prescribed in the SEBI ICDR Master Circular.

To avoid duplication, the facility of re-initiation provided to Syndicate Members shall preferably be allowed only once per Bid/batch and as deemed fit by the Stock Exchanges, after closure of the time for uploading Bids.

**It is clarified that Bids shall be processed only after the application monies are blocked in the ASBA Account and Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.**

Due to limitation of time available for uploading the Bids on the Bid/ Offer Closing Date, Bidders are advised to submit their Bids one day prior to the Bid / Offer Closing Date and in any case no later than 1.00 p.m. IST on the Bid/Offer Closing Date. Bidders are cautioned that, in the event a large number of Bids are received on the Bid/ Offer Closing Date, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under this Offer. Bids will be accepted on the Stock Exchange platform only during Working Days, during the Bid/ Offer Period and revisions shall not be accepted on Saturdays and public holidays. The Designated Intermediaries shall modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period till 5.00 pm on the Bid/Offer Closing Date after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing. Further, as per letter no. list/SMD/SM/2006 dated July 3, 2006 and letter no. NSE/IPO/25101- 6 dated July 6, 2006 issued by BSE and NSE, respectively, Bids and any revision in Bids shall not be accepted on Saturdays, Sundays and public/bank holidays as declared by the Stock Exchanges. Bids by ASBA Bidders shall be uploaded by the relevant Designated Intermediary in the electronic system to be provided by the Stock Exchanges.

Our Company, in consultation with the Book Running Lead Managers, reserve the right to revise the Price Band during the Bid/ Offer Period, in accordance with the SEBI ICDR Regulations, provided that the Cap Price will be at least 105% of the Floor Price and less than or equal to 120% of the Floor Price and the Floor Price will not be less than the face value of the Equity Shares. Subject to compliance with the foregoing, the Floor Price may move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly.

**In case of any revision to the Price Band, the Bid/ Offer Period will be extended by at least three additional Working Days following such revision of the Price Band, subject to the Bid/ Offer Period not exceeding 10 Working Days. In cases of force majeure, banking strike or similar unforeseen circumstances, our**

**Company, in consultation with the Book Running Lead Managers, may for reasons to be recorded in writing, extend the Bid/ Offer Period for a minimum of one Working Day, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band, and the revised Bid/ Offer Period, if applicable, will be widely disseminated by notification to the Stock Exchanges, by issuing a public notice, and also by indicating the change on the respective websites of the Book Running Lead Managers and at the terminals of the Syndicate Members and by intimation to the Designated Intermediaries and the Sponsor Bank(s), as applicable. In case of revision of Price Band, the Bid lot shall remain the same.**

In case of discrepancy in data entered in the electronic book vis-à-vis data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment. The Floor Price shall not be less than the face value of the Equity Shares.

### **Minimum subscription**

The requirement of minimum subscription is not applicable to the Offer for Sale in accordance with the SEBI ICDR Regulations. In the event our Company does not receive (i) the minimum subscription of 90% of the Fresh Issue, on the Bid/Offer Closing Date or (ii) the minimum subscription in the Offer as specified under Rule 19(2)(b) of the SCRR, including through devolvement of Underwriters, if any, within sixty (60) days from the date of Bid/Offer Closing Date, or if the subscription level falls below the thresholds mentioned above after the Bid/Offer Closing Date, on account of withdrawal of applications or after technical rejections or any other reason, or if the listing or trading permission is not obtained from the Stock Exchanges for the Equity Shares being offered under the Red Herring Prospectus, our Company shall refund the entire subscription amount received in accordance with applicable law. If there is a delay beyond two Working days, interest at the rate of 15% per annum shall be paid by our Company and each of our Directors, in accordance with the SEBI ICDR Master Circular. No liability to make any payment of interest shall accrue to any of the Selling Shareholders unless any delay in making any of the payments hereunder or any delay in obtaining listing and/or trading approvals or any other approvals in relation to the Offer is solely attributable to the Selling Shareholders.

Further, in terms of Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Bidders to whom the Equity Shares will be Allotted will be not less than 1,000, failing which the entire application money shall be unblocked in the respective ASBA Accounts of the Bidders. In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) within such timeline as prescribed under applicable laws, our Company and the Selling Shareholders shall be liable to pay interest on the application money in accordance with applicable laws.

In the event of under-subscription in the Offer, i.e., in the event valid Bids are received for less than the total Offer size, subject to receiving valid Bids for the minimum subscription amount, i.e., for 90% of the Fresh Issue and compliance with Rule 19(2)(b) of the SCRR, the Allotment for the valid Bids will be made in the following order of priority: (a) such number of Equity Shares will first be Allotted such that 100% of the Fresh Issue portion is subscribed; and (b) upon achieving (a), the Equity Shares will be Allotted on a pro rata basis from the entire portion of the Offered Shares.

### **New financial instruments**

Our Company is not issuing any new financial instruments through this Offer.

### **Arrangements for disposal of odd lots**

There are no arrangements for disposal of odd lots since our Equity Shares will be traded in dematerialised form only, and the market lot for our Equity Shares will be one Equity Share.

### **Restrictions, if any, on transfer and transmission of Equity Shares and on their consolidation or splitting**

Except for lock-in of the pre-Offer Equity Share capital of our Company, lock-in of the Promoters' contribution and the Anchor Investor lock-in as provided in "*Capital Structure*" on page 127 and provided under the articles of association detailed in "*Main Provisions of Articles of Association*" on page 653, there are no restrictions on transfer and transmission of the Equity Shares, and on their consolidation or splitting.

### **Withdrawal of the Offer**

Our Company and the Selling Shareholders, in consultation with the Book Running Lead Managers, reserves the

right not to proceed with the entire or portion of the Offer for any reason at any time after the Bid/Offer Opening Date but before the Allotment. In such an event, our Company would issue a public notice in the newspapers in which the pre-Offer advertisements were published, within two days of the Bid/Offer Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Offer and inform the Stock Exchanges promptly on which the Equity Shares are proposed to be listed. The Book Running Lead Managers, through the Registrar to the Offer, shall notify the SCSBs and the Sponsor Bank(s), in case of UPI Bidders using the UPI Mechanism, to unblock the bank accounts of the ASBA Bidders and the Book Running Lead Managers shall notify the Escrow Collection Bank to release the Bid Amounts to the Anchor Investors, within one Working Day from the date of receipt of such notification.

Notwithstanding the foregoing, the Offer is also subject to (i) filing of the Prospectus by our Company with the RoC; and (ii) obtaining the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment and within three Working Days of the Bid/Offer Closing Date or such other time period as prescribed under Applicable Law and also inform the Bankers to the Offer to process refunds to the Anchor Investors, as the case may be. If our Company and the Selling Shareholders, in consultation with the Book Running Lead Managers, withdraws the Offer at any stage, including after the Bid/Offer Closing Date and thereafter determines that it will proceed with an issue or offer for sale of the Equity Shares, our Company shall file a fresh draft red herring prospectus with SEBI and the Stock Exchanges. The notice of withdrawal will be issued in the same newspapers where the pre-Offer advertisements have appeared, and the Stock Exchanges will also be informed promptly.

## OFFER STRUCTURE

The Offer of [●] Equity Shares bearing face value of ₹1 each for cash at a price of ₹[●] per Equity Share aggregating up to ₹[●] million comprising a Fresh Issue of [●] Equity Shares aggregating up to ₹6,607.22 million by our Company and an Offer for Sale of up to 28,608,992 Equity Shares aggregating up to ₹[●] million by the Selling Shareholder. The Offer shall constitute [●]%, respectively of the post-Offer paid-up Equity Share capital of our Company.

Our Company, in consultation with the BRLMs, may consider a Pre-IPO Placement aggregating up to ₹1,321.44 million, as may be permitted under applicable law, prior to filing of the Red Herring Prospectus with the RoC. The Pre-IPO Placement, if undertaken, will be at a price to be decided by our Company, in consultation with the BRLMs. If the Pre-IPO Placement is completed, the amount raised pursuant to the Pre-IPO Placement will be reduced from the Fresh Issue, subject to compliance with Rule 19(2)(b) of the SCRR. The Pre-IPO Placement, if undertaken, shall not exceed 20% of the size of the Fresh Issue. Prior to the completion of the Offer, our Company shall appropriately intimate the subscribers to the Pre-IPO Placement, prior to allotment pursuant to the Pre-IPO Placement, that there is no guarantee that our Company may proceed with the Offer or the Offer may be successful and will result into listing of the Equity Shares on the Stock Exchanges. Further, relevant disclosures in relation to such intimation to the subscribers to the Pre-IPO Placement (if undertaken) shall be appropriately made in the relevant sections of the Red Herring Prospectus and the Prospectus and intimate the Stock Exchanges, in accordance with SEBI ICDR Regulations.

The Offer is being made through the Book Building Process, in compliance with Regulation 6(2) and Regulation 31 of the SEBI ICDR Regulations.

<sup>^</sup>Assuming full subscription in the Offer.

<sup>^</sup>SEBI ICDR Master Circular has mandated that ASBA applications in public issues shall be processed only after the application monies are blocked in the bank accounts of the investors. Accordingly, Stock Exchanges shall, for all categories of investors viz. QIBs, NIIs and RIIs and also for all modes through which the applications are processed, accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked.

- (1) Our Company may, in consultation with the Book Running Lead Managers, allocate up to 60% of the QIB Portion to Anchor Investors at the Anchor Investor Offer Price, on a discretionary basis, subject to there being (i) a maximum of two Anchor Investors, where allocation in the Anchor Investor Portion is up to ₹100 million, (ii) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹100 million but up to ₹2,500 million under the Anchor Investor Portion, subject to a minimum Allotment of ₹50 million per Anchor Investor, and (iii) in case of allocation above ₹2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹2,500 million and an additional 10 Anchor Investors for every additional ₹2,500 million or part thereof will be permitted, subject to minimum allotment of ₹50 million per Anchor Investor. An Anchor Investor will make a minimum Bid of such number of Equity Shares, that the Bid Amount is at least ₹100 million. 40% of the Anchor Investor Portion shall be reserved as under: (i) 33.33% for domestic Mutual Funds; and (ii) 6.67% for life insurance companies and pension funds, subject to valid Bids being received from domestic Mutual Funds, life insurance companies and pension funds at or above the Anchor Investor Allocation Price, in accordance with the SEBI ICDR Regulations. In the event of undersubscription in the Anchor Investor Portion reserved for life insurance companies and pension funds, the unsubscribed portion shall be available for allocation to domestic Mutual Funds. In the event of under-subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the Net QIB Portion.
- (2) Subject to valid Bids being received at or above the Offer Price. This Offer is being made in accordance with Rule 19(2)(b) of the SCRR and Regulation 6(2) of the SEBI ICDR Regulations.
- (3) In the event that a Bid is submitted in joint names, the relevant Bidders should ensure that the depository account is also held in the same joint names and the names are in the same sequence in which they appear in the Bid cum Application Form. The Bid cum Application Form should contain only the name of the first Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such first Bidder would be required in the Bid cum Application Form and such first Bidder would be deemed to have signed on behalf of the joint holders.
- (4) Full Bid Amount shall be payable by the Anchor Investors at the time of submission of the Anchor Investor Application Forms provided that any difference between the Anchor Investor Allocation Price and the Anchor Investor Offer Price shall be payable by the Anchor Investor pay-in date as indicated in the Confirmation of Allotment Note (“CAN”).
- (5) Bids by FPIs with certain structures as described under “Offer Procedure – Bids by Foreign Portfolio Investors” on page 636 and having the same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares Allocated and Allotted to such successful Bidders (with the same PAN) may be proportionately distributed.
- (6) Bidders will be required to confirm and will be deemed to have represented to our Company, the Selling Shareholders, the Underwriters, their respective directors, officers, designated partners, partners, trustees, associates, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.

Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in the Non-Institutional Portion or the Retail Portion would be allowed to be met with spill over from any other category or a combination of categories at the discretion of our Company, in consultation with the Book Running Lead Managers and the Designated Stock Exchange, subject to applicable laws. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spill-over from other categories or a combination of categories. For further details, see “**Terms of the Offer**” on page 618.

## OFFER PROCEDURE

*All Bidders should read the General Information Document for investing in public issues prepared and issued in accordance with the circular no. SEBI/HO/CFD/DIL1/CIR/P/2020/37 dated March 17, 2020 issued by SEBI and the UPI Circulars (the “General Information Document”) which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations which is part of the Abridged Prospectus accompanying the Bid cum Application Form. The General Information Document is available on the websites of the Stock Exchanges and the Book Running Lead Managers. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer, especially in relation to the process for Bids by UPI Bidders through the UPI Mechanism. The investors should note that the details and process provided in the General Information Document should be read along with this section.*

*Additionally, all Bidders may refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Offer; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders; (v) issuance of CAN and Allotment in the Offer; (vi) general instructions (limited to instructions for completing the Bid cum Application Form); (vii) Designated Date; (viii) disposal of applications and electronic registration of Bids; (ix) submission of Bid cum Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of the Companies Act, relating to punishment for fictitious applications; (xii) mode of making refunds; and (xiii) interest in case of delay in Allotment or refund.*

*SEBI vide its circular no. SEBI/HO/CFD/CFD-TPD-1/P/CIR/2024/5 dated May 24, 2024 (“AV Circular”) has introduced the disclosure of audiovisual presentation of disclosures made in Offer Documents. Pursuant to the AV Circular, investors are advised not to rely on any other document, content or information provided in respect to the public issue on the internet/online websites/social media platforms/micro-blogging platforms by influencers.*

*Unified Payments Interface (“UPI”) was introduced in a phased manner by SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, a payment mechanism with the ASBA for applications by Retail Individual Bidders through intermediaries from January 1, 2019. The UPI Mechanism for RIBs applying through Designated Intermediaries was made effective along with the prior process and timeline of T+6 days (“UPI Phase I”). The UPI Phase I was effective until June 30, 2019.*

*With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by RIBs through Designated Intermediaries (other than SCSBs), the prior process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds was discontinued and only the UPI Mechanism for such Bids with a timeline of T+6 days was mandated for a period of three months or launch of five main board public issues, whichever was later (“UPI Phase II”). Furthermore, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, SEBI had increased the UPI limit from ₹0.20 million to ₹0.50 million for all the individual investors applying in public issues. All individual Bidders in initial public offerings whose application sizes are up to ₹0.50 million shall use the UPI Mechanism. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II till further notice. Pursuant to SEBI circular SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 (“T+3 Circular”), the final reduced timeline of T+3 days using the UPI Mechanism for applications by UPI Bidders (“UPI Phase III”) was made voluntary for public issues opening on or after September 1, 2023, and has been made mandatory for public issues opening on or after December 1, 2023. This Offer will be undertaken pursuant to the processes and procedures under UPI Phase III on mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time. Further, SEBI vide the SEBI ICDR Master Circular has prescribed certain additional measures for streamlining the process of initial public offers and redressing investor grievances. The provisions of the SEBI ICDR Master Circular are deemed to form part of this Updated Draft Red Herring Prospectus-I.*

*Furthermore, the SEBI RTA Master Circular has consolidated the aforementioned circulars (excluding SEBI circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023) and rescinded these circulars to the extent relevant for the RTAs. Pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022, applications made using the ASBA facility in initial public offerings shall be processed only after application monies are blocked in the bank accounts of investors (all categories). In terms of Regulation 23(5) and Regulation 52 of SEBI ICDR Regulations, the timelines and processes mentioned in the SEBI ICDR Master Circular and the*

*SEBI RTA Master Circular shall continue to form part of the agreements being signed between the intermediaries involved in the public issuance process and lead managers shall continue to coordinate with intermediaries involved in the said process.*

*In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated in accordance with applicable law. The Book Running Lead Managers shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. Further, Bidders shall be entitled to compensation in the manner specified in the SEBI ICDR Master Circular, in case of delays in resolving investor grievances in relation to blocking/unblocking of funds.*

*Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of the Equity Shares that can be held by them under applicable law or as specified in this Updated Draft Red Herring Prospectus-I, the Red Herring Prospectus and the Prospectus. The Book Running Lead Managers shall be the nodal entity for any issues arising out of public issuance process.*

### **Book Building Procedure**

The Offer is being made in terms of Rule 19(2)(b) of the SCRR, through the Book Building Process in compliance with Regulation 6(2) of the SEBI ICDR Regulations, wherein not less than 75% of the Offer shall be available for allocation to QIBs on a proportionate basis, provided that our Company, in consultation with the Book Running Lead Managers, may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis, of which 40% of the Anchor Investor Portion shall be reserved as under: (i) 33.33% for domestic Mutual Funds; and (ii) 6.67% for Life Insurance Companies and Pension Funds, subject to valid Bids being received from domestic Mutual Funds, Life Insurance Companies and Pension Funds at or above the Anchor Investor Allocation Price, in accordance with the SEBI ICDR Regulations. In case of under-subscription or non-allocation in the Anchor Investor Portion, the remaining Equity Shares will be added back to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not more than 15% of the Offer shall be available for allocation to Non-Institutional Investors of which one-third of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹0.20 million and up to ₹1 million and two-thirds of the Non-Institutional Portion will be available for allocation to Bidders with an application size of more than ₹1 million and under-subscription in either of these two sub-categories of Non-Institutional Portion may be allocated to Bidders in the other sub-category of Non-Institutional Portion. The allocation to each Non-Institutional Investor shall not be less than the minimum application size, subject to availability of Equity Shares in the Non-Institutional Portion and the remaining available Equity Shares, if any, shall be allocated on a proportionate basis in accordance with the conditions specified in this regard in Schedule XIII of the SEBI ICDR Regulations. Further, not more than 10% of the Offer shall be available for allocation to Retail Individual Investors in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Under-subscription, if any, in any category, except the QIB Portion, would be allowed to be met with spill-over from any other category or categories, as applicable, at the discretion of our Company in consultation with the Book Running Lead Managers and the Designated Stock Exchange, subject to receipt of valid Bids received at or above the Offer Price. Under-subscription, if any, in the Net QIB Portion, will not be allowed to be met with spill-over from any other category or a combination of categories

**Bidders must ensure that their PAN is linked with Aadhaar and are in compliance with Central Board of Direct Taxes (“CBDT”) notification dated February 13, 2020, read with press release dated June 25, 2021 and September 17, 2021, CBDT circular no.7 of 2022, dated March 30, 2022, CBDT circular no. 3 of 2023, dated March 28, 2023, CBDT circular no. 6 /2024, dated April 23, 2024, and any subsequent press releases in this regard.**

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges.

**Bidders should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders’ depository account, including DP ID, Client ID, PAN and UPI ID (for UPI Bidders), as applicable, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.**

**However, they may get the Equity Shares rematerialised subsequent to Allotment of the Equity Shares in the Offer, subject to applicable laws.**

#### **Phased implementation of Unified Payments Interface (“UPI”)**

SEBI has issued the UPI Circulars in relation to streamlining the process of public issue of, *inter alia*, equity shares. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by UPI Bidders through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. The SEBI in its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023, has reduced the time period for listing of equity shares pursuant to a public issue from six Working Days to three Working Days. The timeline was applicable on a voluntary basis for public issues opening on or after September 1, 2023 and has been made applicable on a mandatory basis for public issues opening on or after December 1, 2023. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

**Phase I:** This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, an RIB had the option to submit the ASBA Form with any of the Designated Intermediary and use his/ her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

**Phase II:** This phase became applicable from July 1, 2019 and was to initially continue for a period of three months or floating of five main board public issues, whichever was later. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 had decided to extend the timeline for implementation of UPI Phase II until March 31, 2020. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II until further notice. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds was discontinued and replaced by the UPI Mechanism. However, the time duration from public issue closure to listing continued to be six Working Days during this phase.

SEBI through its circular SEBI/HO/CFD/DIL2/CIR/P/2022/45 dated April 5, 2022, prescribed that all individual bidders applying in initial public offerings opening on or after May 1, 2022, where the application amount is up to ₹0.50 million, shall use UPI. Individual investors bidding under the Non-Institutional Portion bidding for more than ₹0.20 million and up to ₹0.50 million, using the UPI Mechanism, shall provide their UPI ID in the Bid cum-Application Form for Bidding through Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

**Phase III:** This phase became applicable on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023, vide SEBI circular bearing number SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 (“**T+3 Notification**”). In this phase, the time duration from public issue closure to listing has been reduced to three Working Days. The SEBI ICDR Master Circular, has consolidated and rescinded the aforementioned circulars, including the T+3 Notification, to the extent they relate to the SEBI ICDR Regulations. The Offer shall be undertaken pursuant to the processes and procedures as notified in the SEBI ICDR Master Circular as applicable, subject to any circulars, clarification or notification issued by the SEBI from time to time, including any circular, clarification or notification which may be issued by the SEBI.

The processing fees for applications made by UPI Bidders may be released to the SCSBs only after such banks provide a written confirmation, in compliance in a format as prescribed by SEBI, from time to time, including in compliance with the SEBI RTA Master Circular and the SEBI ICDR Master Circular, and such payment of processing fees to the SCSBs shall be made in compliance with circulars prescribed by SEBI and applicable law.

All SCSBs offering facility of making application in public issues shall also provide facility to make application using UPI. Our Company will be required to appoint one of the SCSBs as the Sponsor Bank(s) to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and / or payment instructions of the UPI Bidders.

Pursuant to the SEBI ICDR Master Circular, SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the SEBI ICDR Master Circular include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one Working Day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Further, in terms of the UPI Circulars, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the Book Running Lead Managers, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

The processing fees for applications made by UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with the SEBI ICDR Master Circular and NPCI vide circular reference no. NPCI/UPI/OC No. 127/ 2021-22 dated December 09, 2021, inter alia, has enhanced the per transaction limit in UPI from more than ₹0.20 million to ₹0.50 million for UPI based ASBA in initial public offerings.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the Book Running Lead Managers. Additionally, if there is any delay in the redressal of investors' complaints, the relevant SCSB as well as the post – Offer Book Running Lead Manager will be required to compensate the concerned investor.

### **Electronic registration of Bids**

- a) The Designated Intermediary may register the Bids using the on-line facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the on-line facilities for Book Building on a regular basis before the closure of the Offer, subject to applicable laws;
- b) On the Bid/Offer Closing Date, the Designated Intermediaries may upload the Bids until such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus;
- c) Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/Allotment. The Designated Intermediaries are given until 5:00 pm IST on the Bid/Offer Closing Date to modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing; and
- d) QIBs and Non-Institutional Bidders can neither revise their Bids downwards nor cancel/withdraw their Bids.

### **Bid cum Application Form**

Copies of the Bid cum Application Form (other than for Anchor Investors) and the Abridged Prospectus will be available with the Designated Intermediaries at the Bidding Centres, and our Registered and Corporate Office. An electronic copy of the Bid cum Application Form will also be available for download on the websites of the Stock Exchanges ([www.nseindia.com](http://www.nseindia.com) and [www.bseindia.com](http://www.bseindia.com)) at least one day prior to the Bid/ Offer Opening Date. UPI Bidders may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of the SEBI. Copies of the Anchor Investor Application Form will be available at the offices of the Book Running Lead Managers.

All Bidders (other than Anchor Investors) shall mandatorily participate in the Offer only through the ASBA process, which shall include the UPI Mechanism in case of UPI Bidders. Anchor Investors are not permitted to participate in the Offer through the ASBA process.

UPI Bidders must provide the valid UPI ID in the relevant space provided in the Bid cum Application Form and the Bid cum Application Forms that do not contain the UPI ID are liable to be rejected.

ASBA Bidders must provide either (i) the bank account details and authorisation to block funds in their respective ASBA Accounts, or (ii) the UPI ID, as applicable in the relevant space provided in the ASBA Form. The ASBA

Forms that do not contain such details are liable to be rejected. Applications made by the UPI Bidders using third party bank account or using third party linked bank account UPI ID are liable for rejection.

The ASBA Bidders, including UPI Bidders, shall ensure that they have sufficient balance in their bank accounts to be blocked through ASBA for their respective Bid as the application made by a Bidder shall only be processed after the Bid amount is blocked in the ASBA account of the Bidder pursuant to the SEBI ICDR Master Circular.

ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of the Designated Intermediary, submitted at the Bidding Centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected. UPI Bidders, may submit their ASBA Forms, including details of their UPI IDs, with the Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs. RIBs authorising an SCSB to block the Bid Amount in the ASBA Account may submit their ASBA Forms with the SCSBs (except UPI Bidders).

Anchor Investors are not permitted to participate in the Offer through the ASBA process. ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of the relevant Designated Intermediary, submitted at the relevant Bidding Centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected. For all initial public offerings opening on or after September 1, 2022, as specified in the SEBI ICDR Master Circular, the ASBA applications in public issues shall be processed only after the application monies are blocked in the investor's bank accounts. Stock Exchanges shall accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked. This circular shall be applicable for all categories of investors, *i.e.* RIB, QIB, NIB and other reserved categories and also for all modes through which the applications are processed. Since the Offer is made under Phase III of the UPI Circulars, ASBA Bidders may submit the ASBA Form in the manner below:

- (i) RIBs, and NIBs (other than NIBs using UPI Mechanism) may submit their ASBA Forms with SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (ii) UPI Bidders may submit their ASBA Forms with the Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.
- (iii) QIBs and NIBs (not using the UPI Mechanism) may submit their ASBA Forms with SCSBs, Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs.
- (iv) ASBA Bidders are also required to ensure that the ASBA Account has sufficient credit balance as an amount equivalent to the full Bid Amount which can be blocked by the SCSB or the Sponsor Bank(s), as applicable, at the time of submitting the Bid. In order to ensure timely information to investors, SCSBs are required to send SMS alerts to investors intimating them about Bid Amounts blocked / unblocked including details as prescribed the SEBI ICDR Master Circular.

For all IPOs opening on or after September 1, 2022, as specified in SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022, all the ASBA applications in public issues shall be processed only after the application monies are blocked in the investor's bank accounts. Stock Exchanges shall accept the ASBA applications in their electronic book building platform only with a mandatory confirmation on the application monies blocked. The circular shall be applicable for all categories of investors viz. RIB, QIB and NIB and also for all modes through which the applications are processed.

For Anchor Investors, the Anchor Investor Application Form will be available at the offices of the Book Running Lead Managers.

The prescribed colour of the Bid cum Application Form for the various categories is as follows:

| Category                                                                                                                                                                                                                                                                                | Colour of Bid cum Application Form* |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|
| Resident Indians, including resident QIBs, Non-Institutional Bidders, Retail Individual Bidders, each resident in India and Eligible NRIs applying on a non-repatriation basis <sup>(1)</sup>                                                                                           | [●]                                 |
| Non-Residents including Eligible NRIs, their sub-accounts (other than sub-accounts which are foreign corporates or foreign individuals under the QIB Portion), FPIs or FVCIs registered multilateral and bilateral development financial institutions applying on a repatriation basis. | [●]                                 |
| Anchor Investors <sup>(2)</sup>                                                                                                                                                                                                                                                         | [●]                                 |

\* Excluding electronic Bid cum Application Forms

**Notes:**

- (1) Electronic Bid cum Application forms and the Abridged Prospectus will also be available for download on the websites of the Stock Exchanges ([www.nseindia.com](http://www.nseindia.com) and [www.bseindia.com](http://www.bseindia.com)).
- (2) Bid cum Application Forms for Anchor Investors shall be available at the offices of the Book Running Lead Managers.

The Equity Shares offered in the Offer have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States and, unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the U.S. Securities Act and referred to in this Updated Draft Red Herring Prospectus-I as “**U.S. QIBs**”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Updated Draft Red Herring Prospectus-I as “**QIBs**”) in transactions exempt from the registration requirements of the U.S. Securities Act, and (ii) outside the United States in offshore transactions as defined in and in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

In case of ASBA forms (except ASBA forms submitted by UPI Bidders), the relevant Designated Intermediaries (other than SCSBs) shall submit/deliver the Bid cum Application Form to the respective SCSB, where the Bidder has a bank account and shall not submit it to any non-SCSB bank or any Escrow Bank. Further, SCSBs shall upload the relevant Bid details (including UPI ID in case of ASBA Forms under the UPI Mechanism) in the electronic bidding system of the Stock Exchanges and the Stock Exchanges validate the electronic bids with the records of the CDP for DP ID/Client ID and PAN, on a real time basis and bring inconsistencies to the notice of the relevant Designated Intermediaries, for rectification and re-submission within the time specified by Stock Exchanges. The Stock Exchanges shall accept the ASBA applications in their electronic bidding system only with a mandatory confirmation on application monies blocked. For UPI Bidders, the Stock Exchanges shall allow modification of either DP ID/Client ID or PAN ID, bank code and location code in the Bid details already uploaded. The Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis to enable the Sponsor Bank(s) to initiate UPI Mandate Request to UPI Bidders for blocking of funds.

For UPI Bidders, the Stock Exchanges shall share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis through API integration to enable the Sponsor Bank(s) to initiate UPI Mandate Request to UPI Bidders for blocking of funds. The Sponsor Bank(s) shall initiate request for blocking of funds through NPCI to UPI Bidders, who shall accept the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI shall maintain an audit trail for every Bid entered in the Stock Exchanges bidding platform, and the liability to compensate the UPI Bidders in case of failed transactions shall be with the concerned entity (*i.e.*, the Sponsor Bank(s), NPCI or the Bankers to the Offer) at whose end the lifecycle of the transaction has come to a halt. The NPCI shall share the audit trail of all disputed transactions/ investor complaints to the Sponsor Bank(s) and the issuer bank. The Sponsor Bank(s) and the Bankers to the Offer shall provide the audit trail to the Book Running Lead Managers for analysing the same and fixing liability.

The Sponsor Bank(s) will undertake a reconciliation of Bid responses received from Stock Exchanges and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchanges platform with detailed error code and description, if any. Further, the Sponsor Bank(s) will undertake reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and share reports with the Book Running Lead Managers in the format and within the timelines as specified under the UPI Circulars. Sponsor Bank(s) and issuer banks shall download UPI settlement files and raw data files from the NPCI portal after every settlement cycle and do a three-way reconciliation with Banks UPI switch data, CBS data and UPI raw data. NPCI is to coordinate with issuer banks and Sponsor Bank(s) on a continuous basis.

For ensuring timely information to Bidder, SCSBs shall send SMS alerts for mandate block and unblock including details specified in the SEBI ICDR Master Circular. For all pending UPI Mandate Requests, the Sponsor Bank(s)

shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 5:00 pm IST on the Bid/Offer Closing Date (“**Cut-Off Time**”). Accordingly, UPI Bidders should accept UPI Mandate Requests for blocking off funds prior to the Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse. Further, modification/cancellation of Bids (if any) shall be allowed in parallel during the Bid/Offer Period until the Cut-Off Time.

The Sponsor Bank(s) shall host a web portal for intermediaries (closed user group) from the date of Bid/ Offer Opening Date until the date of listing of the Equity Shares with details of statistics of mandate blocks/unblocks, performance of apps and UPI handles, down-time/network latency (if any) across intermediaries and any such processes having an impact/bearing on the Offer Bidding process.

The processing fees for applications made by the UPI Bidders may be released to the SCSBs only after such SCSBs provide a written confirmation in compliance with the SEBI RTA Master Circular, in a format prescribed by SEBI or applicable law.

**Participation by the Promoters and members of the Promoter Group of our Company, the Book Running Lead Managers and the Syndicate Members and persons related to Promoters/Promoter Group/the Book Running Lead Managers**

The Book Running Lead Managers and the Syndicate Members shall not be allowed to purchase Equity Shares in this Offer in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the Book Running Lead Managers and the Syndicate Members may Bid for Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, where the allocation is on a proportionate basis or in any other manner as introduced under applicable laws and such subscription may be on their own account or on behalf of their clients. All categories of Bidders, including associates or affiliates of the Book Running Lead Managers and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

Neither (i) the Book Running Lead Managers or any associates of the Book Running Lead Managers (except Mutual Funds sponsored by entities which are associates of the Book Running Lead Managers or insurance companies promoted by entities which are associates of Book Running Lead Managers or AIFs sponsored by the entities which are associates of the Book Running Lead Managers or FPIs other than individuals, corporate bodies and family offices which are associates of the Book Running Lead Managers or pension fund sponsored by entities which are associates of the Book Running Lead Managers nor; (ii) any person related to the Promoters or Promoter Group shall apply in the Offer under the Anchor Investor Portion.

For the purposes of this section, a QIB who has any of the following rights shall be deemed to be a “person related to the Promoters or Promoter Group”: (a) rights under a shareholders’ agreement or voting agreement entered into with the Promoters or Promoter Group; (b) veto rights; or (c) right to appoint any nominee director on our Board.

Further, an Anchor Investor shall be deemed to be an associate of the Book Running Lead Managers, if: (a) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (b) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (c) there is a common director, excluding a nominee director, amongst the Anchor Investor and the Book Running Lead Managers.

Our Promoters, except to the extent of the Offered Shares, and the other members of the Promoter Group will not participate in the Offer. Further, persons related to our Promoters and Promoter Group shall not apply in the Offer under the Anchor Investor Portion.

**Bids by Mutual Funds**

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged along with the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers, reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law.

Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made.

In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.

No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific schemes. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

### **Bids by Eligible Non-Resident Indians (“NRIs”)**

Eligible NRIs may obtain copies of Bid cum Application Form from the Designated Intermediaries. Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRI Bidders bidding on a repatriation basis by using the Non-Resident forms should authorize their respective SCSB or confirm or accept the UPI Mandate Request (in case of RIBs Bidding through the UPI Mechanism) to block their Non- Resident External (“NRE”) accounts (including UPI ID, if activated), or FCNR Accounts, and eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms should authorize their respective SCSB to block their Non- Resident Ordinary (“NRO”) accounts or confirm or accept the UPI mandate request (in case of UPI Bidders) for the full Bid Amount, at the time of the submission of the Bid cum Application Form. NRIs applying in the Offer through the UPI Mechanism are advised to enquire with the relevant bank, whether their account is UPI linked, prior to submitting a Bid cum Application Form.

In accordance with the FEMA Rules, the total holding by any individual NRI, on a repatriation basis, shall not exceed 5% of the total paid-up equity capital on a fully diluted basis or shall not exceed 5% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company listed on a recognised stock exchange and the total holdings of all NRIs and OCIs on a repatriation basis put together shall not exceed 10% of the total paid-up equity capital on a fully diluted basis or shall not exceed 10% of the paid-up value of each series of debentures or preference shares or share warrants issued by an Indian company listed on a recognised stock exchange. Provided that the aggregate ceiling of 10% may be raised to 24% if a special resolution to that effect is passed by the general body of the Indian company.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents ([●] in colour). Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents ([●] in colour).

NRIs will be permitted to apply in the Offer through Channel I or Channel II (as specified in the UPI Circulars). Further, subject to applicable law, NRIs may use Channel IV (as specified in the UPI Circulars) to apply in the Offer, provided the UPI facility is enabled for their NRE/ NRO accounts.

For further details of restrictions on investment by NRIs, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 651.

Participation of Eligible NRIs in the Offer shall be subject to the FEMA Rules. Only Bids accompanied by payment in Indian rupees or fully converted foreign exchange will be considered for Allotment.

### **Bids by Hindu Undivided Families (“HUFs”)**

Bids by Hindu Undivided Families or HUFs should be made, in the individual name of the *Karta*. The Bidder/Applicant should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form/Application Form as follows: “Name of sole or first Bidder/applicant: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the *Karta*”. Bids/Applications by HUFs may be considered at par with Bids/Applications from individuals.

### **Bids by Foreign Portfolio Investors (“FPIs”)**

In terms of the SEBI FPI Regulations, the investment in Equity Shares by a single FPI or an investor group (which means multiple entities registered as FPIs and directly or indirectly having common ownership of more than 50% or common control) must be below 10% of our total paid-up Equity Share capital on a fully diluted basis. Further, in terms of the FEMA Rules, the total holding by each FPI (or a group) shall be less than 10% of the total paid-up Equity Share capital of our Company on a fully diluted basis and the aggregate limit for FPI investments shall be sectoral caps applicable to our Company, which is 100% of the total paid-up Equity Share capital of our Company on a fully diluted basis.

In case the total holding of an FPI or investor group increases beyond 10% of the total paid-up Equity Share capital, on a fully diluted basis the total investment made by the FPI will be re-classified as FDI subject to the conditions as specified by SEBI and the RBI in this regard and our Company and the investor will be required to

comply with applicable reporting requirements. Further, the total holdings of all FPIs put together, with effect from April 1, 2020, can be up to the sectoral cap applicable to the sector in which our Company operates (i.e., up to 100%).

In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included. Bids by FPIs which utilize the multi investment manager structure, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs may not be treated as multiple Bids. FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for Non-Residents ([●] in colour).

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only by persons registered as Category I FPIs; (ii) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs; (iii) such offshore derivative instruments are issued after compliance with 'know your client' norms; and (iv) such other conditions as may be specified by SEBI from time to time.

An FPI issuing offshore derivative instruments is also required to ensure that any transfer of offshore derivative instruments issued by or on its behalf, is carried out subject to *inter alia* the following conditions:

- (a) such offshore derivative instruments are transferred only to persons in accordance with Regulation 21(1) of the SEBI FPI Regulations; and
- (b) prior consent of the FPI is obtained for such transfer, except when the persons to whom the offshore derivative instruments are to be transferred to are pre-approved by the FPI.

Participation of FPIs in the Offer shall be subject to the FEMA Rules.

The FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for non-residents. Bids received from FPIs bearing the same PAN shall be treated as multiple Bids and are liable to be rejected, except for Bids from FPIs that utilize the multiple investment manager structure in accordance with the operational guidelines for FPIs and designated Depository Participants issued to facilitate implementation of SEBI FPI Regulations (such structure referred to as “**MIM Structure**”), provided such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs.

Accordingly, it should be noted that multiple Bids received from FPIs, who do not utilize the MIM Structure, and bear the same PAN, are liable to be rejected. In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation in the Bid cum Application Forms that the relevant FPIs making multiple Bids utilize the MIM Structure. In the absence of such confirmation from the relevant FPIs, such multiple Bids shall be rejected.

Further, in the following cases, Bids by FPIs shall not be treated as multiple Bids:

- FPIs which utilize the MIM structure, indicating the name of their respective investment managers in such confirmation;
- Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments;
- Sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration;
- FPI registrations granted at investment strategy level/sub fund level where a collective investment scheme or fund has multiple investment strategies/sub-funds with identifiable differences and managed by a single investment manager;

- Multiple branches in different jurisdictions of foreign bank registered as FPIs;
- Government and Government related investors registered as Category 1 FPIs; and
- Entities registered as collective investment scheme having multiple share classes.

The Bids belonging to any of the above mentioned seven structures and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares allotted in the Bid may be proportionately distributed to the applicant FPIs (with same PAN). In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilize any of the above-mentioned structures and indicate the name of their respective investment managers in such confirmation. In the absence of such compliance from the relevant FPIs with the operational guidelines for FPIs and designated Depository participants issued to facilitate implementation of SEBI FPI Regulations, such multiple Bids shall be rejected.

#### **Bids under Power of Attorney**

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, eligible FPIs, AIFs, Mutual Funds, insurance companies, insurance funds set up by the army, navy or air force of India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹250.00 million and pension funds with a minimum corpus of ₹250.00 million, and registered with the Pension Fund Regulatory and Development Authority established under sub-section (1) of section 3 of the Pension Fund Regulatory and Development Authority Act, 2013 (in each case, subject to applicable law and in accordance with their respective constitutional documents), a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws, as applicable must be lodged along with the Bid cum Application Form. Failing this, our Company reserves the right to accept or reject any Bid in whole or in part, in either case, without assigning any reasons thereof.

Our Company, in consultation with the Book Running Lead Managers, in their absolute discretion, reserves the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form.

#### **Bids by SEBI registered Venture Capital Funds, Alternative Investment Funds and Foreign Venture Capital Investors**

The SEBI FVCI Regulations as amended, *inter alia*, prescribe the investment restrictions on VCFs, and FVCIs registered with SEBI. Further, the SEBI AIF Regulations prescribe, amongst others, the investment restrictions on AIFs. Accordingly, the holding in any company by any individual VCF or FVCI registered with SEBI should not exceed 25% of the corpus of the VCF or FVCI. Further, subject to FEMA Rules, VCFs and FVCIs can invest only up to 33.33% of the investible funds in various prescribed instruments, including in public offerings.

Category I AIFs and Category II AIFs cannot invest more than 25% of the investible funds in an investee company directly or through investment in the units of other AIF. A Category III AIFs cannot invest more than 10% of the investible funds in an investee company directly or through investment in the units of other AIF. A VCF registered as a Category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than one-third of its investible funds by way of subscription to an initial public offering of a venture capital undertaking. Pursuant to the repeal of the SEBI VCF Regulations, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up and such fund shall not launch any new scheme after the notification of the SEBI AIF Regulations. Our Company, each of the Selling Shareholders, severally and not jointly, and the Book Running Lead Managers will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Participation of VCFs, AIFs or FVCIs in the Offer shall be subject to the FEMA Rules.

**All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.**

#### **Bids by limited liability partnerships**

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers, reserves the right to reject any Bid without assigning any reason thereof.

### **Bids by banking companies**

In case of Bids made by banking companies registered with the RBI, certified copies of (i) the certificate of registration issued by the RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers, reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law. The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act and Master Direction – Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended, is 10% of the paid-up share capital of the investee company or 10% of the bank's own paid-up share capital and reserves, whichever is lower. Further, the aggregate equity investments in subsidiaries and other entities engaged in financial and non-financial services, including overseas investments, cannot exceed 20% of the bank's paid-up share capital and reserves. However, a banking company may hold up to 30% of the paid-up share capital of the investee company with the prior approval of the RBI, provided that the investee company is engaged in non-financial activities in which banking companies are permitted to engage under the Banking Regulation Act or the additional acquisition is through restructuring of debt, or to protect the bank's interest on loans/investments made to a company. The bank is required to submit a time-bound action plan for disposal of such shares within a specified period to the RBI. A banking company would require a prior approval of the RBI to make (i) investment in a subsidiary and a financial services company that is not a subsidiary (with certain exceptions prescribed), and (iii) investment in a non-financial services company in excess of 10% of such investee company's paid-up share capital as stated in the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended.

### **Bids by Self Certified Syndicate Banks**

SCSBs participating in the Offer are required to comply with the terms of the circulars bearing numbers CIR/CFD/DIL/12/2012 and CIR/CFD/DIL/1/2013 dated September 13, 2012 and January 2, 2013, respectively, issued by SEBI. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such Bids.

### **Bids by insurance companies**

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law.

The exposure norms for insurers are prescribed under the Insurance Regulatory and Development Authority of India (Investment) Regulations, 2016, as amended ("**IRDAI Investment Regulations**"), based on investments in the equity shares of a company, the entire group of the investee company and the industry sector in which the investee company operates.

Insurance companies participating in the Offer are advised to refer to the IRDAI Investment Regulations for specific investment limits applicable to them and shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

### **Bids by Provident Funds/Pension Funds**

In case of Bids made by provident funds with a minimum corpus of ₹250 million and pension funds with minimum corpus of ₹250 million, registered with the Pension Fund Regulatory and Development Authority established under sub-section (1) of section 3 of the Pension Fund Regulatory and Development Authority Act, 2013, subject to applicable law, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be attached to the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers, reserves the right to reject any Bid, without assigning any reason thereof.

### **Bids by Systemically Important Non-Banking Financial Companies**

In case of Bids made by Systemically Important Non-Banking Financial Companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, (ii) certified copy of its last audited financial statements on a standalone basis, (iii) a net worth certificate from its statutory auditor, and (iv) such other approval as may be required by the Systemically Important Non-Banking Financial Companies, are required to be attached to the Bid cum Application Form. Failing this, our Company, in consultation with the Book Running Lead Managers, reserves the right to reject any Bid without assigning any reason thereof, subject to applicable law. Systemically Important NBFCs participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by RBI from time to time.

The investment limit for Systemically Important NBFCs (“NBFC-SI”) shall be as prescribed by RBI from time to time.

### **Bids by Anchor Investors**

In accordance with the SEBI ICDR Regulations, in addition to details and conditions mentioned in this section, the key terms for participation by Anchor Investors are provided below.

1. Anchor Investor Application Forms will be made available for the Anchor Investor Portion at the offices of the Book Running Lead Managers.
2. The Bid must be for a minimum of such number of Equity Shares so that the Bid Amount exceeds ₹100 million. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate Bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹100 million.
3. One-third of the Anchor Investor Portion will be reserved for allocation to domestic Mutual Funds.
4. Bidding for Anchor Investors will open one Working Day before the Bid/Offer Opening Date, and will be completed on the same day.
5. Our Company, in consultation with the Book Running Lead Managers, will finalize allocation to the Anchor Investors on a discretionary basis, provided that the minimum number of Allottees in the Anchor Investor Portion will not be less than: (a) maximum of two Anchor Investors, where allocation under the Anchor Investor Portion is up to ₹100 million; (b) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹100 million but up to ₹2,500 million, subject to a minimum Allotment of ₹50 million per Anchor Investor; and (c) in case of allocation above ₹2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹2,500 million, and an additional 10 Anchor Investors for every additional ₹2,500 million, subject to minimum allotment of ₹50 million per Anchor Investor.
6. Allocation to Anchor Investors will be completed on the Anchor Investor Bidding Date. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation is made, will be made available in the public domain by the Book Running Lead Managers before the Bid/Offer Opening Date, through intimation to the Stock Exchanges.
7. Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.
8. If the Offer Price is greater than the Anchor Investor Allocation Price, the additional amount being the difference between the Offer Price and the Anchor Investor Allocation Price will be payable by the Anchor Investors on the Anchor Investor Pay-in Date specified in the CAN. If the Offer Price is lower than the Anchor Investor Allocation Price, Allotment to successful Anchor Investors will be at the higher price, *i.e.*, the Anchor Investor Offer Price.
9. 50% Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked-in for a period of 90 days from the date of Allotment and the remaining 50% shall be locked-in for a period of 30 days from the date of Allotment.
10. Neither the (a) Book Running Lead Managers (s) or any associate of the Book Running Lead Managers (other than mutual funds sponsored by entities which are associate of the Book Running Lead Managers or insurance companies promoted by entities which are associate of the Book Running Lead Managers

or Alternate Investment Funds (AIFs) sponsored by the entities which are associates of the Book Running Lead Managers or FPIs, other than individuals, corporate bodies and family offices, which are associate of the Book Running Lead Managers or pension fund sponsored by entities which are associate of the Book Running Lead Managers nor (b) the Promoters, Promoter Group or any person related to the Promoters or members of the Promoter Group shall apply under the Anchor Investors category.

11. Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered multiple Bids.

For more information, please read the General Information Document.

In accordance with existing regulations issued by the RBI, OCBs cannot participate in the Offer.

**The information set out above is given for the benefit of the Bidders. Our Company, each of the Selling Shareholder, severally and not jointly and the Book Running Lead Managers are not liable for any amendments or modification or changes to applicable laws or regulations, which may occur after the date of this Updated Draft Red Herring Prospectus-I. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable law or regulations, or as will be specified in the Red Herring Prospectus and the Prospectus.**

### **Information for Bidders**

The relevant Designated Intermediary will enter a maximum of three Bids at different price levels opted in the Bid cum Application Form and such options are not considered as multiple Bids. It is the Bidder's responsibility to obtain the acknowledgment slip from the relevant Designated Intermediary. The registration of the Bid by the Designated Intermediary does not guarantee that the Equity Shares shall be allocated/Allotted. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind. When a Bidder revises his or her Bid, he /she shall surrender the earlier Acknowledgement Slip and may request for a revised acknowledgment slip from the relevant Designated Intermediary as proof of his or her having revised the previous Bid.

In relation to electronic registration of Bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company, any of the Selling Shareholders and/or the Book Running Lead Managers are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of compliance with the statutory and other requirements, nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Updated Draft Red Herring Prospectus-I or the Red Herring Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

### **General Instructions**

QIBs and Non-Institutional Bidders are not allowed to withdraw their Bid(s) or lower the size of their Bid(s) (in terms of quantity of Equity Shares or the Bid Amount) at any stage. Anchor Investors are not allowed to withdraw their Bids after the Anchor Investor Bidding Date. RIBs can revise their Bids during the Bid/ Offer Period and withdraw their Bids until Bid/ Offer Closing Date.

#### ***Do's:***

1. Check if you are eligible to apply as per the terms of the Red Herring Prospectus and under applicable law, rules, regulations, guidelines and approvals. All Bidders (other than Anchor Investors) should submit their Bids through the ASBA process only;
2. Ensure that you have Bid within the Price Band;
3. Read all the instructions carefully and complete the Bid cum Application Form in the prescribed form;
4. Ensure that you (other than in the case of Anchor Investors) have mentioned the correct details of ASBA Account (*i.e.*, bank account number) in the Bid cum Application Form if you are not an UPI Bidder in

the Bid cum Application Form and if you are an UPI Bidder ensure that you have mentioned the correct UPI ID (with maximum length of 45 characters including the handle), in the Bid cum Application Form;

5. UPI Bidders through the SCSBs and mobile applications shall ensure that the name of the bank appears in the list of SCSBs which are live on UPI, as displayed on the SEBI website. UPI Bidders shall ensure that the name of the app and the UPI handle which is used for making the application appears in Annexure 'A' to the SEBI circular no. SEBI/HO/CFD/DIL2/COR/P/2019/85 dated July 26, 2019;
6. Ensure that your Bid cum Application Form bearing the stamp of a Designated Intermediary is submitted to the Designated Intermediary at the relevant Bidding Centre (except in case of electronic Bids) within the prescribed time. Bidders (other than Anchor Investors) shall submit the Bid cum Application Form in the manner set out in the GID;
7. Ensure that Anchor Investors submit their Bid cum Application Forms only to the Book Running Lead Managers;
8. Ensure that you mandatorily have funds equal to or higher than the Bid Amount in the ASBA Account maintained with the SCSB before submitting the ASBA Form to the relevant Designated Intermediaries;
9. If the First Bidder is not the bank account holder, ensure that the Bid cum Application Form is signed by the account holder. Ensure that you have an account with an SCSB and have mentioned the correct bank account number in the Bid cum Application Form (for all ASBA Bidders other than UPI Bidders);
10. Ensure that the signature of the First Bidder in case of joint Bids, is included in the Bid cum Application Forms;
11. Ensure that you request for and receive a stamped acknowledgement counterfoil or acknowledgment specifying the application number as a proof of having accepted Bid cum Application Form for all your Bid options from the concerned Designated Intermediary;
12. The ASBA bidders shall ensure that bids above ₹0.50 million, are uploaded only by the SCSBs;
13. Ensure that the name(s) given in the Bid cum Application Form is/are exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. Ensure that the signature of the First Bidder is included in the Bid cum Application Forms;
14. UPI Bidders Bidding in the Offer to ensure that they shall use only their own ASBA Account or only their own bank account linked UPI ID) to make an application in the Offer and not ASBA Account or bank account linked UPI ID of any third party;
15. Bidders not using the UPI Mechanism, should submit their Bid cum Application Form directly with SCSBs and/or the designated branches of SCSBs or the relevant Designated Intermediary, as applicable;
16. UPI Bidders in the Offer to ensure that they shall use only their own ASBA Account or only their own bank account linked UPI ID which is UPI 2.0 certified by NPCI to make an application in the Offer and not ASBA Account or bank account linked UPI ID of any third party;
17. Ensure that you submit the revised Bids to the same Designated Intermediary, through whom the original Bid was placed and obtain a revised acknowledgment;
18. Ensure that you have correctly signed the authorisation/undertaking box in the Bid cum Application Form, or have otherwise provided an authorisation to the SCSB or Sponsor Banks, as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form, as the case may be, at the time of submission of the Bid. In case of UPI Bidders submitting their Bids and participating in the Offer, ensure that you authorise the UPI Mandate Request, including in case of any revision of Bids, raised by the Sponsor Banks for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment;
19. Except for Bids (i) on behalf of the Central or State Governments and the officials appointed by the courts, who, in terms of the SEBI Master Circular for Depositories, may be exempt from specifying their

PAN for transacting in the securities market, (ii) submitted by investors who are exempt from the requirement of obtaining/specifying their PAN for transacting in the securities market, and (iii) Bids by persons resident in the state of Sikkim, who, in terms of a SEBI circular no. MRD/DoP/SE/Cir- 8 /2006 dated July 20, 2006, may be exempted from specifying their PAN for transacting in the securities market, all Bidders should mention their PAN allotted under the IT Act. The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficial owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. All other applications in which PAN is not mentioned will be rejected;

20. Ensure that the Demographic Details are updated, true and correct in all respects;
21. Ensure that thumb impressions and signatures other than in the languages specified in the Eighth Schedule to the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;
22. Ensure that the category and the investor status is indicated in the Bid cum Application Form to ensure proper upload of your Bid in the electronic Bidding system of the Stock Exchanges;
23. Ensure that in case of Bids under power of attorney or by limited companies, corporates, trust, etc., relevant documents including a copy of the power of attorney, if applicable, are submitted;
24. Ensure that Bids submitted by any person resident outside India is in compliance with applicable foreign and Indian laws;
25. UPI Bidders who wish to Bid should submit Bid with the Designated Intermediaries, pursuant to which the UPI Bidder should ensure acceptance of the UPI Mandate Request received from the Sponsor Bank(s) to authorise blocking of funds equivalent to the revised Bid Amount in the UPI Bidder’s ASBA Account;
26. Since the Allotment will be in demat form only, ensure that the Bidder’s depository account is active, the correct DP ID, Client ID, the PAN, UPI ID, if applicable, are mentioned in their Bid cum Application Form and that the name of the Bidder, the DP ID, Client ID, the PAN and UPI ID, if applicable, entered into the online IPO system of the Stock Exchanges by the relevant Designated Intermediary, as applicable, matches with the name, DP ID, Client ID, PAN and UPI ID, if applicable, available in the Depository database;
27. RIBs who wish to revise their Bids using the UPI Mechanism, should submit the revised Bid with the Designated Intermediaries, pursuant to which RIBs should ensure acceptance of the UPI Mandate Request received from the Sponsor Banks to authorise blocking of funds equivalent to the revised Bid Amount in the RIB’s ASBA Account;
28. Ensure that you have accepted the UPI Mandate Request received from the Sponsor Banks prior to 5:00 p.m. IST on the Bid/ Offer Closing Date;
29. Anchor Investors should submit the Anchor Investor Application Forms to the Book Running Lead Managers;
30. FPIs making MIM Bids using the same PAN, and different beneficiary account numbers, Client IDs and DP IDs, are required to submit a confirmation that their Bids are under the MIM structure and indicate the name of their investment managers in such confirmation which shall be submitted along with each of their Bid cum Application Forms. In the absence of such confirmation from the relevant FPIs, such MIM Bids shall be rejected;
31. Bids by Eligible NRIs for a Bid Amount of less than ₹0.20 million would be considered under the retail category for the purposes of allocation and Bids for a Bid Amount exceeding ₹0.20 million would be considered under the non-institutional category for allocation in the Offer;
32. UPI Bidders shall ensure that details of the Bid are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using his/her UPI PIN. Upon the authorisation of the mandate using his/her UPI PIN, an UPI Bidder may be deemed to have

verified the attachment containing the application details of the UPI Bidder in the UPI Mandate Request and have agreed to block the entire Bid Amount and authorised the Sponsor Banks to block the Bid Amount mentioned in the Bid Cum Application Form;

33. Ensure that while Bidding through a Designated Intermediary, the Bid cum Application Form (other than for Anchor Investors and UPI Bidders) is submitted to a Designated Intermediary in a Bidding Centre and that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at least one branch at that location for the Designated Intermediary to deposit ASBA Forms (a list of such branches is available on the website of SEBI at [www.sebi.gov.in](http://www.sebi.gov.in));
34. Bidders (except UPI Bidders) should instruct their respective banks to release the funds blocked in the ASBA account under the ASBA process. In case of RIBs, once the Sponsor Bank(s) issues the Mandate Request, the RIBs would be required to proceed to authorize the blocking of funds by confirming or accepting the UPI Mandate Request to authorize the blocking of funds equivalent to application amount and subsequent debit of funds in case of Allotment, in a timely manner; and
35. UPI Bidders who have revised their Bids subsequent to making the initial Bid should also approve the revised UPI Mandate Request generated by the Sponsor Bank(s) to authorize blocking of funds equivalent to the revised Bid Amount and subsequent debit of funds in case of Allotment in a timely manner.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with. Application made using incorrect UPI handle or using a bank account of an SCSB or SCSBs which is not mentioned in the Annexure 'A' to the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 is liable to be rejected.

***Don'ts:***

1. Do not Bid for lower than the minimum Bid size;
2. Do not Bid on another Bid cum Application Form after you have submitted a Bid to a Designated Intermediary;
3. Do not Bid/revise Bid Amount to less than the Floor Price or higher than the Cap Price;
4. Do not submit the ASBA Forms to any non-SCSB bank or to our Company or at a location other than the Bidding Centres;
5. Do not submit the ASBA Forms to any Designated Intermediary that is not authorised to collect the relevant ASBA Forms;
6. Do not pay the Bid Amount in cheques, demand drafts or by cash, money order, postal order or by stock invest;
7. Do not send Bid cum Application Forms by post; instead submit the same to the Designated Intermediary only;
8. Do not Bid at Cut-off Price (for Bids by QIBs and Non-Institutional Bidders);
9. Do not instruct your respective banks to release the funds blocked in the ASBA Account under the ASBA process;
10. Do not submit the Bid for an amount more than funds available in your ASBA account;
11. Do not submit Bids on plain paper or on incomplete or illegible Bid cum Application Forms or on Bid cum Application Forms in a colour prescribed for another category of a Bidder;
12. In case of ASBA Bidders, do not submit more than one ASBA Form from an ASBA Account;
13. Do not submit the Bid without ensuring that funds equivalent to the entire Bid Amount are available for blocking in the relevant ASBA Account or in the case of UPI Bidders, in the UPI linked bank account where funds for making the Bid are available;

14. If you are an UPI Bidder, do not submit more than one Bid cum Application Form for each UPI ID;
15. Anchor Investors should not Bid through the ASBA process;
16. Do not submit the ASBA Forms to any Designated Intermediary that is not authorised to collect the relevant ASBA Forms or to our Company;
17. Do not Bid on a Bid cum Application Form that does not have the stamp of the relevant Designated Intermediary;
18. Do not submit the General Index Register (GIR) number instead of the PAN;
19. Do not submit incorrect details of the DP ID, Client ID, PAN and UPI ID, if applicable, or provide details for a beneficiary account which is suspended or for which details cannot be verified by the Registrar to the Offer;
20. Do not submit a Bid in case you are not eligible to acquire Equity Shares under applicable law or your relevant constitutional documents or otherwise;
21. Do not Bid if you are not competent to contract under the Indian Contract Act, 1872 (other than minors having valid depository accounts as per Demographic Details provided by the depository);
22. Do not submit a Bid/revise a Bid Amount, with a price less than the Floor Price or higher than the Cap Price;
23. Do not submit a Bid using UPI ID, if you are not a UPI Bidder;
24. Do not Bid on another Bid cum Application Form or the Anchor Investor Application Form, as the case may be, after you have submitted a Bid to any of the Designated Intermediaries;
25. Do not Bid for Equity Shares more than what is specified for each category;
26. If you are a QIB, do not submit your Bid after 3 p.m. IST on the QIB Bid/Offer Closing Date (for online applications) and after 12:00 p.m. on the Bid/ Offer Closing Date (for Physical Applications);
27. Do not fill up the Bid cum Application Form such that the number of Equity Shares Bid for, exceeds the Offer size and/or investment limit or maximum number of the Equity Shares that can be held under applicable laws or regulations or maximum amount permissible under applicable laws or regulations, or under the terms of the Red Herring Prospectus;
28. Do not withdraw your Bid or lower the size of your Bid (in terms of quantity of the Equity Shares or the Bid Amount) at any stage, if you are a QIB or a Non-Institutional Bidder. RIBs can revise or withdraw their Bids on or before the Bid/ Offer Closing Date;
29. Do not submit Bids to a Designated Intermediary at a location other than the Bidding Centres. If you are UPI Bidder, do not submit the ASBA Form directly with SCSBs;
30. If you are an UPI Bidder which is submitting the ASBA Form with any of the Designated Intermediaries and using your UPI ID for the purpose of blocking of funds, do not use any third party bank account or third party linked bank account UPI ID;
31. Do not Bid if you are an OCB;
32. UPI Bidders using the incorrect UPI handle or using a bank account of an SCSB and/ or mobile applications which is not mentioned in the list provided on the SEBI website is liable to be rejected;
33. Do not submit the Bid cum Application Forms to any non-SCSB bank;
34. Do not submit a Bid cum Application Form with third party ASBA Bank Account or UPI ID (in case of Bids submitted by UPI Bidder);
35. Do not Bid for a Bid Amount exceeding ₹0.20 million (for Bids by Retail Individual Bidders);

36. Do not link the UPI ID with a bank account maintained with a bank that is not UPI 2.0 certified by the NPCI in case of Bids submitted by UPI Bidders; and
37. In case of ASBA Bidders (other than 3 in 1 Bids) Syndicate Members shall ensure that they do not upload any bids above ₹0.50 million.

The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with.

For details of the BRLMs pursuant to the SEBI ICDR Master Circular see, “**General Information – Book Running Lead Manager**” on page 119.

#### **Grounds for technical rejection**

In addition to the grounds for rejection of Bids on technical grounds as provided in the GID, Bidders are requested to note that Bids may be rejected on the following additional technical grounds:

- (a) Bids submitted without instruction to the SCSBs to block the entire Bid Amount;
- (b) Bids which do not contain details of the Bid Amount and the bank account details in the ASBA Form;
- (c) Bids submitted on a plain paper;
- (d) Bids submitted by UPI Bidders through an SCSBs and/or using a mobile application or UPI handle, not listed on the website of SEBI;
- (e) Bids under the UPI Mechanism submitted by UPI Bidders using third-party bank accounts or using a third-party linked bank account UPI ID (subject to availability of information regarding third-party account from Sponsor Bank(s));
- (f) Anchor Investors should submit Anchor Investor Application Form only to the Book Running Lead Managers;
- (g) Do not Bid on another Bid cum Application Form and the Anchor Investor Application Form, as the case may be, after you have submitted a Bid to any of the Designated Intermediary;
- (h) ASBA Form by the UPI Bidders using third party bank accounts or using third party linked bank account UPI IDs;
- (i) ASBA Form submitted to a Designated Intermediary does not bear the stamp of the Designated Intermediary;
- (j) Bids submitted without the signature of the First Bidder or Sole Bidder;
- (k) The ASBA Form not being signed by the account holders, if the account holder is different from the Bidder;
- (l) Bids by persons for whom PAN details have not been verified and whose beneficiary accounts are “suspended for credit” in terms of SEBI Master Circular for Depositories;
- (m) GIR number furnished instead of PAN;
- (n) Bids by RIBs with Bid Amount of a value of more than ₹0.20 million;
- (o) Bids by persons who are not eligible to acquire Equity Shares in terms of all applicable laws, rules, regulations, guidelines and approvals;
- (p) Bids accompanied by stock invest, money order, postal order, or cash; and
- (q) Bids uploaded by QIBs and by Non-Institutional Bidders after 4.00 pm on the Bid/Offer Closing Date and Bids by RIBs uploaded after 5.00 p.m. on the Bid/Offer Closing Date, unless extended by the Stock Exchanges. On Bid/Offer Closing Date, extension of time may be granted by Stock Exchanges only for uploading Bids received RIBs, after taking into account the total number of Bids received and as reported

by the Book Running Lead Managers to the Stock Exchanges.

Further, in case of any pre-Offer or post -Offer related issues regarding share certificates/ demat credit/refund orders/unblocking etc., investors can reach out to the Company Secretary and Compliance Officer. For further details of the Company Secretary and Compliance Officer, see “**General Information**” and “**Our Management**” on pages 118 and 289, respectively.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/ Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day for the entire duration of delay exceeding two Working Days from the Bid/ Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The Book Running Lead Managers shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. Further, Bidders shall be entitled to compensation in the manner specified in the SEBI ICDR Master Circular in case of delays in resolving investor grievances in relation to blocking/unblocking of funds.

For details of grounds for technical rejections of a Bid cum Application Form, see the General Information Document.

#### **Names of entities responsible for finalising the basis of allotment in a fair and proper manner**

The authorised employees of the Designated Stock Exchange, along with the Book Running Lead Managers and the Registrar, shall ensure that the Basis of Allotment is finalised in a fair and proper manner in accordance with the procedure specified in the SEBI ICDR Regulations.

#### **Method of allotment as may be prescribed by SEBI from time to time**

Our Company will not make any Allotment in excess of the Equity Shares offered through the Offer except in case of oversubscription for the purpose of rounding off to make Allotment, in consultation with the Designated Stock Exchange. Further, upon oversubscription, an Allotment of not more than 1% of the Offer to public may be made for the purpose of making Allotment in minimum lots.

The Allotment of Equity Shares to Bidders other than to the RIBs, NIBs and Anchor Investors shall be on a proportionate basis within the respective investor categories and the number of securities Allotted shall be rounded off to the nearest integer, subject to minimum Allotment being equal to the minimum application size as determined and disclosed. The Allotment of Equity Shares to Anchor Investors shall be on a discretionary basis.

The Allotment of Equity Shares to each Retail Individual Bidders shall not be less than the minimum Bid Lot, subject to the availability of shares in Retail Category, and the remaining available shares, if any, shall be allotted on a proportionate basis. Not more than 15% of the Offer shall be available for allocation to Non-Institutional Bidders. The Equity Shares available for allocation to Non-Institutional Bidders under the Non-Institutional Category, shall be subject to the following: (i) one-third of the portion available to Non-Institutional Bidders shall be reserved for applicants with an application size of more than ₹0.20 million and up to ₹1 million, and (ii) two-third of the portion available to Non-Institutional Bidders shall be reserved for applicants with an application size of more than ₹1 million, provided that the unsubscribed portion in either of the aforementioned sub-categories may be allocated to applicants in the other sub-category of Non-Institutional Bidders. The allotment to each Non-Institutional Bidders shall not be less than the Minimum NIB Application Size, subject to the availability of Equity Shares in the Non-Institutional Category, and the remaining Equity Shares.

The Allotment of Equity Shares to each RII shall not be less than the minimum Bid lot, subject to the availability of shares in RII category, and the remaining available shares, if any, shall be allotted on a proportionate basis.

#### **Payment into Anchor Investor Escrow Accounts**

Our Company, in consultation with the Book Running Lead Managers, will decide the list of Anchor Investors to whom the CAN will be sent, pursuant to which, the details of the Equity Shares allocated to them in their respective names will be notified to such Anchor Investors. Anchor Investors are not permitted to Bid in the Offer through the ASBA process. Instead, Anchor Investors should transfer the Bid Amount (through direct credit, RTGS, NACH or NEFT) to the Escrow Accounts. For Anchor Investors, the payment instruments for payment into the Anchor Investor Escrow Account should be drawn in favour of:

- (a) In case of resident Anchor Investors: “[●]”

- (b) In case of Non-Resident Anchor Investors: “[●]”

Anchor Investors should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Company, the Selling Shareholders, the Syndicate, the Escrow Banks and the Registrar to the Offer to facilitate collections of Bid amounts from Anchor Investors.

### **Pre-Offer Advertisement**

Subject to Section 30 of the Companies Act, our Company shall, after filing the Red Herring Prospectus with the RoC, publish a pre-Offer advertisement, in the form prescribed under the SEBI ICDR Regulations, in all editions of Financial Express (a widely circulated English national daily newspaper) and all editions of Jansatta (a widely circulated Hindi national daily newspaper) and Mumbai edition of Navshakti (a widely circulated Marathi daily newspaper, Marathi being the regional language of Maharashtra, India, where our Registered and Corporate Office is located).

In the pre-Offer advertisement, we shall state the Bid/ Offer Opening Date and the Bid/ Offer Closing Date. This advertisement, subject to the provisions of Section 30 of the Companies Act, shall be in the format prescribed in Part A of Schedule X of the SEBI ICDR Regulations.

### **Allotment advertisement**

Our Company, the Book Running Lead Managers and the Registrar shall publish an allotment advertisement before commencement of trading, disclosing the date of commencement of trading in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and Mumbai editions of Navshakti (a widely circulated Marathi daily newspaper, Marathi being the regional language of Maharashtra, India, where our Registered and Corporate Office is located).

The allotment advertisement shall be uploaded on the websites of our Company, the Book Running Lead Managers and the Registrar to the Offer, before 9:00 p.m. IST, on the date of receipt of the final listing and trading approval from all the Stock Exchanges where the Equity Shares are proposed to be listed, provided such final listing and trading approval from all the Stock Exchanges is received prior to 9:00 p.m. IST on that day. In an event, if final listing and trading approval from all the Stock Exchanges is received post 9:00 p.m. IST on the date of receipt of the final listing and trading approval from all the Stock Exchanges where the Equity Shares are proposed to be listed, then the allotment advertisement shall be uploaded on the websites of our Company, the Book Running Lead Managers and the Registrar to the Offer, following the receipt of final listing and trading approval from all the Stock Exchanges.

### **Signing of the Underwriting Agreement and Filing with the RoC**

- (a) Our Company, the Selling Shareholders, and the Underwriters intend to enter into an Underwriting Agreement after the finalisation of the Offer Price, but prior to filing of the Prospectus.
- (b) After signing the Underwriting Agreement, a Prospectus will be filed with the RoC in accordance with applicable law. The Prospectus will contain details of the Offer Price, the Anchor Investor Offer Price, the Offer size, and underwriting arrangements and will be complete in all material respects.

### **Depository Arrangements**

The Allotment of the Equity Shares in the Offer shall be only in a dematerialised form, (*i.e.*, not in the form of physical certificates but be fungible and be represented by the statement issued through the electronic mode). For more information, see “*Terms of the Offer*” on page 618.

### **Undertakings by our Company**

Our Company undertakes the following:

- adequate arrangements shall be made to collect all Bid cum Application Forms submitted by Bidders;
- the complaints received in respect of the Offer shall be attended to by our Company expeditiously and satisfactorily;
- all steps for completion of the necessary formalities for listing and commencement of trading at the Stock

Exchanges shall be taken within such time period as prescribed under applicable law;

- the funds required for making refunds (to the extent applicable) as per the mode(s) disclosed in this Updated Draft Red Herring Prospectus-I shall be made available to the Registrar to the Offer by our Company;
- where refunds (to the extent applicable) are made through electronic transfer of funds, a suitable communication shall be sent to the unsuccessful Bidder within time prescribed under applicable law, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- that if our Company does not proceed with the Offer after the Bid/ Offer Closing Date but prior to Allotment, the reason thereof shall be given as a public notice within two days of the Bid/ Offer Closing Date. The public notice shall be issued in the same newspapers where the pre-Offer advertisements were published. The Stock Exchanges shall be informed promptly;
- that if the Offer is withdrawn including after the Bid/ Offer Closing Date, our Company shall be required to file a fresh offer document with SEBI; and
- there shall be no further issue or offer of securities of our Company, whether by way of a bonus issue, preferential allotment, rights issue or in any other manner, during the period commencing from the date of filing this Updated Draft Red Herring Prospectus-I with the SEBI until the Equity Shares proposed to be transferred pursuant to the Offer have been listed and have commenced trading or until the Bid monies are refunded on account of, *inter alia*, failure to obtain listing approvals in relation to the Offer.

#### **Undertakings by the Selling Shareholders**

The Selling Shareholders undertakes that:

- its Offered Shares are eligible for being offered in the Offer for Sale in terms of Regulation 8 of the SEBI ICDR Regulations;
- it shall deposit the Offered Shares in an escrow demat account in accordance with the Share Escrow Agreement; and
- it is the legal and beneficial owner of the Offered Shares and such Offered Shares shall be transferred in the Offer free from lien, charge and encumbrance.

#### **Utilisation of Offer Proceeds**

Our Company and the Selling Shareholders, severally and not jointly, specifically confirm that all monies received out of the Offer shall be credited/transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 40 of the Companies Act.

#### **Impersonation**

Attention of the Bidders is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act which is reproduced below:

*“Any person who –*

- makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447.”*

The liability prescribed under Section 447 of the Companies Act for fraud involving an amount of at least ₹1.00 million or 1% of the turnover of the company, whichever is lower, includes imprisonment for a term which shall

not be less than six months extending up to 10 years and fine of an amount not less than the amount involved in the fraud, extending up to three times such amount (provided that where the fraud involves public interest, such term shall not be less than three years.) Further, where the fraud involves an amount less than ₹1.00 million or 1% of the turnover of the company, whichever is lower, and does not involve public interest, any person guilty of such fraud shall be punishable with imprisonment for a term which may extend to five years or with fine which may extend to ₹5.00 million or with both.

## RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Foreign investment is permitted (except in the prohibited sectors) in Indian companies, either through the automatic route or the approval route, depending upon the sector in which foreign investment is sought to be made. The RBI and the concerned ministries/ departments are responsible for granting approval for foreign investment.

The Government of India makes policy announcements on FDI through press notes and press releases. The regulatory framework, over a period of time, thus, consists of acts, regulations, press notes, press releases, and clarifications among other amendments. The Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry (formerly Department of Industrial Policy and Promotion), Government of India (“DPIIT”) issued the Consolidated FDI Policy Circular dated October 15, 2020, with effect from October 15, 2020 (the “**FDI Policy**”), which consolidates and supersedes all previous press note, press releases and clarifications on FDI issued by the DPIIT that were in force and effect prior to October 15, 2020. Up to 100% foreign investment under the automatic route is currently permitted for our Company.

On October 17, 2019, Ministry of Finance, Department of Economic Affairs, had notified the FEMA Rules, which had replaced the Foreign Exchange Management (Transfer and Issue of Security by a Person Resident Outside India) Regulations 2017. Foreign investment in this Offer shall be on the basis of the FEMA Rules. Further in terms of Press Note 3 of 2020, dated April 17, 2020 (“**Press Note**”), issued by the DPIIT, the FDI Policy and the FEMA Rules has been amended to state that all investments under the foreign direct investment route by entities of a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country will require prior approval of the Government of India. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government of India as prescribed in the Consolidated FDI Policy and the FEMA Rules. Pursuant to the Foreign Exchange Management (Non-debt Instruments) (Fourth Amendment) Rules, 2020, a multilateral bank or fund, of which India is a member, shall not be treated as an entity of a particular country nor shall any country be treated as the beneficial owner of the investments of such bank or fund in India. Further, in accordance with the amendment to the Companies (Share Capital and Debentures) Rules, 2014 vide notification dated May 4, 2022 issued by Ministry of Corporate Affairs, a declaration shall be inserted in the share transfer form stipulating whether government approval shall be required to be obtained under Foreign Exchange Management (Non-debt Instruments) Rules, 2019 prior to transfer of shares, as applicable. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate our Company and the Registrar to the Offer in writing about such approval along with a copy thereof within the Offer Period.

For details of the aggregate limit for investments by NRIs and FPIs in our Company, see “**Offer Procedure – Bids by Eligible Non-Resident Indians**” and “**Offer Procedure – Bids by Foreign Portfolio Investors**” on pages 636 and 636, respectively.

In accordance with the existing policy of the Government of India, OCBs cannot participate in this Offer.

**The offer and sale of the Equity Shares issued in the Offer have not been and will not be registered under the U.S. Securities Act or any other applicable law of the United States and, unless so registered, may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the U.S. Securities Act, and referred to in this Updated Draft Red Herring Prospectus-I as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Updated Draft Red Herring Prospectus-I as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act, and (ii) outside the United States in offshore transactions as defined in and in compliance with Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

## SECTION VIII – MAIN PROVISIONS OF THE ARTICLES OF ASSOCIATION

### ARTICLES OF ASSOCIATION

#### OF

### TURTLEMINT FINTECH SOLUTIONS LIMITED

#### (A Company Limited by Shares)

The following regulations comprised in these restated Articles of Association were adopted pursuant to the special resolution passed at the Extra-Ordinary General Meeting of TURTLEMINT FINTECH SOLUTIONS LIMITED held on September 3, 2025 in substitution for and to the exclusion of the earlier respective concerned regulations comprised in the extant Articles of Association of the Company.

1. The Company is a public limited company as defined under the Act. Regulations contained in Table ‘F’ in the First Schedule to the Act as amended from time to time, shall apply to the Company so far as they are applicable to a public company limited by shares and not contradictory or inconsistent with any of the provisions contained in these Articles. It is hereby clarified that the provisions of Regulations 27, 76, and 79 of Table F in First Schedule to the Act shall not be applicable to the Company.
2. These Articles consist of two parts, Part A and Part B. The provisions of Part A shall apply to all the matters to which they pertain, to the extent, and only in so far, as they are not inconsistent with the provisions of Part B and Part B shall be automatically be terminated on the date of commencement of the listing and trading of the equity shares of the Company, pursuant to the initial public offer (“IPO”) on the recognized stock exchanges in India, if any, and the provisions, of Part A shall continue to be in effect and be in force, without any further corporate or other action, by the Company or by its Shareholders. As long as Part B remains a part of these Articles, in the event of any conflict or inconsistency, the provisions of Part B shall prevail over the provisions of Part A to the maximum extent permitted under the Act.

#### PART A

##### Interpretation

- I. (1) In these regulations—
  - (a) “The Act” means the Companies Act, 2013,
  - (b) “The seal” means the common seal of the company.
  - (c) “The Articles” means the Articles of Association of the Company as originally framed or as altered from time to time.
  - (d) “The Company” shall mean **TURTLEMINT FINTECH SOLUTIONS LIMITED**.
- (2) Unless the context otherwise requires, words or expressions contained in these regulations shall bear the same meaning as in the Act or any statutory modification thereof in force at the date at which these regulations become binding on the company.

##### II. Share capital and variation of rights

1. The authorised capital of the Company will be such amount as stated in Clause V of the Memorandum of Association of the Company from time to time, each share with rights, privileges and conditions attached thereto as are provided by these Articles for the time being, and with the power to increase, consolidate, divide, sub-divide, cancel and reduce the share capital of the Company and to convert shares into stocks and re convert that and to divide the shares for the time being into several classes and to attach thereto respectively such preferential rights, privileges or conditions as may be determined by or in accordance with these Articles and to vary, modify, amalgamate or abrogate any such rights, privileges in such manner as may for the time being be provided in these Articles.
2. Subject to the provisions of the Act and other applicable laws and these Articles, the shares in the capital of the Company shall be under the control of the directors for the time being (including any shares

forming part of any increased capital of the Company) who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par or at a discount and at such time as they may from time to time think fit and with the sanction of the Company in the General Meeting to give to any person or persons the option or right to call for any shares either at par or premium during such time and for such consideration as the Directors think fit.

- 2A. In addition to, and without derogating from the power for that purpose conferred on the directors under these Articles, the Company in a general meeting may, subject to the compliance of Sections 42 and 62 of the Act as the case may be and rules notified there under, determine to issue further Shares out of the authorized but unissued share capital of the Company and may determine that any shares shall be offered to such persons (whether members or holders of debentures of the Company or not) in such proportions and on such terms and conditions and either at a premium or at par, as such general meeting shall determine and with full power to give any person (whether a member or holder of debentures of the Company or not) option to be exercisable at such times and for such consideration as may be directed by such general meeting and subject to such other provisions whatsoever as the case may be, stipulated by the general meeting, for the issue, allotment or disposal of any share
- 2B. Subject to the provisions of the Act and these Articles, the Directors may allot and issue shares in payment or part repayment for any part payment for any property or assets of any kind whatsoever (including the good-will of any business) sold or transferred or goods or machinery or know-how supplied or for services rendered to the Company either in about the formation or promotion of the Company or the conduct of its business and any shares which may be so allotted may be issued as fully paid up or partly paid up otherwise than for cash and if so issued shall be deemed to be fully paid up or partly paid up shares as aforesaid. The Directors shall cause returns to be filed of any such allotment as may be required under the provisions of the Act.
- 2C. The shares shall be numbered progressively according to their several denominations.
- 2D. The money (if any) which the directors shall, on the allotment of any shares being made by them, require or direct to be paid by way of deposits, call or otherwise in respect of any shares allotted by them, immediately on the insertion of the name of the allottee in the register of members as the holder of such shares, shall become a debt due to and recoverable by the Company from the allottee thereof, and shall be paid by such allottee accordingly.
- 2E. If by the conditions of allotment of any share, the whole or part of the amount or issue price thereof shall be payable by installments, every such installment shall when due, be paid to the Company by the Person who for the time being and from time to time shall be the registered holder of the share or his legal representative.
- 2F. None of the funds of the Company shall be applied in the purchase of any shares of the Company and itself not give any financial assistance for or in connection with the purchase or subscription of any Shares in the Company or in its holding company save as provided by provisions of the Act.
- 3.
  - (i) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or sub-division or consolidation within such other period as the conditions of issue shall be provided,—
    - (a) one certificate for all his shares without payment of any charges; or
    - (b) several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first.
  - (ii) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon and shall be signed by two directors or by a director and the company secretary, where the Company has appointed a company secretary.
  - (iii) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

- 3A. The directors may in their absolute discretion refuse sub-division of share/debenture certificate where such sub-division will result in the issue of certificate for number of shares and/or debentures which is less than the marketable lot, unless the sub-division is required to be made to comply with a statutory provision or an order of a competent court of law.
4. (i) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and on execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate. Provided that no fee shall be charged for issue of new certificates in replacement of those which are old, defaced or worn out or where there is no further space on the back thereof for endorsement of transfer. Provided that notwithstanding what is stated above, in respect of the issue of new certificates, the Directors shall comply with such rules or regulation or requirements of any stock exchange or the Rules made under the Act or under the Securities Contracts (Regulation) Act, 1956 or any other act, or rules applicable thereof.
- (a) When a new share certificate has been issued in pursuance of sub clause (a) of this Article 4 (i), it shall state on the face of it and against the stub or counterfoil to the effect that it is "Issued in lieu of Share Certificate No. \_\_\_\_\_". The word "Duplicate" shall be stamped or punched in bold letters across the face of the share certificate.
- (b) Where a new share certificate has been issued in pursuance of this Article 4 (i), particulars of every such share certificate shall be entered in a register of renewed and duplicate certificate indicating against the names of the persons to whom the certificate is issued the number and date of issue of the share certificate in lieu of which the new share certificate is issued, and the necessary, changes indicated in the register of members by suitable cross reference in the "Remarks" column.
- (c) All blank forms to be issued for share certificates shall be printed and the printing shall be done only on the authority of a resolution of the board. The blank form shall be consecutively machine numbered and the forms and the blocks, engravings, facsimiles and hues relating to the printing of such forms shall be kept in the custody of the secretary or such other person as the board may appoint for the purpose, and the secretary or other persons aforesaid shall be responsible for rendering an account of these forms to the board.
- (d) Managing director of the Company, if the Company has no managing director, every director of the Company shall be responsible for the maintenance, preservation, and the safe custody of all books and documents, relating to the issue of share certificates except the blank forms of share certificates referred to in sub clause (d) of this Article 4 (i).
- (e) All the books and documents referred to in this Article 4 shall be preserved in good order permanently.
- (ii) <sup>###</sup>The provisions of Articles (2), (3) ,(4) and 4A shall mutatis mutandis apply to debentures of the Company.
- 4A. Every endorsement upon a share certificate in favour of any transferee thereof shall be signed by such person for the time being authorized by the directors in that behalf
5. Except as required by law, no person shall be recognized by the Company as holding any share upon any trust, and the Company shall not be bound by, or be compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

6.
  - (i) The Company may exercise the powers of paying commissions conferred by sub-section (6) of section 40, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rule made thereunder.
  - (ii) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.
  - (iii) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.
7.
  - (i) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.
  - (ii) To every such separate meeting, the provisions of these regulations relating general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.
8. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further share ranking *pari passu* therewith.
9. Subject to the provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that they are to be redeemed on such terms and in such manner as the company before the issue of the shares may, by special resolution, determine.
10. The Company shall issue shares or securities through rights issue, private placement, preferential issue or any other mode as mentioned in the Act.

### **Lien**

11.
  - (i) The Company shall have a first and paramount lien—
    - (a) on every share/debenture (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share/debenture; and
    - (b) on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company:

Provided that the board of directors may at any time declare any share to be wholly or in part exempt from the provisions of this Article.

Provided that no equitable interest in any share shall be created upon the footing and condition that this Article will have full effect. Unless otherwise agreed, the registration of transfer of shares/ debentures shall operate as a waiver of the Company's lien, if any, on such shares /debentures.
  - (ii) The Company's lien, if any, on a share shall extend to all dividend bonuses declared from time to time in respect of such shares.
  - (iii) The Company shall have no lien on its fully paid up shares and in case of partly paid up shares, the Company's lien will be restricted to moneys called or payable at a fixed time in respect of such shares/ debentures.
12. The Company may sell, in such manner as the Board thinks fit, any shares on which the company has a lien:

Provided that no sale shall be made—

- (a) unless a sum in respect of which the lien exists is presently payable; or
  - (b) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.
13. (i) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.
- (ii) The purchaser shall be registered as the holder of the shares comprised in any such transfer.
- (iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
14. (i) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
- (ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

#### **Calls on shares**

15. (i) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:
- Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call.
- (ii) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.
- (iii) A call may be revoked or postponed at the discretion of the board.
- Further, provided that the option or right to call on shares shall not be given to any person or persons without the sanction of the Company in the general meeting.
16. A call shall be deemed to have been made at the time when the resolution of the board authorising the call was passed and may be required to be paid by instalments.
17. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
18. (i) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at such rate as the Board may determine.
- (ii) The Board shall be at liberty to waive payment of any such interest wholly or in part.
19. (i) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.
- (ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

20. The Board—
- (a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and
  - (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.

Provided that money paid in advance of calls on any share may carry interest but shall not confer a right to dividend or to participate in profits. The board may at any time repay the amount so advanced. The member shall not be entitled to any voting rights in respect of the moneys so paid by him until the same would, but for such payment, become presently payable.

The provisions of these Articles shall mutatis mutandis apply to any calls on debentures of the Company.

Where any calls for further share capital are made on the shares of a class, such calls shall be made on a uniform basis on all shares falling under that class. For the purposes of this Article, shares of the same nominal value on which different amounts have been paid-up shall not be deemed to fall under the same class.

#### **Transfer of shares**

21. (i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.
- (ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.
- 21A. There shall be a common form for the transfer of Shares in use. The instrument of transfer of any shares shall be in such form as may be prescribed under the Act and in writing, and all the applicable provisions of the Act for the time being in force shall be duly complied with, in respect of all transfers of shares and the registrations thereof.
22. The Board may, subject to the right of appeal conferred by section 58 decline to register—
- (a) The transfer of a share, not being a fully paid share, to a person of whom they do not approve; or
  - (b) Any transfer of shares on which the company has a lien.
  - (c) Any transfer of a share which is in contravention of the Act, or any other applicable law.
- PROVIDED THAT registration of transfer shall however not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever except where the Company has a lien on shares.
23. The Board may decline to recognize any instrument of transfer unless—
- (a) The instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56;
  - (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
  - (c) The instrument of transfer is in respect of only one class of shares.
24. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

#### **Transmission of shares**

25. (i) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a shareholder, shall be the only persons recognized by the company as having any title to his interest in the shares.
- (ii) Nothing in sub-article (i) above shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
26. (i) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either—
- (a) To be registered himself as holder of the share; or
- (b) To make such transfer of the share as the deceased or insolvent member could have made.
- (ii) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.
27. (i) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.
- (ii) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.
- (iii) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.
28. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company:
- Provided** that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have complied with.
- 28A. A person entitled to a share by transmission shall subject to the right of the directors to retain such dividends or monies as hereinafter provided, be entitled to receive and may give a discharge for any dividends or other moneys payable in respect of the share.
- 28B. Every transmission of a share shall be verified in such manner as the directors may require and the Company may refuse to register any such transmission until the same be so verified or until or unless an indemnity be given to the Company with regard to such registration which the directors at their discretion shall consider sufficient provided nevertheless that there shall not be any obligation on the Company or the directors to accept any indemnity.
- 28C. The Company shall not charge any fee for registration of transfer or transmission, probate, succession certificate and letters of administration, certificate of death or marriage, power of attorney or similar other document in respect of share or debentures of the Company.

- 28D. The Company shall incur no liability or responsibility whatsoever in consequence of their registering or giving effect to any transfer of shares made or purporting to be made by any apparent legal owner thereof (as shown or appearing in the register of members) to the prejudice of persons having or claiming any equitable right title or interest (to or in such Shares), notwithstanding that the Company may have received a notice prohibiting registration of such transfer and may have entered such notice as referred thereto in any book of the Company, and save as provided by Section 89 of the Act, the Company shall not be bound or required to regard or attend or give effect to any notice which may be given to it of any equitable right, title or interest of any person, or be under any liability whatsoever for refusing or neglecting so to do, though it may have been entered or referred to in some book of the Company, but the Company shall nevertheless be at liberty to regard and attend to any such notice and give effect thereto, if the directors so think fit.
- 28F. The Company shall be entitled to treat the person whose name appears on the register of members as the holder of any shares or other securities or whose name appears as the beneficial owner of shares or other securities in the records of depository, as the absolute owner thereof.

### **Forfeiture of shares**

29. If a member fails to pay any call, or installment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.
30. The notice aforesaid shall—
- (a) Name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
  - (b) State that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.
31. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.
32. (i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
- (ii) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
33. (i) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.
- (ii) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.
34. (i) A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;
- (ii) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;
- (iii) The transferee shall thereupon be registered as the holder of the share; and
- (iv) The transferee shall not be bound to see to the application of the purchase money, if any, nor

shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

35. The provisions of these Articles as to forfeiture shall apply in the case of nonpayment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

#### **Increase, Reduction and Alteration of capital**

36. The company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.

37. Subject to the provisions of section 61, the company may, by ordinary resolution,—

- (a) Consolidate and divide all or any of its share capital into shares of larger amount than its existing shares provided that any consolidation and division which results in changes in the voting percentage of members shall require applicable approvals under the Act;
- (b) Convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;
- (c) Sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;
- (d) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.
- (e) increase the share capital by such sum, to be divided into shares of such amount as it thinks expedient;

38. Where shares are converted into stock,—

- (a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

- (b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.
- (c) Such of the regulations of the company as are applicable to paid-up shares shall apply to stock and the words “share” and “shareholder” in those regulations shall include “stock” and “stock-holder” respectively.

39. The Company may, by special resolution, reduce in any manner and with, and subject to, any incident authorised and consent required by law,—

- (a) Its share capital;
- (b) Any capital redemption reserve account; or
- (c) Any share premium account.
- (d) Any other reserve in the nature of share capital

- 39A. (i) Where at any time, the Company proposes to increase its subscribed capital by the issue of further shares, such shares shall be offered –
- (a) to persons who, at the date of the offer, are holders of equity shares of the Company in proportion, as nearly as circumstances admit, to the paid-up share capital on those shares by sending a letter of offer subject to the following conditions, namely:—
    1. the offer shall be made by notice specifying the number of shares offered and limiting a time not being less than seven (7) days or such lesser number of days as may be prescribed by the Act and not exceeding thirty (30) days from the date of the offer within which the offer, if not accepted, shall be deemed to have been declined;
    2. subject to the provisions of these Articles, the offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person; and the notice referred to in clause (1) of Article 39A(i)(a) herein above shall contain a statement of this right;
    3. after the expiry of the time specified in the notice aforesaid, or on receipt of earlier intimation from the person to whom such notice is given that he declines to accept the shares offered, the board of directors may dispose of them in such manner which is not dis-advantageous to the shareholders and the Company;
  - (b) to employees under a scheme of employees' stock option, subject to special resolution passed by company and subject to such conditions as may be prescribed under the Act and any other law in force at the time, including the conditions set out under the employees' stock option guidelines issued by the SEBI (as may be applicable); or
  - (c) to any persons, if it is authorized by a special resolution, whether or not those persons include the persons referred to in clause (a) or clause (b) hereinabove, either for cash or for a consideration other than cash, at such price as may be determined in compliance with the Act and the rules made thereunder and in accordance with applicable law.
- 39B. The notice referred above shall be dispatched through registered post or speed post or through electronic mode or courier or any other mode having proof of delivery to all the existing shareholders at least three days before the opening of the issue.
- 39C. Nothing in Article 39A (i)(2) shall be deemed to extend the time within which the offer should be accepted;
- 39D. Nothing in this Article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loan raised by the Company to (i) convert such debentures or loans into shares in the Company; or (ii) to subscribe for shares in the Company (whether such option is conferred in these Articles or otherwise):

Provided that the terms of issue of such debentures or loan containing such an option have been approved before the issue of such debentures or the raising of loan by a special resolution passed by the Company in a general meeting.

Notwithstanding anything contained in this Article 39A hereof, where any debentures have been issued, or loan has been obtained from any government by the Company, and if that government considers it necessary in the public interest so to do, it may, by order, direct that such debentures or loans or any part thereof shall be converted into shares in the Company on such terms and conditions as appear to the government to be reasonable in the circumstances of the case even if terms of the issue of such debentures or the raising of such loans do not include a term for providing for an option for such conversion:

Provided that where the terms and conditions of such conversion are not acceptable to the Company, it may, within sixty days from the date of communication of such order, appeal to the tribunal which shall after the Company and government pass such order as it deems fit.

A further issue of securities may be made in any manner whatsoever as the board may determine including by way of preferential allotment or private placement subject to and in accordance with the Act read with Rules made thereunder and to the extent applicable, any SEBI regulations or guidelines.

- 39E. (i) Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the original capital and shall be subject to the provisions herein contained with reference to the payment of calls and installments, transfer and transmission, forfeiture, lien, surrender, voting or otherwise.
- (ii) Subject to the provisions of the Act and the rules framed thereunder, the Company shall have the power to issue preference shares which are, or at the option of the Company, liable to be redeemed within a period not exceeding twenty (20) years from the date of issue and the redemption may, subject to the provisions of the Article hereof and the Act and rules framed thereunder, be effected in the manner and subject to the terms and provisions of its issue
- (iii) On the issue of redeemable preference shares under the provisions of Article 39E(ii) herein above, the following provisions shall take effect:
- (a) no such shares shall be redeemed except out of profits of the Company which would otherwise be available for dividend or out of the proceeds of the fresh issue of shares made for the purpose of redemption.
  - (b) no such shares shall be redeemed unless they are fully paid;
  - (c) the premium if any payable on redemption shall be provided, for out of the profits of the Company or the Company's securities premium account before the shares are redeemed;
  - (d) where any such shares are redeemed otherwise than out of the proceeds of a fresh issue, there shall, out of the profits, transfer a sum equal to the nominal amount of the shares to be redeemed, which would otherwise have been available for dividend, to a reserve fund, to be called the "Capital Redemption Reserve Account", and the provisions of the Act relating to the reduction of the share capital of the Company shall apply as if the Capital Redemption Reserve Account were paid-up share capital of the Company.
- 39F. The Company may, subject to the provisions of the Act, from time to time by special resolution reduce its share capital and in particular may pay off any paid up share capital upon the footing that it may be called up again or otherwise and may, if and so far as is necessary, alter its memorandum by reducing the amount of its share capital and of its Shares accordingly. Provided that no such reduction shall be made if the Company is in arrears in the repayment of any deposits it may have accepted, or the interest payable thereon.
- 39G. The right conferred upon the holders of Shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* herewith.

### **Capitalisation of profits**

40. (i) The Company in general meeting may, upon the recommendation of the Board, resolve—
- (a) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and
  - (b) that such sum be accordingly set free for distribution in the manner specified in article (ii) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
- (ii) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (iii), either in or towards—

- (A) paying up any amounts for the time being unpaid on any shares held by such members respectively;
  - (B) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
  - (C) partly in the way specified in sub-article (A) and partly in that specified in sub-article (B);
  - (D) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares;
  - (E) The Board shall give effect to the resolution passed by the company in pursuance of this regulation.
41. (i) Whenever such a resolution as aforesaid shall have been passed, the Board shall—
- (a) make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and
  - (b) generally do all acts and things required to give effect thereto.
- (ii) The Board shall have power—
- (a) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and
  - (b) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;
- (iii) Any agreement made under such authority shall be effective and binding on such members.

#### **Buy-back of shares**

42. Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.

#### **General meetings**

43. All general meetings other than annual general meeting shall be called extraordinary general meeting.
44. (i) The Board may, whenever it thinks fit, call all general meetings by giving fourteen clear days' notice either in writing or through electronic mode.
- (ii) If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

#### **Proceedings at general meetings**

45. (i) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.
- (ii) The quorum of a general meeting shall be only five members personally present.

46. <sup>##</sup>The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the company. In the case of an equality of votes, the Chairperson of the meeting shall be entitled to a casting vote in addition to his own vote or votes to which he may be entitled as a Member.
47. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairperson of the meeting, the directors present shall <sup>elect</sup> one of their members to be Chairperson of the meeting.
48. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.

#### **Adjournment of meeting**

49. (i) The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.
- (ii) No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
- (iii) When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.
- (iv) Save as aforesaid, and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

#### **Voting rights**

50. Subject to any rights or restrictions for the time being attached to any class or classes of shares,—
- (a) on a show of hands, every member present in person shall have one vote; and
- (b) on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the company.
- Save as otherwise provided under Article 48, Section 43 and Section 47 of the Act shall not be applicable to the Company.
51. A member may exercise his vote at a meeting by electronic means in accordance with section 108 and shall vote only once.
52. (i) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.
- (ii) For this purpose, seniority shall be determined by the order in which the names stand in the register of members.
53. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.
54. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.
55. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.
56. (i) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.
- (ii) Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

### **Proxy**

57. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at the registered office of the company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 24 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.
58. An instrument appointing a proxy shall be in the form as prescribed in the rules made under section 105.
59. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

### **Board of Directors**

60. The following shall be the first directors of the Company:
1. Anand Prabhudesai
  2. Dharendra Mahyavanshi
61. (i) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.
- (ii) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them—
- (a) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or
  - (b) in connection with the business of the company.
62. The Board may pay all expenses incurred in getting up and registering the company.
63. The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that (section) make and vary such regulations as it may think fit respecting the keeping of any such register.
64. All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.
65. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.
66. (i) Subject to the provisions of section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles.
- (ii) Such person shall hold office only up to the date of the next annual general meeting of the company but shall be eligible for appointment by the company as a director at that meeting subject to the provisions of the Act.

### **Proceedings of the Board**

67. (i) The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit.
- (ii) A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board.
68. (i) Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.
- (ii) In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.
69. The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the company, but for no other purpose.
70. (i) The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.
- (ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting.
71. (i) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit.
- (ii) Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.
72. (i) A committee may elect a Chairperson of its meetings.
- (ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.
73. (i) A committee may meet and adjourn as it thinks fit.
- (ii) Questions arising at any meeting of a committee shall be determined by a majority of votes of the members present, and in case of an equality of votes, the Chairperson shall have a second or casting vote.
74. All acts done in any meeting of the Board or of a committee thereof or by any person acting as a director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such directors or of any person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such director or such person had been duly appointed and was qualified to be a director.
75. Save as otherwise expressly provided in the Act, a resolution in writing, signed by all the members of the Board or of a committee thereof, for the time being entitled to receive notice of a meeting of the Board or committee, shall be valid and effective as if it had been passed at a meeting of the Board or committee, duly convened and held.

### **Chief Executive Officer, Manager, Company Secretary or Chief Financial Officer**

76. Subject to the provisions of the Act,—
- (i) A chief executive officer, manager, company secretary or chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any chief executive officer, manager, company secretary or chief financial officer so appointed may be removed by means of a resolution of the Board;

- (ii) A director may be appointed as chief executive officer, manager, company secretary or chief financial officer.
  - (iii) <sup>##</sup>As per the provisions of the section 203 of the Act, the Chairperson and Managing Director can be appointed as the same person. The term of office of Chairperson shall be 5 (five) years.
77. A provision of the Act or these regulations requiring or authorising a thing to be done by or to a director and chief executive officer, manager, company secretary or chief financial officer shall not be satisfied by its being done by or to the same person acting both as director and as, or in place of, chief executive officer, manager, company secretary or chief financial officer.

### **The Seal**

78. (i) The Board shall provide for the safe custody of the seal.
- (ii) The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorised by it in that behalf, and except in the presence of at least two directors and of the secretary or such other person as the Board may appoint for the purpose; and those two directors and the secretary or other person aforesaid shall sign every instrument to which the seal of the company is so affixed in their presence.

### **Dividends and Reserve**

79. The company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.
80. Subject to the provisions of section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the company.
81. (i) The Board may, before recommending any dividend, set aside out of the profits of the company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the Board may, from time to time, think fit.
- (ii) The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.
82. (i) All dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares.
- (ii) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.
- (iii) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.
83. The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.
84. (i) Any dividend, interest or other monies payable in cash in respect of shares maybe paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.

- (ii) Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.
- 85. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.
- 86. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.
- 87. No dividend shall bear interest against the company.
- 87A. The Company shall comply with the provisions of the Act in respect of any dividend remaining unpaid or unclaimed with the Company. If the Company has declared a dividend but which has not been paid or the dividend warrant in respect thereof has not been posted or sent within 30 (thirty) days from the date of declaration, the Company shall, within 7 (seven) days from the date of expiry of the said period of 30 (thirty) days, transfer the total amount of dividend, which remained so unpaid or unclaimed to a special account to be opened by the Company in that behalf in any scheduled bank to be called "Unpaid Dividend Account".
- 87B. Any money so transferred to the unpaid dividend account of the Company which remains unpaid or unclaimed for a period of 7 (seven) years from the date of such transfer, shall be transferred by the Company to the fund established under sub-section (1) of Section 125 of the Act, viz. "Investor Education and Protection Fund".
- 87C. Further, there shall be no forfeiture of unclaimed or unpaid dividends before the claim becomes barred by law and the Company shall comply with the provisions of Sections 124 and 125 of the Act in respect of all unclaimed or unpaid dividends.

#### **Accounts**

- 88. (i) The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the company, or any of them, shall be open to the inspection of members not being directors.
- (ii) No member (not being a director) shall have any right of inspecting any account or book or document of the company except as conferred by law or authorised by the Board or by the company in general meeting.

#### **Winding up**

- 89. Subject to the provisions of Chapter XX of the Act and rules made thereunder—
  - (i) If the company shall be wound up, the liquidator may, with the sanction of a special resolution of the company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the company, whether they shall consist of property of the same kind or not.
  - (ii) For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.
  - (iii) The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

#### **Indemnity**

- 90. Every officer of the company shall be indemnified out of the assets of the company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the Tribunal.

### **Sweat Equity Shares and Employee Stock Option Plan (ESOP)**

91. The Company shall make reservation for issuance to employees, officers and Directors, Sweat Equity Shares and Employee Stock Options. The Sweat Equity Shares and Employee Stock Options shall be issued time to time under such arrangements, contracts or plans as are approved by the Board and in accordance with the Sweat Equity Shares Agreement and ESOP Policy as adopted time to time by the Company.

### **Dematerialization of shares**

92. Company to recognize interest in dematerialized securities under Depositories Act, 1996 as amended from time to time ("Depositories Act").
- (i) Either the Company or the investor may exercise an option to issue, deal in, hold the securities (including shares) with a depository in electronic form and the certificates in respect thereof shall be dematerialized, in which event the rights and obligations of the Investors and Promoters concerned and matters connected therewith or incidental thereof, shall be governed by the provisions of the Depositories Act, as amended from time to time or any statutory modification thereto or re-enactment thereof.
  - (ii) Every person subscribing to or holding securities of the Company shall have the option to receive security certificate or to hold the security with a depository, the Company shall intimate such depository the details of allotment of the security, and on receipt of the information, the depository shall enter in its record the name of the allottee and the beneficial owner of the security.
  - (iii) All securities held by a depository shall be dematerialized and be in fungible form.
  - (iv) Notwithstanding anything to the contrary contained in the Act or the Articles, a depository shall be deemed to be the registered owner for the purpose of effecting transfer of ownership of security on behalf of the beneficial owner.
  - (v) Same as otherwise provided in (a) above, the depository as the registered owner of the securities shall not have any voting rights or any other rights in respect of the securities held by it.
  - (vi) Every person holding securities of the Company and whose name is entered as beneficial owner in the records of the depository shall be deemed to be the member of the Company. The beneficial owner of securities shall be entitled to all the rights and benefits subject to all the liabilities in respect of his securities which are held by a depository.
  - (vii) Except as ordered by a court of competent jurisdiction or as required by law, the Company shall be entitled to treat the person whose name appears on the register of members as holders of any share or where the name appears as beneficial owner of shares in the records of the depository as the absolute owner thereof and accordingly shall not be bound to recognize any benami trust or equitable, contingent, future or partial interest in any share, or (except only as is by these Articles, otherwise expressly provided) any right in respect of a share other than an absolute right thereto in accordance with these Articles, on the part of any other person whether or not it has express or implied notice thereof, but the Board shall be at their sole discretion to register any share in the joint names of any two or more persons or the survivor or survivors of them.
  - (viii) Every depository shall furnish to the Company about the transfer of securities in the name of the beneficial owner at such intervals and in such manner as may be specified by the byelaws and the Company in that behalf.
  - (ix) Upon receipt of certificate of securities of surrender by a person who has entered into an agreement with the depository through a participant, the Company shall cancel such certificate and substitute in its records the name of depository as the registered owner in respect of the said securities and shall also inform the depository accordingly.
  - (x) If a beneficial owner seeks to opt out of a depository in respect of any security, the beneficial owner shall inform the depository accordingly. The depository shall on receipt of information as above make appropriate entries in its records and shall inform the Company. The Company

shall, within thirty (30) days of the receipt of intimation from the depository and on fulfillment of such conditions and on payment of such fees as may be specified by the regulations, issue the certificate of securities to the beneficial owner or the transferee as the case may be.

- (xi) Notwithstanding anything in the Act or these Articles to the contrary, these securities are held in a depository, the records of the beneficial ownership may be served by such depository on the Company by means of electronic mode or by delivery of floppies or discs.
- (xii) Except as specifically provided in these Articles, the provisions relating to joint holders of shares, calls, lien on shares, forfeiture of shares and transfer and transmission of shares shall be applicable to shares held in depository so far as they apply to shares held in physical form subject to the provisions of the Depository Act.
- (xiii) Notwithstanding anything in the Act or these Articles, where securities are dealt with by a depository, the Company shall intimate the details thereof to the depository immediately on allotment of such securities.
- (xiv) The Company shall cause to be kept a register and index of Members and a register and index of debenture holders in accordance with the Act respectively, and the Depositories Act, with details of shares and debentures held in material and dematerialized forms in any media as may be permitted by law including in any form of electronics media. The register and index of beneficial owners maintained by a depository under Section 11 of the Depositories Act shall be deemed to be the register and index of Members and register and index of debenture holders, as the case may be, for the purpose of the Act. The Company shall have the power to keep in any state or country outside India a branch register of Members resident in that state or country.
- (xv) The Company shall keep a register of Transfer and shall have recorded therein fairly and distinctly particulars of every transfer or transmission of any share held in material form. The Company shall also use a common form of transfer.

#### **Borrowing Powers**

- 92A. Subject to the provision of Section 180 (1) (c) of the Act and these Articles and without prejudice to the other powers conferred by these Articles, the directors shall have the power from time to time at their discretion, by a resolution passed at a meeting of the board and not by circular resolution, to borrow monies provided that the total amount borrowed at any time together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) shall not, without the consent of the Company in general meeting, exceed the aggregate of the paid up capital of the Company and its free reserves that is to say, reserves not set apart for any specific purpose. Such consent shall be obtained by a special resolution which shall provide for the total amount up to which moneys may be borrowed by the Board. The expression "temporary loans" in this Article means loans repayable on demand or within six (6) months from the date of the loans such as short term loans, cash credit arrangements, discounting of bills and the issue of other short-term loans of seasonable character but does not include loans raised for the purpose of financing expenditure of a capital nature.
- 92B. Subject to the provisions of the Act and these Articles, the directors may by a resolution passed at a meeting of the board and not by circular resolution, secure the payment of such sum or sums in such manner and upon such issue of bonds, perpetual or redeemable debentures or debenture stock, or any mortgage or charge or other security on the undertaking of the whole or any part of the property, undertaking of the company (both present and future). Provided that consent of the members by way of special resolution would be necessary for security to be created on whole or substantially whole of the undertaking. For the purposes of this Article:
- (i) "undertaking" shall mean an undertaking in which the investment of the company exceeds twenty per cent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty per cent. of the total income of the company during the previous financial year;

- (ii) the expression “substantially the whole of the undertaking” in any financial year shall mean twenty per cent or more of the value of the undertaking as per the audited balance sheet of the preceding financial year.
- 92C. Any bonds, debentures, debenture-stock or other securities issued or to be issued by the Company, shall be under the control of the directors, who may issue them upon such terms and conditions and in such manner and for such consideration as they shall consider to be for the benefit of the Company.
- 92D. Debentures, debenture-stock, bonds or other securities may be made assignable, free from any equities between the Company and the person to whom the same may be issued.
- 92E. Subject to the provisions of the Act and these Articles, any bond, debentures, debenture stock or other securities, may be issued at par, discount, premium or otherwise and may be issued on condition that they shall be convertible into shares of any denomination and with privileges and conditions as to redemption, surrender, drawings, allotment of Shares, attending (but not voting) at a general meeting, appointment of directors or otherwise.
- Provided that the debentures with the right to allotment of or conversion into Shares shall not be issued except with the sanction of the Company in a general meeting by a special resolution.
- 92F. The Board shall cause a proper register to be kept in accordance with the provisions of the Act, of all mortgages, debentures and charges specifically affecting the property of the Company including all floating charges on current assets of the Company and fixed charges on the undertaking or any property of the Company, and shall cause the requirements of the Act in relation to charges be duly complied with
93. At any point of time from the date of adoption of these Articles, if the Articles are or become contrary to the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations”) or of the Act or of the Secretarial Standard issued by the Institute of Company Secretaries of India (“Secretarial Standards”), the provisions of the Listing Regulations or the Act or the Secretarial Standards shall prevail over the Articles to such extent and the Company shall discharge all of its obligations as prescribed under the Listing Regulations or the Act or the Secretarial Standards, from time to time.
